

## ATTACHMENT A TO ORDINANCE \_\_\_\_\_

**SECOND AMENDMENT TO GRAND RIDGE JOINT AGREEMENT  
[3-PARTY AGREEMENT FOR ISSAQUAH HIGHLANDS]  
AND MASTER TRANSPORTATION FINANCING AGREEMENT**

THIS SECOND AMENDMENT ("Second Amendment") is entered into effective as of the last signature date by the undersigned parties to amend the agreements as described below.

**RECITALS**

A. The Partnerships conveyed 1,418.22 acres of passive open space and 101.79 acres of active open space as part of the Grand Ridge 3-Party Agreement dated June 10, 1996, a memorandum of which is recorded under King County Recording No. 9606180756 ("3-Party Agreement").

B. This open space is protected by 3 Conservation Easements: (1) Term Deed of Development Rights, Conservation and Trail Easements, Covenants, Obligations & Conditions [1064.29 acres] dated June 10, 1996 and recorded under King County Recording No. 9612030694 ("County Conservation Easement" or "County Open Space"), and a deed for fee title to that open space dated October 2, 1997 and recorded under King County Recording No. 9710221244; (2) Term Deed of Development Rights, Conservation and Trail Easements, Covenants, Obligations & Conditions [180 acres] dated June 10, 1996 and recorded under King County Recording No. 9612030695; and (3) Term Deed of Development Rights, Conservation and Trail Easements, Covenants, Obligations & Conditions for urban open space [275.15 acres, of which 173.93 are passive] dated October 28, 1996 and recorded under King County Recording No. 9612030694, as amended by the addition of 7.13 acres of open space area under the First Amendment dated April 30, 2001 and recorded under King County Recording No. 20010509001133 ("City Conservation Easement" or "City Open Space").

C. The parties wish to grant an additional 40 acres of County Open Space as Protected Property. As a result of this increase in passive area, the minimum passive area in the City Open Space is authorized to be reduced by up to 20 acres from 173.93 acres to 153.93 acres, and the Active Area of City Open Space is authorized to be correspondingly increased by up to 20 acres. The parties wish to modify the timing for conveyance and fee ownership for portions of the City Open Space.

D. The parties also wish to include 2 roadway segments within the City of Issaquah corporate boundaries that cross approximately 10,497 sq. ft. (0.24 acre) of the County Open Space to implement an existing Interlocal Agreement between the City and County. One acre of the 40 acres of new open space being conveyed by the Partnership constitutes compensation at a 4:1 ratio for the .24 acre roadway segment over the County Open Space.

E. The parties entered into the following agreements with identical provisions regarding road phasing for the Issaquah Highlands (formerly Grand Ridge) project: (1) Master Transportation Financing Agreement dated June 10, 1996 ("MTFA"); (2) Grand Ridge 3-Party

Agreement dated June 10, 1996, a memorandum of which is recorded under King County Recording No. 9606180756 ("3-Party Agreement") and (3) the Partnerships and the City entered into the Annexation and Development Agreement dated June 19, 1996, a memorandum of which is recorded under King County Recording No. 9606251228, as amended by the first Amendment dated March 21, 2000 (collectively "Development Agreement" or "2-Party Agreement"). The form of the MTFA was attached as an appendix to both the 3-Party Agreement and the 2-Party Agreement, and the parties acknowledge that any amendments to the signed MTFA automatically amend the form of the MTFA attached as appendices to the 3-Party Agreement (as Appendix F) and the 2-Party Agreement (as Appendix J) .

F. The parties previously amended the MTFA, the 3-Party Agreement and the 2-Party Agreement effective March 21, 2000 ("First Amendment"), including revisions to the transportation improvements and phasing. The parties wish to make certain additional changes to the transportation phasing by this Second Amendment.

G. Further, the parties also wish to revise the legal descriptions for areas comprising the Southeast Rural Area, approve the final location and easement for the Western Access, and modify certain development standards in the 3-Party Agreement relating to the relating to clearing and impervious surface.

NOW, THEREFORE, for good and valuable consideration, including the mutual covenants and promises in this Agreement, the adequacy and receipt of which are hereby acknowledged, the parties amend the County Conservation Easement, City Conservation Easement, MTFA and the 3-Party Agreement as follows:

1. **County Open Space.** The undersigned Partnerships will convey an additional 40 acres of passive open space to King County as legally described and shown on Attachment 1 hereto. The additional open space will be added as County Open Space by recording the First Amendment to the County Conservation Easement in the form of Attachment 1 and a deed conveying fee title subject to matters of record.

