A. It is the policy of King County that the private conduct and financial dealings of public officials and employees and of candidates for public office shall present no actual or apparent conflict of interest between the public trust and private interest.

B. A former county employee should not act, or appear to act, in such a manner as to take improper advantage of the former county employee's previous office or position with the county. A former county employee should not request or otherwise seek special consideration, treatment or advantage beyond that which is available to every other person. A former county employee should avoid circumstances in which it appears, or to a reasonable person might appear, that the former county employee is requesting or otherwise seeking special consideration, treatment or advantage. The supervisor or appointing authority shall

document the disposition of the potential conflict in writing in files maintained by the appointing authority. 3.12.005 Statement of intent. King County also recognizes that many of the causes of this

underrepresentation are societal in nature, and beyond the scope and power of the county to remedy on its own. Nevertheless, King County is determined to be a leader in the implementation of civil rights and compliance policies and programs which will remedy the effects of past discrimination and set the county on an affirmative action path. (Ord. 9088 § 1, 1989).

The status of each employee shall be equivalent to that which the employee would have had, had the employee been a county employee during the term of the former employment. The probationary period shall be determined by the director, but shall be not less than six months or more than one year of actual service, and shall be served by those employees who have been newly hired or reemployed or have moved from another career service position, whether through promotion, demotion or transfer except:

B. A probationary employee may be separated from county service at any time during the probationary period without right of appeal to the personnel board. Notwithstanding any other provisions of this section, an employee who does not successfully complete the probationary period in a position to which the employee had been promoted or transferred may be restored to the employee's former position. Such restoration is not mandatory, but is optional at the discretion of the former appointing authority within the limits of available authorized positions. Such restoration shall include restoration of the employee's former salary and all other benefits to which the employee would have been entitled if the promotion or transfer had not occurred. B. The director shall be responsible for planning and executing an adequate training program for employees.

C. The county shall pay for any training, certification or license, except for a driver's license, that is required by the county for the employee's position. This includes necessary release time for training that is preapproved by the employee's supervisor.

C. Except as otherwise provided by ordinance, the official workweek shall consist of five working days for all full-time regular and full-time probationary employees. The official workweek for other employees shall be determined by the director. In the case of service reductions resulting from a budgetary furlough, county offices may be closed, resulting in the reduction of the workweek.

D. The county recognizes that there is an occasional need for an employee to return to work outside of the employee's normal workday. The personnel guidelines shall contain procedures relating to call duty.

E. The county recognizes a responsibility for action regarding on-the-job injuries. The personnel guidelines shall contain procedures relating to on-the-job injury.

F. A career service employee who accepts an appointment to an exempt position effective on or after January 1, 1996, and which position and appointment resulted from the reorganization of the executive branch as reflected in the creation of certain new positions contained in Attachment A to Ordinance 12013* shall retain the employee's career service status and rights while holding such exempt position and have the restoration rights set forth in this section. This provision is not intended to provide the career service employee with a right to the exempt position. But, such employee, if selected for the exempt position, could be terminated from the position only for just cause.

G. A career service employee who accepts a transfer or promotion to an exempt position before December 1, 1979, shall, upon separation from the exempt position, be allowed to re-enter career service at a position comparable in terms of responsibilities and salary or wage (including normal cost-of-living increases) to the career service position formerly held by the employee. A career service employee accepting such a transfer or promotion on or after December 1, 1979, shall have such a right to restoration, but only if:

1. The right to restoration is exercised within four calendar years from the effective date of the transfer or promotion to an exempt position; and

2.a. the former appointing authority, at the appointing authority's discretion, approves the restoration within the limits of available authorized positions; or

b. a different appointing authority, having jurisdiction over comparable authorized positions, and at the different appointing authority's discretion, approves the restoration within the limits of available authorized positions.

I. Overtime work may be authorized by the department director where necessary to maintain or perform vital county services and shall be paid in accordance with appropriate state and federal law.

J. If a county agency or the benefits, payroll and retirement operations section of the finance and business operations division has determined that an overpayment of wages to a nonrepresented employee has occurred, the agency or the benefits, payroll and retirement operations section of the finance and business operations division shall provide written notice to the nonrepresented employee consistent with state law.

K. The following adjudicative process is available, subject to subsection K.1. though 12. of this section, after a decision regarding a nonrepresented employee's challenge to an initial determination of an overpayment of wages:

1. A nonrepresented county employee who is dissatisfied with the decision regarding the employee's challenge to the overpayment determination must submit to the manager of the benefits, payroll and retirement operations section of the finance and

business operations division a written request for an adjudicative proceeding consistent with RCW 49.48.210;

2. The request must comply with RCW 49.48.210;

3. A county agency's determination concerning an overpayment to a nonrepresented employee shall be final if the nonrepresented employee fails to request an adjudicative proceeding in the manner prescribed by RCW 49.48.210;

4. The manager of benefits, payroll and retirement operations section of the finance and business operations division shall log the date and time of the request and forward the request to the agency and to the manager of the finance and business operations division, who shall be responsible for the adjudicative proceeding;

5. Within forty-five business days of receipt of the nonrepresented employee's written request for an adjudicative hearing, the manager of the finance and business operations division shall conduct an adjudicative hearing to review the decision regarding the challenge to the overpayment determination and to determine the final amount of the overpayment, if any, received by the nonrepresented employee. However, the manager of the finance and business operations division may, under extenuating circumstances, schedule the adjudicative hearing at a time that is more than forty-five days after the receipt of the request for a hearing. The manager of the finance and business operations division shall set the time and place of the hearing and give not less than fifteen business days advance written notice to all parties; notice to the nonrepresented employee shall be by certified mail, return receipt requested;

6. At the hearing, evidence may be presented by the nonrepresented employee, the agency and the benefits, payroll and retirement operations section of the finance and business operations division, but any documents must be provided to the other parties at least five business days before the hearing;

7. If the nonrepresented employee fails to attend or participate in the hearing, upon a showing of valid service, the manager of the finance and business operations division may enter an administrative order declaring the amount claimed, in the notice sent to the employee after the employer's review of the employee's challenge to the overpayment determination, to be assessed against the employee and subject to collection action by the employer as provided in RCW 49.48.200;

8. Within thirty business days after the hearing, the manager of the finance and business operations division shall issue an administrative order that determines the final amount of the overpayment, if any, received by the nonrepresented employee. The manager of the finance and business operations division shall send a copy of the administrative order, by certified mail, return receipt requested, to the nonrepresented employee at the employee's last known address, to the agency and to the manager of benefits, payroll and retirement operations section of the finance and business operations division; however, the manager of the finance and business operations division may, under extenuating circumstances, issue an administrative order more than thirty days after the hearing;

9. The administrative order issued by the manager of the finance and business operations division shall be final;

10. Once a final administrative order determining the final overpayment amount owed by the nonrepresented employee has been entered, a payroll deduction to recover the overpayment may begin as authorized by state law;

11. Nothing in this section precludes an agency or the benefits, payroll and retirement operations section of the finance and business operations division from entering into a voluntary agreement with a nonrepresented employee to repay any overpayment of wages, consistent with state law; and

12. The manager of the finance and business operating division may be recused from conducting an adjudicative hearing, at the manager's discretion, to avoid any real

conflict of interest. If this occurs, the county administrative officer or designee shall assume responsibility for the hearing. (Ord. 18618 § 77, 2017: Ord. 17895 § 1, 2014: Ord. 16735 § 5, 2009: Ord. 16339 § 5, 2008: Ord. 12014 § 15, 1995).

3.12.123 Weapons. The council desires to continue the weapons policy established by the Municipality of Metropolitan Seattle prior to assumption of metropolitan functions on January 1, 1994, by the county and continued by the council during the 1994 - 1995 transition period. The council recognizes that employees in the Metro transit department interact daily with the public in providing public transportation services, are expected to avoid any potentially volatile situation or confrontation, and are required to contact the appropriate authority for assistance when necessary. In conjunction with the behavior expected of such employees, it is also the policy that the use, threatened use, or possession of a weapon concealed, licensed or otherwise, by such an employee while in the performance of the employee's official duties or while on county property is strictly prohibited and will result in termination. This policy does not apply to commissioned police officers under contract with or employed by the county for investigatory, undercover or enforcement reasons. (Ord. 18777 § 12, 2018: Ord. 18618 § 78, 2017: Ord. 12014 § 34, 1995).

3.12.125 Change in work week -- adjustment to sick leave and vacation accruals.

A. Notwithstanding any other provision of this chapter, in the event the number of hours in the standard work week of a position occupied by a full-time regular employee, part-time regular employee or, term-limited temporary employee is increased, the sick leave and vacation leave accruals of such employee at the time of the increase shall be adjusted upward so as to insure that the equivalent number of sick leave and vacation leave days accrued does not change. For example, if the standard work week of such a position is increased from thirty-five to forty hours, and if at the time of such change the employee occupying the position had accrued seven hours of sick leave, the sick leave accrual of that employee would be adjusted upward to eight hours. This section shall apply to all employees eligible for comprehensive leave benefits occupying positions where the standard work week of the position was increased on or after July 1, 1991. After such an increase, such employees shall accrue vacation and sick leave in accordance with the otherwise applicable provisions of K.C.C. chapter 3.12.

B. Separate accounts shall be maintained for any vacation or sick leave accrued before an increase in the number of work-week hours. The "adjusted leave account" shall be used for leave accrued before an increase in the number of work-week hours. The "unadjusted leave account" shall be used for leave accrued subsequent to an increase in the number of work-week hours. Leave in the adjusted leave account shall be used first.

C. In the event the number of work-week hours is reduced for any employee whose vacation and sick leave accruals have been adjusted upward under the terms of this section, the remaining hours in the adjusted leave account shall be reduced in the same proportion as the work-week hours are reduced. Under no circumstances shall the adjusted leave account be reduced by a greater proportion than the proportion of the previous upward adjustment. Any leave accrued in the unadjusted leave account shall not be affected by this reduction.

D. No adjustment to reduce sick leave or vacation accruals for a furloughed employee shall be made as a result of a budgetary furlough. (Ord. 18621 § 3, 2017: Ord. 16735 § 6, 2009: Ord. 16339 § 6, 2008: Ord. 12943 § 3, 1997: Ord. 12077 § 3, 1995).

3.12.130 Salary ordinance. The executive shall prepare and submit a recommended salary ordinance to the council, which shall adopt a salary ordinance. The salary ordinance shall establish a standardized salary schedule for all classifications, excluding classifications for temporary employees other than provisional employees and probationary employees, part-time employees, administrative interns, elected officials and employees of the council. (Ord. 12014 § 16, 1995).

3.12.140 Cost-of-living increase. Cost-of-living increases as passed by the council annually for county employees shall include elected officials whose salaries are not set by the state. (Ord. 4324 § 38, 1979).

3.12.150 Compensation other than salary and wages. Compensation may include items other than salary and wages, including but not limited to rent subsidized housing, utility costs, meals at reduced rates. (Ord. 4324 § 37, 1979).

3.12.160 Unemployment compensation. All services performed for the county by county employees subsequent to December 31, 1977, shall be deemed to be services in employment subject to the provisions of the State Unemployment Compensation Law, RCW Title 50, as amended. The unemployment compensation program of the county shall be administered, with respect to such services in employment, in accordance with the mandatory provisions of RCW Title 50, as amended. In the event that the mandatory coverage feature of state law ceases, through judicial decision or otherwise, to be in compliance with valid and constitutional federal law, the county may legislate a self-insured form of unemployment compensation. (Ord. 4324 § 34, 1979).

3.12.170 Equal pay for equal work—policy--findings. It is the general policy of the county that compensation for all county employees shall be equitably provided on the basis of equal pay for equal work consistent with state and federal law. The council finds that federal, state and local laws against discrimination provide adequate and appropriate remedies for any pay that is unequal on the basis of unlawful discrimination. Consistent with state and federal law, the equal pay policy in this section is intended to set forth general county policy for equitable pay in county government. Pay for represented employees is determined in accordance with the collective bargaining procedures established by law. This section shall not affect the collective bargaining position of the exclusive bargaining representatives of any employee or of the county. This general equal pay policy does not constitute an express or implied contract; it is a general statement of county policy that cannot form the basis of a private right of action. (Ord. 14801 § 1, 2003; Ord. 12014 § 17, 1995).

3.12.180 Equality of county employment - reporting requirements.

A. For purposes of this section:

1. "County work force" means persons employed by King County executive departments;
2. "Job group" means a grouping of jobs as defined by the United States Department of Labor;
3. "Labor force availability rate" means the percentage of persons of color or women with requisite job skills in King County as reported by the United States Census Bureau;
4. "Persons of color" means persons in each of the following groups: Blacks; Hispanics; Asian/Pacific Islanders; and Native Americans; and
5. "Placement goal" shall equal the labor force availability rate.

B. The county is an equal opportunity employer and shall carry out federal, state and local laws and regulations prohibiting discrimination in employment on the basis of race, color, religion, religious affiliation, creed, national origin, ancestry, sex, sexual orientation, gender identity or expression, age (except by minimum age and retirement provisions), marital status, honorably discharged veteran or military status, or the presence of a sensory, mental or physical disability. Further, it is the intent of the county to ensure that employment is based on the principle of equal opportunity and that such a principle shall be implemented in all county personnel-related actions including, but not limited to, recruitment, hiring, testing, training, promotion, compensation, transfer and all other terms and conditions of employment in all job classifications.

C. In order to comply with federal contracting requirements and to ensure equal opportunity for all persons, all county departments shall establish and maintain an effective equal employment opportunity affirmative action plan, as adopted by the council by ordinance. Such an equal employment opportunity affirmative action plan shall promote the objectives of public policy set forth in applicable federal and state laws relating to nondiscrimination, equal employment opportunity, affirmative action and civil rights. Specifically, the plan shall promote the objectives of the State Law Against Discrimination, chapter 49.60 RCW (applicable parts), and provisions of the Washington Administrative Code adopted thereunder. As part of the county's equal employment opportunity affirmative action plan, the executive shall submit by June 1 of every fourth year, commencing with 2018, a proposed ordinance for the approval of an equal employment opportunity affirmative action plan pertaining to executive county departments and agencies to be approved, or modified, by the council by ordinance, or rejected by the council, by January 1 following the plan's submittal to council. The equal employment opportunity affirmative action plan shall include:

1. Information related to county work force statistics, which shall include:
 - a. a comparison of labor force availability for women and persons of color to the county's actual labor force for women and persons of color as a summary across all departments. The plan shall also compare labor force availability for women and persons of color to the county's actual labor force for women and persons of color by departments and job group. The plan shall also summarize the percentage of total goal setting areas which meet or exceed the labor force availability rate;
 - b. a summary of the county work force by job group and by race and gender;
 - c. a discussion of the methodology by which the labor force availability and county work force data is developed and a listing of the county job classifications that are included in each job group;
 - d. the total number of persons with disabilities in each job group within the county work force and the total number of persons with disabilities by department voluntarily reported by individuals for equal employment opportunity affirmative action purposes. The plan shall include the number of positions for which an accommodation is currently in effect;
 - e. the total number and percentage of employees by salary range and by race and gender. Salary ranges shall be reported in a manner consistent with the equal employment opportunity data reported by the United States Census Bureau. The plan shall include data reported by the United States Census bureau on the total number and percentage of the labor force working in King County by salary range and by race and gender;
 - f. an analysis by race and gender of the positions filled by promotion during the prior plan period. For the purposes of this subsection, "promotions" means those instances in which an individual advances in salary level because the individual changed to a position with a higher pay range assignment;

g. a summary by year for the prior plan period on executive branch discrimination complaints by basis of complaint and complaint status. The summary shall also include data by department on the number of complaints filed by complaint type and the number of people filing complaints; and

h. historical data on the county work force by race and gender. Historical data before 2014 is required only to the extent it is readily available;

2. Placement goals for the plan period. For those job groups within departments where the actual number of women and persons of color employed is less than projected by labor force availability, a placement goal by race and gender shall be established for the entire plan period. A placement goal shall equal the labor force availability rate. Placement goals are used to measure progress toward achieving equal employment opportunity. Placement goals may not be quotas, which must be met, nor do they create set-asides for specific groups. Placement goals may not be used to supersede merit selection principles. Further, existence of a placement goal does not constitute evidence of discrimination. If a placement goal has been established, the plan shall identify the labor force availability rate;

3. Implementation plans for departments. Each implementation plan shall:

a. identify the activities proposed each year during the plan period to meet the department's placement goals. The plan shall discuss how the proposed activities will help the department achieve its placement goals;

b. identify the activities proposed during the plan period by year to recruit, retain and promote women and persons of color in the work force; and

c. identify the specific activities during the plan period, by year, that each department will undertake to increase its hiring, retention and promotion of persons with disabilities; and

4. A summary of the results of the prior equal employment opportunity affirmative action plan, which shall include:

a. A description of the progress of each department in completing the activities listed in subsection C.3. a. through c. of this section proposed in the previous implementation plan. The outcomes of each activity shall be reported. The department of human resources shall provide an evaluation of the effectiveness of each department's implementation activities during the plan period;

b. the status of each placement goal established in the prior equal employment opportunity affirmative action plan. For each identified placement goal, the status report shall report the:

(1) labor force availability rate;

(2) total number of positions filled for the corresponding job group within a department;

(3) of the total number reported under subsection C.4.b.(2) of this section, the number of positions that were filled by each race and gender category; and

(4) an actual hiring rate for each race and gender category calculated by dividing the number of positions filled by the number of positions filled by each race and gender category; and

c. a separate listing of those placement goals for the plan period that were not achieved. Placement goals are considered not achieved when the actual hiring rate is less than the availability rate for the overall plan period. For each placement goal not achieved, the plan shall provide an analysis of why the goals were not met including whether the planned implementation activities were completed. Placement goals shall only be considered not achieved in those instances in which the total number of hires is large enough such that it is statistically reasonable to expect under conditions of equal employment opportunity that the number of hires by race and gender will reflect work force availability.

D. A progress report on each year's placement goals and implementation plans shall be delivered to the council annually on June 1. Eleven copies of the report shall be filed with the clerk of the council, for distribution to all councilmembers. For each category where a placement goal is established, the following shall be reported:

1. Labor force availability rates as proposed in the equal employment opportunity affirmative action plan by department, job group, race and gender;
2. Data by department and job group of the total number of positions filled;
3. For each department and job group, the number of positions that were filled by each race and gender category;
4. For each department and job group, the percentage of positions that were filled by each race and gender category;
5. A separate listing of placement goals not achieved. Placement goals are considered not achieved when the availability rates are greater than the hiring rates. Placement goals shall only be considered not achieved in those instances in which the total number of hires is large enough such that it is statistically reasonable to expect under conditions of equal employment opportunity that the number of hires by race and gender will reflect work force availability;
6. Beginning in the second year, cumulative data for the plan period for the information required under subsection D. 1. through 5. of this section; and
7. The status of each activity proposed in each department's implementation plan as required by subsection C.3. a. through c. of this section. The progress report shall include updates to the implementation plans in order that the plans consist of more than repeating the same activities which have previously produced inadequate results.

E. The executive shall submit a proposed ordinance approving a new four-year equal employment opportunity affirmative action plan to the council within twelve months of the publication of the appropriate data from the ten-year United States census. (Ord. 18793 § 10, 2018: Ord. 18635 § 15, 2017: Ord. 17631 § 1, 2013: Ord. 15777 § 1, 2007: Ord. 12014 § 18, 1995).

3.12.184 Ruth Woo emerging leaders fellowship.

A. The Ruth Woo emerging leaders fellowship is hereby created. The fellowship shall be a paid, full-time, term-limited temporary position and shall be awarded to a person who has demonstrated a commitment to public service. Priority in selection will be given to economically disadvantaged college graduates from backgrounds that have historically lacked equitable access to education, employment, and professional development opportunities. There shall be at least five fellows at a time in county employment, who shall serve for a term of one year.

B. The fellow shall be an employee of the department of human resources. The fellow shall be assigned to work in various county agencies for periods of three to four months at a time with the written approval of the presiding elected official or designee of such agency. The assignments shall include periods with the council and with executive branch agencies. While assigned to an agency the fellow shall be subject to the administrative supervision of that agency.

C. The Ruth Woo fellow shall have the following responsibilities:

1. Assignments may include following a piece of legislation through the legislative process, preparing briefings, correspondence or other documents, communicating with constituents and other county departments, assisting in outreach and executive branch policy administration;
2. The work in the branches and departments shall include:
 - a. working on projects related to each branch or department and seeing them to completion;

- b. experiencing buy directly working on how policies are developed and implemented and how they relate to the communities served by the county;
- c. participating in internship orientations, workshops and policy exercises; and
- d. maintaining professional, nonpartisan conduct.

D. Each agency shall reimburse the department of human resources for the cost of the fellow for the period assigned to the agency.

E. Annually, a committee to review applicants for the fellowship shall be formed, composed of members appointed by the executive and the chair of the council. The committee shall recommend to the department of human resources criteria for the selection of applicants, shall screen, interview and score the applicants and shall recommend to the department of human resources appointment of the fellow. (Ord. 18839 § 1, 2018; Ord. 18793 § 11, 2018; Ord. 18572 § 1, 2017).

3.12.187 Apprenticeship training program.

A. The King County council finds as a fact that minorities, women and disabled persons are underrepresented in the construction trades. The council also finds as a fact that a major reason for the underrepresentation of minorities, women and disabled persons in the construction trades is the lack of opportunity for those persons to serve apprenticeships in state-approved apprenticeship programs designed to have them earn the hours necessary to reach journey-level status. Further, the council finds that the traditional methods for persons to find opportunities as apprentices in the construction trades serve as a barrier to minorities, women and disabled persons. Therefore, the council finds that the temporary employment of these individuals as construction trade apprentices enrolled in state-approved apprenticeship programs will serve to benefit the public by assisting minority, women and disabled persons gain entry to the construction trades by their earning a portion of the hours needed to reach the journey level while placed with King County.

B. Notwithstanding any King County ordinance to the contrary, persons who are enrolled in state approved apprenticeship programs and are employed by King County to earn hours to complete such apprenticeship programs, shall be classified as temporary employees. Such person shall be entitled to only such rights, working conditions and benefits as are granted by ordinance to other temporary employees of King County.

C. All persons who are enrolled in state approved apprenticeship programs and who are employed by King County to earn hours towards completing such programs shall, prior to becoming a temporary employee of King County, sign a sworn statement, in substantially the same form contained in Attachment A to Ordinance 11149* and indicating an understanding as to the temporary nature of the employment, the absence of career service rights and entitlements, the right of the county to terminate employment at any time without just cause, the absence of appeal rights for any action pertaining to appointment, promotion, suspension, discipline, reduction in pay or rank, removal and the absence of the right to grieve under any collective bargaining agreement, and recognition and understanding that upon termination of temporary employment no right exists to any career service or other position with King County.

It shall be the responsibility of the department of human resources to retain the originals of such sworn statements.

D. If any provision of this section or its application to any person or circumstance is held invalid, the remainder of the section or the application of the provision to other persons or circumstances is not affected. (Ord. 18793 § 12, 2018; Ord. 11149 § 1-4, 1993).

In addition, those employees shall be entitled to use the transit pass to ride without payment of fare on public transportation services operated by or under the authority of Pierce Transit, Kitsap Transit, Sound Transit, Everett Transit and Community Transit, subject to agreements with such agencies as may be entered into by the executive. Use of transit passes shall be restricted to such employees, administrative interns, volunteer interns, work study students, AmeriCorps members and department of transportation or Metro transit department retirees and any unauthorized use shall, at a minimum, result in forfeiture of the passes. The amount recommended by the executive shall not include any payment for transit passes for commissioned police officers, eligible department of transportation or Metro transit department retirees and employees whose positions are determined by the director of the Metro transit department to be dedicated exclusively to the public transportation function. The final amount to be transferred to the public transportation operating account for transit passes shall be determined by the council as part of the annual budget and appropriation process consistent with the requirements of the King County Charter and applicable state law.

C. For purposes of this section, "eligible department of transportation or Metro transit department retiree" means an employee eligible for comprehensive leave under this chapter who:

D.1. Employees hired before December 31, 2017, who are eligible for vacation leave may accrue up to four hundred eighty hours of vacation leave, prorated to reflect their normally scheduled work schedule.

E. Employees eligible for comprehensive leave benefits may use vacation leave hours in the pay period after they are accrued. Employees who leave county employment before successfully completing their first six months of county service shall forfeit their vacation leave hours and are excluded from the payout provisions in this section.

H. An employee who is eligible for comprehensive leave benefits shall be paid for accrued vacation leave to the employee's date of separation up to the employee's maximum accrual amount if the employee has successfully completed the employee's first six months of county service and is in good standing. (Ord. 18727 § 4, 2018; Ord. 18621 § 5, 2017; Ord. 18618 § 79, 2017; Ord. 16735 § 7, 2009; Ord. 16592 § 1, 2009; Ord. 16339 § 7, 2008; Ord. 12943 § 4, 1997; Ord. 12422 § 1, 1996; Ord. 12014 § 19, 1995).

3.12.210 Leave - bereavement.

A. Employees eligible for comprehensive leave benefits shall be entitled to up to five working days, with a maximum of forty hours, of bereavement leave for each death of the following family members: the employee's spouse or domestic partner; the parent, grandparent, child, son or daughter-in-law, grandchild or sibling of the employee, the employee's spouse or the employee's domestic partner; or the employee's legal guardian, ward or any person whom the employee has legal custody. Part-time employees' bereavement leave benefits shall be prorated to reflect their work week.

B. A furloughed employee shall not be eligible to take or be paid for bereavement leave in lieu of taking a budgetary furlough day.

C. Employees who are not eligible for comprehensive leave benefits may be granted leave without pay or be allowed to use compensatory time, if available, for bereavement leave.

D. In the application of any of subsections A., B. and C. of this section, holidays or regular days off falling within the prescribed period of absence shall not be charged.

E. Any additional paid leave, including sick leave, may be approved by mutual agreement between the county and the employee. (Ord. 18727 § 5, 2018; Ord. 18621 § 7, 2017; Ord. 16735 § 8, 2009; Ord. 16339 § 8, 2008; Ord. 12943 § 6, 1997; Ord. 12052 § 1, 1995).

A.1. The appointing authority shall allow an employee eligible for comprehensive leave benefits who is voluntarily participating as a donor in a life-giving or life-saving procedure such as, but not limited to, a bone marrow transplant, kidney transplant or blood transfusion to take five days paid leave without having the leave charged to family leave, sick leave, vacation leave or leave of absence without pay, but only if the employee:

a. gives the appointing authority reasonable advance notice of the need to take time off from work for the donation of bone marrow, a kidney or other organs or

tissue where there is a reasonable expectation that the employee's failure to donate may result in serious illness, injury, pain or the eventual death of the identified recipient; and

b. provides written proof from an accredited medical institution, organization or individual as to the need for the employee to donate bone marrow, a kidney or other organs or tissue or to participate in any other medical procedure where the participation of the donor is unique or critical to a successful outcome.

2. A furloughed employee shall not be eligible to take or be paid for an organ donor leave in lieu of taking a budgetary furlough day.

B. Time off from work for the purposes set out above in excess of five working days shall be subject to existing leave policies in this chapter or in any applicable collective bargaining agreement. (Ord. 18621 § 8, 2017: Ord. 16735 § 9, 2009: Ord. 16339 § 9, 2008: Ord. 12014 § 20, 1995).

3.12.218 Leave - smallpox vaccinations.

A. Any employee who is immunized for smallpox and who subsequently misses work for medical reasons related to the smallpox immunization shall be granted paid leave without having such charged to vacation or sick leave for the period the employee is unable to work due to medical complications from the immunization. Paid leave shall be granted if:

1. The employee is a member of one or more categories of individuals covered by a declaration by the United States Secretary of Health and Human Services specifying the administration of smallpox countermeasures.

2. The employee has been authorized by the county to receive the immunization in order to participate in the county's response under Section 304 of the Homeland Security Act.

B. Any part of the leave that is covered by worker's compensation time loss shall be paid from that fund. If the amount of worker's compensation time loss payment is less than the employee's regular net pay, the county will supplement the time loss payment up to the level needed to equal the employee's regular net pay.

C. A furloughed employee shall not be eligible to take or be paid for smallpox vaccination leave in lieu of taking a budgetary furlough day. However, any part of the leave that is covered by worker's compensation time loss shall be paid from that fund. (Ord. 16735 § 10, 2009: Ord. 16339 § 10, 2008: Ord. 14591 § 2, 2003).

