

**FOURTH AMENDMENT TO USE AGREEMENT WITH  
EASTSIDE FOOTBALL CLUB FOR SOCCER FACILITY AT PRESTON PARK**

RECITALS

- A. King County, a home rule charter county and political subdivision of the State of Washington ("the County"), and Eastside Football Club ("EFC"), a not-for-profit, tax-exempt 501(c)(3) corporation organized under the laws of the State of Washington entered into a, forty-year Use Agreement ("Agreement") with an effective date of August 7, 2007, for the construction and long term use of a Soccer Facility ("Soccer Facility") at the County-owned Preston Athletic Fields and Community Park ("Site"). This Agreement was amended by the First Amendment on February 26, 2008, by the Second Amendment on October 23, 2008, and by the Third Amendment on July 28, 2011.
- B. EFC is a not-for-profit Washington corporation that is tax-exempt under Section 501(c)(3) of the Internal Revenue Code. EFC is a community-based, open membership club organized to provide public opportunities for youth soccer, and is a member in good standing with Eastside Youth Soccer Association ("EYSA") and Washington State Youth Soccer Association ("WSYSA").
- C. Synthetic soccer fields have been identified as a regional or rural recreation need in King County. EFC has demonstrated the experience, ability, and resources to develop synthetic sports fields and associated facilities at the Site.
- D. King County Ordinance 14509 authorizes the Department of Natural Resources and Parks ("DNRP") to create new public recreational opportunities by empowering user groups, sports associations, and community organizations to operate, maintain and program mutually agreed upon capital improvements for public recreation facilities on King County land, and thereby address regional and rural recreation needs without encumbering new tax funded operations and maintenance costs.
- E. In accordance with K.C.C. 4.56.150.E, the King County Council may adopt an ordinance permitting the County to enter into agreements for the use of County property with bona fide nonprofit organizations if the property is to be used by the nonprofit organization to make improvements to the County property or to provide services that will benefit the public. The agreements are exempt from the requirements of fair market value, appraisal and notice.
- F. Ordinance 15704, adopted in March 2007, authorized DNRP to execute the Agreement with EFC for the use, construction, development, programming and supplemental maintenance of the Soccer Facility that was defined as including two synthetic soccer fields, one natural grass soccer field, related amenities, parking and site-wide infrastructure at the Site. Ordinance 15704 also committed the County's Community Partnerships and Grants ("CPG") program to contribute \$1,500,000 to the development of the Soccer Facility. For reference, the Agreement is attached as Exhibit A to this Fourth Amendment.
- G. In 2007 EFC began the work of developing the Soccer Facility.

- H. Section 2.7 of the Agreement, attached as Exhibit A to this Fourth Amendment, required EFC to pay the County a guaranteed rental fee of \$1,200,000 for the use of the Soccer Facility following the completion of its development, at a rate of \$120,000 per year for ten years, in consideration for the County's investment of \$1,500,000 in the Soccer Facility.
- I. King County Ordinance 15975, adopted in November 2007, allocated an additional \$400,000 of County capital funds to the project, and, in addition, the County Council approved an additional \$300,000 in CPG program funds, for a total additional County investment of \$700,000, increasing the County's investment in the Soccer Facility to a total of \$2,200,000, to provide additional assistance to EFC with the development of the Soccer Facility.
- J. In February 2008, EFC and the County executed the First Amendment to the Agreement, amending Section 2.5 of the Agreement to acknowledge the County's investment of an additional \$700,000 in the Soccer Facility; and amending Section 2.7 of the Agreement to increase the guaranteed rental fee to be paid by EFC to \$1,500,000 at a rate of \$150,000 per year for ten years in consideration of the County's investment of an additional \$700,000 in the Soccer Facility. For reference, the First Amendment is attached as Exhibit B to this Fourth Amendment.
- K. The Soccer Facility's two synthetic soccer fields were completed and opened to the public in March 2008. Numerous youth soccer teams have since been able to use these improvements to the Soccer Facility for practices and games. The natural grass soccer field portion of the Soccer Facility was not constructed, pending additional fundraising by EFC. The Agreement was not amended to reflect this change in schedule for the development of the third natural grass field.
- L. King County Ordinance 16245, adopted in September 2008, authorized the County Executive to negotiate a Second Amendment to the Agreement, amending Section 2.7 to change the term of the required rental fee of \$1,500,000 EFC would pay King County from a rate of \$150,000 a year for ten years to a rate of \$100,000 per year for fifteen years, and to begin those payments in 2008. The purpose of this amendment was to provide EFC greater flexibility in its fundraising efforts to complete the Facility. For reference, the Second Amendment is attached as Exhibit C to this Fourth Amendment.
- M. King County Ordinance 16932, adopted in September 2010, allocated an additional \$200,000 in County capital funds to the project, and, in addition, the County Council approved an additional \$50,000 in Youth Sports Facility Grant ("YSFG") Program funds, for a total additional investment of \$250,000, increasing the County's investment in the Soccer Facility to a total of \$2,450,000, providing EFC with additional funds to complete the Soccer Facility.
- N. In July 2011, EFC and the County executed the Third Amendment to the Agreement, amending Section 2.7 of the Agreement to reflect the additional investment of \$250,000 from the County. For reference, the Third Amendment is attached as Exhibit D to this Fourth Amendment.

