151 SECTION 2. Ordinance 16692, Section 2, as amended, and K.C.C. 2.15.010 are
152 hereby amended to read as follows:

Ordinance 20048

153 A. Except as otherwise provided in this section or when otherwise required by
154 law, a Reverend Doctor Martin Luther King, Jr., County office, department, employee,
155 agency, or agent shall not condition the provision of county services on the citizenship or
156 immigration status of any person.

157 B. All applications, questionnaires, and interview forms used in relation to the
158 provision of county benefits, opportunities, or services shall be reviewed by each agency,
159 and any question requiring disclosure of information related to citizenship, immigration
160 status, or national origin unless required by state or federal law, or international treaty,
161 shall be deleted. Agencies that are required by state or federal law, or international
162 treaty, to collect immigration status or national origin information must separate that
163 information from personal information in the agencies' records as soon as is practicable.

164 C. The department of public health shall not condition the provision of health
165 benefits, opportunities, or services on matters related to citizenship, national origin, or
166 immigration status. The department of public health may inquire about or disclose
167 information relating to a person's citizenship, national origin, or immigration status for
168 the purpose of determining eligibility for benefits or seeking reimbursement from federal,
169 state, or other third-party payers.

170 D. Except when otherwise required by law, where the county accepts
171 presentation of a state-issued driver's license or identification card as adequate evidence
172 of identity, presentation of a state-issued document marked as not valid for federal
173 purposes or presentation of a photo identity document issued by the person's nation of
174 origin, such as a driver's license, passport, or other consul-issued document, such as a
175 Matricula Consular de Alta Seguridad, shall also be accepted and shall not subject the

Ordinance 20048

176 person to a higher level of scrutiny or different treatment than if the person had provided
177 a Washington state driver's license or identification card. A request for translation of
178 such a document to English shall not be deemed a violation of any provision of this
179 chapter; however, translation services may not be provided by any federal immigration
180 authority. This subsection does not apply to documentation required to complete a
181 federal I-9 employment eligibility verification form. Once the county agency's legitimate
182 purpose in viewing the required documentation is completed, the documentation shall be
183 promptly returned to its owner. Copies of the required documentation shall not be made
184 or maintained by a county agency unless otherwise required by law.

185 E. A county employee or an agent or agency of King County shall not inquire
186 about or request, from a member of the public information about the citizenship, national
187 origin, or immigration status or place of birth of any person unless the inquiry, request, or
188 investigation is required by state or federal law, regulation, or directive or court order or
189 rule, or to ensure compliance with any state or federal law, regulation, or directive or
190 court order. When an inquiry, request, or investigation into nationality, immigration
191 status or citizenship, including place of birth, is required to be or for any reason is made,
192 the King County agent or county employee shall not attempt to coerce a response. All
193 persons to whom the inquiries are made shall be explicitly informed of their right to
194 decline to respond, free from fear or threat of retaliation.

195 F. Agents of King County and county employees are hereby prohibited from
196 conditioning King County services on immigration status, except where required under
197 applicable federal or state law or regulation or directive or court order or rule. Agents of
198 King County and county employees are prohibited from verbally abusing or coercing

Ordinance 20048

199 persons or threatening to report them or their family members to ICE or threatening to
200 take other immigration-related action against them or their family members.

201 G. Except where necessary to provide King County services, for performance
202 measurement purposes including data analysis conducted to ensure services are being
203 provided in an equitable and nondiscriminatory manner, or where otherwise required by
204 state or federal law or regulation or directive or court order, King County agents and
205 employees are not permitted to obtain, maintain, or share information about one or more
206 of a person's protected classes as defined in K.C.C. chapter 3.12D, language proficiency,
207 housing status, financial status, status as a victim of domestic violence, criminal history,
208 or release date from incarceration or confinement in a secure detention or other custody.

209 H. Nothing in this chapter shall be construed as to prohibit any county employee,
210 upon request of the noncitizen, from aiding a noncitizen to obtain immigration benefits
211 pursuant federal immigration law.

