(b) Buyer acknowledges and agrees that, within the Due Diligence Period as defined in Section 5.1 of this Agreement, Buyer will have conducted a physical inspection and made all investigations that Buyer deems necessary in connection with its purchase of the Property. Buyer further acknowledges and agrees that, having been given the opportunity to inspect the Property, Buyer is relying solely on its own investigation of the Property and is not relying on any information provided or to be provided by Seller. Buyer further acknowledges and agrees that any information provided or to be provided with respect to the Property was obtained from a variety of sources and that Seller has not made any independent investigation or verification of such information and makes no representations as to the accuracy or completeness of such information and no employee or agent of Seller is authorized otherwise. Buyer further acknowledges and agrees that Seller is not liable or bound in any manner by any verbal or written statements, representations, or information pertaining to the Property, or the operation thereof, furnished by any agent, employee, or contractor of Seller, any real estate broker, or any other person.

(c) Upon waiver or satisfaction by Buyer of its contingencies pursuant to Article 5, Buyer acknowledges and agrees that it will thereby approve and accept the Condition of the Property and accordingly agree to purchase the Property and accept the Condition of the Property "AS IS, WHERE IS" with all faults and patent or latent defects, including, without limitation, the actual, threatened or alleged existence, release, use, storage, generation, manufacture, transport, deposit, leak, seepage, spill, migration, escape, disposal or other handling of any Hazardous Substances in, on, under or emanating from or into the Property, and the compliance or noncompliance of or by the Property or its operation with applicable

Buyer acknowledges and agrees that, except to the extent of Seller's representations and warranties in Section 3.1. of this Agreement, Buyer shall have no recourse against the Seller for, and waives, releases and discharges forever the Seller from, any and all past, present or future claims or demands, and any and all past, present or future damages, losses, injuries, liabilities, causes of actions (including, without limitation, causes of action in tort) costs and expenses (including, without limitation fines, penalties and judgments, and attorneys' fees) of any and every kind or character, known or unknown (collectively, "Losses"), which the Buyer might have asserted or alleged against the Seller arising from or in any way related to the Condition of the Property, including, without limitation, the actual, threatened or alleged existence, release, use, storage, generation, manufacture, transport, deposit, leak, seepage, spill, migration, escape, disposal or other handling of any Hazardous Substances in, on, under or emanating from or into the Property. Losses shall include without limitation (a) the cost of any investigation, removal, remedial or other response action that is required by any Environmental Law, that is required by judicial order or decree or by order of or agreement with any governmental authority, or that is conducted voluntarily, (b) losses for injury or death of any person, and (c) losses arising under any Environmental Law, whether or not enacted after transfer of the Property.

**3.3.4. **3.4. RISK OF LOSS.** Until the Closing Date, the risk of loss relating to the Property shall rest with the Seller. Risk of Loss shall be deemed to include any property damage occurring as a result of an "Act of God," including, but not limited to, earthquakes, tremors, wind, rain or other natural occurrence.

## **ARTICLE 4. TITLE MATTERS**

**4.1. CONVEYANCE.** Seller shall convey to Buyer the title to the Property by bargain and sale deed in substantially the form attached hereto as **EXHIBIT B**, subject only to the Permitted Exceptions (as defined below), the lien of current real property taxes, fees and/or charges not yet due and payable, rights reserved in federal patents or state deeds, building or use restrictions general to the governing jurisdiction, and the matters excluded from coverage by the printed exceptions and exclusions contained in the form of title insurance policy required by Section 4.4 of this Agreement.

**4.2. TITLE COMMITMENT.** Seller shall within fifteen (15) days after the Effective Date obtain a preliminary commitment for an owner's standard coverage policy of title insurance (the "Title Commitment") issued by Stewart Title Company (the "Title Company"), describing the Property, listing Buyer as the prospective named insured and showing as the policy amount the total Purchase Price for the Property. At such time as the Title Company causes the Title Commitment to be furnished to Buyer, the Title Company shall further cause to be furnished to Buyer legible copies of all instruments referred to in the Title Commitment as restrictions or exceptions to title to the Property.