3.12.219 Parental leave program.

A. Employees eligible for comprehensive leave benefits who have been employed with the county for at least six months of continuous service at the time of a birth, adoption or foster-to-adopt placement of a child, and are either nonrepresented or represented by a union that has signed a paid parental leave memorandum of agreement with the county, are eligible for up to twelve weeks of paid parental leave.

B. If both parents work for King County, then each employee is entitled to up to twelve weeks of paid parental leave.

C. An employee's supplemental paid parental leave benefit shall be calculated based on the employee's accrued paid leave balances at the time of the qualifying event. The employee shall receive the equivalent of the employee's full salary for up to a total of twelve weeks, when combined with the employee's accrued leaves, except for one week of sick leave and one week of vacation leave, or the equivalent for benefit time off. For example, if an employee has two weeks of accrued vacation and three weeks of accrued sick leave at the time of the qualifying event, the employee shall be granted nine weeks of supplemental paid leave, bringing the total available paid parental leave to twelve weeks.

D. An employee may use supplemental paid leave and accrued paid leave in any order and is not required to use any of the accrued paid leave as paid parental leave.

E. An employee on paid parental leave shall be compensated at the employee's base pay rate.

F. An employee should provide notice to the designated representative of the employee's department that the employee intends to participate in the program. The notice should meet the notice requirements for taking family and medical leave under federal law.

G. Paid parental leave must begin and end within twelve months after the qualifying event.

H. The employee and the employee's supervisor shall agree upon a schedule for taking paid parental leave that is consistent with the county's operational needs. An employee may use the paid parental leave on a part-time or intermittent basis as long as it is consistent with the county's operational needs and is approved in writing by the supervisor before the leave begins.

I. Paid parental leave shall run concurrently with King County family and medical leave, as well as federal and state family and medical leave, to the extent permitted by law.

J. During the time that an employee is on leave in the program, the employee's job shall be protected to the same extent that an employee's job is protected while the employee is on family or medical leave under federal or state law. No retaliatory action may be taken against an employee for participating or planning to participate in the program or for exercising the employee's rights under this ordinance. In particular, permission to use accrued paid leave shall not be denied or delayed on the basis that the employee intends to participate in the program. This is a general statement of county policy that cannot form the basis of a private right of action.

K. Taking leave under the paid parental leave program shall not affect an employee's health benefits or an employee's accrual of paid leave, which shall continue during the period of paid parental leave.

L. Employees shall not be compensated in any manner for not using the supplemental paid parental leave.

M. An employee who does not return to work for at least six months of continuous service following the paid parental leave, shall be required to reimburse King County for the supplemental paid parental leave funds received. (Ord. 18727 § 6, 2018; Ord. 18621 § 9, 2017; Ord. 18408 § 2, 2016).

3.12.220 Sick leave and time off for medical and family reasons.

A.1. Except for employees covered by subsection A.3. of this section, employees eligible for comprehensive leave shall accrue sick leave benefits at the rate of 0.04616 hours for each hour in pay status exclusive of overtime up to a maximum of eight hours per month; except that if an hourly employee works in excess of seventy-four hours in one week, the employee shall accrue sick leave at the rate of 0.025 hours for each hour worked in excess of seventy-four. No adjustment to reduce sick leave accruals for furloughed employee shall be made as a result of a budgetary furlough.

2. Short-term temporary employees and administrative interns shall accrue sick leave at the rate of 0.025 hours for each hour in pay status.

3. Employees who are members of the Law Enforcement Officers and Firefighters (LEOFF) 1 retirement system and short-term temporary employees who are employed in social service programs designed to help youth gain basic work training skills, such as Work Experience (WEX) participants and Division of Youth Services (DYS) youth employment workers, shall not accrue sick leave.

B. Employees are entitled to use sick leave after it is accrued.

C. For employees covered by the overtime requirements of the Fair Labor Standards Act, sick leave may be used in fifteen-minute increments.

D. There shall be no limit to the number of sick leave hours accrued and carried over to the following year by employees eligible for comprehensive leave benefits. Short-term temporary employees and administrative interns may carry over forty hours of unused sick leave to the following year, all other unused accrued sick leave shall be forfeited.

E. For employees covered by the overtime requirements of the Fair Labor Standards Act, sick leave may be used in fifteen-minute increments.

F.1. Separation from or termination of county employment except by reason of retirement or layoff due to lack of work, funds, efficiency reasons or separation for medical reasons, shall cancel all sick leave accrued to employees eligible for comprehensive leave benefits as of the date of separation or termination.

2. Separation from, retirement from or termination of county employment shall cancel all sick leave accrued to short-term temporary employees and administrative interns as of the date of the separation, retirement or termination.

3. Should an employee return to county employment within two years, accrued sick leave shall be restored. If a retiree is rehired, that employee is not entitled to have any sick leave restored.

G.1. Except for short-term temporary employees, administrative interns, and employees covered by the Law Enforcement Officers and Firefighters (LEOFF) 1 retirement system, employees eligible to accrue sick leave who have successfully completed at least five years of county service and who retire as a result of length of service or who terminate by reason of death shall be paid, or their estates paid or as provided for by Title 11 RCW, as applicable, an amount equal to thirty-five percent of their unused, accumulated sick leave multiplied by the employee's rate of pay in effect upon the date of leaving county employment less mandatory withholdings. This provision is predicated on the requirement that, except with the written approval of the executive, the position, if vacated by a nonrepresented employee, shall not be filled until salary savings for the position are accumulated in an amount sufficient to pay the cost of the cash out. For the purposes of this subsection G.1., "retire as a result of length of service" means an employee is eligible, applies for and begins drawing a pension from the Law Enforcement Officers and Firefighters (LEOFF), Public Employees' Retirement System (PERS), Public Safety Employees' Retirement System (PSERS) or the city of Seattle Retirement Plan immediately upon terminating county employment.

2.a. In lieu of the remuneration for unused sick leave at retirement, the director may, with equivalent funds, provide eligible employees with a voluntary employee beneficiary association plan that provides for reimbursement of retiree and other qualifying medical expenses. Under K.C.C. 3.12.190.G., in lieu of the remuneration for fifty percent of unused vacation leave at retirement, the director may also fund the voluntary employee beneficiary association plan.

b. The director shall adopt procedures for the implementation of all voluntary employee beneficiary association plans. At a minimum, the procedures shall provide that:

(1) each group of employees hold an election to decide whether to implement a voluntary employee beneficiary association plan for a defined group of employees. The determination of the majority of voting employees in a group shall bind the remainder. Elections for represented employees shall be conducted by the appropriate bargaining representative. Elections for nonrepresented employees shall be conducted in accordance with procedures established by the director;

(2) the director has discretion to determine the scope of employee groups voting on whether to adopt a voluntary employee beneficiary association plan. The

director shall consult with bargaining representatives and elected officials in determining the scope of voting groups;

(3) any voluntary employee beneficiary association plan implemented in accordance with this subsection G.2. complies with federal tax law. Disbursements in accordance with this subsection G.2. shall be exempt from withholdings, to the extent permitted by law; and

(4) employees shall forfeit remuneration under subsection G.1. and 2. of this section if the employee belongs to a group that has voted to implement a voluntary employee beneficiary association plan and the employee fails to execute forms that are necessary to the proper administration of the plan within twelve months of retirement by reason of length of service, as defined in subsection G.1. of this section.

H.1. An employee must use all of the employee's accrued sick leave and any donated sick leave before taking unpaid leave for the employee's own health reasons. If the employee has an injury or illness that is compensable under the county's workers compensation program, then the employee has the option to augment or not augment wage replacement pay with the use of accrued sick leave. A furloughed employee shall not be eligible to take or be paid for sick leave in lieu of taking a budgetary furlough day.

2. For a leave for family reasons, the employee shall choose at the start of the leave whether the particular leave would be paid or unpaid, but when an employee chooses to take paid leave for family reasons the employee may set aside a reserve of up to eighty hours of accrued sick leave. A furloughed employee who is on county family medical leave as provided for in this section shall retain county benefits during furlough days.

3. An employee who has exhausted all of the employee's accrued sick leave may use accrued vacation leave before going on leave of absence without pay, if approved by the employee's appointing authority. A furloughed employee shall not be eligible to take or be paid for vacation leave in lieu of sick leave in lieu of taking a furlough day.

I. Sick leave may be used for the following reasons:

1. An absence:

a. resulting from the employee's mental or physical illness, injury, or health condition;

b. to accommodate the employee's need for medical diagnosis, care or treatment of a mental or physical illness, injury or health condition; or

c. for the employee's need for preventive medical care;

2. To allow the employee to provide care:

a. for a family member with a mental or physical illness, injury or health condition;

b. for a family member who needs medical diagnosis, care or treatment of a mental or physical illness, injury or health condition; or

c. for a family member who needs preventive medical care;

3. When a King County facility is closed by order of public official for any health-related reason, or when an employee's child's school or place of care is closed by order of a public official for a health-related reason;

4. For absences that qualify for leave under the domestic violence leave act, chapter 49.76 RCW;

5. For absences to increase the safety of the employee or a family member when the employee or a family member has been a victim of trafficking under RCW 9A.40.100; and

6. For family and medical leave available under federal law, state law or King County ordinance.

J. For purposes of sick leave, "family member" means any of the following:

1. A child, including a biological, adopted or foster child, a stepchild or a child to whom the employee stands in loco parentis, is a legal guardian or is a de facto parent, regardless of age or dependency status, or the child of the employee's domestic partner;

 - a. a biological parent;
 - b. an adoptive parent;
 - c. a de facto parent;

3. A spouse;
4. A domestic partner;
5. A grandparent;
6. A grandchild; or
7. A sibling.

K.1. An employee injured on the job may not simultaneously collect sick leave and workers' compensation payments in a total amount greater than the net regular pay of the employee, though an employee who chooses not to augment the employee's workers' compensation wage replacement pay through the use of sick leave shall be deemed on unpaid leave status.

2. An employee who chooses to augment workers' compensation payments with the use of accrued sick leave shall notify the safety and workers' compensation program office in writing at the beginning of the leave.

3. An employee may not collect sick leave and workers' compensation wage replacement pay for physical incapacity due to any injury or occupational illness that is directly traceable to employment other than with the county;

L. Management of the employee's department is responsible for the proper administration of sick leave benefits. Management of the employee's department may require an employee to provide reasonable notice of an absence from work, so long as the notice does not interfere with an employee's lawful use of sick leave.

M. Verification that an employee's use of sick leave is for an authorized purpose may be required for absences exceeding three days. Verification may not result in an unreasonable burden or expense on the employee and may not exceed privacy or verification requirements otherwise established by law. (Ord. 18727 § 7, 2018: Ord. 18621 § 10, 2017: Ord. 18618 § 80, 2017: Ord. 18191 § 3, 2015: Ord. 16735 § 11, 2009: Ord. 16592 § 2, 2009: Ord. 16339 § 20, 2008: Ord. 15557 § 1, 2006: Ord. 13377 § 3, 1998: Ord. 12943 § 7, 1997: Ord. 12422 § 2, 1996: Ord. 12014 § 21, 1995).

3.12.221 Family and medical leave – up to eighteen weeks for certain circumstances.

A. An employee may take a total of up to eighteen weeks of King County family and medical leave within a twelve-month period for either the employee's own serious health condition or to care for a family member with a serious health condition, if the employee has been employed by the county for twelve months or more and has worked a minimum of nine hundred ten hours for a thirty-five-hour employee and one thousand forty hours for a forty-hour employee, and:

1. The family member is the employee's spouse or domestic partner, the employee's child, a child of the employee's spouse or domestic partner, the parent of the

employee or the employee's spouse or domestic partner, or an individual who stood in loco parentis to the employee or the employee's spouse or domestic partner; and

2. The reason for the leave is one of the following:

a. the birth of a son or daughter and care of the newborn child, or placement with the employee of a son or daughter for adoption or foster care, if the leave is taken within twelve months of the birth, adoption or placement;

b. the care of the employee's child or child of the employee's spouse or domestic partner whose illness or health condition requires treatment or supervision by the employee;

c. the care of a family member with a serious health condition; or

d. any qualifying reason under federal family and medical leave law, 29 U.S.C. Sec. 2601 et seq., or state family and medical leave law, chapter 49.78 RCW.

B. King County family and medical leave may be taken intermittently to the same extent permitted under federal and state family and medical leave laws.

2. When leave is taken for the serious health condition of the employee in conjunction with an occupational injury or illness for which the employee is receiving workers' compensation wage replacement payments, the leave shall run concurrently with leave under the federal and state family and medical leave and King County family and medical leave.

D. The department is responsible for the proper administration of the King County family and medical leave benefit. Verification from a health care provider may be required to certify the health condition of the employee or family member for leave requests.

E. The county shall continue its contribution toward health care benefits when an employee is on King County family and medical leave, regardless of whether the employee is in a paid or unpaid status during the leave.

F. An employee who returns from King County family and medical leave within the time provided in this section is entitled to the same job protection as an employee returning from leave under 29 U.S.C. Sec. 2601 et seq., subject to reductions-in-force provisions as specified in K.C.C. 3.12.300.

G. Failure of an employee to return to work by the expiration date of a leave of absence may be cause for termination of the employee from county service. (Ord. 18191 § 4, 2015).

3.12.222 Donation of vacation or compensatory hours to nonprofit organizations.

A. Annually, from the first business day in October through the last business day in November, an employee eligible for comprehensive leave benefits may sign a written authorization subject to approval by the employee's department director to convert accrued vacation or accumulated compensatory hours, or both, into cash to benefit up to three nonprofit organizations participating in the King County employee annual drive in accordance with K.C.C. chapter 3.36, of the employee's choice.

B. Notwithstanding K.C.C. 3.12.190, an employee eligible for comprehensive leave benefits may convert accrued vacation or accumulated compensatory hours, or both, into cash to benefit natural disaster relief efforts. Upon the occurrence of a natural disaster and with the exception of the employee annual drive-related period designated under subsection A. of this section the executive may authorize a forty-five-day opportunity for employees eligible for comprehensive leave benefits to sign a written authorization to convert accrued vacation or accumulated compensatory hours, or both, into cash to benefit up to three nonprofit organizations designated by the executive. The

employee's written authorization is subject to approval by the employee's department director. The designated nonprofit organization must be a King County employee annual drive participant in accordance with K.C.C. chapter 3.36. This section shall be administered in accordance with K.C.C. chapter 3.36.

C. The hours converted under subsection A. or B. of this section must be in full-hour increments. The employee's donation must be a minimum of four hours and no more than forty hours per calendar year with the exception of the conditions described in subsection D. of this section.

D. An employee eligible for comprehensive leave benefits who earned excess vacation leave or compensatory hours, or both, beyond the amount that may be carried over into the next fiscal year may donate greater than forty hours under subsection A. or B. of this section with approval from the employee's department director.

E. All King County [benefit-eligible]* employees eligible for comprehensive leave benefits may donate in accordance with this section voluntarily.

F. The finance and business operations division shall value the hours donated under this section based on the regular hourly rate of the employee in effect at the time the approved conversion authorization is processed. The finance and business operations division shall process leave donations authorized under subsection A. of this section within the first two full weeks in December. The finance and business operations division shall process leave donations authorized under subsection B. of this section within the first two full weeks after the forty-five-day period designated in accordance with subsection B. of this section.

G. The net cash value of the accrued vacation or compensatory hours, or both, after all mandatory withholdings, including, but not limited to, withholding in accordance with retirement plans, federal income tax and the Federal Insurance Contributions Act, have been deducted must be distributed by the finance and business operations division to the designated nonprofit organization or organizations. (Ord. 18727 § 8, 2018; Ord. 17698 § 2, 2013; Ord. 17332 § 11, 2012; Ord. 15558 § 2, 2006).

***Reviser's note: In double parentheses but not struck through in Ordinance 18727. See K.C.C. 1.24.075.**

3.12.223 Donation of vacation or sick leave to other employees.

A.1. Any employee eligible for comprehensive leave benefits may donate a portion of the employee's accrued vacation leave to another employee eligible for comprehensive leave benefits. Such a donation may only occur upon written request to and approval of the donating and receiving employees' department director or directors.

2. The number of hours donated shall not exceed the donor's accrued vacation leave as of the date of the request. No donation of vacation hours shall be permitted where it would cause the employee receiving the transfer to exceed that employee's maximum vacation accrual.

3. A furloughed employee shall not be eligible to take or be paid for donated vacation in lieu of taking a furlough day, except as provided in K.C.C. 3.12F.040.

4. Donated vacation leave hours remain with the recipient. Donated vacation leave hours shall be excluded from vacation leave payoff provisions in this chapter.

B.1. Any employee eligible for comprehensive leave benefits may donate a portion of the employee's accrued sick leave to another employee eligible for comprehensive leave benefits upon written request to and approval of the donating and receiving employees' department director or directors.

2. No donation of sick leave hours shall be permitted unless the donating employee's sick leave accrual balance immediately subsequent to the donation is one

hundred hours or more. No employee may donate more than twenty-five hours of the employee's accrued sick leave in a calendar year.

3. Donated sick leave hours remain with the recipient. Donated sick leave hours shall be excluded from the sick leave payoff provisions contained in this chapter, and sick leave restoration provisions contained in this chapter.

C. All donations of vacation and sick leave made under this chapter are strictly voluntary. Employees are prohibited from soliciting, offering or receiving monetary or any other compensation or benefits in exchange for donating vacation or sick leave hours.

D. All vacation and sick leave hours donated shall be converted to a dollar value based on the donor's straight time hourly rate at the time of donation. Such dollar value shall then be divided by the receiving employee's hourly rate to determine the actual number of hours received. Vacation leave donated to a furloughed employee, who is designated by a department director and confirmed by the chief administrative officer as eligible to use donated leave on a furlough day, is donated on an hour-for-hour basis, without an hourly rate conversion. (Ord. 18727 § 9, 2018; Ord. 18621 § 11, 2017; Ord. 18618 § 81, 2017; Ord. 16735 § 12, 2009; Ord. 16339 § 12, 2008; Ord. 12943 § 8, 1997; Ord. 12014 § 22, 1995).

3.12.224 Leave - donation to an account or program to benefit children of deceased employee. Notwithstanding K.C.C. 3.12.190, if an employee dies while engaged within the scope of the employee's employment, the executive may implement a process providing a one-time opportunity to allow employees eligible for comprehensive leave benefits to convert either accrued vacation or accumulated compensatory time hours, or both, to cash to benefit any children of the deceased employee who are under twenty-three years old at the time of the employee's death. This process must conform to the following requirements:

A. The executive shall establish a forty-five-day period during which time employees may sign a written request, subject to approval by the executive, to convert either accrued vacation or accumulated compensatory time hours, or both, to cash and to authorize a payroll deduction of the cash to benefit the children of the deceased employee who are under twenty-three years old at the time of the employee's death. The hours must be in full-hour increments, with a minimum of four;

B. The executive shall determine the maximum hours that any employee can convert to cash, but the maximum may not be greater than a total of forty by each employee;

C. The value of the hours must be determined based on the regular hourly rate of the employee in effect at the time the approved conversion request is received by the county's payroll office;

D. If employees elect to convert either accrued vacation or accumulated compensatory time hours, or both, to cash as set forth in this section, the executive shall identify one or more support accounts or programs to which the cash may be paid for the benefit of the children. Unless the executive determines that another support account or program is more suitable given the circumstances of the children, the executive shall first insure the establishment of a Washington state college tuition prepaid program-guaranteed education tuition (GET) account with the state of Washington treasury to benefit the children of the deceased employee. In addition to or in lieu of the GET program, the executive may direct that some or all of the cash collected under this section be paid to other support accounts or programs that the executive has determined:

1. Are established in the names of the children or their legal guardian for the benefit of the children;

2. Are held by a governmental agency, nonprofit organization, bank, trust or lawful entity other than an individual;

3. Contain adequate safeguards against theft, diversion, loss or wasting of the funds paid under this section; and

4. Restrict the permissible use of funds paid under this section to paying for minimal, if any, administrative expenses and providing for the children's reasonable food, shelter and educational expenses; and

E. The cash resulting from converted accrued vacation or compensatory time hours, or both, net of all mandatory deductions, including, but not limited to, deductions for retirement plans and federal income tax and the Federal Insurance Contributions Act, must be transmitted to the Washington state college tuition prepaid program-guaranteed education tuition (GET) account established by the executive, or such other accounts or programs as may be determined by the executive, under subsection D. of this section[; and]*. (Ord. 18727 § 10, 2018: Ord. 18621 § 12, 2017: Ord. 18618 § 82, 2017: Ord. 14750 § 1, 2003: Ord. 13743 § 1, 2000).

***Reviser's note: In double parentheses but not struck through in Ordinance 18727. See K.C.C. 1.24.075.**

During a calendar year, an employee may use sick leave for volunteer service for both school and nonprofit organization participation. The aggregate number of sick leave days used for those purposes shall not exceed three days in a calendar year.

B. A furloughed employee shall not be eligible to take or be paid for volunteer sick leave in lieu of taking a furlough day.

C. C. An employee must be eligible for comprehensive leave benefits and in a pay status on the day before and the day following a holiday to be eligible for holiday pay. However, an employee who has successfully completed at least five years of county service and who retires at the end of a month in which the last regularly scheduled working day is observed as a holiday, shall be eligible for holiday pay if the employee is in a pay status the day before the day observed as a holiday. An employee otherwise eligible for holiday pay shall not be ineligible as a result of not being in a pay status on the day before or after the holiday due to budgetary furlough.

D. When a holiday falls on the scheduled day off of a full time employee entitled to comprehensive leave benefits who works other than a five-day, eight-hour schedule, the employee shall be given a deferred holiday. The employee's supervisor shall jointly select another day, preferably within the same pay period, for the employee to take as holiday. Deferred holidays for a part-time employee eligible for comprehensive leave benefits shall be prorated to the employee's schedule. (Ord. 18727 § 13, 2018: Ord. 18621 § 14, 2017: Ord. 18618 § 83, 2017: Ord. 16735 § 14, 2009: Ord. 16339 § 14, 2008: Ord. 12943 § 9, 1997: Ord. 12014 § 23, 1995).

3.12.240 Leave - jury duty.

A. The council finds that:

1. The county is committed to affirmative action in hiring and the full participation of pregnant county employees in all occupations throughout the county's work force.

2. Pregnancy is a normal occurrence.

3. The county has already established maternity and parental leaves for its employees.

4. It is desirable to establish a policy to reasonably accommodate pregnant county employees in a medically approved limited duty assignment.

B. For the purpose of this section, "employee" means a full-time regular employee or a part-time regular employee. Promotional probation may be extended at the discretion of the director and after consultation with an employee's appointing authority so an employee who utilizes the limited duty provisions of this section has the opportunity to perform for the established promotional probationary period.

C.1. It is the policy of the county to recognize that pregnancy is a normal event and that provisions shall be made to provide every employee the opportunity to continue to participate in the work force during and up to three months after the employee's pregnancy.

2. An employee, who upon the advice of the employee's physician, cannot safely perform all of the normal duties of the employee's job due to pregnancy and who indicates a desire to continue working before taking sick or maternity leave for which the employee may otherwise be eligible, shall upon concurrence of the director receive consideration for

temporary reassignment. The county shall, where reasonably possible, accommodate an employee's desire for medically approved continued employment during the employee's pregnancy and up to three months thereafter via one or more of the three alternatives listed. The first alternative shall have preference, and either assignments or reassignments, or both, shall be given within the employee's department where possible. The department of human resources shall be responsible for coordination of the following limited duty alternatives:

- a. temporary assignment to limited duties within the employee's classification;
- b. temporary reassignment of the employee to a similar classification with equal pay for which the employee is qualified;
- c. only if the director concurs that an employee cannot reasonably be accommodated by subsection C.2.a. or b. of this section, temporary reassignment of the employee can be made to another classification for which the employee is qualified but with lesser pay, to be assigned at the pay step closest to that which the employee was receiving in the employee's normal job classification.

2. For the purposes of this section, "temporary incapacity" means the period during which because of pregnancy the employee cannot perform all of the employee's regular duties but is capable of performing a temporary limited duty assignment provided by the county as listed in subsection C. of this section and, for purposes of this policy, in no instance shall such a temporary incapacity extend more than three months after termination of the pregnancy.

3. Employees shall continue to be eligible for paid accrued vacation and sick leave and leave of absence without pay pursuant to the personnel rules during the period of temporary incapacity due to pregnancy, pregnancy related conditions, and parenting.

E. The director shall develop procedures to implement this policy, which shall include verification of the medical basis for the limited duty request.

F. Should any subsection, paragraph, sentence, clause or phrase of this section be declared unconstitutional or invalid for any reason, such decision shall not affect the validity of the remaining portions of this chapter. (Ord. 18793 § 13, 2018; Ord. 18618 § 85, 2017; Ord. 12014 § 24, 1995).

G. An employee on leave of absence without pay may return from the leave before its expiration date if the employee provides the division manager with a written request to that effect at least fifteen days prior to resuming duties.

H. Failure to return to work by the expiration date of a leave of absence without pay shall be cause for removal and shall result in automatic termination of the employee from county service.

I. A leave of absence without pay may be revoked by the employee's division manager or the director upon evidence submitted to the director by the division manager of the employee indicating that such leave was requested and granted under false pretenses, or that the need for such leave has ceased to exist. The appointing authority shall consult with the director prior to the discharge of any career service or exempt employee.

D. In any disciplinary action against a career service employee, pertinent information shall be reduced to written form by the appointing authority and a copy provided to the employee and to the director. Such written notice shall state the following:

Where two or more career service employees within a class are of equal merit, county seniority shall determine the order of layoff as between those employees. Where there is an applicable collective bargaining agreement, the order of layoff shall be determined by the collective bargaining agreement. In lieu of laying off a career service employee, the director may reassign the employee to a comparable, vacant position, when the director determines the reassignment to be in the best interests of the county. (Ord. 16962 § 2, 12010; Ord. 12014 § 30, 1995).

Exempt employees serve at the pleasure of the appointing authority. Nothing in this section shall derogate from the county's power to abolish positions and lay off employees because of lack of work, lack of funds, or considerations of efficiency. (Ord. 4324 § 9, 1979).

3.12.320 Retirement. Retirement from county employment shall be administered in accordance with the provisions set forth in state law, RCW Chapter 41.40. (Ord. 4324 § 4, 1979).

A. The condition of employment, benefit or procedure created by the agreement is lawful; and

B. The agreement has been adopted by the council by ordinance.

Adoption of the agreement by ordinance shall be deemed an amendment of this chapter only with respect to the affected employees and subject condition, benefit or procedure. (Ord. 12014 § 33, 1995).

2. A volunteer for the county may be asked by an agency to enter into a volunteer agreement, waiver or other type of liability mitigation protection agreement;

3. The county retains the sole right to accept, decline or terminate the services of a volunteer for the county for any reason. A volunteer for the county is expected to comply with all federal, state and local laws and to adhere to all county policies and procedures related to workplace conduct and use of county resources, including all those applicable to the specific department, division, section and work place that oversees their volunteer work. If the volunteer for the county violates any law, county policy or procedure, or any workplace expectation, including those related to workplace conduct or the use of county resources the county, at its sole discretion, may impose corrective measures upon the volunteer for the county. 3.12A CAREER SERVICE REVIEW

Sections:

3.12A.010 Findings and policy statement.

3.12A.020 Definitions.

3.12A.030 Annual review

3.12A.040 Effect of exceeding threshold hours.

3.12A.050 Appeal procedure.

3.12A.060 Termination.

3.12A.010 Findings and policy statement. The council finds that both operational efficiency and fair and equitable employment practices are advanced by the use of regular,

career service employees where appropriate. Therefore, it is the policy of King County to have ongoing, relatively stable, and predictable bodies of work necessary to the provision of services to the public performed by career service employees, and to minimize its use of part-time and temporary employees. To achieve that goal, the council hereby adopts the procedures set forth in this chapter. (Ord. 12943 § 13, 1997).

3.12A.020 Definitions. The definitions set forth in K.C.C. chapter 3.12 are hereby incorporated in this chapter. Words not defined in K.C.C. chapter 3.12 or in this chapter shall have their ordinary and usual meanings. In the event of conflict, the specific definitions set forth in this chapter shall presumptively, but not conclusively, prevail.