212 I. An agent of King County or a county employee shall not expend any time,
213 moneys, real property assets, or other resources on facilitating the civil enforcement of
214 federal immigration law or participating in civil immigration enforcement operations,
215 except where state or federal law, regulation, or court order shall so require. However, a
216 county agency, employee or agent is not prohibited from sending to, or receiving from,
217 federal immigration authorities, information regarding the citizenship or immigration
218 status of a person. Also, nothing in this section prohibits any county agency from
219 sending to, receiving from, requesting from, or exchanging with any federal, state, or
220 local government agency information regarding the immigration status of a person or
221 from maintaining such information.

Ordinance 20048

222 J. Nothing in this section shall be construed to prohibit any county employee
 223 from participating in cross-designation or task force activities with federal law
 224 enforcement authorities for criminal law enforcement.

225 K. The executive shall ensure that all King County employees and agents receive
 226 appropriate training on the implementation of the provisions of this section.

227 SECTION 3. Ordinance 18665, Section 3, and K.C.C. 2.15.015 are hereby
 228 amended to read as follows:

229 A. The King County sheriff's office shall not request specific documents relating
 230 to a person's civil immigration status from a member of the public, for the sole purpose of
 231 determining whether the person has violated federal civil immigration laws. The
 232 documents include but are not limited to:

- 233 1. Passports;
- 234 2. ((Alien registration)) Permanent resident cards; or
- 235 3. Work permits.

236 B. The sheriff's office may use documents relating to a person's civil immigration
 237 status if the documents are offered by the person upon a general, nonspecific request.

238 C. The sheriff's office shall not use stops for minor offenses or requests for
 239 voluntary information as a pretext for discovering a person's immigration status.

240 D. The sheriff's office shall not initiate any inquiry of, or enforcement action
 241 against, a member of the public, based solely on a person's:

- 242 1. Civil immigration status;
- 243 2. Race;
- 244 3. Inability to speak English;

Ordinance 20048

245 4. Inability to understand the sheriff's office personnel; or

246 5. Hit on the National Crime Information Center database.

247 E.1. Where there is a reasonable opportunity, and when resources allow, upon
 248 notification by King County staff or 911 dispatchers of public or peace officers' attempts
 249 or actual use of a county-owned and controlled property as a civil immigration
 250 enforcement related area, the sheriff's office shall confirm the credentials of public or
 251 peace officers.

252 2. The sheriff's office shall document and report that activity in accordance with
 253 section 7 of this ordinance.

254 3. The sheriff's office shall advise the public or peace officers of this chapter
 255 and request that they leave county-owned and controlled property.

256 4. If public or peace officers refuse to leave county-owned and controlled
 257 property, the sheriff's office shall document evidence of violations of this section.

258 5. The sheriff's office may provide evidence of public or peace officers' refusal
 259 to leave county-owned and controlled property to the prosecuting attorney's office for
 260 appropriate legal action and enforcement.

261 6. If an injunction or other relief is granted, the sheriff's office shall follow
 262 standard procedures for enforcing such court orders.

263 7. Activities and uses in violation of this section may be subject to removal
 264 upon issuance of an appropriate order. Except where state or federal law, regulation, or
 265 court order or rule shall so require, the use of county-owned and controlled property as a
 266 civil immigration enforcement related area is prohibited.

Ordinance 20048

267 SECTION 4. Ordinance 17706, Section 2, as amended, and K.C.C. 2.15.020 are
268 hereby amended to read as follows:

269 A. An agent of King County or county employee shall not expend any time,
270 moneys, real property assets, or other resources on facilitating the civil enforcement of
271 federal immigration law or participating in civil immigration enforcement operations,
272 except where state or federal law, regulation, or court order or rule shall so require.
273 However, a county agency, employee, or agent is not prohibited from sending to, or
274 receiving from, federal immigration authorities, the citizenship or immigration status of a
275 person. Also, nothing in this section prohibits any county agency from sending to,
276 receiving from, requesting from or exchanging with any federal, state, or local
277 government agency information regarding the immigration status of a person or from
278 maintaining such information.