2. **City Open Space.** The City Conservation Easement, and Section 4.1.1 and the acreage chart in Section 2.3 of the 3-Party Agreement, are each hereby amended to authorize a reduction of the minimum area of Protected Property from 173.93 acres to 153.93 acres, and all references in the City Conservation Easement and 3-Party Agreement to "minimum passive area" shall mean 153.93 acres. The City Conservation Easement is amended in the form of Attachment 2. To the extent the City uses all or a portion of this 20-acre authorized passive reduction, there will be a corresponding increase in the active category of City Open Space by up to 20 acres. Consequently, the "Active City uses" listed in the acreage chart in Section 2.3 of the 3-Party Agreement may be increased from the current 101.79 acres up to 121.79 acres. Further, Section 4.1.1 of the 3-Party Agreement is amended to allow (a) ownership of a portion of the City Open Space in one or more property owner associations, rather than all of the fee ownership held by the City, as mutually agreed by the City, the Partnerships and the applicable owner association, and (b) timing of the conveyance of fee title to the City to occur pursuant to mutual agreement by the City and the Partnerships.

**3. Public Roadway and Boundary Adjustment (Div. 34).** In acknowledgement that the King County Council previously has approved on October 9, 2001, an Interlocal Agreement Amendment with the City of Issaquah to permit construction of the Division 34 road crossings and utilities covering approximately 10,497 sq. ft. (0.24 acre) over that portion of the County Open Space legally described and shown on Attachment 3 ("Roadway Segments"), the King County Council and the Issaquah City Council have determined to adjust the City of Issaquah corporate boundary to include the Roadway Segments within the City of Issaquah under RCW 35A.21.210, or other appropriate procedures, so that a single jurisdiction can have full responsibility for this continuous roadway. Section 2.2.2(b) of the 3-Party Agreement is amended hereby to allow the Roadway Segments to be annexed into the City. Further, the County Conservation Easement is amended by adding this public roadway as shown in Attachment 3 as an express permitted use in the form of Attachment 1.

**4. Phase I(c) Transportation Improvements.** The Phase I transportation improvements (as set forth in Attachment B of the executed MTFAs and as an appendix to the 3-Party Agreement and 2-Party Agreement, and as set forth in Section 5.1.1 of the 3-Party Agreement, which all have identical language) are each amended by adding the following as a new "Phase I(c)" (new text is double underlined; deleted text shown with strikethrough):

**Phase I.** Phase I shall consist of: (a) one hundred single-family residential units without improvements to Black Nugget Road or other roads; or (b) final plat approval for ~~540~~ 580 equivalent single-family residential units upon the Partnership's completing construction, or posting with the County a two-year financial guarantee instrument in an amount and form acceptable to the County which guarantees construction, of the following Phase I road improvements, provided that no occupancy shall be allowed for such single family residential units until the Partnership completes construction of the following Phase I road improvements; and issuance of a certificate of occupancy for commercial or multifamily development for up to 250,000 square feet of commercial uses, and 50,000 square feet of retail uses (of which 46,000 retail square feet were converted temporarily until Phase II to 40 equivalent residential units by City Administrative Modification; these 40 ERUs are included in the 580 ERUs listed above) upon the Partnership's completing construction of the following Phase I road improvements:

- (i) Black Nugget Road improved to neighborhood collector standards, per King County Road Standards, with the County to decide whether to apply rural or urban neighborhood collector standards after a joint community process to be conducted by the County, the City and the Partnership to be completed within 45 days of the effective date of the MTFAs.
- (ii) Construction access (for construction vehicles, delivery and related construction activities) through Urban Development Area 4 through the Lakeside Quarry area or through alternative routes, not to include Black Nugget Road.
- (iii) Improved and signalized Black Nugget/Vaughn Hill intersection, with left and right turn lanes as determined by the County; even though intersection

completion is not a condition of Phase I(a), the Partnership shall use all reasonable efforts to finance and install an interim wire span signal as early in Phase I(a) as reasonably possible, as follows: (a) the Partnership on an expedited basis shall submit interim signal plans to the County and order materials, and (b) the County shall expeditiously review and approve such plans.

(iv) Additional safety improvements to Black Nugget Road, such as residential driveway improvements and necessary lighting improvements.

(v) Screening or landscaping buffer improvements along Black Nugget Road.

