Dear Councilmember Upthegrove:

This letter transmits the 2023 Annual Report on the implementation of King County's E-911 Regional Strategic Plan, as required by King County Ordinance 18695. This report provides status updates on the Governance and Decision Structure, a Technology Investment Strategy, and a Ten-Year Sustainable Financial Plan. Highlights include the healthy working relationship with the E-911 Regional Advisory Governing Board, an update on the implementation of new technology and the financial health of the E-911 Program.

Implementing the recommendations of the E-911 Strategic Plan furthers the King County Strategic Plan guiding principle of Regional Collaboration and goal of Efficient, Accountable Regional and Local Government by strengthening the regional partnerships supporting 9-1-1 services and ensuring the E-911 program is efficient in both technology and financial stability.

Thank you for your consideration of this report.