- A. "Committee" means the career service review committee, which shall consist of:
1. The following three permanent members:
 - a. the county executive or designee;
 - b. the chief officer of the office of budget or successor organizational unit or designee; and
 - c. the director of the department of human resources or successor organizational unit or designee; and
 2. One member representing the department whose body of work or employees are then under review. (Ord. 18793 § 17, 2018; Ord. 18618 § 89, 2017; Ord. 14199 § 30, 2001; Ord. 12943 § 14, 1997).

3.12A.030 Annual review. The executive shall conduct an annual review as described herein. By March 1 of each year, beginning March 1, 1999, each executive department and administrative office shall prepare and submit to the committee a comprehensive report documenting its use of part-time and temporary employees, other than probationary and provisional employees, in the preceding calendar year.

Within 60 days of submission of the above reports, the committee shall make a factual determination as to whether an ongoing, relatively stable and predictable body of work on an annualized basis has been identified. If the committee determines that such a body of work exists, the committee may recommend: (1) the creation of any new part-time or full-time regular career service position(s); or (2) the filling of an existing vacant career service position in which the work is being performed by a temporary or part-time employee(s); or (3) the creation of a term-limited temporary employee position; or (4) the cessation of the work. If the committee identifies such a body of work, but the committee does not make any of the recommendations described above, the department must discontinue the use of part-time or temporary employees to perform that work. If the committee recommends creation of a regular career service position, but the executive does not recommend or the council does not create such a position, the department shall discontinue performance of the pertinent body of work by temporary or part-time employees.

Any regular career service position created as a result of this process will be filled by a competitive hiring process.

The reports of each department and of the committee and the records of their proceedings shall be considered disclosable public records and shall also be made available to the council upon request. (Ord. 12943 § 15, 1997).

3.12A.040 Effect of exceeding threshold hours. Part-time and temporary employees, other than probationary, provisional and term-limited temporary employees, who exceed the calendar year working hour thresholds set forth in the definitions contained in K.C.C. 3.12 shall receive pay in lieu of benefits as provided in K.C.C. 3.12. Provided, that exceeding the threshold hours does not confer career service status on any employee.

3.12A.050 Appeal procedure.

A. Part-time and temporary employees, other than probationary and provisional employees, who exceed the calendar-year working-hour thresholds set forth in the definitions contained in K.C.C. chapter 3.12 may seek conversion of a body of work in which they perform into a part-time or full-time regular career service position by appeal to the committee. Conversion decisions shall be based on whether the work performed by the employee is an ongoing, relatively stable, and predictable body of work that is half time or more, even though the work was not perceived as such previously, and whether it should be performed by a regular part-time or full-time career service employee. The committee shall also decide, if the body of work does not warrant a career service position, whether the position should be converted to a term-limited temporary employee position. The committee shall determine whether the work performed by the employee shall:

1. Remain outside career service as part-time or temporary[;]
2. Be converted to a term-limited temporary employee position that receives benefits[;] or
3. Be converted to a part-time or full-time regular career service position.

The committee shall make its determination within forty-five days of the employee's request. In the event of a tie vote by the committee, where half the committee finds that the body of work should be converted, the appeal shall be deemed to have prevailed. The committee shall make a recommendation to the executive for recommendation to the council. The executive's recommendation shall be submitted to the council if the executive decides the body of work should be performed by a career service employee and that further position authority is required. If the council does not approve the additional position, the work shall promptly be discontinued and not performed by temporary or part-time employees.

If the committee finds that the work performed by the employee should remain part-time or temporary, the employee may appeal within ten days from the date of receipt of the committee's finding by filing a notice of appeal with the committee. The committee shall direct the appeal to be considered by a hearing examiner of the county or, at its option, the committee may direct the appeal be considered by an independent, neutral arbitrator who will make a final determination. The arbitrator shall be chosen by the director and the appellant, and shall be paid by the employing department or administrative office. The hearing examiner's or arbitrator's decision shall be limited to either upholding the committee's finding or overturning the committee's finding. The decision shall be based on whether the work performed by the employee is an ongoing, relatively stable, and predictable body of work and is half-time or more, under the same standards applicable to the committee, or on whether the work meets the definition of term-limited temporary position. Employees covered by a grievance procedure contained in a collective bargaining agreement may elect either to use the grievance procedure, if the applicable collective bargaining agreement permits it, or to use the appeal procedure described above, but not both procedures.

If the hearing examiner or arbitrator overturns the committee's findings, any new career service or term-limited temporary position must be absorbed by the department within its authorized position level, or within funds available for term-limited temporary position work, provided that the department may request additional position or budget authority. The appealing employee will be placed in the career service position as a provisional appointee, with insured benefits and leave benefits, until a competitive hiring process, which substantially takes into account and weighs the experience of the employee performing the tasks of the position, is completed. If the appealing employee is selected for the position, the employee's start date will be the date of the provisional appointment for all purposes, including seniority and/or a probationary period, except that those employees covered by a collective bargaining agreement the date of the appointment shall

be determined in accordance with the collective bargaining agreement or by the collective bargaining process. If the employee is placed in a term-limited temporary position, the employee's start date will be the date of the [employee's]* appointment to the term-limited temporary position for all purposes, except for those employees covered by collective bargaining agreements, whose start date will be determined by the collective bargaining agreement or by the collective bargaining agreement process.

B. Appeal Procedure For Term-Limited Temporary Employees. A term-limited temporary employee who exceeds the employee's term may appeal to the committee to have the body of work converted to a career service position. The committee shall decide whether the body of work still warrants a term-limited temporary position designation or should be converted to a career service position. If a majority of the committee finds that the body of work should continue as a term-limited temporary position, the employee may appeal within ten days from the date of receipt of the committee's finding by filing a notice of appeal with the committee. In the event of a tie vote, the appeal shall be deemed to prevail. The appeal process shall be the same as for part-time and temporary employees (other than probationary and provisional employees), provided, however, if the employee prevails in the appeal, the employee shall be placed in a career service position, not a provisional appointment, and the employee shall not be required to serve a probationary period. (Ord. 18618 § 90, 2017; Ord. 12943 § 17, 1997).

***Reviser's note: Added but not underlined in Ordinance 18618 § 90. See K.C.C. 1.24.075.**

3.12A.060 Termination. Nothing in this chapter shall restrict King County's ability to terminate part-time and temporary employees who exceed the calendar year working hour thresholds or term-limited temporary employees who exceed the calendar years threshold set forth in the definitions contained in K.C.C. 3.12; provided, however, that if an employee seeks conversion of their position by appeal to the committee, termination of that employee for reasons related to the appeal shall be deferred until the conclusion of the appeal process described herein. If the employee's appeal is successful, the employee shall not be terminated but rather be assigned to a position as required by the appeal process described herein. (Ord. 12943 § 18, 1997).

3.12D.010 General policy – revision of policies, new policies, procedures and training – training and communications options development – addressing power dynamics.

A. It is the policy of King County to promote a respectful, nondiscriminatory work environment, free of behavior that is illegal or contributes to interpersonal conflicts, poor performance or poor morale. Therefore, King County prohibits discrimination and harassment, including sexual harassment, and inappropriate conduct, toward any employee on the basis of the employee's race, color, gender, age, creed, disability,

marital status, national origin, religion, pregnancy, gender identity or expression, domestic violence victimization, sexual orientation, honorably discharged veteran or military status, use of a service or assistive animal by a person with a disability, or any other status protected by federal, state or local law. Additionally, King County prohibits retaliation of any kind against anyone who in good faith reports incidents of harassment, discrimination or inappropriate conduct.

B. The executive, assessor, director of elections, sheriff, council and prosecuting attorney, shall revise their current policies or develop new policies, procedures and training to prevent and respond to discrimination and harassment, including sexual harassment, and inappropriate conduct. The policies, procedures and training shall be developed in consultation with subject matter experts and employees and are intended to promote respectful, nondiscriminatory work environments throughout the King County government. The policies, procedures and training should reflect the recommendations included in the Report of the Co-Chairs of the EEOC Select Task Force on the Study of Harassment in the Workplace. The policies and procedures shall include:

1. Definitions of discrimination and harassment, including sexual harassment, and inappropriate conduct;
2. A clear and easy-to-understand nondiscrimination, antiharassment and inappropriate conduct policy that includes:
 - a. a description of prohibited conduct, including examples;
 - b. a statement that the reporting system will provide a prompt, thorough and impartial investigation;
 - c. a statement that the identity of an individual who submits a report, a witness who provides information regarding a report and the subject of the complaint, will be kept confidential to the extent possible;
 - d. an assurance that King County will take prompt and proportionate corrective action if it determines that harassment or discrimination has occurred;
 - e. an assurance that an individual who submits a report or a witness who provides information regarding a report will be protected from retaliation; and
 - f. a statement that any employee who retaliates against any individual who submits a report or provides information regarding a report will be disciplined appropriately;
3. A description of a reporting system for employees that encourages those who experience workplace discrimination and harassment, including sexual harassment, and inappropriate conduct as well as those who observe such behavior to report it. The reporting system shall provide multiple options for reporting such behavior, including county, state and federal reporting options, as well as an informal mechanism, such as the county's employee assistance program, that allows employees to make inquiries and to resolve issues informally when appropriate;
4. Guidelines for how to handle a complaint. The guidelines should cover: how to handle a complaint promptly, effectively and in way that respects the vulnerability and privacy of the individual reporting the incident, the application and limitations of confidentiality; the legal duties required as an employer; and how to determine the appropriate scope of the investigation process; and
5. A plan to require managers and supervisors to promote an inclusive and respectful workplace culture that is free of discrimination and harassment, including sexual harassment, and inappropriate conduct. The executive, assessor, director of elections, sheriff, council and prosecuting attorney, shall assist each manager and supervisor within their department with compliance with this subsection B.5. and evaluate their progress and performance either independently or as part of the agency's performance evaluation process.

C.1. The executive, assessor, director of elections, sheriff, council and prosecuting

attorney shall develop options, including cost information, to deliver training and communications on the county's policies and procedures and on recognizing and preventing discrimination and harassment, including sexual harassment, and inappropriate conduct, and educating employees on the resources and procedures available if such behavior is experienced or observed. Each option may be phased in over time and shall:

a. address how the policies and procedures will be regularly communicated to all employees, as well as to all new employees. Resources for employees to understand the policy and procedures shall be easily locatable on-line;

b. include training to foster an equitable, respectful and inclusive workplace; and

c. include training for those handling complaints.

2. At least one of the training options must be a plan for a regular, interactive training program that includes all of the following:

a. in-person or interactive on-line training;

b. a plan to address the specific needs of the county's workplaces, considering risk factors of harassment and discrimination, including those identified in the Report of the Co-Chairs of the EEOC Select Task Force on the Study of Harassment in the Workplace, such as those with a disproportionate number of males among its employees and youth employed in a workplace;

c. supervisor and manager training that specifically addresses power dynamics and building a healthy workplace culture; and

d. a plan to partner with unions representing county employees in order for unions to become aware of county policies and procedures and be encouraged to foster an environment that is free from discrimination and harassment, including sexual harassment, and inappropriate conduct.

D. The policies, procedures and training developed by the executive, assessor, director of elections, sheriff, council and prosecuting attorney shall specifically address the power dynamics involving staff and elected officials and how to respond to and prevent discrimination, harassment, sexual harassment, and inappropriate conduct by their elected officials. (Ord. 18757 § 2, 2018).

3.12F.040 Administration of furlough - duties - principles - filing of orders - exceptions.

A.1. When a furlough administrator other than the executive has determined that a budgetary furlough is necessary, the furlough administrator shall designate a person to administer the budgetary furlough and to provide for the effective direction, control and coordination of a budgetary furlough in a manner to preserve county functions.

2. The county administrative officer shall be responsible for budgetary furlough administration in the executive branch and shall provide for the effective direction, control and coordination of a budgetary furlough in a manner to preserve county functions.

B. In order to achieve budget savings, a furlough administrator may implement a budgetary furlough for designated nonrepresented employees, and implement reductions in operating and office hours, closure of offices or departments or reductions in levels of operations or service. A furlough administrator shall seek and document the views of affected nonrepresented employees when determining whether and how to implement a budgetary furlough.

C. If a furlough administrator directs reductions in operating and office hours, closures of offices or departments or reductions in levels or service that result in budgetary furloughs for represented employees, the executive shall fulfill all applicable bargaining obligations with labor unions representing the employees in those departments before the implementation of a furlough.

D. In administering a budgetary furlough, the following principles should apply:

1. An employee who is furloughed should be notified of furlough in writing when possible, although any reasonable notice is permissible;

2. During a furlough period, a furloughed employee remains a King County employee subject to K.C.C. chapter 3.04;

3. A furloughed employee shall not volunteer to do what the county otherwise pays any employee to do;

4. Medical, dental, vision and any other insured benefits shall remain in effect for a furloughed benefit-eligible employee during a furlough period;

5. A furloughed employee shall not be eligible to take or be paid for vacation or sick leave on a budgetary furlough day. The furlough administrator may designate that paid vacation leave is available for the following employees:

a. those employees earning equal or less than two times the federal poverty index; and

b. those employees enrolled in the Public Employees' Retirement System or the city of Seattle retirement systems who submit to the chief administrative officer or the furlough administrator a letter of intent to retire during the succeeding two calendar years; and

6. A salaried employee is considered an hourly employee for each week in which the employee observes one or more furlough days and must track and report the employee's hours and follow standard hourly work practices.

E. Benefit-eligible nonrepresented employees furloughed in 2009 will receive the equivalent of the time on furlough in furlough replacement time. In administering furlough replacement time for benefit-eligible nonrepresented employees, the following principles apply:

1. Furlough replacement time may not be provided to employees when the county is in an officially declared and council-sanctioned emergency budget crisis;

2. One half of the furlough replacement time will be awarded in the first year following an emergency budget crisis and one half of the furlough replacement time will be awarded in the second year following an emergency budget crisis, unless the county is in an officially declared and council sanctioned financial emergency;

3. Furlough replacement time must be used by the employee in the year that it is issued to the employee. An employee who was not employed by King County in 2009 shall not receive furlough replacement time. An employee who left King County employment before April 11, 2010, shall not receive furlough replacement time. Furlough replacement time may not be carried over to another calendar year, it may not be cashed out, it has no cash value and it may not be donated; and

4. The furlough administrator must provide for the effective direction, control and coordination of furlough replacement time. (Ord. 18618 § 91, 2017; Ord. 16788 § 3, 2010; Ord. 16735 § 19, 2009; Ord. 16339 § 20, 2008).

3.12F.060 Reports.

A. In any year for which an emergency budget crisis has been proclaimed and ratified or declared, or for which any furlough administrator orders budgetary furlough days, the furlough administrator shall provide the council with a report of the implementation plan for the budget furlough by January 30. The report shall include:

1. Efforts to notify the public of the budget furlough and the closure of county offices or sites;
2. The number of employees who have been furloughed;
3. The length of the furlough;
4. The number of employees exempted from the furlough and the reasons for the exemption;
5. The anticipated budget savings from the furlough;
6. The anticipated effects of the furlough on both workload and service to the public and other county agencies; and
7. A summary of input received from nonrepresented employees on whether and how to implement a budgetary furlough.

B. A furlough administrator who orders a budget furlough shall provide the council with a report on the effects of the furlough by June 30 of the furlough year. The report shall contain the same information required by subsection A. of this section.

C. The reports required by this section must be filed in electronic format and in the form of twelve paper copies with the clerk for the council, who shall retain the original and forward the paper copies to each councilmember and the chief of staff. (Ord. 16735 § 20, 2009).

3.12S VOLUNTARY SEPARATION PROGRAM

Sections:

3.12S.010 Program authorized – requirements - eligibility.

3.12S.010 Program authorized – requirements – eligibility.

A. The executive is hereby authorized to establish a program in agencies identified by the executive that incentivizes retirement-eligible employees to voluntarily leave county employment, but only if:

1. The voluntary separation program will enable the agency to avoid a budget shortfall that would result in program cuts or reductions in force, or the voluntary separation program will result in labor cost savings; and

2. The agency will not fill the separating employee's position or will fill the position at a lower wage rate that is expected to result in a net twenty percent annual salary cost savings.

B. The executive is further authorized to enter into or extend agreements with labor organizations to provide the same incentive program as provided for nonrepresented employees under this chapter. If such an agreement addresses no other subject or additional terms, it shall have the force of law upon execution by the parties, without enactment by ordinance.

C. In order to be eligible for the program, the employee must have at least five years of county service, must not be a temporary employee and must be eligible to apply for a pension from the Law Enforcement Officers and Firefighters Retirement System, Public Employees Retirement System, Public Safety Employees Retirement System or the city of Seattle Retirement Plan, before December 31 of the calendar year in which the employee applies for the program. While the employee must be retirement-eligible and must separate from the county, the employee need not actually begin drawing a pension to be considered eligible for the program. An employee who has resigned, retired or submitted written notification of the employee's intent to do so before the employee's employing agency has announced its intention to participate in the program, is ineligible to participate in the program.

D. Participation in the program by employees is entirely voluntary.

E. As a financial incentive, the county shall pay to currently employed, retirement-eligible employees who request, and are authorized by the executive, to voluntarily separate from county service, a one-time payment equal to twenty-six-weeks of the Washington state employment security department's maximum weekly unemployment benefit amount in effect as of January 1 of each calendar year. This one-time payment amount issued to the eligible participant will be in the amount effective for the year the participant was approved for the program and separates from the county. For part-time employees, this one-time payment will be prorated based on the percentage that employee works as measured against a full-time employee.

F. The program shall require that participating employees enter into a written agreement with King County that sets forth the terms and conditions of their voluntary separation, including but not limited to:

1. Any employee approved to participate in the program must leave county employment by written resignation or retirement no later than December 31 of the year in which the employee applies for the program. Agencies may establish deadlines and procedures, which may vary by agency for employee participation in the program;

2. The employee will not seek reemployment with the county in any county position;

3. The employee agrees that the employee is not eligible for, and will not apply for, unemployment compensation and signs a waiver of any claim for unemployment compensation; and

4. The employee must sign a waiver or release of any claim under the Age Discrimination in Employment Act and the Older Worker Benefit Protection Act.

G. The executive's approval of any employee request to participate in the program is discretionary, and consideration will be given to the impact to service delivery, retention of a skilled employee or employees, cost of refilling a position or positions, short-term and long-term budget savings and the employee's length of service with the county.

H. All decisions to approve or deny the requests of individual employees to participate in the program shall be in writing and shall report the savings impacts, either short-term or long-term or both, if the request is approved or denied. Decisions to approve or deny a request shall not be the subject of a grievance.

I. The executive shall include, as part of the program, a clear designation of who is authorized in each agency to approve or deny employee requests to participate in the program. Employees of agencies headed by elected officials, other than the executive, are ineligible to participate in the program unless their request is approved by both the executive and the head of the applicable agency. (Ord. 18696 § 2, 2018)

b. the employee has been at the top step of the prior or current range for two years before the award of the increase; and

c. the employee has demonstrated continuous outstanding performance;

4. All incentive increases are subject to the availability of funds. Within-range incentive increases are not automatic but shall be given only upon the written direction of the appointing authority, as defined in K.C.C. 3.12.010.B., within the guidelines established by the director. (Ord. 18727 § 17, 2018: Ord. 18635 § 17, 2017: Ord. 18618 § 92, 2017: Ord. 14801 § 3, 2003: Ord. 14233 § 4, 2001: Ord. 14012 § 1, 2000: Ord. 12014 § 50, 1995).

3.15.025 Classification plan.

The plan shall provide that all positions that are substantially similar as to kind, difficulty and responsibility of work are included in the same classification.

B. The classification plan should set forth for each career service classification a title, a definition, distinguishing characteristics, representative examples of work and the knowledge and skills necessary to perform the work.

C. The director of the department of human resources should, on a continuing three-year cycle, review the classification plan, and may add, combine, abolish or revise the specifications or establish new classifications, as provided in K.C.C. 3.12.040.

D. Whenever reorganization, change in job content or council action causes the duties of a position to change, or a position appears to have been incorrectly classified, the director of the department of human resources may reclassify the position to a more appropriate classification. (Ord. 18791 § 21, 2018; Ord. 14801 § 7, 2003; Ord. 12014 § 51, 1995. Formerly K.C.C. 3.15.045).

3.15.030 Reclassifications and reassignment of pay ranges.

A. The director may reclassify any position to an existing or new classification.

B. An employee or a group of employees may request that a position or group of positions be reclassified for the following reasons:

1. The employee's position is not assigned to the appropriate classification;

2. A significant or gradual change has occurred in the employee's on-going duties or responsibilities over a period of at least one-year; or

3. A departmental reorganization or council action has caused the duties of the position to change.

C. Group reclassifications may be submitted if all of the employees' positions are in the same classification in the same section of a division. The director shall evaluate each position individually, reserving the right to place individual positions into different classifications.

D. An employee is not eligible to submit a reclassification request if:

1. It has been less than twelve months since the date of a previous classification determination for the position;

G. When the director reclassifies a position to a lower classification, the pay rate of the incumbent employee shall be the highest step in the new pay range that does not exceed the employee's current pay rate.

H. A pay increase as a result of a reclassification may not exceed the top step of the new range, unless the employee's former pay includes above-Step-10 incentive pay. If the employee's former pay includes an above-Step-10 incentive pay, the employee's new pay is calculated upon the above-Step-10 amount. If the increase from reclassification results in pay that is above the top step of the new range, the pay shall be reduced to the top step of the new range at the end of the incentive period, unless the employee requalifies for an above-Step-10 incentive award.

I. Implementation of a reclassification and any related pay change shall be effective at the start of the pay period following receipt of the completed reclassification request form at the department of human resources, except a reclassification to a lower pay grade shall be effective at the start of the pay period at least thirty calendar days after notification of the classification determination

from the department of human resources.

J. A reclassified employee shall not serve a probationary period in the new classification.

(Ord. 18793 § 23, 2018: Ord. 14801 § 5, 2003: Ord. 7996 § 10, 1987: Ord. 7394 § 10, 1985: Ord. 6627 § 15, 1983: Ord. 6142 § 11, 1982: Ord. 5443 § 10, 1981: Ord. 4871 § 12, 1980: Ord. 4160 § 11, 1979: Ord. 3632 § 11, 1978: Ord. 3083 § 12, 1977: Ord. 2685 § 12, 1976: Ord. 2277 § 11, 1975: Ord. 2179 § 11, 1974: Ord. 1892 § 11, 1974: Ord. 1780 § 4, 1973: Ord. 1282 § 5, 1972).

A. If a promotion results from something other than a reclassification, the pay rate of the incumbent employee shall be increased to the first step of the pay range of the new

classification or the step that is at least five percent above the former rate of pay, whichever is greater. The promoted employee may be placed at a higher step in the pay range if the employee's department director determines the action is warranted, if the criteria and procedures in K.C.C. 3.15.120 are met and if funds are available in the agency.

B. A pay increase as a result of a promotion may not exceed the top step of the new range, unless the employee's former pay includes an above-Step-10 amount as a result of an incentive increase. If the employee's former pay includes above-Step-10 incentive pay, the employee's new pay is calculated upon the above-Step-10 amount. If the increase from a promotion results in pay that is above the top step of the new range, the pay shall be reduced to the top step of the new range at the end of the incentive period unless the employee requalifies for an above-Step-10 incentive award.

C. Implementation of a promotion and any related pay change shall be prospective and is effective when the promotion is approved by the director. (Ord. 18727 § 19, 2018; Ord. 14801 § 10, 2003; Ord. 14233 § 6, 2001).

3.15.140 Assignment to special duty.

A.1. A department director and, when required, the director of the department of human resources may assign an employee in a regular position to an existing higher-level classification for a limited term when the higher-level duties and responsibilities comprise the majority of the work performed for a minimum of thirty calendar days.

2. Temporary employees, including term-limited temporary employees, are not eligible for special duty assignments.

B. Depending upon the type of special duty assignments needed for business operations, special duty assignments may be made for up to a maximum of five years.

1. Assignments may be approved for up to a term of twelve months if authorized in advance by the department director to backfill for a vacant regular position, or to provide additional staffing needed:

a. due to work that exceeds either the volume or complexity, or both, than what is routinely expected, but the work is of a limited duration;

b. due to work that is unanticipated due to unique circumstances that are not expected to reoccur; or

c. to either develop or implement, or both, a new function, system or proposal.

C. A special duty assignment must be made in writing to the employee before the beginning of the assignment. The written notice must provide the classification title and description and must list the specific duties that the employee is to perform and the duration of the assignment. The written notice must also include a statement that the assignment does not confer on the employee any new privilege, right of appeal, right of position, transfer, demotion, promotion or reinstatement. A special duty assignment may be revoked at any time at the discretion of the appointing authority. Special duty pay may not be assigned retroactively.

D. The special duty increase shall be to the first step of the pay range of the higher-level job classification or a flat five percent above the base rate of pay, whichever is greater.

E. If the employee was receiving above-Step-10 incentive pay, the pay for the special duty assignment is calculated using the incentive pay and may result in incentive pay while in the special duty assignment.

F. While on special duty assignment, the employee shall continue to be eligible for step increases in the employee's regular position. If the employee is at Step-10 in the employee's regular position, the employee shall be eligible for step increases in the special duty classification.

G. Any accrued compensatory time shall be cashed out before an hourly employee begins a salaried special duty assignment, and before an employee in an hourly special duty assignment returns to a salaried regular position.

J. When the special duty assignment is hourly, the employee's special duty pay will be used for the computation of overtime and compensatory time.

K. If the special duty position is converted to a regular position and the employee who served in the special duty position is hired into the regular position, the time served in the special duty position will count toward any required probationary period. If the time served in the special duty position was longer than the required probationary period, the employee's probationary period shall be considered served.

L. The executive shall notify the council each year in writing of the total number of county employees on special duty assignment by department. The executive shall file a paper original and electronic copy of each memorandum with the clerk of the council, who shall retain the original and provide an electronic copy to all councilmembers and the lead staff for the government accountability and oversight committee or its successor. (Ord. 18793 § 25, 2018; Ord. 18727 § 20, 2018; Ord. 17020 § 2, 2011; Ord. 14801 § 11, 2003; Ord. 14233 § 7, 2001).

3.15.145 Working out of classification.

B. Working-out-of-classification assignments must occur in full day or full shift increments.

C. While working out of classification, the employee shall receive a flat five percent pay premium. Any overtime the employee earns while working out of classification shall include the five percent premium. Paid leaves taken while an employee is working out of classification shall not include the pay premium.

D. If a working-out-of-classification assignment exceeds twenty-nine consecutive calendar days, the assignment shall be prospectively converted to a special duty assignment. (Ord. 18727 § 21, 2018).

When a county officer or employee's payroll is transitioning from a semimonthly pay cycle to a biweekly pay cycle, the executive is authorized to allow county officers and employees the option to elect to receive a transition payment, as set forth in K.C.C. 3.15.170, if they meet the qualifications in subsection B. of this section.

The amount of the transition payment for an eligible employee shall be equivalent to the dollar amount reached by multiplying the employee's base rate of pay by the number of standard work hours in one work week, not inclusive of overtime. In calculating the transition payment, an employee's base rate of pay excludes any type of premium pay. Excluded premium payments include but are not limited to payments for shift differential, certification, merit, or any other type of additional pay. (Ord. 16818 § 3, 2010).

3.15.180 Biweekly pay cycle - transition payment amount - repayment by deductions - recourse.

A. Repayment of the transition amount shall be made to the county no later than the end of the fiscal year within which the transition amount was paid. The repayment shall be by deductions from the employee's paychecks in equal installments. If repayment by payroll deductions is insufficient, the outstanding balance shall be paid in full by a payment directly to the county by the employee, or if applicable, the employee's

spouse or state registered domestic partner. If an employee leaves county employment before completion of repayment of the full transition payment amount, the outstanding balance shall be paid in full by the following methods:

1. A deduction from the final paycheck owed to the employee when the employee leaves employment; and if further payment is owed, then by
2. A deduction from any other payment owed to the employee; and if further payment is owed, then by

B. Candidates for positions that are exempt from the career service or candidates for positions that require a specialized skill not available in the county job market may be authorized by the presiding elected official, subject to the following restrictions:

1. For travel to the county from their place of residence outside the county to be interviewed.

2. Maximum of five interview trips for a given position during any twelve month period.

3. No candidate for employment is eligible for more than two separate interview trips for a given position.

4. Approval by the presiding elected official is required before an invitation to interview is issued.

C. Persons otherwise authorized by law, grant or contract, provided that the terms of such other expense reimbursement authorization shall apply. (Ord. 16391 § 20, 2009; Ord. 13257 § 2, 1998; Ord. 12077 § 7, 1995).

