The Honorable Dave Upthegrove  
Chair, King County Council  
Room 1200  
C O U R T H O U S E

Dear Councilmember Upthegrove:

This letter transmits a proposed Ordinance that, if enacted, would approve the Northeast Sammamish Sewer and Water District's (District) 2022 General Sewer Plan (Plan). This letter and attached matrix describe the results of the Utilities Technical Review Committee's (UTRC) review of the Plan and its consistency with King County requirements.

The King County Code 13.24 requires King County approval of the Plan before it becomes effective. The UTRC has reviewed the Plan for conformance with the Code and recommended its approval on November 16, 2022.

The enclosed matrix provides additional information regarding the District's Plan and compliance with King County Code requirements and consistency with the King County Comprehensive Plan.

I appreciate the District's cooperation in submitting the Plan and working through the UTRC review process. I encourage the King County Council to adopt the proposed Ordinance approving the Plan.

Thank you for your consideration of this proposed Ordinance.

If your staff have any questions, please contact Dan Cardwell, Chair of the Utilities Technical Review Committee, at 206-263-3733.

Sincerely,

 for  
Dow Constantine  
King County Executive

The Honorable Dave Upthegrove