- O. Following additional fundraising efforts, EFC has successfully secured sufficient funding, including cash or cash equivalents of donated materials, in kind services, and other consideration to EFC (including vendor discounts or concessions on products) to be used toward construction of the Soccer Facility's third soccer field and has proposed developing the third field as a synthetic field rather than as a natural grass field.
- P. King County and EFC now wish to amend the Agreement a fourth time to reflect the change to the plans for the Soccer Facility with the construction of a picnic shelter and the third soccer field as a synthetic soccer field and to specify that during the remaining term of this Agreement, as amended, annually EFC will have first priority to 3,000 hours of use that can be applied across the three soccer fields.

NOW, THEREFORE, King County and EFC agree as follows:

- 1. The text of Section 2.1 of the Agreement is deleted in its entirety and replaced with:  
  
"EFC agrees to design and construct the Soccer Facility on the Site consistent with the terms and conditions set forth in this Agreement and as contemplated by the Phases of Construction set forth in Exhibit E to this Agreement. The Soccer Facility will include three synthetic soccer fields, related amenities, plus parking and other required site-wide infrastructure, all as set forth in the Phases of Construction document, updated June 2014, which is attached as Exhibit E and by this reference incorporated into the Agreement."
- 2. The texts of Section 2.5 of the Agreement as may have been modified by Amendments 1, 2 and 3, are deleted in their entirety and replaced with:

"King County has provided a total \$2.45 million toward the capital cost to construct the Soccer Facility at the Site. This funding was disbursed as follows:

<b>Amount</b>	<b>Date of Disbursement</b>
\$750,000	August 27, 2007
\$750,000	September 19, 2007
\$300,000	March 4, 2008
\$400,000	March 4, 2008
\$50,000	September 6, 2011
\$200,000	September 6, 2011
<b>\$2,450,000</b>	<b>TOTAL</b>

More detail on these disbursements can be found in the FMD Milestone Review Grid, which is attached as Exhibit F and by this reference incorporated into the Agreement. EFC will be solely responsible to secure and provide all other funding needed to design and construct the Soccer Facility, as contemplated through Phase 3 of construction and detailed in Exhibit E to this Agreement. The present total estimated cost to construct the Soccer Facility is \$4.38 million, including anticipated donated services and materials.

With the exception of any CPG and YSFG grants that may independently be awarded to EFC, Issaquah Little League ("ILL") and Preston Community Club ("PCC"), King County will be under no obligation directly or indirectly to pay for any labor, material, or improvement associated with the Site or the Soccer Facility in excess of the \$2.45 million investment outlined above. EFC will, upon request, inform any inquiring person or entity that King County has no further financial obligations associated with the construction of the Site or the Soccer Facility."

3. The text of Section 2.6 of the Agreement is deleted in its entirety and replaced with:

"For the Term of this Agreement, King County agrees that EFC shall have first priority of use of the three soccer fields that are part of the Soccer Facility pursuant to the terms and conditions set forth in this Agreement, and EFC acknowledges and agrees that substantial public access to and use of the Soccer Facility is a material consideration for King County's execution of this Agreement. EFC shall have first priority to 3,000 hours of use to be allocated among the three soccer fields."