In order to ensure that construction, delivery and other construction-related vehicles do not use Black Nugget Road for access to the Urban Development Area, the Partnership shall include in all construction contracts a provision precluding all contractors and sub-contractors from using Black Nugget Road for access to the construction sites in the Urban Development Area.

Phase I (c). In addition to Phases I(a) and (b) above, certificates of occupancy for 369 equivalent single family residential units may be issued upon completion (i.e. so the road improvements are operational) of the following interim road improvements ("Phase I(c) Improvements"):

(i) Construction by King County of an additional north to east right turn lane from East Lake Sammamish Parkway onto Issaquah-Fall City Road.

(ii) Construction by King County of that segment of the North SPAR between Black Nugget Road and the northern terminus of the South SPAR couplet.

(iii) Construction by the Partnerships of the South SPAR, including 2 southbound lanes that connect to the westbound entry ramp of the I-90 Sunset interchange.

(iv) Construction by the Partnership of the portion of Park Drive between the South SPAR and the Puget Sound Energy right-of-way to connect to existing residences at Issaquah Highlands.

(iv) Construction by WSDOT of the Westbound on-ramp at the I-90 Sunset Interchange.

(v) Each party responsible for construction of the above components also will complete the design, engineering and permitting for their respective component.

- (vi) Traffic to and from Issaquah Highlands will be prohibited over that portion of Black Nugget Road east of the North SPAR.
- (vii) After completion of the Phase I(c) road improvements and until completion of Phase II road improvements only, inbound construction traffic is allowed to enter Issaquah Highlands by using the limited portion of Black Nugget Road between Issaquah-Fall City Road and the North SPAR, but outbound construction traffic leaving Issaquah Highlands shall exit south over the South SPAR and shall not use Black Nugget Road. Upon completion of the Phase II road improvements, construction traffic to Issaquah Highlands shall not use Black Nugget Road.
- (viii) In addition to the 369 equivalent single family residential units described above during Phase I(c), 141 equivalent single family residential units may be constructed, as a temporary conversion of 123,000 square feet of commercial until Phase II, so long as less than 123,000 commercial square feet (out of the authorized 250,000 commercial square feet) is constructed in Phase I(b).
- (ix) Nothing in this section is intended to create any new legal or equitable obligation for King County, WSDOT, the City or the Partnership to undertake or complete any of the Phase I(c) road improvements identified herein, and nothing in this section is intended to amend or eliminate any obligation of King County, WSDOT, the Partnership or the City under the Master Transportation Financing Agreement, the I-90 Modification Agreement or other existing agreements regarding road improvements

5. **Phase II Transportation.** The Phase II transportation improvements (as set forth in Attachment B of the MTFA, in Section 2 of the First Amendment to the 3-Party Agreement, and in Section 5.1.2 of the 3-Party Agreement, which have identical language) are each amended and restated to read in their entirety as follows (~~deleted text shown with strikethrough~~):

**Phase II.** Phase II shall consist of issuance of certificates of completion or the conclusion of final inspections for 3,250 single-family residential units, or up to 3,950 if commercial uses that would be in Phase III are converted to residential as described below, upon completion of the following Phase II road improvements (i.e. so the roads are fully operational), and issuance of a certificate of occupancy for up to 1,500,000 square feet of commercial uses, and 425,000 square feet of retail uses upon completion of the following Phase II road improvements (i.e. so the roads are fully operational):

- (a) Sunset Interchange improvements as defined in Appendix F at Section 2.4.

- (b) Minimum four lane South SPAR connection from the north boundary of Urban Development Area 4 to the Sunset Interchange.

Notwithstanding the foregoing, until these Phase II road improvements are fully operational, building permits issued for the single-family detached residential component of Phase II shall not exceed 360 single-family detached residential units (in addition to the ~~540~~ single-family equivalent residential units in Phase I). If the City determines immediately before issuance of building permits for the 360 single family detached units that reasonable progress is not being made on those Phase II road improvements, then the City may withhold issuance of those permits until such time as it receives satisfactory evidence that such reasonable progress is being made.

All restrictions on construction traffic in Phase I as described in Sec. 5.1.1 of the 3-Party Agreement and in the identical text in Appendix B of the MTFA, including no construction access over Black Nugget Road, shall also apply to Phase II, both to the Partnership and to its successors in interest, if any.