279 B. King County and its agents and departments and county employees shall not:

280 1. Enter into any contract, agreement, or arrangement, whether written or oral,
281 that would grant federal civil immigration enforcement authority or powers to King
282 County or its agents or law enforcement officers, including but not limited to agreements
283 created under 8 U.S.C. Sec. 1357(g) or Intergovernmental Service Agreements;
284 2. Honor immigration detainer requests or administrative warrants issued by
285 ICE, CBP, USCIS, or any other federal agency, or hold any person upon the basis of an
286 ICE, CBP, USCIS, or any other federal agency detainer request or administrative warrant
287 unless such request or warrant is accompanied by a criminal warrant issued by a United
288 States District Court judge or magistrate. The sheriff's office or the department of adult
289 and juvenile detention personnel shall not carry out a civil arrest, detain a person after the

Ordinance 20048

290 release date set by a court, or refuse to accept a bond based on an administrative warrant
291 separately or in combination with an ICE, CBP, USCIS, or any other federal agency
292 detainer request;

293 3. For purposes of execution of federal civil immigration enforcement, permit
294 ((ICE, CBP, USCIS, or any other federal agency officers, agents, or representatives))
295 public or peace officers access to nonpublic areas of King County's facilities, property,
296 equipment or nonpublic databases, or nonpublic portions of otherwise public databases,
297 or people in King County's custody, absent a judicial criminal warrant specifying the
298 information or persons sought unless otherwise required by state or federal law. Any
299 warrantless attempts or requests for access to those facilities, property, equipment, or
300 nonpublic databases shall be immediately sent to the department or agency director or
301 their designee responsible for the operation of the facility, property, database, or
302 equipment. Permission to access any such a facility, property, equipment, or nonpublic
303 database without a judicial criminal warrant may only be provided with the express,
304 written approval of the appropriate person. Any detention facilities, including secure
305 detention facilities, prisons, and halfway houses, that King County contracts with or
306 leases land to for the purposes of criminal or civil detention must include the requirement
307 in this subsection B.3. in any contract with King County; ((and))

308 4. Authorize the use of any county-owned and controlled property for civil
309 immigration enforcement operations, including as a civil immigration enforcement
310 related area, except where state or federal law, regulation, or court order or rule shall so
311 require, as those actions do not comply with the King County Charter, the King County
312 Code, and policies; and

Ordinance 20048

313 5. Provide personal information to federal immigration authorities for purpose
314 of civil immigration enforcement, except as required by state or federal law, about any
315 person, including place of birth or household members, the services received by the
316 person or the person's next court date or release date, absent a warrant signed by a judge
317 or a law requiring disclosure.

318 C.1. If permission to access a King County detention facility without a judicial
319 criminal warrant is granted to ICE, CBP, USCIS, or any other federal agency in
320 accordance with subsection B.3. of this section for the purpose of conducting an
321 interview that does not relate to civil immigration enforcement with a person who is in
322 the custody of the department of adult and juvenile detention, the department of adult and
323 juvenile detention shall provide the person with an oral explanation and a written consent
324 form that explains the purpose of the interview, that the interview is voluntary, and that
325 the person may decline to be interviewed or may choose to be interviewed only with the
326 person's attorney present. The form shall state explicitly that the person will not be
327 punished or suffer retaliation for declining to be interviewed. The form shall be available
328 in English, Spanish, and any other language identified by the county's language
329 assistance plan as established in K.C.C. 2.15.030.B. and explained orally to a person who
330 is unable to read the form. The requesting officials shall only be permitted to interview
331 persons who have consented in writing to be interviewed, absent a judicial criminal
332 warrant.

333 2. Upon receiving a civil or criminal immigration warrant, detainer, hold,
334 notification, or transfer request, the department of adult and juvenile detention personnel

Ordinance 20048

335 shall provide a copy of the request to the person and inform the person whether the
336 department intends to comply with the request.

337 3. Consistent with Article 36 of the Vienna Convention on Consular Relations,
338 any person in custody or detention shall be informed through the person's attorney of the
339 right to communicate with the consular post of a country of which the person is a
340 national, if other than the United States, and informed that the person's consular officers
341 have the right to visit, converse, or correspond with the person, if the person wishes the
342 communication. If a person chooses to disclose that the person is a foreign national and
343 requests consular notification, the custodian shall contact the appropriate consulate. The
344 informed consent requirements of the Vienna Convention on Consular Relations shall
345 apply to all such inquiries. The same requirements shall apply to inquiries into
346 nationality status for the purpose of complying with mandatory consular notification
347 under any bilateral consular convention. In all cases, identification as a foreign national
348 shall be voluntary and based on informed consent by the person.

