Clerk 11/01/2010

AN ORDINANCE relating to road fees; setting the mitigation payment system program project list and providing for an updated road mitigation payment system program fee schedule to reflect the termination of the reciprocal interlocal agreement with the city of Covington; and amending Ordinance 11617, Section 43 and Attachment B, as amended, and K.C.C. 14.75.040 and Ordinance 11617, Section 49, as amended, and K.C.C. 14.75.100.

BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

SECTION 1. Ordinance 11617, Section 43 and Attachment B, as amended, and K.C.C. 14.75.040 are each hereby amended to read as follows:

A. Fee schedules stating the amount of the MPS fee which residential development shall pay for development subject to MPS fees are set forth in subsection E. of this section as described in subsection D. of this section. Subsequent fee schedules shall be established in accordance with K.C.C. 14.75.050. All other development shall pay an MPS fee individually calculated by the department, as set forth in K.C.C.

14.75.050.B. The MPS administrative fee, which all developers shall pay, is set forth in K.C.C. 14.75.080 and 14.75.090.

B. For purposes of this chapter, the county is divided into service districts as set forth in Attachment A to Ordinance 13696. In each service district, similar types of residential development shall pay the same MPS fee, unless the amount of the fee is altered because:

1. Unusual circumstances exist and the department adjusts the amount of the fee as provided in

subsection C. of this section; or

2. The developer submits studies or data showing that the fee as set forth in the applicable schedule or as calculated by the department is in error, as provided in K.C.C. 14.75.150.

C. The department may adjust the standard impact fee as set forth in the fee schedules at the time the fee is imposed to consider unusual circumstances in specific cases to ensure that MPS fees are imposed fairly. The department shall set forth its reasons for adjusting the standard MPS fee in written findings.

D. The multifamily residential fee shall be determined based on the appropriate single family fee shown in subsection E. of this section multiplied by 0.6. The residential MPS fee for any unincorporated area not within a zone listed on the King County residential fee schedule shall be one hundred eighty-nine dollars.

E. King County residential fee schedule.

Any unincorporated residential fee not otherwise listed in this subsection E. is \$189.

SECTION 2. Ordinance 11617, Section 49, as amended, and K.C.C. 14.75.100 are each hereby amended to read as follows:

A. In conjunction with the department’s review and update of the Transportation Needs Report ("TNR"), or its successor, element of the King County Comprehensive Plan the department shall do the following:

1. Identify each project that is growth-related and the proportion of each such project that is growth-related;
2. Forecast the total money available from taxes and other public sources for road improvements over the multiyear program;
3. Calculate the amount of MPS fees already paid; and
4. Identify those MPS projects that have been or are being built but whose performance capacity has not been fully utilized.

B. The department shall use this information to prepare a draft MPS project list, which shall comprise:

1. The projects in the TNR, or its successor, in order of priority, that are growth-related and that are

capable of being funded with the forecast public money and the MPS fees already paid; and

2. The MPS projects already built or funded under this chapter whose performance capacity has not been fully utilized.

C. The council shall by ordinance establish the MPS project list by adopting, with or without modification, the department’s draft list.

D. Once a project is placed on the MPS project list, a fee shall be imposed on every development that impacts the project until the project is removed from the list by one of the following means:

1. The council by ordinance removes the project from the MPS project list, in which case the fees already collected will be refunded if necessary to ensure that the MPS fee remains reasonably related to the traffic impacts of development that have paid an MPS fee. However, a refund shall not be necessary if the council transfers the fees to the budget of another project that the council determines will mitigate essentially the same traffic impacts; or

2. The capacity created by the project has been fully utilized, in which case the department shall administratively remove the project from the MPS project list.

E. The MPS project list in this subsection E. shall be used by the department of transportation in preparing the mitigation payment system program fee schedules and in calculating mitigation payment system program fees.