**6. Southeast Rural Parcel.** The legal descriptions for the 150-acre Rural Residential Area and the 180-acre Conservation Easement Area, which together comprise the Southeast Rural Parcel, are hereby amended as set forth in Attachment 4, but the overall acreage in each area remains unchanged. Further, the final configuration, legal description and map, and form of easement for the Western Access road connecting the Southeast Rural Parcel and the urban area are set forth in Attachment 5. King County will grant an easement for the Western Access roadway and related drainage facilities in substantially the same form as Attachment 5. The stormwater pond for the Western Access road will be designed and sized to collect stormwater only from the Western Access road and not from any area within the Southeast Rural Parcel. The stormwater pond will be constructed in a contoured shape to be more in character with the surrounding open space. Prior to final engineering, the Partnerships will present the proposed design of the pond to the King County Parks Department ("Parks"), which will have the right to approve the final pond design, within the cleared pond area as shown in Attachment 5, for the purpose of coordinating the pond design with the proposed regional trail location. Park's approval will be reasonably granted and will be deemed granted if no response is given to the Partnerships within 21 days after the proposed design is presented to Parks. Approval by Parks under this section does not eliminate the need for any otherwise required permit approvals from King County DDES or other agencies.

Further, the 3-Party Agreement, including Appendices D and K thereto, are modified by (a) allowing up to 12 acres of impervious surfaces within the 150-acre Rural Residential Area (i.e., 8% impervious surface), and (b) allowing 66.5 acres to be cleared within the 150-acre Rural Residential Area, subject to the following mitigation measures: (i) all areas cleared on the lots other than impervious surfaces and septic drainfield areas shall have at least 8" of amended soil (which soil will include minimum organic content from 8 to 13% dry weight, fines ranging from

10 to 30 % passing number 200 sieve (if imported) and 2 inches scarification of underlying till to preclude stratification); (ii) all lots, to the extent feasible, shall be required to provide dispersion BMPs as outlined in the Draft Update to the 1998 King County Surface Water Design Manual; and (iii) increase stormwater pond detention volume as necessary to accommodate the addition impervious surface and clearing on the lots tributary to such ponds. These mitigation measures are further described in the "*Issaquah Highlands SE Rural Development Area, Second Amendment to the Three Party Agreement, Clearing Rights Transfer Mitigation Analysis*" prepared by Concept Engineering, Inc. dated May 13, 2002, which is incorporated herein by this reference. The Partnership has the option to re-vegetate areas, pursuant to plans approved by King County DDES, up to seven acres of cut or fill slopes resulting from the construction of roads and stormwater ponds, in which event the re-vegetated areas will not count against the 66.5-acre clearing limit. Further, a water tank and service road thereto, stormwater facilities and other utilities to serve the residences may be located within the 150-acre Rural Residential Area (including locations outside to the 104-acre lot development area within the overall 150-acre area as referenced in Appendix K). This Second Amendment shall govern over any conflicting provisions of Appendices D or K or any other provision of the 3-Party Agreement.

**7. SEPA Compliance.** The City and County have agreed that the City is the lead agency for this Second Amendment. The City has reviewed the Grand Ridge EIS prepared in conjunction with the 3-Party Agreement, 2-Party Agreement and MTFA, as well as the I-90 Sunset Interchange EIS, and other documents and information. The City has independently reviewed these environmental documents, the existing Development Standards in the 3-Party Agreement and 2-Party Agreement. Further, the City has reviewed additional environmental analysis for the actions covered by this Second Amendment, including a supplemental traffic analysis by The Transpo Group for the Phase I(c) traffic and the "*Issaquah Highlands SE Rural Development Area, Second Amendment to the Three Party Agreement, Clearing Rights Transfer Mitigation Analysis*" prepared by Concept Engineering, Inc. dated May 13, 2002. The City has determined that action on this Amendment constitutes agency action on the same proposal previously analyzed in the environmental review documents discussed in this paragraph and that use of these prior environmental documents pursuant to WAC 197-11-600 is appropriate, as supplemented by an addendum.

**8. No Other Changes.** The terms and conditions of this Amendment shall supercede those in the County Conservation Easement, City Conservation Easement, MTFA and the 3-Party Agreement, as applicable, to the extent of any conflict or inconsistency between this Amendment and those Agreements. Except as amended by this Amendment, the County Conservation Easement, City Conservation Easement, MTFA and the 3-Party Agreement remain in full force and effect.

9. **Effective Date.** This Amendment is made effective on the date of the last signature below.