3.24.030 Travel authorization.

A. Authorization for day or overnight travel or to incur expenses estimated to exceed one hundred dollars shall be obtained in accordance with the established policies and procedures of the respective presiding elected official prior to commencing the activity. Travel plans shall be authorized in advance by the presiding elected official or designee, except when an emergency arises that requires travel to commence within twenty-four hours. If expenses are incurred without prior authorization, the presiding elected official or designee will determine whether an emergency existed and the expenses are reimbursable. The person requesting reimbursement will be responsible for payment of expenses that were incurred without prior authorization and subsequently determined not to constitute an emergency.

B. Persons authorizing travel shall not be subordinate to the requester, shall ensure that the traveler is provided information about the applicable travel expense reimbursement policies prior to incurring travel expenses and shall apply, at a minimum, the criteria outlined below in making decisions on granting or denying such requests:

1. Requested travel shall be for the conduct of official county business. The travel request shall describe the relationship between the travel and work functions and indicate what benefit the county will receive from the travel. Any available printed material indicating the overall content and quality of the event shall be attached to the travel request. The number of persons engaging in a given travel activity shall be the minimum necessary to achieve the expected benefit.

2. Travel requests shall be accompanied by a travel itinerary and itemized list of anticipated expenditures. Expenditure plans must be reasonable and budgeted monies for reimbursement must be available and authorized.

3. For nonmandatory attendance at job-related seminars, conferences, conventions or training, travel may be authorized with reimbursement at less than the rates otherwise authorized, provided that the reduced reimbursement rates are mutually agreed to in writing by the person authorizing the travel and the traveler prior to the travel.

4. If the person is to maintain employment/business status during the travel, travel authorization is required even if the county will not be funding the travel expenses. (Ord. 13257 § 3, 1998; Ord. 9206 § 3, 1989).

3.24.050 General rules.

A. All persons are responsible for exercising prudent judgment to avoid unnecessary county expense. Travel requests and reimbursement claims shall strictly conform to the provisions of this chapter and other applicable laws, grants, contracts or policies.

B. The traveler shall be responsible for excess costs and additional travel expenses resulting from taking an indirect route or delaying the return trip for personal preference or convenience, except that additional travel expenses may be approved and reimbursed if an indirect route or delay reduces the county's total costs. Additional travel expenses paid under this provision are subject to the reimbursement limitations specified in this chapter and, considering both salary and travel expenses, must not exceed the documented savings.

C. The provisions of this chapter shall apply to both domestic and foreign travel, except that the limits on travel expense reimbursements for transportation, lodging, and meals and incidentals, as provided for in K.C.C. 3.24.060 through 3.24.080, shall apply only to travel within the continental United States, which shall consist of the forty-eight contiguous states and the District of Columbia. Transportation, lodging, and meals and incidental expense reimbursement for travel outside the continental United States shall be based upon actual expenses to a maximum of the overseas rates established by the federal General Services Administration for federal travel to the specific location, subject to all other provisions of this chapter.

D. No travel or meal expense that would not be a reimbursable expense under this chapter may be the object of a direct expenditure of county funds. (Ord. 13257 § 5, 1998; Ord. 9206 § 5, 1989).

3.24.060 Transportation costs. The county will pay the actual and necessary costs of transportation of conducting official county business as follows:

A. Travel shall be by the method of transportation and route that will be most advantageous to the county, considering the cost of transportation, other travel expenses and salary. The excess cost of first class or business class fare for a given mode of travel shall not be reimbursed when less expensive fares are available. When a private mode of transportation is used in lieu of a more customary form of transportation to the event site, travel expenses shall be reimbursed at the lesser of the two costs.

B. When automobile transportation is necessary, a county vehicle or public transportation shall be used whenever practical. When rental vehicles are authorized, government rates must always be requested. When use of a private automobile is authorized, reimbursement for mileage shall be the current Internal Revenue Service (IRS) rate per mile for business-related travel and reimbursement for parking shall be the actual cost, except as provided by a collective bargaining agreement, prevailing law or contract. The department of finance shall be responsible for administering and announcing the current IRS mileage rate for business-related travel.

C. The starting and ending locations of travel are the official work place or the residence, depending on the work schedule and the work status of the traveler at the time of departure and arrival.

D. Transportation between a person's home and regularly assigned workplace is not reimbursable, except that members of regional committees who are not full-time elected officials may be reimbursed actual parking and round-trip mileage expenses, at the current IRS mileage rate for business-related travel, between the member's workplace or residence and the location of the regional committee meeting. (Ord. 13257 § 6, 1998; Ord. 12077 § 8, 1995).

3.24.070 Lodging costs. Lodging costs actually incurred are reimbursable only as follows:

A. Lodging costs will be reimbursed only if a person is in overnight travel status, except as provided in subsection D. of this section. Government rates must always be requested. Lodging receipts are required. Lodging costs in the host city may be claimed from the night before the authorized event starts through the night before it ends, unless reasonably priced and timely return transportation is not available, thereby necessitating additional lodging costs.

B. The traveler shall be reimbursed for actual lodging costs incurred for single occupancy, to a maximum of the federal lodging limit for the host city plus taxes. If the lodging receipt indicates a charge for double occupancy and two persons are authorized to travel on behalf of the county, each traveler shall be allowed one-half the double occupancy charge. If one person is not authorized to travel on behalf of the county, the person authorized to travel shall be reimbursed at the single occupancy rate to a maximum of the federal lodging limit.

C. For seminars, conferences or conventions, costs for lodging at the event site may be authorized in excess of the federal lodging limit for the host city under one or more of the following conditions:

1. No alternate lodging is available within a reasonable distance of the event site which is within the federal lodging limit for the host city. The traveler must provide a signed statement of unavailability with the request for reimbursement;

2. The authorized means of transportation between the alternate lodging site and the event site would exceed the savings in lodging costs; or

3. The presiding elected official or designee has authorized the excess expenditure in writing and in advance for any exigent circumstances that might exist.

D. Employees who are not in overnight travel status may be provided either lodging paid directly by the county or reimbursed by the county to the employ[ee] in the event of an emergency proclaimed by the county executive, but only if:

1. The employee who is provided lodging must remain close to the worksite in order to respond to the emergency;

2. The work being performed is critical or necessary to respond to the proclaimed emergency; and

3. During the first twenty-four hours, the lodging is approved by the presiding elected official or designee in writing; any extension beyond the first twenty-four hours must be approved in advance and by the presiding elected official or designee in writing.

E. First responders and essential employees, who are not in overnight travel status who must work extended hours during certain unanticipated events which is critical to or in response to a regulatory requirement may be provided either lodging paid by the county or reimbursed by the county to the employee, but only if:

1. The employee who is provided lodging must remain close to the worksite in order to respond to the event;

2. The event requires that the work being performed is critical or necessary to meet a regulatory requirement or to respond to a public health and safety situation not rising to the level of a proclaimed emergency; and

3. During the first twenty-four hours, the lodging is approved by the presiding elected official or designee in writing with a brief description of the event; any extension beyond the first twenty-four hours is approved in advance and by the presiding elected official or designee in writing with a brief description of the event.

F. The department of finance shall distribute federal lodging limits, as published in the Code of Federal Regulations, 41 CFR Sec. 301, App. A, as rate changes occur. (Ord. 19033 § 3, 2019; Ord. 18618 § 93, 2017; Ord. 17351 § 2, 2012; Ord. 13257 § 7, 1998; Ord. 9206 § 7, 1989).

3.24.080 Per diem meal and incidental rates and refreshment costs.

A. For persons traveling on official county business, meal and incidental expenses are reimbursable at the per diem rates established by the federal travel regulations for the host city, published annually in the Code of Federal Regulations, 41 CFR Sec. 301, App. A. The per diem rates include fixed allowances for breakfast, lunch, dinner and incidental expenses, by city. The meal allowances include tips and gratuities. The incidental rates are calculated to allow for expenses such as fees and tips to baggage carriers, concierges, hotel staff and laundry. Reimbursement for incidentals is authorized only for overnight travel. Receipts are not required:

1. For day travel, the fixed allowance per meal, as established by the federal per diem rate, may be claimed if in travel status at the following times: 7:00 a.m. - breakfast, 12 noon - lunch, and 6:00 p.m. - dinner;

2. For overnight travel, the per diem meal and incidental rate may be claimed. On the first and last days of travel, meals shall be reimbursed at the rates established for day travel, plus incidentals; or

3. When the expense of a meal is included in a registration fee, air fare or other county expense, the per diem meal and incidental rate will be reduced by the fixed allowance for the respective meal.

B.1. Meal expenses incurred while a person is not in travel status are not normally reimbursable, except that meals may be reimbursed or paid directly by the county for official county business purposes as follows:

a. for staff retreats lasting more than four hours in a single day, for either single or multiple days, not to exceed one retreat per quarter per county division or key subordinate unit as defined by K.C.C. 2.16.100;

b. when an integral part of a job-related seminar, conference, convention or training occurs during the meal, but only if the meals are approved in advance, in writing, by the presiding elected official or designee;

c. when a meeting subject to the Open Public Meetings Act, chapter 42.30 RCW, continues through the times listed in K.C.C. 3.24.080.A.1;

d. for events authorized in advance and in writing by a presiding elected official or designee, but this authorization shall not be provided in circumstances that violate Article VIII, Section 7 of the state Constitution, which prohibits gifts of public funds;

e. for events that rise to the level of an emergency declared or proclaimed by the executive, but only if:

(1) the work being performed by the employee is critical or necessary to respond to the emergency; and

(2) during the first twenty-four hours, the meals are approved by the presiding elected official or designee in writing; and an extension beyond the first twenty-four hours must be approved in advance by the presiding elected official or designee; or

f. for unanticipated events that do not rise to the level of an emergency proclaimed by the executive, but only if:

(1) the employee who is provided meals is a designated first responder or an essential employee;

(2) the event requires that the work being performed is critical or necessary to meet a regulatory requirement or to respond to a public safety and health situation not rising to a proclaimed emergency; and

(3) during the first twenty-four hours, the meals are approved by the presiding elected official or designee in writing with a brief description of the event; and an extension beyond the first twenty-four hours is approved in advance by the presiding elected official or designee in writing with a brief description of the event.

2. Reimbursable meals incurred while in nontravel status are limited to the fixed meal allowance established by the federal travel regulations for each participant.

C. Expenses for refreshments are not normally reimbursable, except that refreshment expenses may be reimbursed when an employee is not in travel status, under the conditions provided for in K.C.C. 3.24.080.B. Additionally, refreshments may be provided to employees by the county, at its option. Refreshment expenses, however, are limited to fifty percent of the fixed lunch meal allowance established by the federal travel regulations for each participant. Any purchase of refreshments that will cost more than fifty dollars in total per function must be approved in advance and in writing by the presiding elected official or designee.

D. Meal and refreshment costs are neither reimbursable nor may they be paid by the county as a direct expenditure when:

1. They are included in another county expense, regardless of whether the person partakes in the meal or refreshment;

2. They are incurred for recreational or social events such as office parties, going away parties, retirement parties, or other personalized social events; or

3. It would violate the provisions of Article VIII, Section 7 of the state Constitution, which prohibits a gift of public funds.

E. Meal expenses may be incurred at a rate higher than that established by federal regulations when one or more of the following conditions apply:

1. The presiding elected official or designee approves the cost of the meal because a circumstance related to a particular meal results in exceeding the authorized meal rate. A receipt detailing the expense, accompanied by written justification, shall be submitted with the request to exceed the fixed meal allowance;

2. The meal expense is incurred on behalf of another agency that reimburses the county for the expense, in which case the expense shall be reimbursed according to the rules specified by the funding agency; or

3. When necessitated by special dietary needs.

F. The finance and business operations division shall distribute federal meal and incidental rates, as published in the Code of Federal Regulations, 41 CFR Sec. 301, App. A, as rate changes occur. (Ord. 19033 § 4, 2019: Ord. 13257 § 8, 1998: Ord. 12077 § 9, 1995).

3.24.090 Miscellaneous reimbursable expenses.

A. Miscellaneous expenses related to official county business travel which are considered essential and reimbursable include, but are not limited to:

1. Registration fee of a seminar, conference, convention or similarly organized program subject to the limitation in K.C.C.3.24.080A.3.

2. Rental of a room in a hotel or other facility that is used to transact official business.

3. Parking; ferry and bridge tolls; taxi, subway and bus fares; airport shuttle service and rental vehicles.
4. Stenographic, typing or computer-related services.
5. Telephone calls or facsimile (fax) transmissions necessary for the conduct of official business or to advise of a change in official travel plans.
6. Traveler's checks.
7. Baggage handling service, when necessitated by physical limitations or when carrying excessive baggage or equipment required for an official business purpose, may be claimed beyond the expense limitations provided for in K.C.C. 3.24.080A.

B. A miscellaneous nontravel expense related to official county business is reimbursable if the expense is under one hundred dollars and approved in advance by the presiding elected official or designee. (Ord. 13257 § 9, 1998; Ord. 9206 § 9, 1989).

3.24.100 Nonreimbursable personal expenses. Miscellaneous travel expenses not directly related to the conduct of official county business are not reimbursable.

A. Certain expenses are considered personal and therefore nonreimbursable including, but not limited to:

1. Laundry, except as covered by the incidental per diem rate provided for in K.C.C. 3.24.080.
2. Personal telephone calls, except as provided for in K.C.C. 3.24.090A.5.
3. Entertainment, clothing, personal sundries and services, transportation to places of entertainment and similar personal items.
4. Room service costs that exceed the fixed rate established for the meal incurred and valet service, except when necessitated by physical limitations.
5. Personal "trip insurance" and medical or hospital services.
6. Alcoholic beverages and tobacco products.
7. Tips and gratuities, except as provided for in K.C.C. 3.24.080A.
8. Fines and penalties.
9. Dependent care, except as provided through the county employee benefits program.

B. The county shall not provide funding of travel expenses when a source of reimbursement other than the county is specified in county, state or federal law or policy. In cases where reimbursement is available from another source, the county may, at the option of the approving authority, pay the difference between what the county policy would allow for the total travel activity and the total reimbursed from the other source for expenses reimbursable under the provisions of this chapter, but shall not selectively reimburse for only specific items with differing reimbursement rates between the county and the other source. (Ord. 13257 § 10, 1998; Ord. 9206 § 10, 1989).

3.24.105 Travel expense advances.

A. Whenever it becomes necessary for an employee to incur reimbursable expenses for overnight travel, the department of finance may make a travel expense advance if requested by the employee. The amount of such an advance shall not exceed the amount of anticipated reimbursable expenses.

B. Travel expense advances shall be used only to defray reimbursable expenses incurred while conducting official county business. Travel expense advances shall not, under any circumstances, be considered a personal loan to the employee and any expenditure thereof, other than for official county business purposes, shall be considered a misappropriation of county funds.

C. On or before the tenth day following the close of the authorized travel period, any employee who received a travel expense advance shall submit a fully itemized travel expense voucher, as provided for in K.C.C. 3.24.130, accompanied by the unexpended

portion of such advance, if any, to the approving official. The approving official shall have an additional five calendar days to process and forward the travel voucher and unexpended funds to the department of finance. The department of finance shall withhold from the employee's next paycheck any travel expense advance, or any portion thereof, not properly accounted for or repaid to the department of finance within the fifteen-day period. Such withholdings shall include interest, from the date of default until paid, at the rate established by RCW 42.24.150.

D. County employees who are delinquent in accounting for or repaying a prior travel expense advance shall be ineligible for any additional advances until such time as repayment or acceptable justification for the delinquent advance has been made. (Ord. 13257 § 11, 1998).

3.24.110 Leave of absence during travel.

A. When leave of absence of any kind is taken while in a travel status, the exact hour of departure and return to duty status shall be shown on the travel expense claim voucher. Except as provided in the following paragraph, expense reimbursement, including transportation to and from the post of duty, shall not be granted for such period.

B. Whenever a traveler takes leave of absence because of incapacitation due to illness or injury not due to the employee's own misconduct, the authorized reimbursement for lodging and subsistence may be continued during the leave period, but not to exceed in total the authorized cost for return to the employee's official station or residence, whichever is closer, and then back to the assignment. (Ord. 9206 § 11, 1989).

3.24.120 Lobbyist per diem in lieu of reimbursement.

A. Any expense for which a county employee would otherwise be reimbursed shall be a legal obligation of and expenditure by the county when incurred in the course of "lobbying" as defined in RCW 42.17.020(18), or in the course of providing requested information to an official or officials of another government agency.

B. Any employee of the county, when assigned to a session of the Washington state legislature as a full time "lobbyist" as defined in RCW 42.17.020(19), shall be authorized to receive, in lieu of meals and incidentals and lodging cost reimbursements provided for in this chapter, an allowance for each and every consecutive day of a session at a rate equivalent to that authorized for members of the Washington state legislature in accordance with RCW 44.04.120. (Ord. 13257 § 12, 1998; Ord. 9206 § 12, 1989).

3.24.130 Expense reimbursement.

A. Travel expenses. The traveler shall submit a fully itemized travel expense voucher to obtain reimbursement for travel expenses reimbursable under the provisions of this chapter. Travel expense reimbursement claims shall include the time, place, business purpose and participants in accordance with procedures established by the presiding elected official and on forms approved by the department of finance. Any applicable conference, convention or seminar brochure; airline itinerary; travel authorization(s) and justifications for exceeding the established limits for travel expenses shall be attached to the travel expense reimbursement claim.

1. For travel to a foreign country, the travel reimbursement claim shall show the total cost in the foreign currency, converted to U.S. dollars. The exchange rate shall be determined using either the rate published in the Wall Street Journal on the date representing the mid-point of travel, or the receipt provided by the bank or hotel making the exchange transaction, provided it shows the exchange rate, date and transaction fee.

2. For travel to Canada, the department of finance shall ensure that the necessary forms and records are submitted to the appropriate Canadian government to

request the goods and services tax refund. Requests for refunds shall be made upon completion of travel claim and voucher review.

B. Nontravel expenses. The employee shall submit a fully itemized expense voucher to obtain reimbursement for reimbursable nontravel expenses.

C. Receipts prepared and issued by the service provider or copies of endorsed checks are required wherever this chapter provides for actual cost reimbursement, except that receipts are not required for expenses of less than ten dollars.

D. Persons responsible for approving expense reimbursement claims shall be the respective presiding elected official or designee but shall not be subordinate to the claimant.

E. The approving official of expense reimbursement claims shall ensure that one political subdivision does not pay expenses properly attributed to another, in violation of RCW 43.09.210. (Ord. 13257 § 13, 1998; Ord. 12077 § 10, 1995).

3.24.140 Repayment of unauthorized reimbursements. The department of finance shall seek repayment of expenses from the person who was reimbursed whenever an audit or subsequent review of travel expense reimbursements finds that such expenses were reimbursed contrary to the provisions of this chapter. (Ord. 13257 § 14, 1998).

3.24.150 Implementation.

A. Each presiding elected official shall be responsible for preparing and adopting administrative policies and procedures for submittal, approval and reimbursement of expense claims. Such policies and procedures shall include examples of the types of expenses allowed and disallowed, consistent with the provisions of this chapter. Should a presiding elected official not adopt the necessary policies and procedures within thirty days of December 10, 1998, the policies and procedure adopted by the executive shall apply until the presiding elected official adopts the necessary policies and procedures.

B. The department of finance shall be responsible for developing and disseminating the forms required to authorize and reimburse expenses. (Ord. 13257 § 15, 1998).

3.24.160 Reporting. The department of finance shall annually provide to the council a report, by department, agency or office, listing reimbursements made under the provisions of this chapter. At a minimum, the report shall include:

A. Reimbursement for lodging expenses that exceed the federal lodging limits provided for in K.C.C. 3.24.070 and the reasons therefore; and

B. Reimbursement expenditures made to candidates for employment interview expenses under K.C.C. 3.24.020; and

C. Refreshment expense reimbursements provided for county functions under K.C.C. 3.24.080. (Ord. 13257 § 16, 1998).

3.24.170 Reimbursement of moving expenses for certain employees.

A. Within the executive branch, including the department of judicial administration, the director of the department of human resources may authorize in writing at the written request of the appointing authority reimbursement of reasonable and necessary moving expenses for the following categories of county employees:

1. Persons whose appointments require council confirmation and who have been so confirmed;

2. Persons appointed by the county administrative officer to exempt positions;

3. Persons appointed by the directors of executive departments to exempt positions; and

4. Persons hired for positions requiring specialized knowledge, skill or abilities that the director of the department of human resources has confirmed in writing are not found in the local labor market. However, this subsection A.4. may be used no more than four times each calendar year.

B. Within the legislative branch, the department of assessments, the department of public safety, the department of elections, the office of the prosecuting attorney, district court and superior court, the presiding elected official may authorize, in writing, the reasonable and necessary moving expenses of employees appointed within their agencies.

C. The forecast council may authorize, in writing, reimbursement of the reasonable and necessary moving expenses of the chief economist.

D. Moving expenses may not be reimbursed unless the following conditions are met:

1. The reimbursement is permitted under subsection A., B. or C. of this section;
2. The reimbursement is necessary to obtain the services of the individual whose moving expenses are being reimbursed;

3. The reimbursement is limited to reasonable and necessary moving expenses, which may include the cost of travel directly to the place of new residence following appointment;

4. The reimbursement to a particular employee does not exceed a total of fifteen thousand dollars;

5. The reimbursement will not create a need for a supplemental appropriation to the department, agency or office in which the individual is employed;

6. Before the appointment the appointing authority and the appointee agreed to the reimbursement in writing;

7. The written reimbursement agreement provides that if the appointee leaves county employment, either voluntarily or involuntarily, less than two years after the appointment, the appointee shall repay to the county, within thirty days after leaving county employment, the entire amount of the reimbursement; and

8. Reimbursement of specific expenses complies with the other limitations contained in this chapter.

E. Moving expenses may not be reimbursed for confidential secretaries or other exempt clerical positions.

F. To the extent that reimbursement of moving expenses is permitted under this section, the appointing authority may pay the third party provider of moving services directly, rather than by reimbursing the employee, subject to any applicable requirements concerning the county's purchase of goods and services from third parties. (Ord. 18793 § 27, 2018: Ord. 17974 § 2, 2015: Ord. 16391 § 21, 2009: Ord. 14199 § 31, 2001: Ord. 13257 § 18, 1998: Ord. 12014 § 56, 1995).

3.28.010 Generally. The executive, legislative and judicial branches of county government may, at their individual option, establish a system of reimbursement on a monthly allotment basis for use of privately owned vehicles used in connection with county business in lieu of permanently assigned county vehicles. (Ord. 1902 § 1, 1974).

3.28.020 Amount. The compensation provided for in K.C.C. 3.28.010 shall not exceed the average monthly charge billed by the department of executive services for equivalent vehicles. (Ord. 18791 § 14, 2018; Ord. 12077 § 11, 1995).

3.30 USE OF COUNTY VEHICLES TO COMMUTE

Sections:

- 3.30.010 Purpose.
- 3.30.020 Definitions.
- 3.30.030 Take-home vehicle assignment policies and criteria.
- 3.30.040 Authority to approve take-home vehicle assignments.
- 3.30.050 Record-keeping.
- 3.30.060 Semiannual reevaluation and update of take-home vehicle assignments.
- 3.30.070 Exemption.

3.30.010 Purpose. The purpose of this chapter is to ensure the proper use of public funds with regard to the county's practice of allowing employees to commute to and from work in county owned vehicles. The intent of this chapter is to:

- A. Restrict the number of county owned vehicles being used by employees to commute to and from work;
- B. Establish criteria and policies for evaluating and authorizing take-home vehicle assignments;
- C. Require the fleet services division of the department of executive services to document the number of current take-home vehicle assignments;
- D. Require the fleet services division of the department of executive services to develop administrative rules for implementing the provisions of this chapter; and
- E. Require the fleet services division of the department of executive services to reevaluate all take-home vehicle assignments in accordance with the policies and criteria established in this section. (Ord. 18791 § 15, 2018; Ord. 12077 § 12, 1995).

3.30.020 Definitions. For purposes of this chapter, the following terms shall have the meanings set forth below:

- A. "Assigned take-home vehicle" means a county vehicle which is used by a county employee for county business and for regularly commuting to and from the employee's home and work station.
- B. "Assigned vehicle" means a county vehicle assigned to a department or county employee for county business, but not for employee commuting to and from the employee's home and work station.
- C. "Emergency Response" means an employee response to an emergency situation requiring immediate attention for the protection of life or property.
- D. "Motor pool dispatch vehicle" means a vehicle issued from a central motor pool for a single trip or for less than three working days.
- E. "Occasional overnight usage of county-owned vehicles" means county employees taking home county-owned vehicles after attending night meetings or other county business activities that occur outside an employee's normally scheduled work hours. Occasional overnight usage of a county-owned vehicle shall mean no more than twelve times per quarter on average.
- F. "Work station" means the office or site a county employee reports to perform normally scheduled work. (Ord. 11183 § 1, 1993).

3.30.030 Take-home vehicle assignment policies and criteria. The Council wishes to restrict the number of take-home vehicles provided to county employees. To accomplish this objective, the following policies and criteria shall be used as the basis for authorizing take-home vehicle assignments:

A.1. For county business before or after normal working hours, providing motor pool dispatch vehicles or travel reimbursement is preferred over the assignment of take-home vehicles.

2. The assignment of a take-home vehicle is neither a privilege, nor a right of any county employee.

3. Take-home vehicle assignments shall not be made based on employee merit or employee status.

4. Wherever possible, county vehicles shall be picked up and dropped off at designated county parking areas, thereby avoiding the assignment of take-home vehicles.

B. Take-home vehicle assignment criteria:

1.a. Take-home vehicles may be assigned to county employees who:

(1) have primary responsibility to respond to emergency situations that require immediate response to protect life or property;

(2) respond to emergencies at least twelve times per quarter;

(3) cannot use alternative forms of transportation to respond to emergencies;

and

(4) cannot pick up county-owned assigned vehicles at designated sites.

Emergency response assignments shall be supported by data demonstrating the actual number and nature of emergency responses in the prior year, and estimates of future emergency responses. In addition, there must be an explanation why an employee cannot use alternative forms of transportation to respond to the emergencies or pick up county owned assigned vehicles at designated parking areas.

b. Take-home vehicles may be assigned if employee travel reimbursement costs are greater than the commuting costs associated with overnight vehicle usage. Lost productivity costs, the cost of the time it takes an employee to travel from a designated county parking facility to the employee's work station, shall not be included in the calculation of economic benefit to the county. In addition, there must be an explanation why an employee cannot use alternative forms of transportation or pick up county owned vehicles at designated parking areas.

"Employee" or "county employee" means any individual who is appointed as an employee by the appointing authority of a county agency, office, department, council, board, commission or other separate unit or division of county government, however designated. The term "employee" or "county employee" also includes county elected officials and members of county boards, commissions, committees, or other multi-member bodies.

C. "Good faith" means the individual providing the information or report of improper governmental action has a reasonable basis in fact for reporting or providing the information. An individual who knowingly provides or reports, or who reasonably ought to know that the information or report is malicious, false or frivolous, or information that is provided with reckless disregard for the truth, is not acting in good faith.

D. "Gross mismanagement" means the exercise of management responsibilities in a manner grossly deviating from the standard of care or competence that a reasonable person would observe in the same situation.

E. "Gross waste of public funds" means to spend or use public funds or to allow public funds to be used without valuable result in a manner grossly deviating from the standard of care or competence that a reasonable person would observe in the same situation.

This subsection G.1.f. is not meant to preclude the discretion of agency management to adopt a particular scientific opinion or technical finding from among differing opinions or technical findings to the exclusion of other scientific opinions or technical findings.

2. "Improper governmental action" does not include violations of anti-discrimination laws, violations of collective bargaining or civil service laws, or alleged violations of agreements with labor organizations under collective bargaining. A properly authorized county program or activity does not become an "improper governmental action" because an employee or investigating official dissents from the county policy or considers the expenditures unwise.

G. "Investigating official" means any individual to whom a report may be made pursuant to K.C.C. 3.42.030.D. or any assistant or representative authorized to receive documents on the investigating official's behalf.

