AN ORDINANCE relating to employee sick leave and family and medical leave; making King County family and medical leave run concurrently with federal and state family and medical leave; making other changes in King County family and medical leave and sick leave; making technical corrections; amending Ordinance 12014, Section 5, as amended, and K.C.C. 3.12.010 and Ordinance 12014, Section 21, as amended, and K.C.C. 3.12.220 and adding a new section to K.C.C chapter 3.12.

BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

SECTION 1. Findings:

A. King County employees are covered under a number of federal, state and local laws regarding family and medical leave. Family and medical leave is intended to allow employees the time they need to focus on serious health conditions that they or their family members are facing.

The laws affecting family and medical leave include: 29 U.S.C. Secs. 2601 et. seq., commonly known as the federal Family and Medical Leave Act ("FMLA"); 42 U.S.C. Secs.12101 et seq., commonly known as the Americans with Disabilities Act Amendments Act of 2008; 38 U.S.C Sec. 4301 et seq., commonly known as the Uniformed Services Employment and Reemployment Rights Act; chapter 49.78 RCW, commonly known as the Washington Family Leave Act ("WFLA"); RCW 49.12.265 through 49.12.295, commonly known as the Washington Family Care Act; WAC 162-30-020, which is a Washington state regulation relating to pregnancy, childbirth and pregnancy-related conditions; chapter 49.76 RCW, commonly known as Washington Domestic Violence Leave; chapter 49.77 RCW, commonly known as the Washington Military Family Leave Act; and K.C.C 3.12.220, which addresses sick leave and time off for medical and family reasons. King County family and medical leave ("KCFML") provides eligible county employees with leave benefits in addition to those provided under federal and state law.

B. FMLA and WFLA provide an eligible employee with twelve weeks of family and medical leave for qualifying reasons; that leave is job-protected, and the employee is entitled to continued health insurance during the period of leave. The twelve weeks of leave provided under FMLA and WFLA run concurrently. If an eligible employee has accrued paid leave, the employee can use that paid leave at the beginning of the leave under FMLA and WFLA. Once an eligible employee has exhausted paid leave, the employee may go into a leave without pay status for the remainder of the employee's leave entitlement.

C. King County provides an eligible employee with eighteen weeks of KCFML, which is unpaid and includes domestic partners as covered family members. Currently, KCFML does not begin until the employee has exhausted their accrued paid leave or is in a leave without pay status.

D. In order to provide consistency for employees in the duration of their family and medical leave, independent of the amount of paid leave they have accrued, and to provide for the efficient administration of all types of family and medical leave, the eighteen weeks of KCFML should run concurrently with leave under FMLA and WFLA. This would provide all eligible county employees with up to eighteen weeks of family and medical leave, which would be paid or unpaid depending upon the employee's paid leave accruals.

E. A 2014 memorandum of agreement between King County and the King County Coalition of Unions, which the Council approved by Ordinance 17916 in November 2014, provided, among other things, that for county employees represented by the Coalition benefits under KCFML would run concurrently with those provided under FMLA, instead of consecutively, but only if: the same changes were adopted and implemented by ordinance for non-represented employees; and the changes were not implemented for represented employees before July 1, 2015. The parties agreed to "work together to identify the King County Code language changes necessary to implement this change." This ordinance makes those code changes.

employee does not work a full six months, any vacation leave used for sick leave must be reimbursed to the county upon termination.

C. For employees covered by the overtime requirements of the Fair Labor Standards Act, sick leave may be used in as small as ~~((one-half hour))~~ fifteen-minute increments or as specified in the collective bargaining agreement~~((, at the discretion of the appointing authority))~~.

D. There shall be no limit to the hours of sick leave benefits accrued by an eligible employee.

E. Separation from or termination of county employment except by reason of retirement or layoff due to lack of work, funds, efficiency reasons or separation for ~~((nondisciplinary))~~ medical reasons, shall cancel all sick leave accrued to the employee as of the date of separation or termination. Under K.C.C. 3.12.190.H., in lieu of the remuneration for fifty percent of unused vacation leave at retirement, the manager may also fund the voluntary employee beneficiary association plan.

b. The manager shall adopt procedures for the implementation of all voluntary employee beneficiary association plans. At a minimum, the procedures shall provide that:

(1) each group of employees hold an election to decide whether to implement a voluntary employee beneficiary association plan for a defined group of employees. The determination of the majority of voting employees in a group shall bind the remainder. Elections for represented employees shall be conducted by the appropriate bargaining representative. Elections for nonrepresented employees shall be conducted in accordance with procedures established by the manager;

(2) the manager has discretion to determine the scope of employee groups voting on whether to adopt a voluntary employee beneficiary association plan. The manager shall consult with bargaining representatives and elected officials in determining the scope of voting groups;

(3) any voluntary employee beneficiary association plan implemented in accordance with this subsection F.2. complies with federal tax law. Disbursements in accordance with this subsection F.2. shall be exempt from withholdings, to the extent permitted by law; and

(4) employees shall forfeit remuneration under subsection F.1. and 2. of this section if the employee belongs to a group that has voted to implement a voluntary employee beneficiary association plan and the employee fails to execute forms that are necessary to the proper administration of the plan within twelve months of retirement by reason of length of service, as defined in subsection F.1. of this ((sub))section.

G. Uniformed employees covered under the LEOFF Retirement System-Plan I shall apply for disability retirement under RCW 41.26.120.

H.1. An employee must use all of his or her accrued sick leave and any donated sick leave before taking unpaid leave for his or her own health reasons. If the injury or illness is compensable under the county's workers' compensation program, then the employee has the option to augment or not augment ~~((time-loss))~~ wage replacement pay ~~((payments))~~ with the use of accrued sick leave. A furloughed employee shall not be eligible to take or be paid for sick leave in lieu of taking a budgetary furlough day.

2. For a leave for family reasons, the employee shall choose at the start of the leave whether the particular leave would be paid or unpaid; but when an employee chooses to take paid leave for family reasons he or she may set aside a reserve of up to eighty hours of accrued sick leave. A furloughed employee who is on county family and medical leave as provided for in this section shall retain county benefits during furlough days.

3. An employee who has exhausted all of his or her sick leave may use accrued vacation leave before going on leave of absence without pay, if approved by his or her appointing authority. A furloughed employee shall not be eligible to take or be paid for vacation leave in lieu of sick leave in lieu of taking a furlough day.

I. Sick leave ~~((shall))~~ may be used only for the following reasons:

~~((a-))~~ 1. ~~((t))~~ The employee's bona fide illness, but an employee who suffers an occupational illness may not simultaneously collect sick leave and worker's compensation payments in a total amount greater than the net regular pay of the employee;

~~((b-))~~ 2. ~~((t))~~ The employee's incapacitating injury, but:

~~((1))~~ a. an employee injured on the job may not simultaneously collect sick leave and worker's compensation payments in a total amount greater than the net regular pay of the employee, though an employee who chooses not to augment his or her worker~~((s))~~'s compensation ~~((time-loss))~~ wage replacement pay through the use of sick leave shall be deemed on unpaid leave status;

~~((2))~~ b. an employee who chooses to augment workers' compensation payments with the use of accrued sick leave shall notify the safety and workers' compensation program office in writing at the beginning

of the leave; and