ATTACHMENT 1 OF TECHNICAL APPENDIX

FIRST AMENDMENT TO 1063-ACRE COUNTY TERM DEED  
AND CONSERVATION EASEMENT  
[COUNTY OPEN SPACE – 40 ADDITIONAL ACRES]

<b>Grantor(s):</b>	Glacier Ridge Partnership (Limited Partnership)
<b>Grantee(s):</b>	King County
<b>Abbreviated Legal Description:</b>	NW ¼ of NE ¼ of Sec. 24, Twp. 24N, R6E, W.M. King County WA
<b>Additional Legal Description</b>	Exhibit A of document
<b>Assessor's Property Tax Parcel Account Number(s):</b>	252406-9084
<b>Related Documents:</b>	9612030696 (County Term Deed)

THIS FIRST AMENDMENT ("Amendment") is effective \_\_\_\_\_, 2002, the date of the last signature below, to amend that certain County Term Deed of Development Rights, Conservation Easement, Covenants, Obligations and Conditions executed effective dated June 10, 1996 and recorded under King County Recording No. 9612030694 ("County Term Deed"), and a deed for fee title to that open space dated October 2, 1997 and recorded under King County Recording No. 9710221244 ("County Open Space"). All capitalized terms used in this Amendment shall have the same meaning as in the County Term Deed.

WHEREAS, the Partnership is the fee owner of certain additional real property in King County, Washington as legally described and shown on Attachment A and consisting of approximately 40 acres ("Additional Area").

WHEREAS, the parties wish to add the Additional Area to the existing County Term Deed through this Amendment.

WHEREAS, the parties wish to allow an additional access and utility easement through a portion of the County Open Space.

NOW, THEREFORE, for good and valuable consideration that is hereby acknowledged, the parties agree as follows:

1. Additional Area. The Additional Area is hereby granted, conveyed and made subject to the terms and conditions of the County Term Deed. The Additional Area is designated as "Protected Property."

2. Other Permitted Uses. Section 4(3) ["Other Permitted Uses"] of the County Conservation Easement is amended by adding the following public right-of-way:

g. A right-of-way for a public road, street or highway over the area legally described and shown on Attachment B.

3. No Other Changes. Except as modified in the Amendment, the County Term Deed shall remain in full force and effect in accordance with its terms.

IN WITNESS WHEREOF, the undersigned have executed this Amendment effective on the date of the last signature below.

ATTACHMENT 2 OF TECHNICAL APPENDIX

**SECOND AMENDMENT TO CITY TERM DEED  
AND CONSERVATION EASEMENT  
[CITY PASSIVE OPEN SPACE—153.93 ACRES MINIMUM]**

**Grantor(s):** City of Issaquah and Glacier Ridge Partnership  
(Limited Partnership)

**Grantee(s):** City of Issaquah and King County

**Abbreviated Legal Description:** Portions of Sec. 23, 24 and 25, Twp. 24N, R6E,  
King County WA

**Additional legal description** *See prior document: 9612030696 (City Conservation Ease)*

**Assessor's Property Tax Parcel Account Number(s):** 362980-0430  
362980-0440

**Related Documents:** 9612030696 (City Conservation Ease.);  
20010509001133 (First Amendment)

This Second Amendment ("Amendment") is effective \_\_\_\_\_, 2002, the date of the last signature below, to amend that certain City Term Deed of Development Rights, Conservation Easement, Covenants, Obligations and Conditions executed effective October 28, 1996 and recorded under King County Recording No. 9612030696, as amended by the First Amendment dated April 30, 2001 and recorded under King County Recording

No. 20010509001133 (collectively "City Term Deed"). All capitalized terms used in this Amendment shall have the same meaning as in the City Term Deed.

WHEREAS, the undersigned wish to authorize a reduction of the minimum amount of defined Protected Property by up to 20 acres from 173.93 acres to 153.93 acres, and to increase correspondingly authorize an increase of the Active Area of City Open Space by up to 20 acres.

NOW, THEREFORE, for good and valuable consideration that is hereby acknowledged, the parties agree as follows:

1. Minimum Amount of Protected Property. All references to "173.93 acres" are amended to "153.93 acres" including the following:

The third sentence of the first Whereas in the City Term Deed is amended to read as follows:

The Protected Property initially consists of 275.15 acres, but may be reduced to 153.93 ~~173.93~~ acres pursuant to Section 1.2 below.

Further, Section 1.2 of the City Term Deed is amended to read as follows:

- 1.2.1 Right to Remove "Active Area." The City has the right to remove from time to time acreage from the "Protected Property" pursuant to the procedures in this Section 1.2 so long as at least 153.93 ~~173.93~~ acres remain as "Protected Property" subject to the uses and limitations in Sections 3 and 4. The removed acres shall be denominated "Active Area" under Section 1.3.

