The County has irrevocably covenanted that each year, for as long as any of the LTGO Bonds are outstanding and unpaid, it will include in its budget and levy an *ad valorem* tax within the constitutional and statutory tax limitations provided by law without a vote of the people upon all property within the County subject to taxation in an amount that will be sufficient, together with all other revenues, taxes and money of the County legally available for such purposes, to pay the principal of and interest on the LTGO Bonds as the same shall become due. The County has irrevocably pledged its full faith, credit and resources for the annual levy and

collection of such taxes and for the prompt payment of the principal of and interest on the LTGO Bonds as the same shall become due.

The County has irrevocably covenanted, for as long as any of the UTGO Bonds are outstanding and unpaid, to include in its budget each year and make an annual levy of taxes without limitation as to rate or amount on all property within the County subject to taxation in an amount that will be sufficient, together with all other revenues, taxes and money of the County legally available for such purposes, to pay the principal of and interest on the UTGO Bonds as the same will become due. The full faith, credit and resources of the County are pledged irrevocably for the annual levy and collection of these taxes and for the prompt payment of the principal and interest on the UTGO Bonds as the same shall become due.

The County always has met principal and interest payments on outstanding bonds and notes when due.

Adjustment of Principal Amounts Before Bid Opening

Bidders are advised that the County may increase or decrease the total principal amount of the Bonds of either series and/or the amounts of individual maturities stated in this Official Notice of Bond Sale (including any amendments issued by the County through a wire service) prior to the bidding. If such changes are made, they will be made available through Parity.

Bidding Information

Bidders are invited to submit separate bids for the purchase of either or both series of the Bonds fixing the interest rates that the Bonds of each series will bear. The interest rates bid shall be in a multiple of 1/8 or 1/20 of one percent. No more than one rate of interest may be fixed for any one maturity of the Bonds. Bids shall be without condition and shall be only submitted electronically via Parity.

No bid will be considered for the LTGO Bonds that is less than an amount equal to 99.5 percent of the par value of the LTGO Bonds nor more than an amount equal to 113 percent of the par value of the LTGO Bonds, or for less than the entire offering of the LTGO Bonds. Each individual maturity must be reoffered at a yield that will produce a price of not less than 98 percent of the principal amount for that maturity.

No bid will be considered for the UTGO Bonds that is less than an amount equal to 99.5 percent of the par value of the UTGO Bonds nor more than an amount equal to 109 percent of the par value of the UTGO Bonds, or for less than the entire offering of the UTGO Bonds. Each individual maturity must be reoffered at a yield that will produce a price of not less than 98 percent of the principal amount for that maturity.

For the purpose of the preceding paragraphs, "price" shall be defined as the lesser of the price at the redemption date or the price at the maturity date.

For the purpose of comparing bids only, the interest rate bid being controlling, each bid shall state the true interest cost of the bid, determined by doubling the semiannual interest rate (compounded semiannually) necessary to discount the debt service payment from the payment date to the date of the Bonds and to the price bid.

Bidders are requested to provide a list of any syndicate members with their bids or within 24 hours of submitting their bids. The County strongly encourages the inclusion of women and minority business enterprise firms in bidding syndicates.

Adjustment of Par Amount and Bid Price After Award

The County reserves the right to increase or decrease the preliminary principal amount of the LTGO Bonds by an amount not to exceed ten percent following the opening of the bids. The County also reserves the right to increase or decrease the preliminary principal amount of any maturity of the LTGO Bonds by the greater of \$600,000 or 15 percent of the preliminary principal amount of that maturity.

The County reserves the right to increase or decrease the preliminary principal amount of the UTGO Bonds by an amount not to exceed ten percent following the opening of the bids. The County also reserves the right to increase or decrease the preliminary principal amount of any maturity of the UTGO Bonds by the greater of \$150,000 or 15 percent of the preliminary principal amount of that maturity.

