6 **STATEMENT OF FACTS:**

- 7 1. A petition has been filed requesting vacation of a portion of the eight  
8 foot alley in the Colvos Plat hereinafter described.  
9 2. The department of transportation notified the various utility companies  
10 serving the area and has been advised that easements are not required  
11 within the vacation area.  
12 3. The department of transportation records indicates that King County  
13 has not been maintaining the eight foot alley. The records indicate that no  
14 public funds have been expended for its acquisition.  
15 4. The department of transportation considers the subject portion of the  
16 right-of-way useless as part of King County road system and believes the

17 public would benefit by the return of this unused area to the public tax  
18 rolls.

19 5. The right-of-way is classified as "C-Class" and, in accordance with  
20 K.C.C. 14.40.020, the compensation due King County is based on fifty  
21 percent of the assessed value of the subject right-of-way, which was  
22 determined from records of the department of assessments. King County  
23 is in receipt of \$467.48 from the petitioners.

24 Due notice was given in the manner provided by law and a hearing was  
25 held by the office of the hearing examiner on the 24th day of January  
26 2007.

27 In consideration of the benefits to be derived from the subject vacation the  
28 council has determined that it is in the best interest of the citizens of King  
29 County to grant said petition.

30 BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

31 SECTION 1. The council, on the effective date of this ordinance, hereby vacates  
32 and abandons that portion of the eight foot alley as conveyed to King County by the

DEPARTMENT'S REPORT:

The Department of Transportation's written report to the King County Hearing Examiner for Item No. V-2542 was received by the Examiner on January 2, 2007.

PUBLIC HEARING:

After reviewing the Department's Report and examining available information on file with the petition, the Examiner conducted a public hearing on the subject as follows:

The hearing on Item No. V-2542 was opened by the Examiner at 1:30 p.m., January 24, 2007, in the Hearing Examiner's Conference Room, 400 Yesler Way, Seattle, WA 98104, and closed at 1:37 p.m., except that it was continued administratively for receipt of an affidavit of the required Notice of Hearing, which was received on January 26, 2007. Participants at the public hearing and the exhibits offered and entered are listed in the attached minutes. A verbatim recording of the hearing is available in the office of the Hearing Examiner.

FINDINGS, CONCLUSIONS & RECOMMENDATION: Having reviewed the record in this matter, the Examiner now makes and enters the following:

FINDINGS:

## 1. General Information:

Road name and location:	Portion of 8 foot alley in Colvos Addition
Right of way classification:	Class C
Area:	997.28 square feet
Compensation:	\$467.48

2. The Notice of Hearing on the Department's report was given as required by law, and a hearing on the report was conducted by the Examiner on behalf of the Metropolitan King County Council.
3. Except as provided below, the Examiner adopts and incorporates herein by this reference the facts set forth in the Department's report to the Examiner for the January 24, 2007, public hearing and the statement of facts contained in Proposed Ordinance No. 2006-0428. The Department's report will be attached to those copies of this report and recommendation that are submitted to the County Council.
4. Maps showing the vicinity of the proposed vacation and the specific area to be vacated appear in the hearing record as exhibit nos. 7 and 9.
5. The subject right-of-way is not currently opened, constructed or maintained for public use, and is not known to be used informally for access to any property.
6. Vacation of the right-of-way would have no adverse effect on the provision of access and fire and emergency services to the abutting subject property and surrounding area.
7. The right-of-way is not necessary for the present or future public road system for travel or utilities purposes.
8. No easements are necessary to be retained for the construction, repair and maintenance of public utilities and services.

9. The compensation required by law to be paid as a condition precedent to vacation of this road has been deposited with King County.

CONCLUSION:

1. The right-of-way segment subject to this petition is useless as part of the King County road system, and the public will be benefited by its vacation.
