Annual Funding Round. Develop funding priorities and evaluation criteria for the annual funding round. Advertise available funds and manage a competitive process on behalf of member cities. Review funding applications and develop recommendations through the Community Advisory Board (CAB), with input from member staff. Develop final recommendations by the ARCH Executive Board and facilitate final funding allocations through member councils.

Public Funding Coordination. Work collaboratively with public funders at the State and local levels to promote shared affordable housing goals and equitable geographic distribution of resources. Review and provide input to other funders for Eastside projects that apply for County (HOF, RAHP, HOME, TOD, etc.) and State (Tax Credit, State Housing Trust Fund) resources. Provide input to the King County Joint Recommendations Committee (JRC) on behalf of participating Eastside jurisdictions. Assist N/E consortium members with evaluating and making a recommendation to the County regarding CDBG allocations to affordable housing.

Negotiate maximum public benefits from investment of housing funds into private projects. Engage with Enterprise Community Partners and other investors on the potential extension of the Regional Equitable Development Initiative (REDI) Fund. Complete implementation of a Bridge Financing Pilot in partnership with Microsoft.

Project Pipeline Management. Work with member cities and project sponsors to develop a robust pipeline of projects to be funded over the next five years (see related work on Transit Center sites, below). Actively vet

potential HTF projects, and lead funding policy and prioritization discussions with the ARCH Executive Board to facilitate planning and decision-making.

Contract Development and Administration. Prepare contract documents in consultation with legal counsel and facilitate approval of contracts with the Administering Agency. Review and approve disbursement of funds to awarded projects in accordance with executed contracts.

II. HOUSING POLICY AND PLANNING

A. Local Policy, Planning and Code Development

ARCH provides assistance directly to member cities on a range of local planning efforts. Local planning efforts with individual member cities may be found in *Attachment A*. These efforts may take different forms, such as:

- **Housing Element Updates.** Work with members to update comprehensive plan housing elements.
 - Assist with understanding and complying with new housing-related requirements under the Growth Management Act and Countywide Planning Policies.
 - Prepare an east King County housing needs analysis with focused analyses for each city—including projected affordable housing needs—to fulfill GMA requirements.
 - Coordinate local and ARCH affordable housing goals with King County Affordable Housing Committee and Countywide Planning Policies.
 - Assist with policy writing, outreach, presentations, etc. as needed.
- **Housing Strategy and Action Plans.** Assist members to prepare housing strategies to implement housing elements and create council work plans. Cities with completed or ongoing strategy and action plans include Bellevue, Issaquah, Kenmore, Bothell, Kirkland, Redmond, and Sammamish.
- **Incentive Program Design.** Provide economic analysis and policy and program development support to design local housing incentive programs, including land use, property tax, impact fee waivers, parking reductions and other incentives. Develop standard tools or models that can be used by member cities/staff to evaluate and design their individual affordable housing incentive/inclusionary programs.
- **Land Use Code Amendments.** Assist city staff on land use and other code amendments in order to implement comprehensive plan policies.
- **Other Support.** Other areas in which ARCH could provide support to member cities include preservation of valuable community housing assets, assistance to households displaced by development activity, review of tenant protection regulations, or negotiation of agreements for specific development proposals. ARCH views this as a valuable service to its members and will continue to accommodate such requests to the extent they do not jeopardize active work program items.

B. Inter-Local / Eastside Planning Activities

Interlocal planning activities are coordinated by ARCH for the benefit of multiple members.

ARCH Regional Affordable Housing Goals and Reporting. Work with member staff and the ARCH Executive Board to report on adopted goals for production and preservation of affordable housing across ARCH member communities. Utilize data methodologies consistent with the requirements of GMA and Countywide Planning Policies.

Long-Term Funding/Dedicated Revenue Strategy. Continue work on a long-term funding strategy for the ARCH Trust Fund. Facilitate conversations with member cities on identifying and exploring dedicated sources of revenue for affordable housing at the local and regional level (e.g., REET, property tax levy, commercial linkage fee, etc.). Provide relevant data and develop options for joint or individual revenue approaches across ARCH member cities and identify any shared state legislative priorities to authorize local options for funding.

Incentive/Inclusionary Housing Program Policies. As program implementation issues arise, assist member jurisdictions to develop coordinated policy solutions that incorporate input from the diverse range of stakeholders. Work with member city staff to develop code amendments that adapt programs to new knowledge and best practices (for example, implementing fee strategies to create sustainable revenue for monitoring). In 2024, this will include assisting members to consider new rent increase policies for ARCH monitored housing that create more predictable outcomes for tenants and property owners.

Tenant Protection Policies. Share information and help identify common policy priorities relating to tenant protections. Facilitate consideration of local regulations by ARCH members and help to encourage consistent protections for renters across the region that reduce evictions and economic displacement.

Eastside Housing Data Analysis and Planning for GMA Housing Requirements. On an annual basis, provide local housing and demographic data as available. Make information available to members for planning efforts and incorporate into ARCH educational materials. Facilitate and encourage members to collaborate in addressing new GMA/_CPP housing requirements so that the affordable and special housing needs across east King County are addressed.

Middle Housing/HB 1110 Implementation. Support members to implement new affordability incentives required by HB 1110, including evaluating new incentive programs and stewarding affordable units that may be created through the new regulations. In addition, support members to utilize input from a range of community based organizations representing diverse constituents when considering middle housing regulations.

C. State Legislative Activities

The ARCH Executive Board will discuss and explore shared legislative priorities for advancing affordable housing in the region, and identify one or two strategic legislative priorities to advance to their respective councils for consideration in the upcoming legislative session that impact local jurisdictions' ability to address affordable housing needs. ARCH will convene its members to discuss how to align and advance these priorities, with a goal to enable members to advocate collectively for greater impact.

ARCH staff will track relevant state (and, where feasible, federal) legislation, particularly any legislation related to priorities established by the Board. As needed, staff will report to the Executive Board and members, and coordinate with relevant organizations (e.g., AWC, SCA, WLIHA, HDC) to advance shared legislative priorities.

D. Regional/Countywide Planning Activities

ARCH participates in regional planning efforts to advance Eastside priorities and ensure that perspectives of communities in East King County are voiced in regional housing and homelessness planning.

Promote best practices in development of housing solutions that move people out of homelessness. Coordinate allocation of resources, and work on specific initiatives.

Explore Collaboration with Cities in North and East King County. As requested, engage cities interested in supporting affordable housing in north and east King County that are not currently members of ARCH.
