Hi my name is Elaine Simons. I am Jesse Sarey foster mother, who was murdered on May 31st, 2019 by then Auburn Police Officer Jeff Nelson.

As part of the API- Asian Pacific Islander community. Jesse is Cambodian.

Our family is here in solidarity with the Tommy Le family.

We are concerned about the use of deadly force that resulted in the death of their son.

Our family falls under the 940 Law, my foster son was #19.

I believe the outcome would of been different For Tommy Le.

To hold police above the law concerns me. Officers Use of Force needs to be addressed and evaluate these incidents.

Where is Justice for Tommy Le?