**4.3. REVIEW OF TITLE COMMITMENT.** Buyer shall have until twenty-five (25) days after the Effective Date (the "Review Period") in which to notify Seller in writing of any objections Buyer has to any matters shown or referred to in the Title Commitment ("Buyer's Objections"). Any exceptions or other items that are set forth in the Title Commitment and to which Buyer does not object within the Review Period shall be deemed to be permitted exceptions ("Permitted Exceptions"). With regard to items to which Buyer does object within the Review Period, Seller shall notify Buyer within ten (10) days after Seller receives Buyer's Objections of any exceptions to title which Seller will not remove or otherwise resolve ("Seller's Response"), and Buyer may, at Buyer's option, either proceed to Closing and thereby waive the Buyer's Objections not cured, in which case such exceptions to title shall be Permitted Exceptions, or Buyer may terminate this Agreement by notice to Seller within ten (10) days after receipt of Seller's Response. If the Title Company issues a supplement to the Title Commitment that identifies new exceptions, the procedure set forth in this Section 4.3 shall apply to such supplement, except that Buyer will have seven (7) days to make Buyer's Objections to any new exception, Seller shall have five (5) days to provide Seller's Response, and the Closing Date will be extended for the period necessary to allow the procedures set forth herein to be completed with regard to a timely objection.

**4.4. OWNER'S TITLE INSURANCE POLICY.** At the Closing, Buyer shall cause an owner's policy of title insurance to be issued by the Title Company in the full amount of the Purchase Price, effective as of the Closing Date, insuring Buyer that the fee simple title to the Property is vested in Buyer, subject only to the Permitted Exceptions, the lien of current real property taxes, fees and/or charges not yet due and payable, rights reserved in federal patents or state deeds, building or use restrictions general to the governing jurisdiction, and the matters excluded from coverage by the printed exceptions and exclusions contained in the form of title insurance policy required by the Title Company. The obligation of Buyer to provide the title policy called for herein shall be satisfied if, at the Closing, the Title Company has given a binding commitment, in a form reasonably satisfactory to Buyer, to issue the policies in the form required by this Section. If requested in writing by Seller, Buyer shall provide a copy of such binding commitment to Seller to verify satisfaction of this obligation as a condition to Seller being obligated to close. Seller shall pay any sum owing to the Title Company for the preparation of the preliminary and binding commitments generated by the Title Company.

**4.5 AMENDMENT TO CONSERVATION EASEMENT.** At Closing, Seller will also execute and deliver to Buyer an amendment to the Conservation Easement substantially in the

form attached hereto as **EXHIBIT C**.

## **ARTICLE 5. CONTINGENCIES**

**5.1. DUE DILIGENCE INSPECTION AND FEASIBILITY.** Buyer shall satisfy itself by investigation and inspection, at its cost and expense in its sole and absolute discretion, that the condition of the Property for Buyer's contemplated use meets with its approval ("Due Diligence Contingency"). If Buyer is not satisfied with the condition of the Property, Buyer may terminate this Agreement by delivering written notice of termination to Seller within sixty (60) days of the Effective Date ("Due Diligence Period"). In such event this Agreement shall terminate, and the Parties shall have no further obligations hereunder. If Buyer fails to give such notice to terminate within the Due Diligence Period or affirmatively gives notice that this Due Diligence Contingency is satisfied or waived within the Due Diligence Period, Buyer shall be obligated hereunder without further contingency. Seller and Buyer may agree in writing to extend the Due Diligence Period.