4. The texts of Section 2.7 of the Agreement, including all modifications made to the Section by Amendments 1 and 2, are deleted in their entirety and replaced with:

"Beginning in 2008, EFC will pay King County a guaranteed rental fee of \$100,000 per year for 15 years (Years 1-15) inclusive of electricity costs. For years 16-20, EFC will pay an hourly rental fee rate for synthetic field usage at the Soccer Facility to King County that is \$20 per hour less than the public hourly rental fee rate charged by King County, exclusive of electricity costs, for synthetic soccer fields for youth sports. This rate reduction is consideration for the substantial in-kind goods and services donated toward field construction by EFC's volunteers and general contractor, and the supplemental maintenance provided by EFC under this Agreement. During years 21-40, EFC will pay the public hourly rental fee to King County for synthetic field usage."

5. The text of Section 2.8 of the Agreement is deleted in its entirety and replaced with:

"Not used."

6. The text of Section 3.0 of the Agreement is deleted in its entirety and replaced with:

"CAPITAL IMPROVEMENTS. EFC will serve as the supervisory not-for-profit corporation for development and construction of the Soccer Facility through Preston Park LLC, a limited liability corporation formed exclusively to design and construct the improvements contemplated by this Agreement with LLC members ILL and PCC. EFC shall design, develop, and construct facilities, features, and amenities in accordance with all applicable design(s), timelines, restrictions, environmental considerations, permitting determinations, neighborhood impact mitigations, and all other requirements in coordination with King County Parks and Facilities Management Division's project management staff. EFC shall be responsible for all costs related to the development and construction of the Soccer Facility improvements contemplated by this Agreement. All

contracted work by EFC, its agents, affiliates, representatives, or subcontractors, shall be bonded and properly insured to ensure the complete and safe design and construction of all facilities, features, and amenities."

7. The text of Section 3.1 of the Agreement is deleted in its entirety and replaced with:

"POSSESSION DURING CONSTRUCTION. The parties acknowledge that EFC jointly developed with ILL and PCC portions of the Site to provide for a youth baseball field, picnic and play areas, and other related amenities at the Site during Phase 1 of the project. EFC constructed the warm-up area during Phase 2. These Phases are more fully described in Exhibit E and they are now complete. During Phase 3, it is contemplated that EFC shall jointly be developing with PCC a picnic shelter and EFC shall be developing the third synthetic soccer field. As between the parties, EFC shall have exclusive possession and use of that portion of the Site designated for development and construction of the improvements contemplated for Phase 3 during the design, development and construction phases. However, this right of exclusive possession and use by EFC is subject to King County's entry, inspection and audit rights under Article 5 of this Agreement and the following:

3.1.1 When EFC considers that all work or work associated with the Phase 3 is substantially complete, EFC shall give written notice to Parks. Parks will promptly inspect the work and, if it does not agree that the work is substantially complete, Parks will prepare a list of items to be completed or corrected ("Punch List"). EFC or its contractor shall promptly complete or correct all Punch List items at the sole cost of EFC or its contractor, as they may decide between them. For purposes of this Agreement, "substantially complete" means that:

- A. EFC and Parks have full and unrestricted use and benefit of the Soccer Facility for the purpose intended;
- B. All the systems and parts of the Soccer Facility are functional;
- C. Only minor incidental work or correction or repair remains to complete all Soccer Facility construction requirements; and
- D. EFC's contractor has provided all occupancy permits and easement releases, to the extent that any are required or applicable, to the Soccer Facility.

3.1.2 WARRANTIES.

- A. With respect to all warranties, express or implied, for work performed or materials supplied in connection with the Soccer Facility, EFC shall:
  - 1. Obtain all warranties, express or implied, that would be given in normal commercial practice from suppliers, manufacturers, contractors, or installers;