1. Denial of adequate staff to perform duties;
2. Frequent staff changes;
3. Frequent and undesirable office changes;
4. Refusal to assign meaningful work;
5. Unwarranted and unsubstantiated letters of reprimand or unsatisfactory performance evaluations;

9. Denial of training or benefits;
10. Transfer or reassignment;
11. Suspension or dismissal;
12. Other unwarranted disciplinary action;

13. A supervisor or senior manager or official behaving in or encouraging coworkers to behave in a hostile manner toward the employee, or failing to take appropriate action to prevent coworkers from behaving in a hostile manner toward the employee.

I. "Substantial and specific danger" means a risk of serious injury, illness, peril or loss, to which the exposure of the public is a gross deviation from the standard of care or competence which a reasonable person would observe in the same situation.

J. "Written report of improper governmental action" means any writing that alleges that an improper governmental action has occurred and describes the basis for that belief. (Ord. 18618 § 95, 2017; Ord. 16580 § 2, 2009; Ord. 11687 § 2, 1995).

However, reporting to a person who is not an investigating official before this thirty-day period will not result in the loss of the protections in this chapter.

3. An employee's reporting of the employee's own improper action does not grant the employee immunity from discipline or termination insofar as the employee's improper action would be cause for discipline.

D. For purposes of this chapter, the person to whom a written report should be made is as follows:

E. Any one or more of the following conduct by employees is protected under this chapter:

1. Reporting improper governmental action;

2. Cooperating in an investigation by any official related to improper governmental action, including but not limited to local, state, federal, and internal investigation; and

3. Testifying in any official proceeding, hearing, or prosecution arising out of an improper governmental action.

F. A county officer or employee shall not retaliate, attempt to retaliate or threaten to retaliate against any employee because that employee has in good faith engaged in conduct protected by K.C.C. 3.42.030.E., or because the county officer or employee believes the employee has engaged or will engage in such conduct, whether or not such conduct actually occurred.

G. Any county officer or employee who engages in retaliatory action prohibited by K.C.C. 3.42.030.F. is subject to disciplinary action including, but not limited to, suspension without pay, demotion or termination. However, the employee may waive confidentiality in a written waiver or by making the employee's own identity known in connection with the protected conduct in the course of public testimony or by acknowledging the employee's own identity in a claim against the county for retaliation. If applicable, the complainant may state in writing whether the complainant wishes the complainant's own name not to be disclosed pursuant to the provisions of RCW 42.56.240(2), which exempts information revealing the

B. If a report of improper governmental action meets the definition of a complaint under K.C.C. 3.04.055, the ombuds, upon receipt of the report, shall investigate that allegation according to the procedures in K.C.C. chapter 3.04, the Employee Code of Ethics.

C. D. If a report of improper governmental action is filed with an appropriate investigating official who is not the ombuds, and a report is concurrently filed with the ombuds, the ombuds may defer action until the investigation is completed by the affected department, office or agency. When the ombuds chooses to conduct a concurrent investigation the ombuds shall notify the executive and the chair of the council.

E. Decisions of the ombuds under this section may not be appealed to the Board of Ethics. (Ord. 18618 § 98, 2017; Ord. 16580 § 5, 2009; Ord. 11687 § 6, 1995).

B. When an appropriate investigating official who is not the ombuds receives a report of improper governmental action, the investigating official shall respond to the reporting employee in writing within thirty days of when the report was received with either a final report or a preliminary report, with a copy of the response to the ombuds. If responding with a preliminary report, the official shall include a summary of the status of the investigation and information obtained thus far, and identifying matters for further research or inquiry. If the identity of the reporting employee is not known, the response shall be sent to the ombuds.

C. The investigating official shall complete the investigation and issue a final report no later than one year from when the report of improper governmental action was received. If the final report concludes that there was improper governmental action, it shall include an action plan for addressing the improper governmental action and provide reasonable timelines for completing corrective actions.

D. The investigating official shall send a copy of the final report to the reporting employee and the ombuds.

E. When conducting an investigation of improper governmental action occurring within the legislative branch, the prosecutor may at any stage, issue subpoenas,

F. If the investigating official determines that that the employee reporting improper governmental action has been retaliated against or is at great risk of retaliation, the investigating official may seek temporary preventive action, including but not limited to the transfer of the reporting employee to another department at the request of the reporting employee or authorizing leave with pay for the reporting employee. If the investigating official deems it necessary, the investigating official's recommendation may be made to the executive. Such a temporary preventative action may continue until the conclusion of any investigation and a permanent resolution of the matter.

G. To the extent allowed by law, investigating officials are encouraged to enter into cooperative agreements or arrangements for receiving and processing complaints with other agencies or entities that are investigating related complaints, so that duplication of functions shall be minimized and multiple redundant investigations avoided. (Ord. 18728 § 95, 2018: Ord. 18618 § 99, 2017: Ord. 16580 § 6, 2009).

3.42.057 Investigations by ombuds - powers - procedures - fines.

A. The procedures in this section apply to the ombuds when the ombuds is investigating a report of an improper governmental action that is not investigated according to the rules applicable to K.C.C. chapter 3.04, the Employee Code of Ethics.

B. In determining whether to conduct an investigation, the ombuds may consider factors including, but not limited to, the nature and quality of the evidence and the existence of relevant laws and rules; whether the alleged improper governmental action was isolated or systematic; the history of previous assertions regarding the same subject or subject matter; whether other avenues are available for addressing the matter; whether the matter has already been investigated or is in litigation; the seriousness or significance of the asserted improper governmental action; and the cost and benefit of the investigation. The ombuds has the sole discretion to determine the priority and weight given to these or any other relevant factors and to decide whether a matter is to be investigated.

C. If the ombuds elects not to investigate the matter, the ombuds shall, before making a final decision to close the investigation, send a notice to the person who made the report explaining the factors considered and the analysis applied, summarizing allegation deficiencies if any, and providing a reasonable opportunity to reply. The notification may be by electronic means.

D. If the ombuds determines that that the employee reporting improper governmental action has been retaliated against or is at great risk of retaliation, the ombuds may recommend to the head of the department that temporary preventive action be taken, including but not limited to transferring the reporting employee at the reporting employee's request to another department or authorizing leave with pay for the reporting employee. If the ombuds deems it necessary, the ombuds's recommendation may be made to the executive instead. Such temporary preventative action may continue until the conclusion of any investigation and a permanent resolution of the matter.

E. If the ombuds elects to conduct an investigation and it appears to the ombuds that the investigation will take longer than thirty days to complete, the ombuds shall, within thirty days after receiving the report of alleged improper governmental action, provide the complainant with a preliminary written report that summarizes the procedural status of the investigation, the information obtained thus far, any preliminary findings as the ombuds deems appropriate, and identifying matters for further research or inquiry. The ombuds

shall also notify the subject or subjects of the investigation and the agency head of the need for continued investigation.

F. When conducting an investigation, the ombuds may at any stage issue subpoenas, administer oaths, examine witnesses, and compel the production of documents or other evidence; refer the matter to the state auditor, law enforcement authorities or other governmental agency; and issue reports; or any combination thereof, each as deemed appropriate.

G. Upon completion of an investigation, the ombuds shall make a final written report that summarizes the results of the investigation, including findings with regard to each assertion of improper governmental action and recommended actions. The ombuds shall complete the investigation and issue a final report within one year of receipt of the report of improper governmental action.

1. If the ombuds determines that no improper governmental action has occurred, the ombuds shall send the report to the complainant, the subject or subjects of the investigation and the agency head.

2. If the ombuds determines that an improper governmental action has occurred:

a. The ombuds shall give the subject of the report an opportunity to respond before issuing a final report.

b. The ombuds shall send the report to: the complainant; the head of the department with responsibility for the action or if a department head is implicated, to the executive and county council; and such other governmental officials or agencies as the ombuds deems appropriate. The ombuds shall also send a copy of the written report to the executive or the county council if requested to do so by the complainant, if the ombuds has not already done so.

c. The department with responsibility for the improper governmental action shall report back to the ombuds and complainant with an action plan for addressing the improper governmental action and provide reasonable timelines for completing its corrective actions. The department's response should be made within fourteen days of receipt of the ombuds's report. If the ombuds deems that satisfactory action within a reasonable timeframe has not been achieved, the ombuds shall report the ombuds's determination to the executive and the county council.

d. The ombuds may impose a fine of not greater than ten thousand dollars on the department within which the improper governmental action occurred. A fine should be imposed for improper governmental actions that are exceptionally egregious or for which corrective actions have been highly unsatisfactory. The department shall be given a reasonable opportunity to be heard before imposition of any fine. Proceeds collected from any fine shall be deposited into an account to be used for the purpose of educating employees about this chapter or may be applied by the department toward the cost of administrative leave paid to the employee reporting the improper governmental action where the reason for the administrative leave is related to the employee's reporting.

H. At any stage in the investigation, the ombuds may, with the agreement of the parties, recommend, arrange for, convene, or conduct voluntary mediation between the employee and either the subject of the investigation or agency head, or both, with cost sharing, if any, to be determined by the parties.

1. If the parties reach agreement as a result of mediation, the ombuds may close the investigation.

2. The response times from subsection E. of this section shall be tolled for the duration of the mediation process.

3. Mediation and other informal resolution processes are voluntary. No employer or employee shall be pressured into participating in such processes, and no negative inferences shall be drawn if any party declines to participate in such processes. If a party agrees to participate in voluntary mediation or other informal resolution process, that party

is under no obligation to accept the resolution recommended by the mediator, the ombuds, or any other person participating in this process, and no negative inferences shall be drawn as a result of a refusal to accept such recommendations.

I. The ombuds may close an investigation at any time the ombuds determines that no further action is warranted and shall so notify the complainant, the subject or subjects of the investigation and the agency head. The ombuds shall also issue any reports as required by this section.

J. Decisions of the ombuds under this section may not be appealed to the board of ethics. (Ord. 18618 § 100, 2017; Ord. 16580 § 7, 2009).

In order to seek relief, an employee who believes the employee has been retaliated against in violation of K.C.C. 3.42.030.E. must file a signed written complaint within six months of when the alleged retaliation occurred or the employee reasonably should have known of the occurrence. The complaint shall be filed with the ombuds and must specify the alleged retaliatory action and the relief requested.

B. The ombuds shall conduct an investigation of the alleged retaliatory action except that complaints involving the judicial branch shall be forwarded to the appropriate investigating official for that branch for investigation and complaints involving councilmembers shall be forwarded to and investigated by the prosecutor.

C. When conducting an investigation, the ombuds or prosecutor may at any stage, issue subpoenas, administer oaths, examine witnesses, and compel the production of documents or other evidence; refer the matter to the state auditor, law enforcement authorities or other governmental agency; and issue reports; or any combination thereof, each as deemed appropriate.

D. If it appears to the ombuds or prosecutor after conducting an investigation that no retaliation has occurred, the ombuds or prosecutor shall so notify the complainant summarizing the ombuds's or prosecutor's findings and providing a reasonable opportunity for the complainant to reply before making a final determination.

E. The ombuds or prosecutor shall, within forty-five days after receiving the report of alleged retaliatory action, provide the complainant with a written report that summarizes the results of the investigation, including findings with regard to each assertion of retaliation and recommended actions. The ombuds or prosecutor shall also send a copy of the written report to any governmental officials or agencies as the ombuds or prosecutor deems appropriate. If the ombuds or prosecutor finds that additional time is needed to complete the report, the ombuds or prosecutor shall notify the complainant in writing before the expiration of the forty-five day response period, and shall specify the reasons that additional time is required. The effect of the notice is to extend for forty-five days the time period in which a response must be made. Only two such extensions may be made.

F. The following apply to investigations by the ombuds under this section.

1. If it appears to the ombuds at any stage in the process that the complainant is at great risk of retaliation, the ombuds may recommend to the head of the department that temporary preventive action be taken, including but not limited to transferring the individual to another department or authorizing leave with pay. If the ombuds deems it necessary, the ombuds recommendation may be made to the executive instead. Such temporary preventative action may continue until the conclusion of any investigation and a permanent resolution of the matter;

2. If the ombuds determines that no retaliatory action has occurred, the ombuds shall send the report to the complainant, the subject or subjects of the investigation and the agency head; and

3. If the ombuds determines that retaliatory action has occurred:
 - a. The ombuds shall give the subject of the investigation an opportunity to respond before issuing a final report;
 - b. The ombuds shall send the report to: the complainant; the head of the department with responsibility for the action or if a department head is implicated, to the executive and county council, and to such other governmental officials or agencies as the ombuds deems appropriate. The ombuds shall also send a copy of the written report to the executive or the county council if requested to do so by the complainant, if the ombuds has not already done so;
 - c. The department with responsibility for the retaliatory action shall report back to the ombuds and complainant with an action plan for addressing the retaliatory action and provide reasonable timelines for when the corrective actions will occur. The department's response should be made within fourteen days of receipt of the ombuds report;
 - d. If the ombuds deems that the responsible department has not taken satisfactory action within a reasonable timeframe, the ombuds shall report the ombuds's determination to the executive and the county council; and
 - e. The ombuds may impose a fine on the department within which the retaliatory action occurred; the ombuds shall not impose a fine greater than ten thousand dollars. A fine should be imposed for retaliatory actions where the department's response to the retaliatory actions was grossly inadequate. The department shall be given a reasonable opportunity to be heard before imposition of any fine. Proceeds collected from any fine shall be deposited into an account to be used for the purpose of educating employees about this chapter or applied by the department toward administrative leave paid to the complainant where the reason for the administrative leave is related to the retaliation claim.

G. At any stage in the investigation, the ombuds or prosecutor may, with the agreement of the parties, recommend, arrange for, convene or conduct voluntary mediation between the employee and the subject of the investigation and/or agency head.

1. If the employer and employee reach agreement as a result of a mediation, the investigation shall be closed and the employee shall not be entitled to seek a hearing under subsection I. of this section.

2. If the employer and employee fail to reach agreement, the response times from subsection C. of this section shall be tolled for the duration of the mediation process.

3. Mediation and other informal resolution processes are voluntary. No employer or employee shall be pressured into participating in such processes, and no negative inferences shall be drawn if any party declines to participate in such processes. If a party agrees to participate in voluntary mediation or other informal resolution process, that party is under no obligation to accept the resolution recommended by the mediator, the ombuds, or any other person participating in this process, and no negative inferences shall be drawn as a result of a refusal to accept such recommendations.

H. The ombuds or prosecutor may close an investigation at any time the ombuds or prosecutor determines that no further action is warranted and shall so notify the complainant, the subject or subjects of the investigation and the agency head. The ombuds or prosecutor shall also issue any reports as required by this section.

I. Decisions of the ombuds under this section may not be appealed to the board of ethics.

J. If an employee who has filed a complaint of retaliation under this section is dissatisfied with the progress of the investigation or the response and desires a hearing under RCW 42.41.040, the employee shall deliver a request for hearing to the head of the branch within which retaliation is alleged to have occurred within the later of: one year of when the alleged retaliation occurred or the employee reasonably should have

known of the occurrence; or ninety days from receipt of the department's response under K.C.C. 3.42.060E.2.b. The employee shall notify the ombuds of the request. Within five working days of receipt of the request for hearing, the county shall apply to the state office of administrative hearings for a hearing to be conducted as provided in RCW 42.41.040(4) through (9).

K. An employee shall not have the right to seek a hearing under this section if the complaint of retaliation is pursued under and falls within the subject matter jurisdiction of a collective bargaining agreement grievance procedure ending in binding arbitration or the career service grievance procedure ending in a hearing before the personnel board.

L. To the extent allowed by law, investigating officials are encouraged to enter into cooperative agreements or arrangements for receiving and processing complaints with other agencies or entities that are investigating related complaints, so that duplication of functions shall be minimized and multiple redundant investigations avoided. (Ord. 18618 § 101, 2017; Ord. 16580 § 8, 2009; Ord. 11687 § 7, 1995).

3.46.010 Drug/alcohol education and testing program - established. There is established a program for prohibited drug use/alcohol misuse education and testing program policy limited to persons employed by King County or employed by a transit contractor performing certain safety sensitive functions as defined in applicable federal law. (Ord. 12413 § 2, 1996).

3.46.020 Definitions.

A. "Safety sensitive" relates to the following functions:

1. Operating revenue service vehicles, including operation when the vehicle is not in revenue service;
2. Operating nonrevenue service vehicles when operation of such vehicles requires the driver to hold a commercial driver's license (CDL);
3. Controlling the dispatch or movement of a revenue service vehicle;
4. Maintaining a revenue service vehicle or equipment used in revenue service;
5. Carrying a firearm for transit security purposes; or
6. All employees of independent contractors who perform services for King County in positions which are listed previously. (Ord. 12413 § 1, 1996).

3.46.030 Policy - limited applicability. King County as a federal grantee and contractor responsible for certain transportation or related operations and programs is committed to maintaining a drug/alcohol-free workplace to promote both the safety of its employees, customers and the public and the quality of its services. Every King County employee or employee of a transit contractor who holds a position which is defined as safety sensitive is subject to regulations issued pursuant to the Omnibus Transportation Act of 1991, as subsequently amended, and each employee, in accordance with this act

and under King County authority shall follow applicable rules and regulations promulgated under K.C.C. 2.98 and/or bargained in good faith under Ordinance 11480, provided that such rules and regulations shall not limit collectively bargained agreements already in effect upon August 19, 1996, codified in this chapter. It is the policy of King County that the provisions of this chapter shall be strictly related to the intent of the Omnibus Transportation Employee Testing Act of 1991, as subsequently amended; 49 CFR Parts 40, 382, 653 and 654 and the U.S. Drug Free Workplace Act of 1988, as subsequently amended and applicable regulations issued pursuant to such acts. The passage of Ordinance 12413 notwithstanding, nothing in this chapter shall preclude a future legal challenge enjoining the federal government from abrogating the civil rights protections contained in the State of Washington Constitution. (Ord. 12413 § 3, 1996).

3.46.040 Education. All county employees and employees of independent contractors who perform safety sensitive functions covered by this chapter shall receive a copy of the county's prohibited drug use and alcohol misuse education and testing program policy and appropriate information concerning the prohibited drug and misuse education and testing program. The executive shall be authorized to establish an education program appropriate to the functions of employees covered by this chapter. (Ord. 12413 § 4, 1996).

3.46.050 Testing. Employees subject to alcohol testing under this chapter will have a sample of their breath tested for the presence of the intoxicating agent in beverage alcohol, ethyl alcohol or other low molecular weight alcohols and including methyl or isopropyl alcohol. Any refusal to submit to an alcohol test and all positive alcohol tests will be reported to the executive or designee. Employees subject to drug testing will have a sample of their urine tested for the presence of five drugs as follows:

1. Marijuana;
2. Cocaine;
3. Opiates;
4. Amphetamines;
5. Phencyclidine.

All drug tests will be reported by the testing laboratory to a medical review officer designated by the county who will evaluate the results. After evaluation and interpretation, all verified positive test results will be reported by the medical review officer to the executive or designee. Any refusal to submit to a drug test will be immediately reported by the collection site to the executive or designee. If employees test positive as previously explained, said employees will be notified by the medical review officer that they have seventy-two hours following this notification in which to request, at their own expense, that a split urine specimen be tested by another laboratory certified by the state Department of Health and Human Services. In the event that the split sample test is negative, the employee will be reimbursed for the test. Failure to request testing of the split specimen within seventy-two hours of being notified of a positive test by the medical review officer will result in the test results from the original specimen being accepted as the final test results. Provided, that there will be only one random testing pool for all King County employees covered by the provisions of this chapter. Independent contractors will have the option of participating in one random testing pool for all their employees who perform safety sensitive functions covered by this chapter. (Ord. 18618 § 103, 2017; Ord. 12413 § 5, 1996).

3.46.060 Types of testing. All county employees subject to the provisions of this chapter shall be required to submit to the following tests as applicable: pre-employment tests; post accident tests; random tests; reasonable suspicion tests; and return to

duty/follow-up tests. The executive shall promulgate rules and regulations necessary and proper to implement this chapter insuring employee confidentiality, the integrity of the testing process, safeguarding the validity of the test results, and ensuring that the test results are attributed to the correct employee. Provided, that all county employees and their union representatives, if applicable, subject to the provisions of this chapter shall be provided with a copy of the appropriate forms prepared indicating the grounds for requiring an employee to submit to a reasonable suspicion test within twenty-four hours of testing or as soon as possible thereafter. Provided further, that when available, a second supervisor will also observe an employee to determine if a reasonable suspicion test is required and complete the related forms in accordance with this chapter and rules and regulations promulgated pursuant thereof. (Ord. 12413 § 6, 1996).

3.46.070 Discipline. It is the policy of King County that employees performing safety sensitive functions as defined in this chapter, as subsequently amended, will be subject to discipline as appropriate and specified in procedures and rules promulgated under K.C.C. 2.98 and collective bargaining agreements adopted under Ordinance 11480. (Ord. 12413 § 7, 1996).

3.46.080 Executive authorized to sign agreements. The executive or designee is authorized to enter into agreements with alcohol and drug testing services providers as required for the implementation of this chapter. (Ord. 18618 § 104, 2017; Ord. 12413 § 8, 1996).

What Is The Code Of Ethics?

King County believes that public confidence in government is essential. The Code of Ethics is a county law that supports this policy by setting standards to make sure all of our transactions and decisions are fair and honest.

What Does The Code Do?

When its provisions are followed, the code ensures that the personal and financial interests of employees and elected officials do not present a real or apparent conflict of interest in our responsibilities to serve the public.

Who Is Subject To The Code?

All county employees including elected officials and residents who serve as members of county boards, commissions or other multimember bodies are subject to the code. It does not affect employees of the county's judicial branch, but does affect employees of the Department of Judicial Administration.

The Purpose Of This Summary

Since all of us must follow the provisions of the Code of Ethics, we are providing you with a summary of the law in plain language. We have highlighted important code provisions and given examples of situations you may encounter while working at the County to help you make ethical decisions.

Who Enforces The Code Of Ethics?

The King County Ombudsman serves as the enforcement officer for the Code of Ethics and Complaints alleging ethics violations under the Code of Ethics shall be filed with the Ombudsman's Office.

Just and Equitable Treatment

(K.C.C. 3.04.020)

USE OF COUNTY PROPERTY

Your use of county property is limited to the conduct of official business and uses that are available to the general public. However, de minimis use of county-owned property by county employees may be authorized by policy or other chapters of the King County Code. County property includes vehicles, facilities (buildings, conference rooms, etc.), equipment, materials, supplies, and county funds.

PREFERENTIAL TREATMENT AND USE OF OFFICIAL POSITION

You have an obligation to treat all citizens equitably and fairly. You may not grant any special consideration, treatment, or advantage beyond that which is available to every other resident. Using your official position to obtain special favors for friends, relatives, business associates or yourself is prohibited.

POLITICAL ACTIVITIES

You are encouraged to participate in the political process on your own time and outside of the workplace. You may not use county facilities for such purposes. You may not use county property, including phones, e-mail, or copy machines, on behalf of political candidates or ballot issues even during your lunch hour.

Avoiding Conflicts of Interest

(K.C.C. 3.04.030)

BUSINESS RELATIONSHIPS

A conflict of interest occurs when you have a personal or financial interest in any matter in which you participate or have job responsibilities as a county employee. These interests could influence, or appear to influence, your professional judgment and affect your official decision-making. Common conflicts of interest may include:

- Seeking or receiving economic gain for personal or family use through access to privileged information or official position.

For example, if you are working on the specifications of a county contract that require construction services, and your spouse owns a construction company, you are prohibited from telling your spouse the details of the specifications before they become public.

- Possessing a financial interest in a firm or organization that does business or seeks to do business with the County and not disclosing that interest to your supervisor or appointing authority.

For example, if you are seeking a land development consultant for a county project and you are a part owner in a development business that seeks to do business with the County, you must disclose this fact.

- Participating in or seeking to influence the selection of persons, firms, or organizations doing business with the County when having a financial interest in the outcome.

For example, if your spouse is the director of a non-profit organization competing for a contract with your county agency and you have any job responsibilities related to the contract, you must disclose this fact to your supervisor or appointing authority.

OUTSIDE EMPLOYMENT

As a county employee, it is a conflict of interest for you to enter into a business relationship outside county government with any employee for whom you have supervisory responsibility. It is also a conflict to enter into a business relationship with someone you deal with in an official capacity as a county employee. Other conflicts that could arise from outside employment:

- Discussing an offer of future employment with anyone doing business or seeking to do business with the County if you have reason to suspect that the offer is intended in any way as compensation or reward for the performance or non-performance of your duties as a county employee.
- Discussing an offer of future employment with a person doing business or seeking to do business with the County if you have job responsibilities related to that person unless you have first disclosed in writing to your appointing authority that you intend to discuss future employment with that person. To avoid a conflict in this situation, your appointing authority must designate a method of providing for an alternate decision-maker in matters involving that person and file a memorandum with the Ethics Program stating the same.
- Awarding a county contract or participating in an action that benefits a former employer within one year of beginning employment with the County.
- Failing to disclose your status as an employee, agent, officer, partner, director, or consultant of any person doing business or seeking to do business with the County in matters in which you participate or have any job responsibilities.
- Accepting compensation or engaging in any type of employment or service that is incompatible with the official and proper discharge of your county duties or in any action that could impair your independent judgment in an official capacity.

ACCEPTANCE OF GIFTS

Accepting anything of value, either directly or indirectly, from any person, business, group, or organization that does business or seeks to do business with the County in an area where you have responsibility, or when such acceptance could reasonably be considered to impair your professional and independent judgment, is prohibited.

For example, if you are a manager who administers contracts within your department and a vendor sends you a gift basket in appreciation for the county's business during the year, it is inappropriate to accept the gift. If you receive a gift, return it to the donor within 30 days of receipt or give it to a charitable organization. If you donate it to charity, you may not take a tax deduction for the donation.

Even if you are not in a position to influence the selection of vendors for the department, you may not accept gifts from contractors.

For example, if a vendor who supplies your agency comes into your office and gives you a desk clock, acceptance is inappropriate. Despite the fact that you make no contract or purchasing decisions, the clock is a gift and could make other vendors feel obligated to provide similar gifts. In addition, displaying any items with vendor logos might also imply county endorsement.

Exceptions are made for informational, but not promotional, materials and for ceremonial gifts valued under \$50 on bona fide, nonrecurring, ceremonial occasions.

For example, if your division completes a large project and a vendor gives you a plaque to commemorate the occasion, you may keep the plaque as long as it is valued under \$50.

MEALS AND REFRESHMENTS

Although it is a common business practice to take clients to lunch or dinner or to allow them to take you, this is not acceptable for public employees. If you are invited to lunch by someone who does business or seeks to do business with the County in a matter for which you have responsibility or may participate, you must pay for your own meal.

For example, if you are invited to a reception, open house, or similar event by vendors, consultants or others who do business or seek to do business with the County you may accept light refreshments, such as coffee/tea and doughnuts or cookies, without payment if offered during the conduct of official business.

Post-Employment Restrictions

(K.C.C. 3.04.035)

For one year after you leave county employment, you may not have a financial or beneficial interest in a contract or grant that was planned, authorized, or funded by a county action you participated in during your employment.

For example, if you leave county employment to work for a consultant that has a contract with the county, and you had job responsibilities related to that contract as a county employee, you must wait one year before working on that same contract.

Additionally, after you leave county employment you may not disclose or use any privileged or proprietary information gained during your former employment for your personal benefit or the personal benefit of a member of your immediate family unless the information is a matter of public knowledge or is available to the public on request. You may not assist any person, whether or not for compensation, on matters in which you are personally prohibited from participating.

You may accept future employment with the County at any time, including employment with your former department or appear before the county or seek a county action on your own behalf to the same extent other persons may appear before or seek actions by the County. However, for one year after leaving county employment, you must disclose in writing your past county employment before participating in any county action.

MEMBERS OF COUNTY BOARDS, COMMISSIONS, COMMITTEES AND MULTIMEMBER BODIES

If you are a member of a county board, commission, committee, or other multimember body, you are considered a county employee and all Code of Ethics provisions apply while you are engaged in service on behalf of the County. Additionally, for one year after leaving county service, you are prohibited from appearing before the board or commission on which you served or from receiving compensation for services to any business or person in any action in which you participated while serving on the board or commission.

For example, if you helped write the specifications for a county grant as a board member, you may not apply for that grant for one year after leaving the board.