Further, the last sentence of Section 1.4 of the City Term Deed is amended to read as follows:

- 1.4 Adjustment of Areas. .... Therefore, the boundaries, location, size, and configuration of the Protected Property, Active Area and Partnership's adjoining development areas (and their corresponding legal descriptions) shall be adjusted (collectively "Adjustments") as follows, so long as the Protected Property is never less than 153.93 ~~173.93~~ acres and the total of the Protected Property and Active Area is never less than 275.15 acres:

2. No Other Changes. Except as modified in Section 1 above, the City Term Deed shall remain in full force and effect in accordance with its terms.

IN WITNESS WHEREOF, the undersigned have executed this Amendment effective on the date of the last signature below.

<b>Assessor's Property Tax Parcel Account Number(s):</b>	2524069084-9075 (plus list on Exhibit. <sup>c/</sup> )
<b>Related Documents:</b>	9612030695 (180-Acre County Term Deed)

THIS FIRST AMENDMENT ("Amendment") is effective \_\_\_\_\_, 2002, the date of the last signature below, to amend that certain County Term Deed of Development Rights, Conservation Easement, Covenants, Obligations and Conditions for 180 acres (approximately) within the Southeast Rural Parcel executed effective dated June 10, 1996 and recorded under King County Recording No. 9612030695 ("County Term Deed"). All capitalized terms used in this Amendment shall have the same meaning as in the County Term Deed.

WHEREAS, the parties wish to amend the legal descriptions for the 180-acre Conservation Easement area and the 150-acre Rural Residential Area.

NOW, THEREFORE, for good and valuable consideration that is hereby acknowledged, the parties agree as follows:

1. Amended Legal Descriptions. The legal description for the 330-acre Southeast Rural Parcel is amended and restated as "Revised Exhibit A-1" attached hereto (replacing Exhibit A-1 in the original County Term Deed). The legal description for the 150-acre Rural Residential Area is amended and restated as "Revised Exhibit A-2" attached hereto (replacing Exhibit A-2 in the original County Term Deed). The legal description for the 180-acre Conservation Area is hereby amended and restated as "Revised Exhibit B" attached hereto (replacing Exhibit B in the original County Term Deed).

2. No Other Changes. Except as modified in the Amendment, the County Term Deed shall remain in full force and effect in accordance with its terms.

IN WITNESS WHEREOF, the undersigned have executed this Amendment effective on the date of the last signature below.

**ATTACHMENT 5 to TECHNICAL APPENDIX**

**WESTERN ACCESS EASEMENT  
[SE RURAL ACCESS]**

<b>Grantor(s):</b>	King County, Washington
<b>Grantee(s):</b>	City of Issaquah; Grand Ridge Partnership (Limited Partnership); utility purveyors
<b>Abbreviated Legal Description:</b>	Portion of SW 1/4 of Section 24 and NW quarter of Section 25, Township 24 North, Range 6 East, King County Washington
<b>Additional legal description</b>	See Exhibit A
<b>Assessor's Property Tax Parcel Account Number(s):</b>	2524069084-9075
<b>Related Documents:</b>	N/A

THIS WESTERN ACCESS EASEMENT is granted effective \_\_\_\_\_, 2002, by KING COUNTY, a Washington home-rule charter county ("Grantor"), to the CITY OF ISSAQUAH, Washington municipal corporation, to GRAND RIDGE PARTNERSHIP (LIMITED PARTNERSHIP), a Washington limited partnership, and to utility purveyors (collectively "Grantee").

**1. Access and Utility Easement; Benefited Property.** Grantor hereby grants and establishes for the benefit of Grantee and its contractors, agents, successors and assigns a perpetual access and utility easement over 40'-wide roadway and utility right-of-way, and an adjoining detention facility to serve the roadway, that crosses over the portion of Grantor's property legally described and shown in the attached Exhibit A (collectively "Easement"). Grantor also grants and establishes a temporary construction easement 20'-wide and parallel

to each side of the Easement to be used during installation and construction of the roadway and other facilities. The Easement is for the benefit of the owners of the Rural Residential Area within the SE Rural Parcel as legally described and shown in the attached Exhibit B ("Benefited Property"). The development of the Rural Residential Area is governed by the Grand Ridge Joint Agreement dated June 10, 1996, a memorandum of which is recorded under King County Recording No. 9606180756 ("Joint Agreement").

