**Impact of the above legislation on the fiscal affairs of King County is estimated to be:** The Bureau of Immigration and Customs Enforcement (ICE) Customs Investigations has requested the King County Sheriff's Office participation in a multi-jurisdictional currency/narcotics investigations task force. This agreement is a renewal of a previous agreement. The agreement entitles the King County Sheriff's Office reimbursement for overtime worked on behalf of ICE, up to \$13,000 per officer. The Sheriff's Office would assign an existing detective to work with the task force. The King County Sheriff's Office would not incur any expenditures above the 2004 budget. The \$13,000 represents the maximum reimbursement, but may not be the actual amount of overtime.