2. Require all warranties be executed, in writing, for benefit of King County;
  3. Enforce all warranties for the benefit of King County; and
  4. Be responsible to enforce any warranty of a contractor, subcontractor, manufacturer, or supplier.
- B. If, within an applicable warranty period, any part of the Soccer Facility or work performed to construct the Soccer Facility is found not to conform to specifications, permit requirements, or industry standards, EFC shall correct it promptly after receipt of written notice from Parks to do so. If Parks determines that EFC's corrective action is not satisfactory and/or timely performed, then the Division may either correct the problem itself or procure the necessary services, recommendations, or guidance from a third party, and invoice EFC for the cost to remedy the problem. EFC shall promptly reimburse the Division for all costs, expenses, or damages incurred by Parks, including but not limited to the cost to remedy the problem. An invoice is deemed received by EFC three days after deposit in the U.S. mail with proper address and postage. Invoices must be paid within sixty days. Parks will add a late fee of five percent to any invoice not timely paid. Any invoice outstanding sixty days after receipt will be sent to collections.
- C. The warranty-related remedies provided in this *Section 3.1.2* are in addition to any other rights or remedies provided elsewhere in this Agreement or by applicable law."
8. The text of Section 3.5 of the Agreement is deleted in its entirety and replaced with:
- "CONSTRUCTION DEADLINES. EFC is required to complete the development and construction of Phase 3 within one year from obtaining the permits necessary to commence construction."
9. The text of Section 3.7 of the Agreement is deleted in its entirety and replaced with:
- "ALTERATION OF SITE OR SOCCER FACILITY AFTER CONSTRUCTION. After Phase 3 is completed and accepted by EFC and King County as defined herein, EFC will not make any material alteration to the Site or to the Soccer Facility, including any changes to the landscaping. King County hereby consents to the development of a third synthetic turf field at the Site, consistent with Exhibit E and the Agreement, as amended."
10. The text of Section 3.10 of the Agreement is deleted in its entirety and replaced with:
- "CONTRACTOR INDEMNIFICATION AND HOLD HARMLESS. EFC will require its construction contractors and subcontractors to defend, indemnify and hold King County, its officers, officials, employees and volunteers harmless from any and all claims, injuries, damages, losses or suits including attorney's fees and costs, arising out of or in connection with the design, development and construction of the Soccer Facility,

including the development of Phase 3 (hereinafter "Design and Construction Phase"), except for injuries and damages caused by the negligence of King County. The indemnification and hold harmless language will be at least as broad as that set forth in Section 5.19 of this Agreement."

11. The text of Section 4.9 of the Agreement is deleted in its entirety and replaced with:

"SITE MAINTENANCE PLAN. Once Phase 3 is completed, the Preston Fields and Community Park Site Maintenance Plan ("SMP") shall be updated and agreed to by King County (maintenance manager, CPG project manager, and DNRP management), EFC, PCC, and ILL and reviewed by the Labor Management Committee ("LMC"). The SMP shall be developed in a manner to ensure King County does not incur any new aggregate operating and maintenance costs requiring additional public funds for any part of the Soccer Facility, which includes Phases 1 through 3 (except as may be otherwise provided in this Agreement)."

All other terms, conditions, specifications and requirements of the Agreement shall remain unchanged and in full effect, except as amended herein.

By executing this amendment, each person signing below affirms that he or she is duly authorized to legally bind the entity that he or she represents.

This Agreement ("Agreement") is entered into by and between King County Department of Natural Resources and Parks, Parks and Recreation Division (hereinafter "King County") and Eastside Football Club (hereinafter "EFC") (collectively, the "Parties") for the use, development, programming, and supplemental maintenance of synthetic and grass soccer fields (hereinafter "Soccer Facility") at Preston Fields and Community Park (hereinafter "Site").

In consideration of the promises, covenants, and other provisions set forth in this Agreement, the Parties agree as follows.

**1. BACKGROUND**

- 1.1 King County, a home rule charter county and political subdivision of the State of Washington, is the owner of the Site, located at Preston Fall City Rd. SE and SE 87th Pl., Preston, WA, 98027, as described and depicted with greater particularity in Attachment A to this Agreement.
- 1.2 EFC is a not-for-profit Washington corporation that is tax-exempt under section 501(c)(3) of the Internal Revenue Code. EFC is a community-based, open-membership club organized to provide public opportunities for youth soccer, and is a member in good standing with Eastside Youth Soccer Association (EYSA) and Washington State Youth Soccer Association (WSYSA).
- 1.3 Synthetic soccer fields are identified as a regional or rural recreation need in King County. EFC has the experience, ability, and resources to develop synthetic sports fields and associated facilities at the Site and intends to develop a regional facility for soccer and other athletic and recreational uses at the Site.
- 1.4 King County has determined that synthetic soccer fields located at the Site will have significant and unique regional and/or rural public recreation value.
- 1.5 King County Ordinance 14509 authorized the Department of Natural Resources and Parks to create new public recreation opportunities by empowering user groups, sports associations, and community organizations to operate, maintain, and program mutually

agreed upon capital improvements for public recreation facilities on King County land, and thereby address regional and/or rural recreation needs without encumbering new tax funded operations and maintenance costs.