This restriction also applies to partners or associates of businesses or persons in which you have a financial interest. For example, if you had any participation or responsibilities in a county contract as a board member, no one from the company you work for may vie for that contract for one year.

Disclosure of Interests by Employees

(K.C.C. 3.04.050)

EMPLOYEES, ELECTED OFFICIALS, AND CANDIDATES

If you are an elected county official, an employee appointed by the County Executive, an employee appointed by the County Administrative Officer or department director and subject to the approval of the County Executive, an employee of the King County Council, or an employee specifically identified by the Ethics Program, you must file a statement of financial and other interests within two weeks of employment or appointment and on or before April 15th of each year. In addition, if you are a nominee for appointment to any county elective office (except judicial), or a nominee for appointment to a county board or commission, you must file a disclosure statement within two weeks of nomination or appointment.

To find out if you must file due to your position with the county, consult your supervisor. The Ethics Program can provide you with a current list of criteria of who must file and filing procedures. For a copy of the disclosure statement or a guide to financial disclosure, visit the Ethics Program website or contact the Ethics Program.

Disclosure of Interests by Consultants

(K.C.C. 3.04.120)

CONSULTANTS AND VENDORS

If you are a consultant entering into a contract with the County to provide professional or technical services to the County costing over \$5,000, you must file a consultant disclosure form with the Ethics Program. No payment may be made on your contract until five days after receipt of the completed form. For a copy of the disclosure form or a guide to consultant disclosure, visit the Ethics Program website or contact the Ethics Program.

What Do I Do If I Have a Potential Conflict?

(K.C.C. 3.04.037)

First, you must notify your supervisor in writing of the potential conflict. Then, he or she must help you to resolve the issue and keep a written record of the disposition of the issue. You or your supervisor may also call the Ethics Program for information on relevant provisions in the Code of Ethics and for past advisory opinions on similar situations.

Code of Ethics Complaints, Violations and Penalties

(K.C.C. 3.04.055 and K.C.C. 3.04.060)

Complaints asserting a violation of the Code of Ethics are made to the Ombudsman. Upon receipt of a complaint, the Ombudsman will review the allegation to determine if it constitutes a violation of the Code of Ethics. If the complaint is considered to be founded, or if the matter requires additional exploration, an investigation is initiated by serving the agency/respondent with a copy of the complaint. If the complaint is considered to be unfounded, investigation is declined.

Respondents in ethics complaints are afforded due process rights, such as the right to be represented by legal counsel or union representation and the right to present witnesses and evidence. Written results of the investigation include a determination as to whether an ethics violation occurred. Respondents may appeal the Ombudsman's findings to the Board of Ethics. The Ombudsman also investigates citizen complaints about the general operations of King County government (K.C.C. 2.52), and employee reports of improper governmental action and retaliation pursuant to the Whistleblower Protection Code (K.C.C. 3.42).

The Code of Ethics includes provisions for criminal and civil penalties and disciplinary action for violations of the code. Civil penalties include a monetary amount not to exceed the lesser of one month's county pay or the amount authorized by law. In addition, if you are found in violation of the code, you may be subject to disciplinary action up to and including termination from employment. Such disciplinary action would be taken consistent with Career Service guidelines and your collective bargaining agreement (if any).

How Does the Ethics Program Serve Me?

MISSION OF THE BOARD OF ETHICS

The mission of the Board of Ethics is to ensure the highest standards of public service by developing, disseminating, and promoting readily understandable ethics requirements for King County employees and agencies.

ADVISORY OPINIONS

If you are unsure whether an action or interest violates the code, you may request an advisory opinion directly from the Board of Ethics. Advisory opinions are intended to provide guidance and prevent future actions that may violate the code. Requests for advisory opinions must be submitted in writing to the Board of Ethics or the Ethics office. The board meets once a month to consider requests for advisory opinions and related issues. All meetings are open to the public and those requesting opinions are especially encouraged to attend. Visit the Ethics Web site or contact the Ethics office for the full text of all advisory opinions.

ETHICS HELP LINE AND STAFF INFORMATIONAL RESPONSES

If you have a question you believe is related to the Code of Ethics, the Ethics Office staff is available to help you make ethical decisions. Call the Ethics Help Line at 206-263-7821. We are also happy to respond to your inquiry in writing with a staff informational response, providing guidance through Ethics Code references and existing advisory opinions.

TRAINING AND EDUCATION

The Ethics staff conducts weekly education sessions for new county employees, an in-depth seminar for supervisors, and on-site meetings with employees to address department-specific concerns. If you or your agency would like to discuss issues related to the Code of Ethics, contact your supervisor or the Ethics office to arrange for a meeting.

METROPOLITAN KING COUNTY COUNCIL
Legislative Branch

POLICIES AND PROCEDURES AGAINST HARASSMENT AND DISCRIMINATION

I. Policy

The Metropolitan King County Council is committed to providing a respectful, productive, inclusive, and equitable work environment for everyone. The Council specifically prohibits:

- Discrimination or harassment of, or inappropriate conduct toward, anyone on the basis of race, color, gender, age, creed, disability, marital status, national origin, religion, pregnancy, gender identity or expression, domestic violence victimization, sexual orientation, honorably discharged veteran or military status, use of a service or assistive animal by a person with a disability, or any other status protected by federal, state or local law;
- Sexual harassment; and
- Retaliation against anyone who reports a potential violation of this policy or participates in any process related to investigating or resolving a report made under this policy.

II. Application

This policy applies to all Councilmembers, employees, agents, and contractors of the council. All employees, anyone meeting with or appearing before the Council and the public are expected to comply with this policy.

Employees with supervisory responsibilities (including Councilmembers) shall model appropriate behavior and strive to cultivate and maintain a work environment that is free from discrimination, harassment, sexual harassment, inappropriate conduct, and retaliation.

This policy is supplemental to other procedures available under federal, state, and local laws, including but not limited to the Whistleblower Ordinance (KCC chapter 3.42), the Ethics Code (KCC chapter 3.04), and the Fair Employment Practices Code (KCC chapter 12.18). Individuals are encouraged to report pursuant to this policy, but continue to have the right to utilize other processes established by law including the federal Equal Employment Opportunity Commission, the state Human Rights Commission, the county Office of Civil Rights, and private legal action.

III. Definitions & Examples

The following definitions and examples are intended to include and supplement those found in King County Code chapter 12.18:

- B. "Disability" means a sensory, mental, developmental, or physical impairment that: (1) is medically recognized or diagnosable; (2) exists as a record or history; or (3) is perceived by the employer to exist, whether or not it actually exists. A disability exists whether it is temporary or permanent, common or uncommon, mitigated or unmitigated, limits the ability to work generally or work at a particular job, or limits any other activity.
- C. "Discrimination" occurs when a person is treated differentially or adversely affected, overtly or covertly, by an action of or the failure to act by another person on the basis of protected status.
- D. "Harassment" is unwelcome conduct in violation of this policy. Harassment can take many forms and may include innuendoes, unwelcome compliments, suggestive or insulting noises, through the use of digital media and social media, facial expressions, vulgar language, nicknames, slurs, derogatory comments, cartoons, epithets, jokes, pranks, written materials, offensive gestures or touching, and any other verbal or physical conduct relating to an individual and based on a protected status. It is a violation of this policy and may be illegal when:
- (1) The conduct has the purpose or effect of creating an intimidating, hostile, or offensive working environment or interferes with a person's performance;
 - (2) Enduring the conduct becomes, either explicitly or implicitly, a condition of continued employment; or
 - (3) The conduct otherwise unreasonably affects an individual's employment opportunities.
- E. "Inappropriate conduct" is conduct that may not rise to the level of unlawful discrimination, harassment, or retaliation but nonetheless sends a negative message or results in a hostile, derogatory, or negative environment based on protected status.
- F. "Protected status" includes an employee's sex, age, creed, disability, ethnicity, marital status, national origin, race, color, religion, pregnancy, gender, gender identity or expression, genetic information, sexual orientation, veteran or military status, use of a service animal, and any other status protected by federal, state, or local law.
- G. "Retaliation" means taking an adverse action against someone because that person made a good faith report of a possible violation of this policy or participated in any process related to investigating or resolving a report under this policy. Retaliation is strictly prohibited.
- H. "Sexual harassment" is a specific type of harassment and a form of discrimination. It includes unwelcome sexual advances, requests for sexual favors, displays of sexually oriented materials, and other verbal or physical conduct of a sexual nature. It is a violation of this policy and may be illegal when:

1. The conduct has the purpose or effect of creating an intimidating, hostile, or offensive working environment or interferes with a person's performance;
2. Enduring the conduct becomes, either explicitly or implicitly, a condition of continued employment; or
3. The conduct otherwise unreasonably affects an individual's employment opportunities.

IV. Procedures

The Council's paramount interest under this policy is to ensure a respectful, productive, inclusive, and equitable work environment for everyone. Discrimination and harassment are unacceptable and will not be tolerated at the Council.

Anyone who experiences or observes any potential violation of this policy is strongly encouraged to bring questions or concerns to a supervisor (a list of supervisors is appended to this policy). Every attempt will be made to keep matters confidential to the extent permitted by law. Any employee who is unsure as to options, actions, and remedies may wish to start by contacting the County's Employee Assistance Program (described further in the external procedures set forth, below). Anyone may file a complaint or make a report of possible violations of this policy using the external or internal procedures provided in this policy. The procedures and remedies provided in this policy are in addition to all other federal, state, and local processes provided by law.

Internal Council Procedure.

- A. Members of the public and those not employed by the Council are not expected to know the internal supervisory structure of the Council, and they may report any potential violation of this policy to any Councilmember or employee of the Council, who shall then report that potential violation to the chief of staff (or, if the alleged violation involves the chief of staff, to the Council's chief legal counsel) for further action pursuant to this policy.
- B. Employees who experience, observe, or learn of any potential violation of this policy are encouraged to report the behavior to any of the following individuals:
 1. the employee's own supervisor;
 2. any other supervisor;
 3. the chief of staff; or
 4. the Council's chief legal counsel.

Lists of supervisors shall be made available to all employees and also be included with copies of the policy and materials provided in training.

- C. Supervisors, including Councilmembers, who observe or learn of possible violations of this policy or who receive a complaint or concern from an employee regarding such allegations, must promptly report the potential violation to the chief of staff. If the complaint or concern involves the chief of

staff, then the supervisor shall promptly report to the Council's chief legal counsel. The EAC may designate a person in addition to the chief of staff to perform the duties set forth in the following sections. That designation shall be made as an amendment to this policy.

Supervisors who fail to comply with this responsibility may be subject to censure or discipline, up to and including discharge. Every attempt will be made to keep matters confidential to the extent permitted by law.

In addition, supervisors shall notify employees at the beginning of any related conversation that they may wish to first contact the County's Employee Assistance Program to fully understand the array of options available to the employee.

- D. Once a report of an alleged violation by staff is received by the chief of staff (or, in the case of an alleged violation by the chief of staff, by the chief legal counsel), then the chief of staff shall promptly and appropriately determine whether the complaint or concern can be addressed without formal investigation and referral to the Employment and Administration Committee, or whether it instead requires formal investigation and referral to the Employment and Administration Committee (EAC). The employee will be consulted regarding the nature of the investigation in terms of formal or informal.
- E. If a report of an alleged violation by a Councilmember is received by the chief of staff, then the chief of staff shall promptly and appropriately determine whether the complaint or concern can be addressed without formal investigation and referral to the Employment and Administration Committee, or whether it instead requires formal investigation and referral to the Employment and Administration Committee (EAC). Under all circumstances and regardless of referral, they shall notify the Chair of the Council. If the allegation applies to the Chair of the Council, chief of staff shall alert one of the Council Vice Chairs.

The Council notes the power disparity between staff and elected officials and intends that all serious allegations in which violations may have occurred by Councilmembers be handled by other Councilmembers, starting with referral to EAC. Such allegations would constitute ones that rise above possible misunderstandings or one-off comments and must meet the threshold of systematic, repetitive discriminatory or harassing behavior or the perception of such.

- F. If the chief of staff (or, in the case of an alleged violation by the chief of staff, the chief legal counsel) determines that the matter can be resolved informally and without referral to EAC, then the chief of staff shall:
 - 1. Document in writing:
 - a. the complaint or concern;

- b. the agreement of those affected by the complaint or concern to handle the matter informally;
 - c. the determination that no formal investigation or referral to EAC was necessary, and the reasons for that determination;
 - d. any steps taken to resolve the complaint or concern; and
 - e. obtain a signature from any affected employee(s) reflecting recognition of the resolution of the complaint and their specific interests in anonymity or any other special requests.
2. Notify the complainant of the determination and any steps taken to resolve the complaint or concern.

If the chief of staff (or, in the case of an alleged violation by the chief of staff, the chief legal counsel) determines that further investigation and referral to EAC are necessary, in all cases where a Councilmember is alleged to have violated this policy, or in case of an appeal, then the chief of staff shall:

1. Immediately notify each member of EAC that a matter to be referred to EAC is pending and that a briefing on it will be provided at the next EAC meeting. If the complaint or concerns involve a personal or district support and constituent services staff member of a Councilmember, then the Councilmember employing that staff member shall also be advised;
2. Take steps to safeguard employees and facilitate investigation even prior to EAC being able to meet and act upon a matter referred under this policy. In cases of a more serious nature, these steps may include separating affected employees pending completion of the investigation or resolution of the matter;
3. Inform parties accused of a violation of the policy and of the referral to EAC, and advise them that they may participate in the process, review evidence and statements submitted in support of the allegation, and have opportunities to refute the allegation or offer an explanation or mitigating circumstances, including an opportunity to make a presentation to EAC, directly;
4. Conduct a prompt and thorough investigation to determine whether a violation of this policy has occurred based on all facts and circumstances, the nature of the allegation, and the context in which the alleged incidents occurred. As appropriate and with the approval of EAC, an outside investigator may be retained. Upon completion of the investigation, the chief of staff shall make preliminary recommendations on what action should be taken, including, as appropriate, mediation of the matter; and

5. Brief EAC on the results of the investigation and recommended disposition of the complaint or concern, and any recommended corrective and/or preventive measures such as discipline, training, counseling, and monitoring;

Upon notification of a complaint or concern being referred to EAC by the chief of staff (or, in the case of an alleged violation by the chief of staff, the chief legal counsel), the chair of EAC shall promptly schedule an EAC meeting to consider the matter. If the complaint or concern involves a member of EAC, the chair shall direct that, unless invited by the chair to address EAC, then the involved member not attend or participate in that portion of any meetings of EAC at which the complaint or concern will be considered. Where appropriate, the chair may direct that the complainant and accused violator be separated or that any other steps be taken which are necessary to immediately safeguard employees, prevent retaliation, or assist with an investigation. If the matter referred alleges violations of this policy by the chair of EAC, then the vice chair shall act in this role instead.

EAC shall promptly meet to consider matters referred under this policy. To preserve confidentiality and to the extent permitted by law, the members shall meet in executive session. After being briefed by the chief of staff (or, in the case of an alleged violation by the chief of staff, the chief legal counsel) EAC will decide whether further investigation is warranted and, if so, direct that further investigation and follow-up. Ultimately, EAC will issue a written final disposition of the matter which, as appropriate, should include findings, conclusions, and actions taken in response. When EAC determines that it is ready to issue a final disposition of the matter, it shall:

1. Adopt by vote the final disposition; and
2. Direct the chief of staff or to implement the final disposition of EAC.

In the case of allegations of violations of this policy by a Councilmember, only the chief of staff or other person selected by EAC may be involved in the investigation or work with an outside firm on the investigation. The final disposition of EAC must either:

- a. Exonerate the member;
- b. Intervene or take steps to remedy any problem or misunderstanding, including providing training or counseling;
or
- c. Recommend to the full Council censure or other disciplinary action in the form of a motion to be considered and acted upon by the full Council at the second full Council meeting following the EAC recommendation. No recommendation of censure or disciplinary action to the full Council shall be made

unless EAC has first contracted with an independent law firm or other outside investigator to perform an investigation and make a report that includes findings of fact.

Once EAC has issued its final disposition, then the chief of staff shall:

6. Implement the actions set forth in the final disposition of EAC, including discipline (if any) and any corrective or preventive measures. If any discipline is appealed to the full council, the discipline shall not be imposed until the appeal is decided, but corrective or preventive measures may be enforced even while an appeal is pending;
7. Inform the employee who raised the complaint or concern, the accused employee, and any supervisor who received the report of a complaint or concern, of the results of the final disposition;
8. For a reasonable period of time, monitor for repeat behavior or retaliation against any person involved in the filing or investigation of a complaint or concern; and
9. Maintain all records related to the matter.

External Procedure – The Employee Assistance Program.

The Council recognizes that those experiencing or witnessing a potential violation of this policy may wish to use a process outside of the Council. Persons may wish to access other available federal, state, or local resources. In addition, the Council recommends use of the Employee Assistance Program. King County's Employee Assistance Program (EAP) is a free county resource that provides county employees with counseling and coaching around work related concerns and problems, including workplace stress and conflict with co-workers. EAP also provides general workplace coaching and counseling. EAP can listen, provide general advice, explain policies and options, and assist with complaints. EAP may also work to resolve complaints where appropriate. EAP endeavors to keep all matters confidential to the extent permitted by law. Use of EAP does not preclude use of the internal Council procedure.

V. Remedies & Disciplinary Action

The Council's paramount interest under this policy is to ensure a respectful, productive, inclusive, and equitable work environment for everyone. In cases where a violation of this policy may have occurred, the Council will work to first ensure the safety of anyone negatively affected and to stop any further behavior that could be a violation. The Council recognizes that workplace interactions and relationships can be complex and that misunderstandings can occur. The Council also recognizes that intentional violations require different responses than unintentional violations or misunderstandings. Where appropriate, behavior should be corrected and good behavior modeled as an example. Counseling and coaching should be considered as appropriate remedies in the case of

misunderstandings or ignorance. The remedy and disciplinary action should be commensurate with the nature of the violation, and repeated violations by the same person should be considered in determining an appropriate response. The Council does intend to penalize those persons whose violations are intentional or serious, and violations of this policy may lead to censure or discipline, up to and including discharge.

VI. Appeals

A complainant who is dissatisfied with the way his or her complaint is being handled may take his or her concerns directly to the Employment and Administration Committee or the full Council for review and further disposition. EAC shall follow the procedures set forth in the policy. The full Council may review and resolve an appeal as it directs by motion. To preserve confidentiality and to the extent permitted by law, the members shall meet in executive session.

VII. Confidentiality

Every effort will be made to treat all reports and procedures undertaken pursuant to this policy as confidential, but confidentiality cannot be guaranteed and disclosure may be required by law.

VIII. Training & Distribution

The Council's paramount interest under this policy is to ensure a respectful, productive, inclusive, and equitable work environment for everyone, and training is key.

All new employees will receive training on this policy as a distinct unit apart from any other new employee training. All employees will undergo refresher trainings on this policy at least every two years.

Supervisors shall receive training that emphasizes their specific obligations under this policy as supervisors when they become supervisors, and all supervisors shall undergo refresher training at least every two years. Supervisor training will specifically include instruction on how to handle a complaint promptly, effectively and in way that respects the vulnerability and privacy of the individual reporting the incident, the application and limitations of confidentiality, and the legal duties required of the Council as an employer.

New Councilmembers will receive a separate training on this policy that emphasizes the unique role they have as elected officials and supervisors. All Councilmembers shall undergo a refresher training on this policy that emphasizes the unique role they have as elected officials and supervisors at least every two years, and the training shall also include those elements required in training for supervisors.

In addition to covering the specifics of this policy, all trainings will include instruction on how to build a healthy and respectful workplace culture and prevent discrimination and harassment.

Copies of this policy shall be provided to all Councilmembers and employees and be posted prominently on the Council's public website, as well as council break rooms.

IX. Employee Expectations

The Council intends this policy to be a call to service to promote a safe and respectful environment. Employees are expected to act professionally, courteously, and in accordance with this policy at all times. In return, employees may expect to be treated professionally, courteously, and in accordance with this policy at all times.

Nothing in this policy is intended to change the at-will status of employees, but employees shall expect the Council:

- To enforce this policy promptly and fairly;
- To allow them to participate in the process as a complainant or witness, including allowing them to directly address EAC or present evidence in any procedures relating to or affecting them;
- To inform them as to the outcome, disposition, and remedy or disciplinary action associated with any complaint or process relating to them;
- To provide training, coaching, and counseling that promotes a respectful workplace and helps them resolve workplace conflict; and
- To enable them to act in good faith under this policy without fear of retaliation of any kind.

Employees may use the procedures set forth in this policy or use other federal, state, and local procedures such as those of the federal Equal Employment Opportunity Commission, the state Human Rights Commission, or the county Office of Civil Rights. Use of an external process or procedure does not preclude an employee's use of the internal process or procedure.

X. Expectations of the Public

This policy is intended to promote and maintain a respectful environment for everyone, including the general public. Members of the public should expect high standards of conduct from their elected officials and employees and may use the procedures set forth in this policy to report any potential violation of this policy. King County and all its contractors shall provide free interpretation and translation services as required by this chapter to limited-English-proficient persons. When a limited-English-proficient person seeks or receives benefits or services from a local agency, office or contractor, the agency, office or contractor shall make reasonable efforts provide prompt interpretation services in all interactions with the person, whether the interaction is done remotely or in person. King County agencies and offices shall either employ sufficient qualified bilingual employees or contract with remote language services to provide interpretation services in languages spoken by limited-English proficient county residents.

2. The agency, office or contractor shall meet its obligation to provide prompt interpretation services for purposes of this subdivision by ensuring that limited-English proficient persons do not have to wait unreasonably longer to receive assistance than persons who do not require interpretation services. King County agencies shall provide support to contractors to meet the requirements of this section.

3. Where an application or form administered by King County requires completion in English by a limited-English-proficient person for submission to a local, state or federal authority, King County or its contractor shall make reasonable efforts to provide oral interpretation of the application or form as well as acknowledgement by the limited-English-proficient person that the form was translated and completed by an interpreter. King County agencies shall provide support to contractors to meet the requirements of this section.

The plans should also include identification of agency or office plans for providing translation of webpages, automated telephonic greetings, automated telephonic voice messages and informational signage. The threshold for the translation of vital documents and public communication materials shall be based on the top six languages identified by the tier map of limited-English-proficient persons maintained by the office of equity and social justice and the county demographer.

SECTION 7. The executive shall submit the language assistance plans required in section 6 of this ordinance and a motion that accepts the plans to the county council by September 30, 2018. Language Access Plan

In Preparation for 2020 Implementation

Overview

This language access plan is an evolving resource document outlining tools, policies, and procedures for King County Council's interactions with Limited English Proficient (LEP) populations in King County. The overall goal of this language access plan is to ensure that LEP individuals interacting with the Council have timely, accessible, and equal access to Council services.

King County Council will arrange for the provision of oral language assistance, translation services, and more in response to the needs of Limited English Proficient (LEP) residents in face-to-face, online, and telephone encounters with King County Council.

This language access plan describes Council policies and procedures for:

- Providing notice to limited English speakers of their right to service.
- Identifying LEP individuals and needed LEP services within the Council.
- Providing free spoken language interpreting.
- Offering free written translations on request.
- Updating and evaluating service needs.
- Hiring to meet multilingual service needs.
- Offering training on LEP service mandates to Council staff.¹

Section 1: Needs Assessment

King County Council will secure language service contracts that cover the most commonly-spoken languages in King County. If a person speaks a rarer language, the Council will locate and pay for best-fit resources.

King County Council will assess the language needs of constituents with the following sources:

- U.S. Census data.
- Internal use of translation and interpretation services.
- Community feedback and involvement.

King County Council will review and update language data on an annual basis. In addition, the Council will solicit feedback from community groups and LEP stakeholders to improve accessibility, efficiency, and cultural sensitivity.

Limited English Proficiency in King County

The United States Census estimates as of 2017 that 5.6 percent of King County households are Limited English Proficient.⁴

⁴ U.S. Census Bureau, 2013-2017 American Community Survey 5-Year Estimates.

****The top three languages are taken from the Public Use Microdata Areas (PUMA).**

- Note that these numbers are for populations with limited English proficiency, not multilingual proficiency.
- The data was not separated by district when surveyed. Some languages overlap with surrounding districts.
- Information is different from the Elections office. Election information is not recommended because elections are based on citizenship and voting registration, which is not representative of King County as a whole.
- The fourth language listed on the chart is not a top tier translated language in the county, but still has a significant amount of residence. Those languages should be included in language access services as a standard.

On its website, King County separates King County languages into [three tiers](#): translation required, translation recommended, and translation encouraged. **King County Council will contract language service that covers all three tiers** as well as well as additional languages with a significant amount of residence or need.

Points of Contact

King County Council will provide resources that best align with the services and communication required at each point of contact with the Council. Points of contact include but are not limited to:

- Public meetings
- Reception
- Telephone calls
- Community outreach
- King County website

The following table indicates a few examples of appropriate resources and expectations for each point of contact:

Point of Contact	Expectations of Staff	Tools and Resources
Phone	- Identify language spoken. Connect with bilingual staff, conference call with Language Line.	Language Line, Bilingual Advocates, etc.
One-on-One Participant Meetings (Intake, Case Planning, etc.)	- Ensure that an interpreter is available. - State that interpreters are available upon request, ideally with two-week notice. - Follow best practices for ensuring the participant's safety by securing the name of the interpreter in advance, requiring an interpreter confidentiality agreement, etc.	In-Person Interpreting Agency Interpreter Confidentiality Agreement
Services under Council	- Notify participant of available language services on an ongoing basis. - Immediately provide access Language Line when requested.	Language Line Language-specific shelter tour video
Community-Based Services	- Meet with community groups and provide information about LAP plan and resources so that they may assist in informing LEP individuals of the language assistance services available. - Allocate funding for community work in translation.	Flyers, I Speak Cards, brochures
Community Events	- Identify language spoken. Keep track of this to collect data. -Connect with Language Line to assess safety concerns and requests.	I Speak Cards, Language Line
Written Materials	- Review vital documents with the support of an interpreter during intake.	Additional translations can be arranged through selected translation agency.
Tracking System	- Input data into centralized system (excel spreadsheet or data management software) that tracks the translations requested. This will help identify what language services need improvement.	Data management software or Excel spreadsheet.

Stakeholder Engagement

Including the community in this process is essential for ensuring that the Language Access Plan is linguistically and culturally appropriate. In its [Language Assistance Plan](#), the King County Superior Court identified the following organizations as possible community contacts:

- ADWAS - Abused Deaf Women's Advocacy Services
- Asian Counseling and Referral Service
- API-CHAYA – Southeast Asian Women's program
- Chinese Information Service Center
- Columbia Legal Services
- CONSEJO Counseling and Referral Service
- Eastside Domestic Violence Program
- Hearing, Speech and Deafness Center
- King County Protection Order Program
- Korean Women's Organization
- Northwest Justice Project
- REWA - Refugee Women's Alliance
- Seattle Housing Authority
- Various shelters in the area⁵

This list only covers a small portion of organizations that engage with LEP populations in King County. King County Council will reach out to and establish its own list of organizations that work with LEP populations. The Council will give these organizations the opportunity to provide feedback on the accessibility of this plan.

Section 2: Language Services

King County Council will provide both interpretation and translation services at each point of contact with the Council. To ensure that LEP individuals make full use of these services, King County Council will:

- Lead active efforts to notify individuals of their right to free language services.
- Follow procedures to properly identify LEP individuals.
- Provide **qualified** interpretation and translation **whenever needed**.
- Track each service used by LEP individuals.

Notice

Providing notice is the first step in providing language service. It refers to the proactive notification of LEP individuals that language services are available to them, free of cost.

Language services are useful only if the people who need them understand that they are available and know how to access them at no cost. Simply putting up signs in the lobby is not enough.

In its language access plan, the U.S. Department of Health and Human Services outlines several steps it took to notify those who need language services, including:

- Designating a staff or individual responsible for notifying individuals with limited English proficiency who contact the agency.
- Distributing federal resources prohibiting discrimination against LEP individuals to its grantees, providers, contractors and vendors.
- Using public service announcements, non-English media and community and faith-based resources to reach target audiences.
- Prominently displaying appropriate language taglines on vital documents, web pages currently available in English only, technical assistance, and outreach material.
- Highlighting the availability of client-oriented materials in other languages on the department's website.

