4 "STATEMENT OF FACTS:

5 1. The King County healthcare coalition is a network of healthcare
6 organizations committed to emergency preparedness and response. It has
7 more than three hundred participating organizations which prepare for
8 emergencies through collaborative planning, training and exercises. The
9 department of public health administers the healthcare coalition.

10 2. The healthcare coalition was originally funded with seed money
11 through a one-time appropriation in 2005 related to medical surge
12 preparedness for pandemic flu planning. Since then, the healthcare
13 coalition has been funded solely with federal preparedness grant funds,
14 which are steadily declining.

15 3. Healthcare organizations that participate in the healthcare coalition and
16 the department of public health have developed options for sustaining

17 funding for the healthcare coalition, including donations by organizations
18 that participate in the healthcare coalition and other local businesses.

19 4. Options for a donations program include a partnership with a 501(c)(3)
20 organization that would accept donations and provide a grant to King
21 County in support of the work of the healthcare coalition.

22 BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

23 NEW SECTION. SECTION 1. There is hereby added to K.C.C. chapter 2.16 a
24 new section to read as follows:

25 A. The executive, the director of the department of executive services, the
26 director of the department of public health, the preparedness manager, the healthcare
27 coalition program manager, the communications manager, councilmembers and staff who
28 report directly to those officers or officials and who do so at those officers' or officials'
29 direction, may solicit from the general public and business communities and all other
30 persons, gifts, bequests and donations in support of the healthcare coalition. Those
31 persons also may accept from the general public and business communities and all other
32 persons, gifts, bequests and donations to the county in support of the work of the
33 healthcare coalition.

34 B. Once the gift, bequest or donation is accepted, the director of the department
35 of public health shall ensure that expenditures from the gift, bequest or donation are
36 consistent with the terms, if any, requested by the grantor.

37 NEW SECTION. SECTION 2. There is hereby added to K.C.C. chapter 2.80 a
38 new section to read as follows:

40 coalition purposes.