- 1.6 Allowing EFC to develop certain mutually agreed upon capital improvements, including synthetic soccer fields at the Site, as well as providing certain mutually agreed upon supplemental maintenance for the Soccer Facility will serve to implement the authority provided in Ordinance 14509, and to achieve the goals set forth in Section 1.5 above.
- 1.7 King County Code 4.56.150(E) authorizes the Department of Natural Resources and Parks to enter into agreements for the use of King County land by non-profit organizations that provide a service to the public or make improvements to the land.
- 1.8 King County is willing to allow EFC to develop and provide certain supplemental maintenance for the Soccer Facility at the Site under the terms and conditions set forth in this Agreement.

## 2. CONSIDERATION

- 2.1 EFC agrees to design and construct the Soccer Facility on the Site consistent with the terms and conditions set forth in this Agreement. The Soccer Facility will include two synthetic soccer fields, one natural grass soccer field, related amenities, plus parking and other required Site-wide infrastructure, all as set forth in Attachment A to this Agreement.
- 2.2 EFC agrees to assume responsibility for design, construction and certain supplemental maintenance for the Soccer Facility as set forth in this Agreement.
- 2.3. EFC has inspected and knows the condition of the Site, and agrees to accept the Site in *as is* condition.
- 2.4 King County does not make and specifically disclaims any warranties, express or implied, including any warranty of merchantability or fitness for a particular purpose, with respect to the Site, and no official, employee, representative or agent of King County is authorized to represent otherwise.
- 2.5 King County will provide a total of \$1.5 million towards the capital cost to construct the Soccer Facility at the Site pursuant to the Parks FMD Milestone Review Grid, attached hereto as Ex. \_\_\_\_\_. Except as may be hereafter provided by amendment, EFC will be solely responsible to secure and provide all other funding needed to design and construct the Soccer Facility. The present total estimate cost to construct Phase I of the Soccer Facility is \$3.7 million dollars, excluding anticipated donated services and materials. With the exception of any CPG and YSFG grants that may independently be awarded to EFC, Issaquah Little League ("ILL") and Preston Community Club ("PCC"), King County will be under no obligation directly or indirectly to pay for any labor, material, or

improvement associated with the Site or the Soccer Facility in excess of the \$1.5 million dollar capital grant outlined above. EFC will, upon request, inform any inquiring person or entity that King County has no further financial obligations associated with the construction of the Site or the Soccer Facility.

- 2.6 For the Term of this Agreement, King County agrees that EFC shall have first priority of use of the Soccer Facility pursuant to the terms and conditions set forth in this Agreement, and EFC acknowledges and agrees that substantial public access to and use of the Soccer Facility is a material consideration for King County's execution of this Agreement. The parties anticipate that EFC will use the Soccer Facility for approximately 2000-2200 hours annually, exclusive of the grass field.
- 2.7 EFC will pay King County a guaranteed rental fee of \$120,000 per year for 10 years starting from the date of the Soccer Facility's completion (Years 1-10), inclusive of electricity costs. For Years 11-20, EFC will pay an hourly rental fee for synthetic field usage at the Soccer Facility to King County at \$20 less than the public hourly rental fee charged by King County, exclusive of electricity costs, for synthetic and/or grass soccer fields for youth sports. The reduction is in recognition for the substantial in-kind goods and services donated by EFC's volunteers and general contractor, and the supplemental maintenance provided by EFC under this Agreement. EFC shall not be required to pay an hourly fee for use of the unlit grass field.
- 2.8 At least twelve months before the expiration of EFC's obligations under Section 2.7, King County and EFC will begin negotiations regarding EFC's hourly rental fee for the next ten-year period under this Agreement. The new hourly rental fee will take into account EFC's substantial investment in the Soccer Facility and EFC's ongoing supplemental maintenance responsibilities under this Agreement. The Parties will renegotiate EFC's hourly rental fee at least every ten years during the Term of this Agreement.
- 2.9 In light of EFC's substantial investment in the Soccer Facility, as well as EFC's ongoing supplemental maintenance responsibilities under this Agreement, the Term of this Agreement will be 40 years. Provided that EFC is then in compliance with the terms and conditions of this Agreement, EFC will notify King County in writing at least 12 months prior to the expiration of this Agreement whether EFC desires to negotiate renewal the Agreement (including any proposed modifications). EFC and King County may renew this Agreement, contingent on EFC's full compliance with the terms and conditions of this Agreement and King County's written commitment to renew. The Parties may modify this Agreement during the Term, as a condition of renewal, or during a renewal term.
- 2.10 King County reserves to itself all rights to naming and advertising at the Site and Soccer Facility, and further reserves to itself the right to keep and retain all revenue from naming or advertising agreements. King County agrees to consult with EFC in seeking and obtaining naming rights and advertising agreements and further agrees that EFC may