Identification

Identification is essential for accessing language services. It refers to the self or employee identification of an individual as Limited English Proficient.⁶

- LEP individuals can self-identify with materials (i.e. I Speak Cards) provided by King County Council, but **no employee should assume that an LEP individual will be able to self-identify.**
 - If a Council employee recognizes a possible need for language service, the employee should use language taglines to ask the individual if they would like an interpreter. If the answer is yes, interpretation and/or translation will be provided.
- Information collected about LEP individuals cannot be used to discriminate against groups or individuals.
- Immigration status is not relevant in determining whether a resident of King County is eligible for the LEP services outlined in this plan.
 - King County Council employees should not ask an LEP individual about their immigration status, even in casual conversation.
 - All LEP individuals are eligible for Council services.

Interpretation

Interpretation is the transfer of oral communication from one language to another. Interpretation described in this language access plan applies to the phone or in-person interaction between an LEP individual and a qualified interpreter.

General Policies

- King County Council will offer free in-person and over-the-phone interpretation.
- King County Council will place **notices** about free in-person and over-the-phone interpretation at every point of contact with the public as well as in outreach and training material.
 - See the **Notice** section for policies and types of notices and [Your Right to an Interpreter](#) for an example poster.
- King County Council will provide interpreters for public meetings **at request**.
 - Since interpretation (especially in-person interpretation) isn't always available, interpreter requests must be filed **at least five days in advance**.
- King County Council will use competent, trained, and culturally sensitive interpreters who are either certified or registered (if certification for a language is not available).
 - This covers both in-person and over-the-phone interpreters.
 - See **Interpreter Qualifications** for more details.
- If an interpreter is not immediately available, the Council can use a language application from a list of approved applications. **This is just a placeholder until interpretation is available**.
 - The Council will provide information about translation and interpretation applications as needed.
 - See the **Resources** section for a list of applications that can be used on-demand.
- King County Council will keep and update a list of interpreters and interpretation services for employee use.
- Interpreters will sign a confidentiality agreement to ensure privacy.

Interpreter Qualifications

- Interpreters should be certified or registered. King County Council may only provide non-certified and non-registered interpreters if certified or registered interpreters are not available.
 - Certified interpreters have passed oral and written exams and have gone through training.

- King County Council will follow the requirements for court interpreter certification. Court interpreters are familiar legal and colloquial language, both of which are applicable in legislative proceedings.
- For a list of languages Washington State certifies and/or registers, see the [Washington State Court Interpreter Requirements](#) or the [King County Superior Court Language Access Plan](#).
- Contracted interpreters are preferable to non-contracted interpreters. That said, King County has a limited list of contracted interpreters. Non-contracted interpreters are acceptable when the situation calls for it.
 - For a list of contracted interpreters, see the **Resources** section.
- Multilingual staff may assist in securing an interpreter but should not interpret unless there is an emergency.
 - Do not assume that being a native speaker qualifies someone to interpret conversations or translate written documents. Interpretation, translation, and other in-language tasks often require the use of industry-specific terminology, specialized skills, and experience.
 - Competency requires more than self-identification as multilingual. The most accurate way to validate language proficiency is through an independently-administered language assessment and periodic reassessment.
 - Consider creating and disseminating standard policies and procedures to assess and track the language proficiency of multilingual personnel. The policy should specify who can access the Council's list of multilingual personnel and who may use multilingual personnel for certain language tasks.
- Minors **may not** interpret unless there is an emergency.

Sample Procedure for Phone Interpretation⁷

1. **Determine need for interpretation.** Have the LEP caller point to their language on an I Speak or babel notice or ask them if they need interpretation.
2. **Identify the appropriate vendor.** King County maintains relationships with a few certified interpretation services. The list these services can be found in the **Resources** section.
3. **Use the conference feature on the phone** to place the LEP caller on hold or place the phone on "Speaker" mode if the LEP resident is face-to-face.
 - a. When placing an outbound call to an LEP speaker, **begin at Step 4**. If you need assistance placing a call to the LEP speaker, please inform the interpreter or agent at the beginning of the call.
4. **Call the interpretation vendor.**

⁷ City of Cleveland. *The City of Cleveland Language Access Plan*. Cleveland, OH, 2016.
http://209.200.155.143/sites/default/files/forms_publications/7.13.2017LanguageAccessPlan.pdf

5. **Provide your Client ID #** (if applicable).
6. **Select the language you need** or press 0 for agent assistance if you do not know the language.
7. **Brief the interpreter.** Summarize what you wish to accomplish and provide any special instructions.
8. **Continue the call with the LEP speaker.**
 - a. Pause frequently to allow the interpreter to translate information.
 - b. Periodically check with the interpreter to see if you are speaking too fast, slowly, or softly, to ensure comprehension.
 - c. Understand that words of emotions and expressions may not have the same meaning when directly translated.
 - d. Talk directly with your client.
 - e. Avoid oversimplification of important explanations, idioms, and colloquialisms.
9. **Say "End of Call" to the interpreter** when your call is complete.

*** Note: This sample procedure is the process used by one of King County's contracted services, Language Line. The procedure is detailed further in Cleveland's Language Access Plan.*

Sample Procedure for In-Person Interpretation

In-person interpretation refers to interpretation with both the LEP speaker and the interpreter physically present. Because physical interpreters must be at a specific location at a specific time, they are not ideal for immediate interpretation services. Many interpreter services require a few days' notice. King County Council will use in-person interpreters for emergency situations and scheduled meetings and events, if needed.

1. **Call an interpretation service** to see if an interpreter is available.
2. Set a location and time for interpretation.
 - a. Depending on the request, some interpreters need notice and cannot interpret immediately.
 - b. Make sure to account for extra time to fully interpret communication back and forth.
3. Brief the interpreter about what you wish to accomplish and provide any special instructions.
4. Let the interpreter know when the service is completed.

Translation

Translation is the transfer of written communication from one language to another, with the intent and essential meaning of the original text preserved. King County Council provides numerous services that require use of written documents. Communicating information from written material is extremely important to ensure the accessibility of essential King County services.

To allow time for translation before constituents already need it, King County Council will translate the most frequently used and requested services into King County's primary languages.

Translation Policies

- King County Council will offer translation services for **all King County Council written material** at no cost to LEP individuals.
- King County Council will translate the most frequently-used services into the primary languages in King County.
 - This includes webpages, written documents, signs, notices, and more.
- King County Council will use contracted translation services. If contracted services do not fit the situation, employees may follow translation procedures with non-contracted vendors.
 - For a list of translation contractors, see the **Resources** section.
- King County Council will review written material and overall communication with constituents to determine additional items for translation.
- King County Council will keep a list of translated documents **on file** for employees to access.
- King County Council will set the standard time for translation at **two weeks**.
 - Depending on the request, translation might take a significant amount of time. Staff needs to allocate time for all the procedures involved with this process.
- King County Council will identify staff to review translation as a last set of eyes.

Translation Procedures

King County lists the translation work order process on its website. Employees of King County Council must additionally track the specifics of translation requests from its constituents, to improve the availability of services for the future. For additional policies on translation, consult the [King County Translation Process Manual](#).⁸

Section 4: Training and Staffing

King County Council will provide training to all employees that interact with LEP individuals. This training will cover ethics, procedures, and policies for identifying and providing language services to LEP individuals.

In addition, King County Council will designate a team and/or person to oversee the implementation of the language access plan and evaluate the success of its services. Many agencies with language access plans employ a Language Access Coordinator to advise and oversee the process.

Section 5: Evaluation

King County Council will review and update this plan every year. In addition, King County Council will conduct a thorough evaluation of all the language services that the Council offers.

The annual evaluation will include:

- Assessment of the number of King County residents with LEP.
- Assessment of the current level of services delivered to LEP individuals.
 - This includes the review of tracking data collected with every service.
- Assessment of training levels of Council staff regarding LEP services.
- Feedback and comments from LEP communities, including LEP community organizations and advocacy groups, on the effectiveness of the Council's LEP services.¹⁰

King County

**OVERVIEW:
KING COUNTY IT POLICY, STANDARD,
METHOD AND GUIDELINE PROCESS**

February 2010

King County's IT Governance Policy, Standard, Method and Guidelines Development and Post Approval Life Cycle process was revised mid-2008 and endorsed by the Business Management Council and Technology Management Board. A chart of this process is available on the county's Intranet site at the link below.

<http://kcweb.metrokc.gov/oirm/governance/policies/PolicyStandardMethodGuidelineProcess.pdf>

The policy development process includes review and approval of the policy concept, draft development by the governance sub-teams, IT Governance review and recommendation to CIO for approval, CIO approval and countywide implementation.

1. Current Policies, Standards, and Guidelines

Most of the county's IT policies are published on the county's Internet site and are available to the public. However, because publishing certain network information is a security risk for the county's network, the majority of standards and guidelines are only available internally through the county's Intranet site. Below are links to the county's policy pages.

- Intranet: <http://kcweb.metrokc.gov/oirm/policies.aspx>
- Internet: <http://www.kingcounty.gov/business/oirm/governance/itpolicies.aspx>

2. Exceptions

Departments and agencies can request an exception to a policy or standard through the IT Policy and Standard Exception Request Process. Requests must be reviewed by the document "owner" and approved by the CIO. Exceptions expire after one year and need to be renewed.

3. Periodic Review

Periodic review of all policies, standards, methods and guidelines is conducted quarterly. The document "owners" review the documents and, in the case of a major change, the documents are revised thru the policy development process. If the documents need minor changes they are updated and re-approved by the CIO. Policies are reviewed on an 18-month cycle. Standards, methods and guidelines are reviewed on a 12-month cycle.

4. Compliance

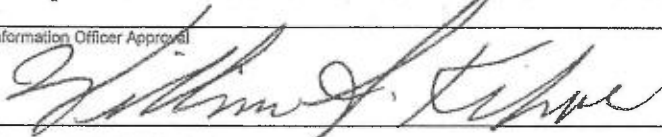

The IT Policy, Standard, Method, and Guideline Compliance Process as defined and approved by IT Governance in December 2008 requires all county IT Governance policies and standards to undergo an annual compliance review.

King County Acceptable Use of Information Assets Policy FAQ

These FAQs are designed to supplement the FAQs issued in January of 2009

The county's acceptable use policy (the "Policy") is intended to inform employees what they can and cannot do on county email and on county computers. Sending certain types of emails is strictly prohibited by section 5.3 of the Policy (see Attachment A for excerpt from Policy). These emails are referred to in these FAQs as **prohibited emails**. Prohibited emails include:

- Emails that are pornographic, offensive, indecent, obscene, sexual or sexually suggestive in nature.
- Emails that are discriminatory, harassing or offensive.
- Emails that involve gambling.
- Emails for your personal business.
- Emails that are political in nature.

You may be disciplined for sending even one prohibited email. It is permissible to send or receive a small number of personal emails from your county email account. This is known as "minimal personal use" under the Policy. Minimal Personal Use is brief in duration and frequency and does not interfere with or impair the conduct of official County business. The minimal personal use rule is measured, at least in part, by the amount of time the non-work-related website is up and running (even if minimized in the background). However, the minimal personal use exception does not allow you to send a prohibited email. You may be disciplined, up to and including termination, if you send prohibited email.

What should I do if I receive a prohibited email at work? If you receive a prohibited email at your King County email address, you should do the following:

1. Tell the sender not to send any similar emails to you on your county email address.
2. Forward the email to your supervisor or department HR representative
3. Delete the email from your inbox.

If you fail to follow these steps, you may be disciplined. Likewise, if you forward a prohibited email, even **once**, from your county email (other than reporting it to your supervisor), you may be disciplined - up to and including termination. The following FAQs are designed to help employees understand what types of emails are prohibited under the Policy. **If you have any question about whether an email is appropriate to forward or save to your county computer, check with your supervisor. *When in doubt, throw it out.***

Q: Is it okay to send an email if the private parts of a person are censored by blurring those parts or covering with black bars?

A: No. Such an email is still considered to be offensive, sexually explicit, indecent, offensive or obscene material and is prohibited.

Q: Is indecent material limited to the topic of private body parts?

A: No. Indecent material can include, but is not limited to, showing, describing, or depicting private body parts, bodily functions, sexual relations, or profane or obscene language. Jokes about gender, age, marital status, pregnancy, physical attributes, and sexuality can also be considered indecent.

Q: I like to send jokes to my coworker on county email involving illustrations that contain a reference to nudity or sexuality. My coworker likes it and thinks it is funny. Is this ok?

A: No, this is not appropriate and constitutes a prohibited email. It is best to refrain from sending jokes of any kind on county email.

Q: I am thinking about downloading a screen saver to my computer that is a nude Picasso painting. Is this ok?

A: No, while the image is of a painting by a world-renowned artist, it is still a nude image and not appropriate for the workplace.

Q: My coworker sent me an email at my work email address with a picture of a nude woman. May I forward the email to my personal email to view later at home and then delete the email on my county email?

A: No. It is not appropriate to forward a prohibited email from your county email address. Instead, you should tell your coworker not to send those types of emails to you at work. You should then forward that email to your supervisor or your department HR staff and delete the email from your inbox.

Q: If I receive an email at work from a friend that contains various nude images, can I download those images to a thumb drive attached to my work computer to view later at home and then delete the email?

A: No. It is not appropriate to use a county computer or server to transfer images that are nude, pornographic, or salacious in nature to your thumb drive or other device. The proper procedure is to tell your friend not to send those types of email to you at work, forward that email to your supervisor or HR representative, and then delete the inappropriate email.

Q: May I look at political websites?

A: No. Employees shall refrain from using King County computers for any political activity, including accessing political websites.

Q: May I send emails that include religious content?

A: Generally, no. The King County's Anti-Harassment and Discrimination Policy prohibits discrimination on the basis of religion. The Policy prohibits use of county computers to create, access, display or transmit offensive or discriminatory material. While sending an email to notify others of a prayer vigil for victims of a terrorist attack or natural disaster would not violate either policy, emails or websites that espouse a single religious view point may be offensive to other employees and therefore are improper. Similarly, emails or websites that tout one religious faith as superior to other religious faiths could be considered discriminatory and therefore are improper.

Q: May I play online poker?

A: No. King County employees may not use county computers or email to create, access, or in any way participate in online gambling at any time.

Q: May I participate in a March Madness pool or other sports pool with other county employees that involves a spreadsheet or data maintained online, via email, or on county computers?

A: No. King County employees may not participate in gambling at the work place, whether it is through hand-written, oral, or computer means. Further, the Policy prohibits the use of computers for unlawful activities, including gambling.

Q: May I access Facebook or Twitter during work hours on my county computer or cell phone?

A: Yes, provided it is minimal within the meaning of "Minimal Personal Use" set forth in the Policy. It is acceptable to access one's Facebook and/or Twitter website during breaks. It is not acceptable to have a Facebook and/or Twitter website minimized on one's computer for the purpose of accessing it continually throughout the day. Nor may you have other non-work-related websites minimized on your computer throughout the day (such as news sites, email accounts, or sports sites).

Attachment A.

Prohibited Use of Information Assets: Workforce members shall refrain from using King County Information Assets for prohibited uses at all times, including during breaks or outside of their regular business hours. Prohibited use of Information Assets is subject to disciplinary action up to and including termination from county employment. Prohibited uses include but are not limited to the following illustrative list of actual or attempted use of Information Assets to:

- 5.3.1 Conduct private or personal for-profit or unauthorized not-for-profit activities. This includes use for private purposes such as business transactions, private advertising of products or services, and any activity meant to foster personal gain;
- 5.3.2 Conduct any political activity;
- 5.3.3 Conduct any solicitation for any purpose except those officially sanctioned by King County such as the County Charitable Campaign;

- 5.3.6 Create, access, display, or transmit sexually explicit, indecent, offensive, harassing or intimidating, obscene, pornographic, defamatory, libelous material or material that could reasonably be considered discriminatory, offensive, threatening, harassing, or intimidating, except as a necessary part of bona fide work-related activities;
- 5.3.7 Create, access, or participate in online gambling;
- 5.3.8 Infringe on any copyright, trademark, patent, or other intellectual property rights, including copying and/or using software, images, music, movies, or other intellectual property.

Metropolitan King County Council Wage and Salary Administration Policy

Purpose:

To establish policies regarding annual wage and salary adjustments. This policy provides procedures that direct an employee's movement through the standard salary grid.

This policy applies to all legislative branch employees with the exception of Councilmembers, personal staff, term-limited temporary employees, contract workers and interns.

(Note: This policy does not deal with cost of living adjustments (COLA) provided by the county.)

Eligibility Requirements for an Annual Step Increase:

As of January 1st of each year, employees will be eligible to receive a one step increase to the next highest step in their assigned salary range. The following outlines the criteria by which a step increase could be awarded:

- A. Employees must be employed on or before September 30 to be eligible for a step increase effective January 1 of the following year.
- B. Employees who are at the top step of their range are not eligible to receive an additional increase.

Exceptions:

All employees who meet the eligibility criteria will receive a step increase unless one of the following occurs:

- A. The employee receives a performance evaluation rating that is below the satisfactory level in the previous rating cycle.
- B. The employee's supervisor makes a written recommendation to the Employment Committee that an increase should be withheld.

When either of the above exceptions occur, the employee may request an Employment Committee review of the determination to withhold the step pay increase.

Taking leave

King County provides several types of leave to eligible employees. Consult with your supervisor or your agency Human Resources representative to confirm what types of leaves apply to you and what forms and documentation may be necessary to process your request.

For detailed information, go to the [Employee Leave Guide](#). If you are a represented employee, see your specific union contract for additional benefits information.

Many benefits are available to you and your eligible family members while you are on a leave of absence. For a summary of your options and the necessary paperwork, see [Continuing Your County Benefits](#).

For information about [King County holidays](#), vacation time, and sick leave, please contact your department Human Resources representative.

Donating leave time

Use the following forms to donate a portion of your accrued vacation or sick leave to another employee: [Leave Donation Form \(pdf\)](#) [Leave Donation Form \(MS Word\)](#).

Leave types

Bereavement leave

Employees eligible for comprehensive leave benefits may use up to five days of bereavement leave per qualifying death of an immediate family member (40 hours maximum; prorated for part-time employees). Employees who are not eligible for paid leaves may be granted leave without pay, or may be allowed to use compensatory time, if available, for bereavement leave. Any additional paid leave may be approved by mutual agreement between King County and the employee.

Immediate family member is defined as:

- Employee's spouse or domestic partner
- The parent, grandparent, child, son or daughter-in-law, grandchild, or sibling of the employee, employee's spouse, or the employee's domestic partner

- The employee's legal guardian, ward, or any person over whom the employee has legal custody

Domestic violence leave

If you are the victim of domestic violence, sexual assault, or stalking, you can take Domestic Violence Leave to receive medical treatment, attend legal proceedings, or address safety concerns. You can also take leave to provide assistance to a family member who is a victim of domestic violence.

You may use leave with pay (sick leave, vacation leave, compensatory time or other accrued leave) or without pay. For details, see Domestic Violence Leave of Absence Procedures.

Donated leave

Use the following forms to donate a portion of your accrued vacation or sick leave to another employee: Leave Donation Form

Family and medical leaves

Under the Family Medical Leave Act (FMLA) and the Washington Family Leave Act (WFLA), eligible employees may take leave for a serious health condition; to care for a child after birth, adoption, or placement for foster care; or to care for a spouse, child, or parent with a serious health condition. Leave is limited to 12 weeks in a rolling 12-month period.

Under WFLA, eligible employees may also take leave to care for a domestic partner registered with the State of Washington that meets the definition under State law.

Under King County Family Medical Leave (KCFML), eligible employees may take leave for the same reasons under FMLA as well as to care for a domestic partner with a serious health condition or for a spouse or domestic partner's child or parent with a serious health condition. Leave is limited to 18 weeks in a rolling 12-month period. For additional information, see Employee Rights Under the Family and Medical Leave Act or view the poster in your break room.

Washington Family Care Act (WFCA): Employees in Washington State are entitled to use their choice of sick leave or other paid time off to care for a child with a health condition that requires treatment or supervision, or to care for a spouse, parent, parent-in-law, or grandparent who has a serious health condition or an emergency, and to care for children 18 years and older with disabilities. Grandparents-in-law, grandchildren, and siblings are not included.

For a summary of the key points of each leave family and medical leave law, see the

Leave Comparative Chart.

Communicate your need for family and medical leave with your supervisor as soon as possible and use the Protected Leave Request Form and the appropriate certification form, below. Follow your department's request for time off procedure and enter the appropriate leave of absence payroll codes into the payroll system. **HR staff:** Use the Protected Leave Response Form to respond.

Certifications

The following forms are used to obtain a certification by a health care provider to support your request for family and medical leave:

- Medical Certification for Employee
- Medical Certification for Family Member
- Medical Certification for Veteran
- Medical Certification for Servicemember
- Certification for Military Qualifying Exigency

Jury duty leave

If you are eligible for leave and ordered to serve on a jury, you receive your regular King County pay. You must decline any jury duty pay—except for mileage—from the court system if you are receiving King County pay.

Communicate your jury duty information and provide a copy of your jury duty summons to your supervisor. Follow your department's request for time off procedure and enter the appropriate leave of absence payroll codes into the payroll system.

Leave for pregnancy, childbirth and pregnancy-related conditions†

Female employees may be eligible for leave for Pregnancy, Childbirth, and Pregnancy-related Conditions during the time she is sick or temporarily disabled. This leave may be in addition to family and medical leaves.

For detailed information about the types of pregnancy leave available, please review the Pregnancy-Related Leave Guide.

Communicate your need for pregnancy, childbirth and pregnancy-related leave with your supervisor as soon as possible and use the Protected Leave Request Form and the Employee Medical Certification Form. Follow your department's request for time off procedure and enter the appropriate leave of absence payroll codes into the payroll system.

Leave of absence without pay

If you are eligible for leave, you may take a leave of absence without pay for up to 30 calendar days, if you obtain written authorization from your supervisor. For a leave of absence of up to one year, additional authorization may be required (see request form for details). Please refer to [King County Code 3.12.250](#), [Personnel Guidelines 14.11](#), and applicable collective bargaining agreements for more detailed information.

Communicate your need for leave with your supervisor as soon as possible and use the [Leave of Absence Without Pay Request Form](#). Follow your department's request for time off procedure and enter the appropriate leave of absence payroll codes into the payroll system.

Paid parental leave

King County employees (both male and female) can receive up to 12 weeks of paid parental leave following the birth, adoption, or foster-to-adopt placement of a child. The leave will run concurrent with federal, state, and county family or medical leave to the fullest extent possible.

Communicate your need for paid parental leave with your supervisor as soon as possible. Use the [Protected Leave Request Form](#) and submit required documentation. If adopting a foster child, use the [Foster-to Adopt Form](#) as well. Follow your department's request for time off procedure and enter the appropriate leave of absence payroll codes into the payroll system.

For more information, see the [Paid Parental Leave FAQ](#).

Volunteer leave

Eligible employees may use up to three days of sick leave each year to perform volunteer services at any local school, including your child's school, or at any nonprofit organization participating in the [King County Employee Giving Program](#).

Prior to the leave, request the time off by submitting the [Sick Leave for Volunteer Service Form](#) form to your supervisor. The name of the organization and the volunteer service you are performing must be included. Follow your department's procedure for requesting time off, and enter the appropriate leave of absence payroll codes into the payroll system.

1 Introduction

1.1 Purpose

The purpose of this manual is to provide drivers of King County vehicles with basic information about their responsibilities regarding safety, vehicle operation, and accident and emergency procedures. This information applies to all vehicles and equipment issued or assigned by King County Fleet Services. Everyone who drives a King County vehicle should be familiar with the contents of this manual and should display appropriate courtesy and conduct while sharing the road with members of the public or while on King County property. If you have any questions about this information, please direct them to your supervisor or call one of the phone numbers listed in Section 1.2.

A copy of this manual should be in every King County vehicle, and copies should also be made available to employees at all facilities and offices. There should also be a vehicle owner's manual in the glove compartment of each county vehicle. Please read both manuals thoroughly before operating your vehicle.

This manual is also available on Fleet Services's intranet website, www.kingcounty.gov/eet.

2 Driver authorization and safety guidelines

2.1 Authorization

Only employees of King County who have valid Washington State drivers licenses are permitted to operate a King County vehicle. Individuals not employed by the county are prohibited from driving county vehicles without prior written approval from the Deputy King County Executive (Per Executive Policy FES 12-1-3 (EP))

2.2 Washington State Drivers License

Each agency's director, or the director's designee, is responsible for verifying that the agency's employees have valid Washington State drivers licenses before authorizing the employees' use of a King County vehicle. The employee's license must cover the class of vehicle that the employee is assigned to operate. For example, a motorcycle license or a commercial drivers license (CDL) may be required. Every person requesting permission to operate a county Motor Pool Dispatch vehicle must indicate that he or she has a valid Washington State drivers license each time he or she reserves a vehicle through the Motor Pool Dispatch online reservation system. The Fleet Services Division may request the driving records of any King County vehicle operator from the State Department of Licensing. Employees may also have to meet additional requirements before they can use a King County vehicle (for example, drivers operating with a CDL may be required to undergo drug testing).

2.3 King County policy on driver safety

As a provider of various public services, King County holds safe operation above all other performance criteria. Employees should operate all vehicles and equipment and conduct themselves in a manner that reflects the highest regard for the safety of the public, other King County employees, and the property of our community members and organization.

When you are operating county vehicles and equipment, you should give every courtesy and consideration to the motorists, cyclists, and pedestrians with whom you share the streets and highway. Behavior that endangers others will not be tolerated. Unsafe equipment should be reported to the appropriate vehicle maintenance shop manager.

2.4 Defensive driving

Employees who drive King County vehicles should use the principles of defensive driving, which help you drive safely and avoid accidents. Obey all traffic laws, be courteous to other drivers, and always be prepared to yield. Remember that driving demands your full concentration and attention.

Here are five defensive driving habits that will help you drive safely and avoid accidents:

1. Get the big picture. Watch over a wide and deep traffic scene rather than any one detail.
2. Keep your eyes moving. Move your eyes about every two seconds and much more often in heavy traffic.
3. Aim high in steering. Don't focus your attention on the vehicle in front of you. Instead, focus three to four vehicles ahead.
4. Make sure that others see you. Get eye contact before taking action. Make sure that other people (drivers, pedestrians, bicyclists, etc.) see you and show by their actions that they are aware of you.
5. Leave yourself an escape route. Pace yourself so you always have an out if trouble develops. Do not follow any moving vehicle ahead of you too closely. Give yourself enough braking distance for stopping. Avoid driving side-by-side with other vehicles or in their blind spots.

2.5 Driver training

Employees driving a county vehicle an average of once a month or more must be trained in King County defensive driving procedures. Division directors should contact the Safety and Claims Management (206-296-0510) or check out the County website for training at www.kingcounty.gov/audience/employees/safety-claims/safety-at-work/safety-training-classes.aspx to coordinate training as needed. If you are a driver and have not received this training, it is your responsibility to contact your supervisor immediately.

3 Policies and procedures for vehicle operators

3.1 Personal use

Personal use of county vehicles is prohibited except where reasonably necessary to accommodate the employee's meals and other physical needs

3.2 Transporting non-county employees

County vehicles should not be used to transport any person or employee other than the vehicle operator unless that transport is directly related to county business

3.3 Driving outside of King County

County vehicles may be driven outside the county or outside the state of Washington and into Canada only with prior authorization from the driver's division or department director. Because the vehicle's Voyager Fuel Card is not valid outside of the state of Washington, you will need to make alternative arrangements for fueling the vehicle by contacting Fleet Services at 206-477-3880.

3.4 Traffic and parking violations

If you are pulled over by law enforcement while driving a county vehicle, the officer may ask you for the vehicle's registration and proof of insurance. The vehicle registration certificate is in the glove compartment of each county vehicle managed by Fleet Services. A copy is also kept on file at the Fleet Services Division. Per RCW chapters 46.30.020 and 46.16.020, government vehicles are exempt from the requirement to carry proof of insurance. A copy of this certificate of Self-Insurance is located in section 10.3 of this manual.

If you are cited for a moving or parking violation while driving a county vehicle, you are responsible for paying any fines (per Executive Policy FES 12-1-3 (EP)).

King County vehicles are not exempt from paying for metered parking. Parking in a space reserved for disabled persons may result in a \$250 fine unless a disabled parking permit is clearly visible in the windshield (RCW 46.16.381).