349 4. King County shall consider all records relating to ICE, CBP, USCIS, or any
350 other federal agency access to facilities and information, including all communications
351 with ICE, CBP, USCIS, or any other federal agency to be public records for purposes of
352 chapter 42.56 RCW, the state Public Records Act, and King County shall handle all such
353 requests in accordance with the usual procedures for receipt of public records requests.

354 SECTION 5. Ordinance 19963, Section 2, as amended, and K.C.C. 2.15.050 are
355 hereby amended to read as follows:

356 A. Except as otherwise provided in this section, in performing its obligations
357 under its contract with King County, the contractor shall not expend any time, moneys,

Ordinance 20048

358 real property assets, or other resources on facilitating the civil enforcement of federal
359 immigration law or participating in civil immigration enforcement operations, except
360 where a state or federal law, regulation, or court order or rule so requires. However, a
361 contractor is not prohibited from sending to, or receiving from, federal immigration
362 authorities, the citizenship or immigration status of a person. Also, nothing in this
363 section prohibits any contractor from sending to, receiving from, requesting from, or
364 exchanging with any federal, state, or local government agency information regarding the
365 immigration status of a person or from maintaining the information.

366 B. In providing the contracted services, a contractor shall not:

367 1. For purposes of execution of federal civil immigration enforcement against
368 persons receiving services under the contract, permit ICE, CBP, USCIS, or any other
369 federal agency officers, agents, or representatives access to nonpublic areas of the
370 contractor's facilities, real or personal property, equipment, or nonpublic databases or
371 nonpublic portions of otherwise public databases, absent a judicial criminal warrant
372 specifying the information or persons sought, or unless otherwise required by state or
373 federal law. Notice of all attempts or requests for access to those facilities, real or
374 personal property, equipment, nonpublic databases, or nonpublic portions of otherwise
375 public databases, with or without a warrant, shall be immediately sent to King County in
376 accordance with the terms of the contract. Permission given to ICE, CBP, USCIS, or any
377 other federal agency officers, agents, or representatives to access any such a facility, real
378 or personal property, equipment, nonpublic database, or nonpublic portion of an
379 otherwise public database without a judicial criminal warrant may only be provided with
380 the prior express, written approval of the appropriate county employee identified in the

Ordinance 20048

contract. All contractors shall make a good faith effort to strictly comply with this subsection; however, inadvertent or mistaken permission giving warrantless access to ICE, CBP, USCIS, or any other federal agency officers, agents, or representatives is not a breach of contract. All contracts subject to this section entered into on or after January 1, 2026, shall include as a term of the contract the prohibitions of this subsection B.1. and identify the appropriate county employee;

2. Provide personal information relating to persons receiving services under the contract to federal immigration authorities for purpose of civil immigration enforcement, except as required by state or federal law, about any person, including place of birth or household members, the services received by the person or the person's next court date or release date, absent a warrant signed by a judge or a law requiring disclosure. All contracts subject to this section entered into on or after January 1, 2026, shall include as a term of the contract the prohibitions of this subsection B.2.; and

3. NEW SECTION. SECTION 6. There is hereby added to K.C.C. chapter 2.15 a new section to read as follows:

A.1. The executive shall design clear signage or templates for stating: "This property shall not be used for civil immigration enforcement staging, operations, or processing."

2. The executive shall work with county agencies to identify county-owned and county-controlled properties that are at high risk for being used as civil immigration enforcement related areas. Agencies responsible for such properties shall, wherever practicable, post the signage referenced above and develop strategies to increase security measures for such properties, including using physical barriers such as locked gates to limit access. Agencies may add the sign statement referenced above to existing signs.

B.1. Within thirty days of the date of enactment of this ordinance, county departments and agencies shall develop the procedures necessary to implement this ordinance. The implementing procedures shall provide that any county employee who becomes aware of the attempted or actual use of a county-owned and county-controlled property as a civil immigration enforcement related area shall immediately report the attempted or actual use to the department or agency director or their designee responsible for the operation of the property who shall report it to the executive. ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, King County-Department of 02 (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