engage in soccer-related fund raising activities at the Site for the benefit of its teams during hours that EFC uses the Soccer Facility.

### **3. CONSTRUCTION OF SOCCER FACILITY**

- 3.0 CAPITAL IMPROVEMENTS.** EFC will raise and invest \$1.0 million in capital expenditures for the development and construction of the Soccer Facility on the Site, and contribute an estimated \$ 800,000 in donated professional services, management services, manpower and materials. EFC will serve as the supervisory not-for-profit corporation for development and construction of the Soccer Facility through Preston Park LLC, a limited liability corporation formed exclusively to design and construct the Site with LLC members ILL and PCC. EFC shall design, develop, and construct facilities, features, and amenities in accordance with all applicable design(s), timelines, restrictions, environmental considerations, permitting determinations, neighborhood impact mitigations, and all other requirements.
- 3.1 EXCLUSIVE POSSESSION DURING CONSTRUCTION.** King County acknowledges that ILL and PCC are jointly developing portions of the Site to provide for a youth baseball field, picnic and play areas, and other related amenities at the Site such that EFC will not have exclusive possession and use of the Site during the development and construction of the Soccer Facility. EFC shall be entitled, however, to exclusive possession and use of that portion of the Site designated for development and construction of the Soccer Facility during the design, development and construction phases. This right of exclusive possession and use by EFC is subject to King County's entry, inspection and audit rights under Article 5 of this Agreement.
- 3.2 DESIGN.** EFC has retained a licensed architect and/or licensed professional engineer, registered in the State of Washington, who has prepared a design for the Site and the Soccer Facility and exterior landscaping, which visually blends with the setting. King County has already reviewed the design plans for the Site in concept and reserves the right to approve the final design of the Site and the Soccer Facility, consistent with established King County zoning, design code, or both.
- 3.3 BUILDING AND SITE PLANS.** EFC has retained a licensed architect and/or licensed professional engineer, registered in the State of Washington, who has prepared building and site plans for the Site and the Soccer Facility, which reference structures, utilities generally, and landscape plans. King County reserves the right to approve the final building and site plans.
- 3.4 CONSTRUCTION/SITE WORK/FENCING.** EFC will be solely responsible for the site work, required permits and grading at the Soccer Facility. EFC will ensure the work area is properly barricaded, and will ensure that signage is installed, directing unauthorized persons not to enter onto the construction site during any phase of development or construction. Unless otherwise agreed by the Parties in writing, fencing will be placed around work areas. In addition, construction sites will be kept clean and organized during