You are also responsible for paying any fines resulting from automated photo enforcement of traffic laws. These tickets are mailed to the registered owner of the vehicle, which in this case is King County. Fleet Services will forward them to the driver via the driver's department or division. If the driver of the vehicle cannot be identified, the agency that employs the driver and/or operates the vehicle must pay the fine.

Your agency is responsible for ensuring that any fines you incur while operating a county vehicle are paid if you do not pay the fine, your agency is responsible for paying it. All citation fines must be paid on time.

3.5 Seat belts

All drivers and passengers in county vehicles are required to wear seat belts at all times when the vehicle is in use.

3.6 Smoking

Smoking is prohibited in all county vehicles, per King County Code Section 12.50.030. This includes electronic smoking devices, such as e-cigarettes, hookah pens, e-hookahs, and vaping pens. The use of these devices is prohibited in county vehicles as well as in all places where smoking is prohibited under state law and King County policy. This regulation comes from Title 19 of the Board of Health Code. Chewing tobacco in county vehicles is also prohibited per Executive Policy FES 12-1-3 (EP).

3.7 Driving under the influence

No one who is under the influence of drugs or alcohol may operate a King County vehicle.

3.8 Cell phones

It is against the law to use a personal device while driving.

In 2017, the Washington State Legislature passed the Driving Under the Influence of Electronics (DUIE) Act. Under this new law, it is a traffic infraction to operate a vehicle while:

- Holding a personal electronic device in either or both hands
- Using your hand or finger to compose, send, read, view, access, browse, transmit, save, or retrieve email, text messages, instant messages, photographs, or any other electronic data
- Watching a video

Using your finger to activate, deactivate, or initiate a function on a device such as hands-free calling or GPS maps remains legal.

The Act specifies four exemptions from the infraction:

1. A driver summoning emergency services
2. A driver operating an authorized emergency vehicle
3. A transit system employee using a system for time-sensitive relay communication with transit dispatch services
4. A commercial motor vehicle driver with a valid CDL using the device within the scope of their employment as allowed by federal law

Although using devices in hands-free mode remains legal, even hands-free doesn't necessarily mean the driver is distraction-free. The new law addresses more than just using personal electronic devices -- it is also illegal to drive dangerously distracted in any manner that interferes with the driver's ability to operate the vehicle safely.

The county encourages employees to use cell phones to call for help or to help others in emergencies. However, do not place yourself or others in danger while doing so. If you witness a serious auto accident, a crime in progress, or another serious emergency that puts lives in danger, call 911 and give the exact location and other relevant information. Stay on the line as long as the dispatcher requires.

3.9 Secure your load

State law requires drivers to secure all loads transported in vehicles or trailers before driving on public roads in Washington (RCW 46.61.655). Even if you are driving a short distance, your load and any items used to cover or secure the load, such as tarps or straps, must be secured. By taking the time to make sure your load is safe to transport, you can prevent harm to others and save yourself a costly fine.

For the complete King County executive order, refer to PER 18-9 (AEO).

3.10 Parking assigned and dispatch vehicles

Assigned vehicles

Request authorization to park assigned King County vehicles in county parking garages through your Division Director. County parking garages are operated by different management companies; parking access cards can be obtained from the management company for your garage (see table below).

Downtown county parking garages and their current management companies:

Parking facility	Management Company
Goat Hill Garage 415 6th Avenue, Seattle, WA 98104	Standard Parking 206-652-0849
King Street Center 201 S Jackson Street, Seattle, WA 98104	Diamond Parking 206-686-6141

Loaning or transferring an assigned King County garage access card is prohibited.

Dispatch vehicles

When you return the vehicle, park it in its assigned space, lock it, note the stall number, and return the keys to the key-manager box. When returning the keys, note if the vehicle needs servicing, cleaning, or re-fueling on the keypad when prompted.

If the assigned parking space is not available, park in the nearest non-assigned parking space and notify Fleet Services by calling 206-477-3880 or e-mailing motorpooldispatch@kingcounty.gov.

4 Use of dispatch vehicles

Motor Pool Dispatch vehicles are available 24 hours per day, seven days per week through the use of our online reservation system and unattended key-manager boxes

Before reserving a vehicle, county employees should carefully assess the need for travel by car to a meeting outside of county facilities. Could the same goals be accomplished with telephones, e-mail, web conferencing, or other alternatives to physical travel? Could the employee get to the meeting and back with public transportation or in a carpool?

Please schedule vehicle reservations online if possible, saving telephone reservations for those who lack access to the Internet or e-mail, or for emergencies such as network failures or severe time constraints

You must inspect the vehicle before you accept it and leave the Motor Pool Dispatch parking area. Walk around the vehicle and examine its exterior to determine its general condition, and inspect the interior including the trunk to be sure it is clean and free of debris, dirt, and smoke odors

1. Exterior: check the tires (for over-inflation, under-inflation, or extreme wear) and lights, and look for body damage. The applicable tire pressure for each vehicle is listed on a plate on the driver's-side door jamb or on the glove compartment door
2. Interior: check the mirrors, gauges, horn, wipers, defrosters, lights, emergency equipment, and seat belts, and secure all loose objects. Clean the windows and mirrors if necessary
3. Do a test stop to check the brakes.

Report any problems or concerns to the Fleet Services Division by calling 206-477-3880 or e-mailing motorpooldispatch@kingcounty.gov.

4.6 Returning the car and key

As a courtesy to the next driver, please return a clean and fueled vehicle. The Fleet Services Division may charge your agency \$50 for any returned vehicle that needs cleaning, has less than a half tank of fuel, or if a locked Voyager fuel card is not reported to Fleet Services Division (for security reasons, if you swipe the fuel card more than three times, it will be locked.)

1. When you return, touch the round metal end of yellow data key to the car lock. This will record your trip data.
2. Enter your access code on the keypad to re-enter the key manager box. After you answer a brief set of questions, return the key to any slot in the box.
3. Close the key box door and make sure it is locked

Note: Report any damage to the vehicle, or a non-working fuel card, to the Fleet Services Division by calling 206-477-3880 or e-mailing motorpool.dispatch@kingcounty.gov.

5 Assigned vehicles and authorized take-home vehicles

5.1 Assigned vehicles

A vehicle may be assigned to a single employee or retained within the agency for use by several employees at the agency manager's discretion. Employees may be assigned vehicles overnight for the conduct of county business

Employees may obtain authorization on a case-by-case basis for occasional overnight use, or approval for a take-home vehicle assignment either

case, they must provide justification and prior written approval from the department director or his/her authorized representative

Whenever possible, pick up or drop off a county vehicle at a designated county parking area to avoid the unnecessary assignment of an overnight vehicle

Provisions for take-home vehicle assignments are outlined in Executive Policy FES 12-2-2 (AEP) and King County Code 3.30.

5.2 Definitions: Assigned vehicles and authorized take-home vehicles

Occasional overnight use: Employees may make occasional business-related overnight use of county owned vehicles. KCC 3.30.020 defines occasional overnight use as no more than 12 times per quarter, on average. Employees who need to take county vehicles home more frequently must request authorization for take-home vehicles

Assigned take-home vehicles: An assigned take-home vehicle is one that is used by a county employee for county business and for regularly commuting to and from the employee's home and workplace

5.3 Authorization of take-home vehicles

The Fleet Services Division must approve and monitor the assignment of take-home vehicles, and is also required to re-evaluate and update all take-home vehicle assignments twice per year. Employees seeking authorization to take county vehicles home must complete the Take-Home Vehicle Assignment Authorization Request form, have it signed by their department or division directors, then forward it to the Fleet Services Division for review and approval

Take-home vehicle assignments may be authorized for the following reasons:

1. The vehicle is needed for emergency response
2. Economic benefit to the county
3. The vehicle is a special vehicle or has special equipment in it
4. A take-home vehicle is one of the provisions of a union contract
5. The employee is a commissioned police officer, road use investigator, or arson investigator (Employees in this category are exempt from the need to request authorization.)

To learn more about the authorization process, review Executive Policy 12-2-2 (AEP) or contact the Fleet Services Division.

If you take a county vehicle home more than 12 times per quarter, you must complete monthly Vehicle Take-Home Trip Log forms and submit them to your director or the Sheriff or the appropriate designee. Copies of these forms will be forwarded to Payroll and the Fleet Services Division. The forms

and instructions for completing them are available from the Fleet Services Division. Commissioned officers of the Sheriff are exempt from having to complete these forms

5.4 Commuting in a vehicle assigned to another employee

A commuting trip is considered to be personal use for the driver and each rider. Employees who commute more than once per month in vehicles assigned to other employees are personally responsible for reporting the total number of commute trips (non-control employees) or personal miles (control employees) each month on the respective log form. If an employee makes only one round-trip commute in the month, the IRS considers this inconsequential and no reporting is required

6 Fueling

6.1 Dispatch vehicle fueling policies and procedures

Drivers are responsible for ensuring that their vehicles are adequately fueled, both before leaving and before returning the vehicles to the garage. Each vehicle must be returned with no less than half a tank of fuel. If a driver returns a dispatch vehicle with low fuel, the Fleet Services Division may charge the driver's department a \$50 penalty for reporting fueling problems to the Fleet Services Division at 206-477-3880.

6.2 General fueling policy

Use only self-service, regular, unleaded gasoline in county vehicles. They are designed to use 87-octane fuel in order to keep fuel costs low. Drivers are encouraged to use county fueling sites for fueling county vehicles whenever possible. Refer to section 6.9 for a list of county in-house fueling sites. If your vehicle is equipped to use ethanol (E85) or some other alternative fuel as well as gasoline, you should use the alternative fuel whenever possible. This helps keep operating costs low, and the air clean.

6.3 Unauthorized use of unleaded-plus, premium gasoline, and full-service fueling

In addition to the normal vehicle rental rates, the Fleet Services Division may separately bill your agency for the added cost of any unauthorized use of unleaded-plus, premium gasoline, or full-service fueling

If you repeatedly use more-expensive fuel or services, the Fleet Services Division will notify you of non-compliance with its policies, and may ultimately deactivate or cancel your fuel card

6.4 Tips for achieving fuel efficiency

Drivers are responsible for using county vehicles in a manner that will ensure maximum fuel savings. Here are some tips for fuel efficiency:

1. Eliminate unnecessary trips
2. Plan all travel routes in advance
3. Remove excess weight from the vehicle
4. Drive within the speed limit
5. Avoid unnecessary idling
6. Develop and maintain proper driving habits
(Examples: don't over-accelerate; avoid constant braking)
7. Inflate tires to meet manufacturer recommendation.
8. Take assigned vehicles to county maintenance shops at the scheduled mileage intervals

6.5 Use of fuel cards

Fleet Services assigns a specific fuel card to each vehicle. The card may be used at county fuel sites or commercial vendor stations. The cards are coded with information specific to each vehicle, including fuel type and tank size.

1. Commercial fuel cards may be used only for the vehicles to which they are issued. Never use the card to fill up other vehicles or containers.
2. Commercial fuel cards may be used at self-service islands.
3. Commercial fuel cards may be used for discounted car washes at county-approved commercial car wash facilities.
4. Commercial fuel cards may be used to pay for vehicle emergency services, if the total cost (including tax) does not exceed \$90.
5. Copies of receipts for any non-fuel purchases must be submitted to the Fleet Services Division on the next business day. Write the vehicle number on the receipt.
6. Each time you fuel a county vehicle at an automated fueling station, enter the correct vehicle odometer reading and your PIN into the fuel dispenser.
7. If a fuel card does not work at a retail station, please report it to Fleet Services, 206-477-3880.

**Voyager card
does not work
at AM/PM, ARCO,
7-11, Safeway,
QFC/Fred Meyer, or
Costco. There are
Voyager signs on
approved pumps/
vendors**

The use of commercial fuel cards to fuel personal vehicles, or for any uses other than those prescribed in this document, is prohibited. Employees who violate this policy are subject to disciplinary action, up to and including termination.

6.6 Fuel Card procedures

1. Insert the commercial fuel card or King County card, with the black strip face-down.
2. Enter your PIN which is the last 5 or 6 digits of your employee ID number
3. Enter your current odometer/mileage reading and press Enter
4. Enter the hose/pump number and press Enter

Troubleshooting fuel card problems

1. Does the station accept the King County commercial fuel card?
2. Verify that you are entering a valid PIN (the last 5 or 6 digits of your employee number).
3. If you swipe the fuel card more than three times, it will be locked. You'll need to call the toll-free number on the back of the card (1-800-987-6591) to have it unlocked.

If you are still unable to purchase fuel, you may pay out-of-pocket. Write the vehicle number and odometer reading on the receipt and keep it as a record of your purchase. Contact the Fleet Services Division (206-477-3880) to find out where to submit the receipt for reimbursement.

If you are fueling at a county in-house facility and the fuel card assigned to your vehicle is damaged so the card reader cannot read it, you may push the enter key on the card reader and follow prompts to obtain fuel. If you have questions call Fleet Services at 206-477-3880 (8 a.m. to 5 p.m. Monday-Friday).

6.7 Safeguarding the fuel card

Each driver is responsible for safeguarding the vehicle's fuel card. Do not keep your PIN with the fuel card. Do not expose the card to magnetic items, heat, or direct sunlight. Be sure to store it in a place that is not exposed to these things, and keep it in its cardholder at all times. On most county vehicles, the card holder is permanently attached inside the glove compartment door or to the key ring.

If your vehicle's fuel card is lost, damaged, or not working, or if the system states that your vehicle has a bad odometer, report the problem immediately to Fleet Services at 206-477-3880 (8 a.m. to 5 p.m. Monday-Friday) so the issue can be resolved.

6.8 Inventory of fuel cards

Each agency with assigned vehicles must maintain a list of all active fuel cards. The list must contain fuel card numbers and vehicle numbers, verifying that each vehicle has its own respective assigned card. If you find additional fuel cards, report them immediately to Fleet Services.

6.9 King County fueling sites

Below is a list of King County in-house fueling sites that King County vehicle drivers may use. Drivers must use their assigned fuel cards when obtaining fuel. If a county fueling site is not operating, please call 206-477-3880 for assistance with manually dispensing fuel. While fuel pumps are in manual operation, you must record the amount of fuel you dispense in this way on the Weekly Fuel and Oil Log Sheet at the site (See Appendix 10.1).

To keep fueling costs as low as possible, Fleet Services encourages drivers to use King County fueling locations whenever possible. A driver's second choice should be Pacifi c Pride stations for those vehicles that have Pacifi c Pride cards. Major brand, commercial fueling stations are a third choice.

6.10 Pacifi c Pride fueling stations

Below is a list of Pacifi c Pride fueling stations that may be used by drivers of King County vehicles. These stations are unattended and require a Pacifi c Pride fuel card to buy fuel. Fleet Services has issued Pacifi c Pride cards to agencies and vehicles that are participating in the Pacifi c Pride program. Do not use the Fleet-issued Voyager cards at Pacifi c Pride stations because the county will be charged the full retail price as opposed to the bulk fuel price.

On the way out, keep to the right and the gate will automatically open. If for some reason the gate is not working, call 206-477-8100 for assistance.

7.3 Scheduling preventative maintenance

King County Fleet has established the following guidelines as the normal interval for vehicle services:

General Purpose:

- 6,000 miles or six months (regardless of the mileage) for lube/oil/filter
- 12,000 miles or twelve months for safety inspections

Patrol:

- 4,000 miles or four months for lube/oil/filter and safety inspection.

It is the responsibility of the vehicle operator, for assigned vehicles, or the unit vehicle coordinator, to have vehicles serviced on time. A 15% variance is allowed before or after the actual miles reached. This allows the service to be scheduled around peak loads and travel requirements. It is advised to schedule appointments on weekday mornings, between 6:30 a.m. and noon. Contact the Fleet shop that is convenient for you to schedule service.

Each time you bring the vehicle in for a scheduled repair, you must complete a Repair Request form (sometimes called a BO form) provided by the shop manager (see Appendix 10.2). The accurate current mileage must be included on the Repair Request form.

7.4 Unscheduled repairs

If your vehicle requires an immediate unscheduled repair, notify the shop maintenance supervisor if possible before bringing the vehicle in to have the repair done. If the vehicle is not drivable or unsafe to operate, call the appropriate maintenance shop to make arrangements to have it towed. After normal work hours, call the nearest towing company listed in Section 8. Each time the vehicle is brought into the shop for an unscheduled repair, you must also complete a Repair Request (BO) form, which will be provided by the shop manager (see Appendix 10.2).

7.5 Emergency repairs

During normal work hours, a vehicle in need of repair must be taken either to the Orcas Street Motor Pool Shop or to the Renton Maintenance and Repair Shop. You will be required to fill out a Repair Request (BO) form stating the problem or symptoms. For additional questions or help, call the shop:

Orcas Street Motor Pool Shop 206-263-9800
7 a.m. - 4 p.m., Monday - Friday

Renton Maintenance and Repair Shop 206-477-2540
6 a.m. - 6 p.m., Monday - Friday

If the emergency occurs between 6 p.m. and 6 a.m. or on a holiday or weekend, use your best judgment in deciding whether or how to get a vehicle repaired. Drivers may incur reimbursable charges of up to \$90, or make

arrangements to have the vehicle towed (see Section 8). It is your responsibility to inform your supervisor, as well as the vehicle maintenance managers, of your vehicle's problem and to notify the Orcas Street Motor Pool Shop or Renton Maintenance and Repair Shop

If maintenance or repair of the vehicle will take longer than originally estimated, the shop manager will notify the driver or agency contact of the new expected completion date/time

7.6 Loaner vehicles

If you need to use a vehicle while your assigned vehicle is being repaired:

1. First, check to determine whether another vehicle is available for use within your agency
2. If no vehicle is available within your agency, check with the appropriate Fleet Maintenance Shop supervisor to see if a loaner vehicle is available for temporary use. There is no charge to customers for the use of a loaner vehicle
3. If no loaner vehicle is available, you may rent a vehicle from Motor Pool Dispatch at the applicable rental rate (see section 4).

7.7 Reimbursement for emergency expenses

Certain emergencies may occur that can be easily remedied at a service station (for example, a broken fan belt or radiator hose). You may make the necessary purchase, either by cash or with your personal credit card, or make arrangements to have the vehicle towed to the closest county Fleet Maintenance Shop (see map on page 21 for King County's contracted towing providers). If you incur any expenses on your personal card, you must get a receipt with the vehicle number, license number, and current mileage noted when making reimbursable emergency purchases. The purchase must not exceed \$90, including tax. Submit the original receipt to Fleet Services Division for tracking of all charges for the vehicle. Note: This type of purchase should be made in emergency situations only.

8 Towing and car washing

8.1 Towing

If a vehicle becomes unsafe to operate, get off the road or out of traffic! Do not continue to operate a vehicle that is unsafe

Certain vehicle emergencies can easily be remedied at a service station (broken fan belt, radiator hose, etc). You must get a receipt with the equipment number, license number, and odometer reading noted. The purchase must not exceed

\$90, including tax. You can get reimbursed for this cost by turning the receipt in to Fleet Services at the downtown office or at either maintenance facility.

Remember, this type of purchase is authorized only for emergencies possible, notify either the Orcas Street Motor Pool Shop (206-263-9800) or Renton Maintenance and Repair Shop (206-477-2540) before you make the purchase

Towing outside King County

If you are outside the county's boundaries and need towing, please contact the Orcas Street Motor Pool Shop, 206-263-9800, or Renton Maintenance and Repair Shop, 206-477-2541. For after-hours and weekend towing outside King County, call the primary towing company closest to your location (see map on page 21). If you are unable to call a towing provider, call the Roads 24 hour line at 206-477-8100 or 911 and request the non-emergency line

8.2 Vehicle washing and cleaning

The cleanliness and condition of our vehicles have an effect on the public's perception of King County government, so we encourage agencies and individuals with assigned vehicles to keep them clean. Vehicles should be cleaned and washed at least once a month. Fleet Services has made arrangements for discounted vehicle washing. See the table on page 24 for a list of car wash locations and the recommended payment method

Several Brown Bear car wash locations have implemented RFID technology. Fleet Services is installing new Brown Bear car wash RFID tags when vehicles come into the shop for service. Drivers may stop by the Motor Pool or the Renton ER&R shop to request the installation of the BBCW RFID tag on their Fleet vehicle

The Brown Bear car washes that do sell gasoline still accept the Voyager card, but you must select discount coupon on the kiosk to get to the cashier

To purchase a car wash using the new RFID tags:

1. Drive up to the car wash kiosk
2. The kiosk should read the RFID tag on the windshield and raise the lift arm gate
3. The car wash attendant will signal for you to enter the car wash. DO NOT give the attendant the Voyager card since this would cause us to be double-billed for the car wash. The RFID will record the car wash charge

If your vehicle has an RFID tag and you want to purchase a car wash at a location which does not sell fuel, and does not have a new kiosk:

1. Pull up to the cashier
2. The cashier will open the driver's side door to scan the bar code sticker in the door jamb
3. Then you may enter the car wash.

9 Accidents

9.1 Vehicle Accident Reporting

If you are involved in an accident while operating a county vehicle, follow these procedures:

1. Stop as soon as it's safe to do so.
2. Serious injuries? Call 9-1-1 for medical assistance
3. Assess the situation. Protect the scene to prevent further injury or damage
4. Call police (9-1-1). The dispatcher will tell you if an officer will be sent to the scene
5. Call a Fleet maintenance shop for assistance and to report the incident:
 - Orcas Street Motor Pool Shop
206-263-9800 7 a.m. to 4 p.m., Monday - Friday
 - Renton Maintenance and Repair Shop
206-477-2540 6 a.m. to 6 p.m., Monday - Friday
 - After hours, call and leave a message at one of the shops
6. Gather data and exchange information.
DO NOT DISCUSS THE INCIDENT WITH ANYONE EXCEPT POLICE. Do not admit fault. Do not agree to settle any claims against you or King County.
 - Get the name and address of any and all witnesses using the Witness Information card from the packet in the glove compartment. If a witness cannot stay at the scene, get his/her name and address, and give him/her the Witness Information card to fill out and mail
 - Exchange contact information (name, phone number, address) with parties involved (driver/pedestrian/property owner) using the Notice to Involved Parties card (in packet).
 - Take photos of the scene and damage

7. Fill out the State of Washington Vehicle Collision Report (in packet) at the scene, regardless of the amount of damage
 - Make two copies of the completed form.
 - Send the original completed form (top copy) to Risk Management (ADM-ES-0320) and keep the duplicate copy (bottom copy) for your records
 - Send one copy of the completed form to your supervisor
 - Send one copy of the completed form to King County Fleet Services (KSC-ES-0822).
8. If you need a tow truck after the Fleet Maintenance shop is closed, call a towing provider. See pages 20-22 in the King County Vehicle Drivers' Operating Manual (in glove box) for a list of towing providers
9. Within 24 hours:
 - Notify your supervisor
 - Notify Risk Management
 - Send vehicle collision reports (as per step 7)

DO NOT

- State that the county will take care of any expenses
- Give any statement or discuss accident responsibility with anyone other than law enforcement authorities.

9.2 Bodily injuries to King County employees (Driver or passenger)

Bodily injury sustained through a vehicle accident by a county employee on county business is covered by the King County Self-Insured Workers' Compensation Program. The injury must be reported to the Safety and Claims Management Office (206-296-0510), and the employee's supervisor as soon as possible

9.3 Insurance coverage (Self-Certificate No. 33)

King County is self-insured for automobile liability. Any authorized King County employee acting in good faith within his or her scope of employment is covered by the county's self-insured program (see Appendix 10.3) while driving or riding in a county vehicle

Government vehicles are exempted from the requirement that vehicles carry proof of insurance papers (see RCW chapters 46.30.020 and 46.16.020). When completing the State of Washington Motor Vehicle Collision Report Form, therefore, in the section of the form requesting the name of your insurance company enter Self-Certificate No. 33 (see Appendix 10.3).

9.4 Responding to an observed or discovered vehicle accident scene

The public often perceives King County employees as public servants with a duty and authority to assist in emergency situations. King County employees who are not trained professional responders are not obligated to provide medical care or assistance. However, the county offers the following guidance for responding to a severe vehicle accident.

If you observe or come upon the scene of a vehicle accident before professional responders have arrived, all of these things are true:

- You believe the accident may have resulted in serious injuries; and
- You have a way to summon assistance; and
- You can safely stop your vehicle out of harm's way;

Then follow these steps:

1. Park your vehicle in a safe location, out of traffic lanes if possible, and turn on your emergency flashers.
2. Pause for a few seconds and evaluate the situation.
3. Call the accident in to 911. Be prepared to give the dispatcher your location and information about any apparent injuries.
4. Use extreme caution if you choose to exit the vehicle. If a reflective vest is available, use it.
5. Tell people at the scene that you have called for help.
6. If you can do so safely, alert oncoming traffic to the accident. Stay out of traffic lanes.
7. If you can do so safely, turn off the ignition switch on vehicles involved to reduce the risk of fire.
8. Do not provide first aid or CPR unless you have been properly trained. If the victim is conscious, ask if he or she wants assistance before attempting to render aid. If the victim rejects an offer of help for any reason, do not aid him or her. If you are trained and certified in first aid or CPR, you are authorized to use universal precautions and provide aid to the level of your training.
9. Do not move a victim unless there is some other danger, such as fire. Victims in the roadway can be protected from traffic by positioning vehicles appropriately with their emergency flashers turned on.

10. If you can do so safely, remain at the scene until professional responders arrive and take control. Give a brief report to the officer in charge explaining who you are and what you have done. If the officer in charge determines your assistance is no longer needed, ask if you can be released from the scene.
11. Communicate your involvement with your supervisor. You may be asked to complete an incident report.

Your primary concerns, in order, are:

1. Maintain your own safety
2. Summon assistance
3. Protect the victim(s) from further injury
4. Communicate with others to manage the scene until professional responders arrive

Thank you for reading this manual,
and remember to drive safely!

6.0 POLICIES:

6.1 Departments shall make available for inspection and copying all nonexempt public records in accordance with the Washington State Public Records Act.

6.2 Public records requests are encouraged to be made in writing. Oral requests will be accepted, and the substance will be promptly confirmed in writing to the requestor.

6.3 In the event that requested records contain information that affects third parties, the public records officer may, before providing the records, give notice to affected persons in accordance with RCW 42.56.540. The notice shall include a copy of the request.

6.4 If a Department believes that a record or any part of a record is exempt from disclosure, the public records officer shall provide to the requestor a written communication identifying the

record or portion withheld, the specific exemption relied upon and the authority for the exemption, and briefly explaining how the exemption applies to the record or portion withheld, including enough information for a requestor to make a threshold determination of whether the claimed exemption is proper. If only portions of a record are exempt from disclosure, the public records officer shall redact the exempt portions and provide the nonexempt portions. The documentation described in this section should be presented in the form of a withholding index.

6.5 A requestor may choose to have copies of records made instead of inspecting them. Charges for copies shall be made in accordance with RCW 42.56.070 and .120. The Department may require a deposit of up to ten percent of the estimated costs of copying all the records.

6.6 If the requestor chooses to inspect records before deciding whether to have copies made, the Department shall promptly provide space for inspection except when and to the extent that it would cause excessive interference with other essential functions or unreasonably disrupt operations. A Department employee will observe and document the inspection. No member of the public may remove a document from the viewing area or disassemble or alter any document. The requestor may indicate which records he or she wishes to have the Department copy.

6.7 When the request is for a large number of records, the public records officer shall provide access for inspection and copying in installments, if the public records officer reasonably determines that it would be practical to provide the records in that way.

6.8 If, within thirty days after notification that records are available for inspection or copying, the requestor fails to inspect the entire set of records or one or more of the installments, as applicable, the public records officer shall stop searching for any remaining records and close the request. The requestor shall be notified in writing of this action.

6.9 If a Department becomes aware after informing the requestor that all responsive records have been provided that additional responsive records existed at the time of the request, it shall promptly inform the requestor of the additional records and provide them on an expedited basis.

6.10 Departments are prohibited by statute from disclosing lists of individuals for commercial purposes.

6.11 Departments may not distinguish among persons requesting records, and persons requesting records shall not be required to provide information as to the purpose of the request unless necessary to determine whether an exemption applies or whether a list of individuals is being requested for commercial purposes.

6.12 Any person who objects to the initial denial or partial denial of a public records request may petition in writing to the public records officer for a review of the decision. The petition shall include a copy of or reasonably identify the written statement by the public records officer denying the request.