Grantee shall have the right within the Easement to install, construct, operate, repair, maintain, regulate and replace a roadway with up to a 22'-wide paving surface consistent with the Rural Road Standards in Appendix N to the Grand Ridge Joint Agreement along with associated detention and drainage facilities to serve the roadway, planting strips, sidewalks, paths, trails, signage, and other related roadway improvements, together with the right to enter the Easement at all times for such purposes. Further, Grantee shall have the right to install, construct, operate, repair, maintain and replace underground pipes, conduits, cables, wires and necessary facilities and other equipment for the purpose of water, sewer, storm drainage, electric, telephone, gas, telecommunications and data transmission and other utility service, together with the right to enter the Easement at all times for such purposes. In addition to each Grantee named above, the Easement for utilities is for the benefit of Puget Sound Energy, Qwest Communications, Summit Communication, Inc. and their respective contractors, agents, successors and assigns.

**2. Terms and Conditions.** Grantee agrees to the terms and conditions set forth in Exhibit C, which by this reference is made part of this Easement.

**3. Successors and Assigns.** The benefits and burdens of this Easement shall be binding upon and inure to the benefit of the successors, heirs and assigns of each Grantee and Grantor and the owners of the Benefited Property. The roadway will be owned and maintained privately by some or all of the owners of the Benefited Property (or an association of owners of the Benefited Property if one exists), unless King County, the City of Issaquah and the owners of the Benefited Property mutually agree to public ownership and maintenance.

IN WITNESS WHEREOF this Easement was executed effective on the date of the last signature below.

**GRANTOR:**  
KING COUNTY, a Washington home rule charter county

EXHIBIT A OF ATTACHMENT 5 of Technical Appendix

40' wide Western Access Road Right of Way

That portion of the southwest quarter of Section 24 and the northwest quarter of Section 25, Township 24 North, Range 6 East, Willamette Meridian, being a strip of land 40 feet in width having 20 feet on each side of the following described centerline;

Commencing at the northwest corner of said Section 25; thence S 87°44'49" E along the common line between said Sections 24 & 25 a distance of 717.06 feet; thence N 35°56'45" W 130.30 feet more or less to the northwesterly line of the "County Open Space within UGA-Area 4", (also known as Urban Separator) as recorded in instrument under King County Recording No. 9612030694 and the POINT OF BEGINNING of this described centerline; thence S 35°56'45" E 130.30 feet more or less to said subdivision line; thence continuing S 35°56'45" E 330.17 feet to a point of curve; thence southeasterly along said curve to the left having a radius of 500.00 feet through a central angle of 19°08'49" an arc length of 167.09 feet; thence S 55°05'34" E 124.67 feet to a point hereafter know as "Point A"; thence continuing S 55°05'34" E 177.42 feet more or less to the northwesterly boundary line of the 330 acre Southeast Rural Parcel as described in instrument under King County Recording No. 9612030695 and the terminus of this described centerline.

Containing 0.85 acres more or less.

Together with a temporary construction easement being 80 feet in width and centered on the above described centerline. Said temporary construction easement to expire with the completion of construction for the Western Access road and Pond No. 1

Pond Tract adjoining western access road right of way

Beginning at aforementioned "Point A"; thence S 34°54'26" W 20.00 feet to the POINT OF BEGINNING; thence continuing S 34°54'26" W 115.12 feet; thence N 54°45'06" W 135.28 feet; thence S 74°30'44" W 100.50 feet; thence S 45°00'00" E 41.18 feet; thence S 45°00'00" W 24.00 feet; thence N 45°00'00" W 107.72 feet; thence N 45°00'00" E 24.00 feet; thence S 45°00'00" E 48.16 feet; thence N 74°30'44" E 96.48 feet; thence N 54°45'06" W 1.79 feet; thence N 02°53'29" E 109.07 feet; thence N 16°18'37" E 33.46 feet more or less to a point on the southwesterly margin of the above described 40' wide strip of land, said point being a point on a curve, the center which bears N 46°10'10" E 520.00 feet; thence southeasterly along said curve to the left, through a central angle of 11°15'44" an arc length of 102.21 feet; thence S 55°05'34" E 124.67 feet more or less to the POINT OF BEGINNING.

Containing 0.61 acres more or less.