**5.1.1. INSPECTIONS.** During the Due Diligence Period, Buyer, its designated representatives or agents shall have the right at its own expense to (a) perform any and all tests, inspections, studies, surveys or appraisals of the Property deemed necessary, on any subject, by the Buyer (subject to the limitations set forth below and Section 5.1.2 Right of Entry); (b) obtain a Phase I or Phase II Environmental Assessment on the Property and perform any and all tests, inspections and studies deemed necessary therewith; (c) examine all due diligence materials related to the Property that Buyer may reasonably request from Seller that are in Seller's possession and about which Seller has knowledge, and that are not protected as attorney work product, by the attorney-client privilege or by other similar confidentiality protections; (d) determine to its satisfaction whether approvals, permits and variances can be obtained under applicable land use and zoning codes for Buyer's proposed development of the property; and (e) determine whether Buyer's proposed development of the property is economically feasible.

**5.1.2. RIGHT OF ENTRY.** Buyer and Buyer's designated representatives or agents shall have the right and Seller hereby grants to Buyer and Buyer's designated representatives the right to enter the Property and conduct tests, investigations and studies set forth in this Article 5 upon three (3) days advance written notice; provided that such right of entry will be limited to those times and dates that will not disrupt Seller's use of, or Seller's operations and activities on the Property. Invasive tests of the Property, such as drilling or excavation shall be subject to Seller's prior written approval. If invasive tests are performed by Buyer, Seller may elect to obtain split samples of any sampling that is obtained and reimburse the Buyer for the costs thereof. The Buyer will not be permitted to undertake activities that damage the Property. In connection with any such inspections and tests, Buyer agrees to hold harmless, indemnify and defend Seller, its officers, agents and employees, from and against all claims, losses, or liability for injuries, sickness or death of persons, including employees of Buyer ("Claims") caused by or arising out of any act, error or omission of Buyer, its officers, agents, contractors, subcontractors

or employees in entering the Property for the above purposes, except to the extent the Claims are caused by or arise out of any act, error or omission of Seller, its officers, agents and employees.

**5.1.3 RIGHT OF ENTRY INSURANCE.** Prior to the entry of Buyer or its contractors for invasive testing of the Property such as drilling or excavation, the entering party(ies) shall submit evidence of (1) Commercial General Liability coverage in the amount of \$1,000,000 per occurrence and \$2,000,000 in the aggregate; (2) Automobile liability insurance in the amount of \$1,000,000; (3) Contractor's Pollution insurance in the amount of \$1,000,000 per claim and in the aggregate; and (4) Stop Gap/Employers Liability coverage in the amount of \$1,000,000. King County, its officers, officials, agents and employees shall be named as additional insureds.

**5.2. METROPOLITAN KING COUNTY COUNCIL APPROVAL CONTINGENCY.** Seller's performance under this Agreement is contingent on approval by ordinance of the conveyance of the Property by the Metropolitan King County Council ("Council Approval Contingency"). The Council Approval Contingency will be satisfied if an ordinance passed by the Metropolitan King County Council approving the conveyance of the Property becomes effective within one hundred twenty (120) days of the Effective Date ("Council Approval Period"). If the Council Approval Contingency is not satisfied within the Council Approval Period, Seller may extend the Council Approval Period for up to an additional ninety (90) days. If the Council Approval Contingency is not satisfied within the Council Approval Period, this Agreement shall terminate, and the Parties shall have no further obligations hereunder. If the Council Approval Contingency is satisfied within the Council Approval Period, Seller shall be obligated hereunder without further contingency except in the event of a default hereunder by Buyer.

## **ARTICLE 6. COVENANTS OF SELLER PENDING CLOSING**

**6.1. CONDUCT, NOTICE OF CHANGE.** Seller covenants that between the Effective Date and the Closing Seller shall take all such actions as may be necessary to assure that the representations and warranties set forth in Article 3 hereof will be true and complete as of the Closing (except such representations, warranties and matters which relate solely to an earlier date), and all covenants of Seller set forth in this Agreement which are required to be performed by it at or prior to the Closing shall have been performed at or prior to the Closing as provided for in this Agreement. Grantor: King County, a political subdivision of the State of Washington.  
Grantee: King County, a political subdivision of the State of Washington.  
Legal Description (abbreviated): NW 1/4 of Section 15 Township 25 Range 07E  
Additional legal(s) on Page 5.  
Assessor's Tax Parcel ID#: 152507-9005; 152507-9010; and 152507-9049.