The price bid by the successful bidder for each series of the Bonds will be adjusted by the County on a proportionate basis to reflect an increase or decrease in the principal amount and maturity schedule of such series of the Bonds by 3:00 p.m., Pacific Time, on the day of the bid opening. The County will not be responsible in the event and to the extent that any adjustment affects the net compensation to be realized by the successful bidder of any series of the Bonds.

Good Faith Deposit

The successful bidder for the LTGO Bonds is required to deliver a good faith deposit in the amount of \$270,000 and the successful bidder for the UTGO Bonds is required to deliver a good faith deposit in the amount of \$200,000, in each case, by federal funds wire transfer to the Treasury Section of the Finance Division by no later than 90 minutes following the successful bidder's receipt of the verbal award. Wiring instructions will be provided to the successful bidder at the time of the verbal award.

The good faith deposit of the successful bidder of each series of the Bonds will be retained by the County as security for the performance of such bid, and will be applied to the purchase price of such series of the Bonds on the delivery of such series of the Bonds to the successful bidder. Pending delivery of the Bonds, the good faith deposit for each series of the Bonds may be invested for the sole benefit of the County.

If the Bonds of a series are ready for delivery and the successful bidder fails to complete the purchase of such series of the Bonds within 40 days following the acceptance of its bid, the good faith deposit will be forfeited to the County, and, in that event, the County Council may accept the next best bid or call for additional proposals.

Insurance

Bids for the Bonds shall not be conditioned upon obtaining insurance or any other credit enhancement. If the Bonds qualify for issuance of any policy of municipal bond insurance or commitment therefor at the option of a bidder, any purchase of such insurance or commitment therefor shall be at the sole option and expense of the bidder and any increased costs of issuance of the Bonds resulting by reason of such insurance, unless otherwise paid, shall be paid by such bidder. Any failure of the Bonds to be so insured or of any such policy of insurance to be issued shall not in any way relieve the purchaser of its contractual obligations arising from the acceptance of its proposal for the purchase of the Bonds.

Award

The Bonds of each series will be sold to the bidder making a bid conforming to the terms of the offering and which, on the basis of the County's determination of the lowest true interest cost, is the best bid. The true interest cost to the County for a series of the Bonds will be the rate that, when used to discount to the date of such series of the Bonds all future payments of principal and interest (using semiannual compounding and a 30/360 day basis), produces an amount equal to the bid amount, without regard to the interest accrued to the date of delivery of such series of the Bonds.

If there are two or more equal bids for a series of the Bonds and those bids are the best bids received, the County Council will determine by lot which bid will be accepted. The County reserves the right to reject any or all bids submitted and to waive any formality in the bidding or bidding process and, if all bids for an offering

are rejected, such series of the Bonds may be readvertised for sale in the manner provided by law and as provided above.

Issue Price Information

Upon award of the Bonds, the successful bidder for each series of the Bonds shall advise the County and Bond Counsel of the initial reoffering prices to the public of such series of the Bonds (the "Initial Reoffering Prices"). Simultaneously with or before delivery of each series of the Bonds, the successful bidder for each series of the Bonds shall furnish to the County and Bond Counsel a certificate in form and substance acceptable to Bond Counsel:

- (i) confirming the Initial Reoffering Prices,
- (ii) certifying that a *bona fide* offering of the applicable series of the Bonds has been made to the public (excluding bond houses, brokers and other intermediaries),
- (iii) stating the prices at which a substantial amount (at least ten percent) of such series of the Bonds was sold to the public (excluding bond houses, brokers and other intermediaries),
- (iv) stating the prices at which any portion of such series of the Bonds that remains unsold at the date of closing would have been sold on the date the Bonds were awarded, and
- (v) stating the offering price of each portion of such series of the Bonds sold to institutional or other investors at discount.

Delivery

The County will deliver the Bonds (consisting of one word-processed certificate for each maturity of each series of the Bonds) to DTC in New York, New York, or to the Bond Registrar on behalf of DTC by Fast Automated Securities Transfer, prior to the date of closing. Closing shall occur within 40 days after the sale date. Settlement shall be in federal funds available in Seattle, Washington, on the date of delivery. Delivery is expected to be October 28, 2010.