## EXHIBIT C of ATTACHMENT 5 of Technical Appendix

Terms and conditions applicable to the easement granted by King County:

1. RESTORATION AFTER INSTALLATION. After any construction by the Grantee under this easement, Grantee will return the Grantor's property located outside the easement area to its original condition, or to a condition reasonably satisfactory to the Grantor by repairing any damage done to Grantor's property including but not limited to property damage to slopes, shrubbery, landscaping, fencing, roadway, or structures.
2. EMERGENCY SITUATIONS. In the event of an emergency, the Grantee will take immediate steps to perform any necessary repairs. If the Grantee fails to perform any necessary repairs, the Grantor may do all work necessary at the sole cost and expense of Grantee.
3. ASSESSMENTS. Grantor and its property shall not be subjected to any charge, assessment, or expense resulting from Grantee's use of this easement excepting those agreed upon.
4. INDEMNITY AND HOLD HARMLESS. Grantee agrees to indemnify and hold harmless King County as provided herein to the maximum extent possible under law. Accordingly, the Grantee agrees for itself, its successors and assigns to defend, indemnify, and hold harmless King County, its appointed and elected officials, and employees from and against liability for all claims, demands, suits, and judgments including costs of defense thereof for injury to persons, death, or property damage which is caused by or arises out of Grantee's exercise of rights and privileges granted by this easement. Grantee's obligations under this section shall include:
  - (a) The duty to promptly accept tender of defense and provide defense to the King County at the Grantee's own expense.
  - (b) Indemnification of claims made by the Grantee's own employees or agents.

In the event it is necessary for the King County to incur attorney's fees, legal expenses, or other costs to enforce the provisions of this section, all such fees, expenses, and costs shall be recoverable from the Grantee.

In the event it is determined that RCW 4.24.115 applies to this easement agreement, Grantee agrees to defend, hold harmless, and indemnify King County to the maximum extent permitted thereunder, and specifically for its negligence concurrent with that of King County to the full extent of Grantee's negligence. Grantee agrees to defend, indemnify, and hold harmless the King County for claims by Grantee's employees and agrees to waiver of its immunity under Title 51 RCW, which waiver has been mutually negotiated by the parties, provided, such waiver is solely for the purposes of this indemnity and nothing

wherein shall be construed to beneficiary person or entity other than the King County, provided that such waiver's is solely for the purposes for this indemnity and nothing herein shall be construed to beneficiary person or entity other than the King County.

5. TERMINATION AND ABANDONMENT. In the event that Grantee permanently abandons or discontinues the use of the easement for the purposes expressed in this document, the Grantee's easement will terminate. Upon termination, Grantee will surrender possession of the easement premises to Grantor, and title to the easement premises will remain in Grantor, its successors or assigns, free of any and all claims of the Grantee.

In the event that Grantee's easement is terminated, Grantee upon Grantor's request will remove, at its sole expense, all facilities placed on the easement property by the Grantee, and will restore the property to the condition that existed before the installation of facilities, or to a condition that is reasonably satisfactory to the Grantor.

If the Grantee has not completed removal and restoration within ninety (90) days after termination and notice by Grantor to remove, Grantor may do all work necessary to remove facilities of Grantee and restore the easement property and charge Grantee with the costs thereof.

6. ASSIGNMENT. The Grantee may not assign this easement or any rights acquired under it without the prior written consent of the Grantor, which will not be unreasonably withheld.
7. HIRING AND EMPLOYMENT. In all hiring or employment made possible or resulting from this agreement, there shall be no discrimination against any employee or applicant for employment because of sex, sexual orientation, age, race, color, religion, ancestry, national origin, marital status or the presence of any sensory, mental, or physical handicap, unless based upon a bona fide occupational qualification, and this requirement shall apply to but not be limited to the following: Employment, advertising, lay-off or termination, rates of pay or other forms of compensation, and selection for training including apprenticeship.

No person shall be denied or subjected to discrimination in receipt of the benefit of any services or activities made possible by or resulting from this agreement on the ground of sex, sexual orientation, race, color, religion, ancestry, national origin, age (except minimum age and retirement provisions), marital status, or the presence of any sensory, mental or physical handicap.

Any violation of this provision shall be considered a violation of a material provision of this agreement and shall be grounds for cancellation, termination or suspension in whole or in part of the agreement by the County and may result in ineligibility for further County agreements.

The Grantee shall make the best efforts to make opportunities for employment and/or contracting services available to women and minority persons. The Grantee recognizes that King County has a policy of promoting affirmative action, equal opportunity and has resources available to assist Grantee in these efforts.

8. OTHER APPLICABLE LAWS. Grantee will comply with all federal, state, and local laws, and will assume all cost, expense, and responsibility in connection with compliance, without any liability on the part of the Grantor.

**TECHNICAL APPENDIX TO