This Amendment to Deed and Agreement Relating to Development Rights (the "Amendment") is granted on this \_\_\_\_\_ day of \_\_\_\_\_ 20\_\_, by King County, a political subdivision of the State of Washington ("Grantor"), to King County, a political subdivision of the State of Washington, ("Grantee").

WHEREAS, Grantor and Grantee make the following recitals:

A. In 2016 Grantee entered into a Transfer of Development Rights Agricultural Conservation Easement Deed and Agreement Relating to Development Rights (the "TDR Conservation Easement") (recording number 20161216001643) with Grantor's predecessor in interest, Carnation Fields, LLC, the former owner of the real property legally described in **Exhibit A**, and depicted in **Exhibit B** (the "Protected Property"), to protect the farmland soils and retain the agricultural viability of the Protected Property.

B. Grantor subsequently acquired the fee interest in the Protected Property from Carnation Fields, LLC, with the intent of transferring the fee interest in the future to a farmer or agricultural organization that would use the Protected Property for agricultural uses, and have the option to also reside on the Protected Property.

C. Grantor intends to transfer the fee interest in the Protected Property to Phong Robert Cha, a farmer, and also to allow Phong Robert Cha, or a successor in interest, to reside on the Protected Property.

D. The TDR Conservation Easement removed the development rights from the Protected Property, and reserved the right, exclusive to King County, to acquire the development rights to construct one Dwelling Unit on the Protected Property.

E. Grantor and Grantee wish to amend the TDR Conservation Easement to provide Phong Robert Cha, or a successor in interest, with the option to acquire the development rights for one Dwelling Unit to be placed on the Protected Property, which option shall be valid for a period of five (5) years from the date this Amendment is recorded.

F. Grantor and Grantee agree that this Amendment is consistent with the purpose of the TDR Conservation Easement and will conserve the Conservation Values of the Protected Property.

G. Capitalized terms not otherwise defined in this Amendment shall have the meaning assigned to them in the TDR Conservation Easement.

NOW, THEREFORE, in consideration of the above and the mutual covenants, terms, conditions and restrictions contained herein, Grantor and Grantee agree as follows:

**1. The TDR Conservation Easement shall be amended by striking Section II. A. 1. in its entirety and replacing it with the following:**

- 1) Option to Acquire the Right to One Dwelling Unit. Grantor, or its successor in interest, shall have the right to purchase the development rights for one Dwelling Unit to be placed on the Protected Property, within a location determined at Grantor's discretion, and as allowed by Applicable Law ("Additional Dwelling Unit"). If Grantor, or its successor in interest, does not exercise the option provided for in this Section II.A.1. by the date that is five (5) years following the recording date of this Amendment, this option shall automatically become null and void. Grantor, or its successor in interest, shall have the right, but not the obligation, to purchase the development rights for the Additional Dwelling Unit. Should Grantor, or its successor in interest, elect to purchase the development rights for the Additional Dwelling Unit, the price shall be determined by a fair market appraisal. There shall be no time period in which the Additional Dwelling Unit must be constructed. Grantor, or its successor in interest, shall have the right to construct the Additional Dwelling Unit on the Protected Property within a designated Building Site Area as may be allowed by Applicable Law. If the option to purchase development rights for the Additional Dwelling Unit is exercised, Grantor, or its successor in interest, shall execute and record an amendment to this Conservation Easement memorializing such purchase in accordance with the terms of this Conservation Easement.

This Amendment may be executed in one or more counterparts, each of which shall be deemed an original. The signatures to this Amendment may be executed and notarized on separate pages and when attached to this document shall constitute one complete document.

In Witness Whereof, the Grantor and Grantee, intending to legally bind themselves, have set their hands on the date first written above.