If, prior to the delivery of the Bonds, the interest receivable by the owners of a series of the Bonds becomes includable in gross income for federal income tax purposes, or becomes subject to federal income tax other than as described in this Preliminary Official Statement for the Bonds, the successful bidder for such series of the Bonds, at its option, may be relieved of its obligation to purchase such series of the Bonds, and in that case the good faith deposit accompanying its bid will be returned without interest.

The approving legal opinion of Gottlieb Fisher PLLC, Seattle, Washington, Bond Counsel, will be provided to the purchaser(s) at the time of the delivery of the Bonds. Bond Counsel's opinion will express no opinion concerning the accuracy, completeness or sufficiency of this Preliminary Official Statement or other offering material relating to the Bonds, nor will there be an opinion of Bond Counsel relating to the undertaking of the County to provide ongoing disclosure pursuant to Securities and Exchange Commission ("SEC") Rule 15c2-12 (the "Rule"). A no-litigation certificate will be included in the closing papers of the Bonds.

CUSIP Numbers

It is anticipated that CUSIP identification numbers will be printed on the Bonds, but neither the failure to print such numbers on the Bonds nor any error with respect thereto will constitute cause for a failure or refusal by the purchaser of the Bonds thereof to accept delivery of and pay for the Bonds in accordance with the terms of this Official Notice of Sale.

The successful bidder for each series of the Bonds is responsible for obtaining CUSIP numbers for such series of the Bonds. The applicable charge of the CUSIP Service Bureau will be paid by each successful bidder; however, all expenses for printing the CUSIP numbers on the Bonds will be paid by the County.

Ongoing Disclosure Undertaking

To assist bidders in complying with paragraph (b)(5) of the Rule, the County will undertake, pursuant to the Sale Motions, to provide certain annual financial information and notices of the occurrence of certain events, if material. A description of this undertaking is set forth in this Preliminary Official Statement and will also be set forth in the final Official Statement.

Preliminary Official Statement

This Preliminary Official Statement is in a form the County expects to deem final for the purpose of paragraph (b)(1) of the Rule, but is subject to revision, amendment and completion in a final Official Statement, which the County will deliver, at the expense of the County, to the purchaser(s) not later than seven business days after the County's acceptance of each purchaser's bid. The County will deliver no more than 100 copies of the final Official Statement to the purchaser of each series of the Bonds. Additional copies will be provided at the purchaser's expense.

By submitting the successful proposal, each purchaser's designated senior representative agrees:

- (i) to provide to the Finance Division, in writing, within 24 hours after the acceptance of the bid, pricing and other related information, including the Initial Reoffering Prices of the Bonds, necessary for completion of the final Official Statement;
- (ii) to disseminate to all members of the underwriting syndicate, if any, copies of the final Official Statement, including any amendments or supplements prepared by the County;
- (iii) to take any and all actions necessary to comply with applicable rules of the SEC and Municipal Securities Rulemaking Board ("MSRB") governing the offering, sale and delivery of the Bonds to ultimate purchasers, including the delivery of a final Official Statement to each investor who purchases the Bonds; and
- (iv) to file the final Official Statement or cause it to be filed with the MSRB within one business day following its receipt from the County.

Official Statement

At closing, the County will furnish a certificate of an official or officials of the County, stating that, to the best knowledge of such official(s) and relying on the opinions of Bond Counsel where appropriate, as of the date of the Official Statement and as of the date of delivery of the Bonds,

- (i) the information (including financial information) regarding the County contained in the Official Statement was and is true and correct in all material respects and did not and does not contain any untrue statement of a material fact or omit any statement or information which is necessary to make the statements therein, in light of the circumstances under which they were made, not misleading (however, the County will make no representation regarding Bond Counsel's form of opinion or the information provided by DTC, The Bank of New York Mellon, or any entity providing bond insurance, reserve insurance or other credit facility); and
- (ii) the descriptions and statements, including financial data, of or pertaining to other bodies and their activities contained in the Official Statement have been obtained from sources that the County believes to be reliable and the County has no reason to believe that they are untrue in any material respect.