- development periods. EFC will be responsible for site security, traffic and pedestrian warnings at the Soccer Facility during the development and construction phases.
- 3.5 **CONSTRUCTION DEADLINES.** EFC is required to complete the development and construction of the Soccer Facility within one year from the date that EFC receives all funding from King County and the permits necessary to commence construction on the Soccer Facility.
- 3.6 **RELOCATION OF UTILITY LINES.** EFC will be responsible to relocate storm drains, sewers, water lines, and other utilities, if any, as required to complete development and construction of the Soccer Facility.
- 3.7 **ALTERATION OF SITE OR SOCCER FACILITY AFTER CONSTRUCTION.** After the Soccer Facility is completed and accepted by EFC and King County as defined herein, EFC will not make any material alteration to the Site or to the Soccer Facility, including any changes to the landscaping.
- 3.8 **DEVELOPMENT AND CONSTRUCTION FEES AND EXPENSES.** EFC will be responsible to obtain and pay for all necessary permits, fees and expenses associated with the development and construction of the Soccer Facility.
- 3.9 **PUBLIC WORKS LAWS.** To the extent applicable, EFC will comply with all public works laws, regulations, and ordinances, including but not limited to those related to prevailing wages (see RCW 39.12), retainage (see RCW 60.28), bonding (see RCW 39.08), use of licensed contractors (see RCW 39.06), and competitive bidding (see RCW 36.32 and RCW 35.21.278). EFC will indemnify and defend King County should it be sued or made the subject of an administrative investigation or hearing for a violation of such laws, regulations, and ordinances in connection with the improvements.
- 3.10 **CONTRACTOR INDEMNIFICATION AND HOLD HARMLESS.** EFC will require its construction contractors and subcontractors to defend, indemnify and hold King County, its officers, officials, employees and volunteers harmless from any and all claims, injuries, damages, losses or suits including attorney's fees and costs, arising out of or in connection with the design, development and construction of the Soccer Facility (hereinafter "Design and Construction Phase"), except for injuries and damages caused by the negligence of King County.
- 3.11 **COMMERCIAL GENERAL LIABILITY INSURANCE.** EFC will require its construction contractors to procure and maintain, for the duration of construction of the Soccer Facility, insurance against claims for injuries to persons or damage to property, which may arise from or in connection with the performance of the work hereunder by the construction contractors and subcontractors, their agents, representatives, or employees. All said policies will name King County as an additional named insured and will include a provision prohibiting cancellation or reduction in the amount of said policies except upon 30 days prior written notice to King County. EFC will require its construction

contractors to maintain minimum commercial general liability insurance limits of no less than \$1,000,000 each occurrence; \$2,000,000 general aggregate and a \$2,000,000 products-completed operations aggregate limit; business automobile coverage for a limit of not less than \$1,000,000 combined single limit per occurrence; and workers' compensation coverage as required by the Industrial Insurance Act of the State of Washington, statutory limit.

- 3.12 **BUILDERS RISK INSURANCE.** EFC will require its construction contractors to procure and maintain, for the duration of the Design and Construction Phase of the Soccer Facility, Builder Risk insurance covering interests of King County and the construction contractor in the work. Builders Risk insurance will be on an all-risk policy form and will insure against the perils of fire and extended coverage and physical loss or damage including flood and earthquake, theft, vandalism, malicious mischief, collapse, temporary buildings and debris removal. This Builders Risk insurance covering the work will have a deductible of \$5,000 for each occurrence, which will be the responsibility of the construction contractor. Higher deductibles for flood and earthquake perils may be accepted by King County upon written request by EFC and written acceptance by King County. Any increased deductibles accepted by King County will remain the responsibility of the construction contractor. The Builders Risk insurance will be maintained until final acceptance of the work by EFC. EFC will require its construction contractors to maintain Builders Risk insurance in the amount of the completed value of the Soccer Facility with no coinsurance provisions.
- 3.13 **SUBCONTRACTORS.** EFC will require its construction contractors during the Design and Construction Phase to include all subcontractors as insured under its policies or will furnish separate certificates and endorsements for each subcontractor. All coverages for subcontractors will be subject to all of the same insurance requirements as stated herein for the construction contractor.
- 3.14 **VERIFICATION OF COVERAGE.** EFC will furnish King County with original certificates and a copy of the amendatory endorsements, including but not necessarily limited to the additional insured endorsement, evidencing the Commercial General Liability insurance of the construction contractor before commencement of the work. Before any exposure to loss may occur, EFC will file with King County a copy of the Builders Risk insurance policy that includes all applicable conditions, exclusions, definitions, terms and endorsements related to work under this Agreement.
- 3.15 **ACCEPTABILITY OF INSURERS.** Unless otherwise approved by King County, the following provisions apply exclusively during the Design and Construction Phase:
- 3.15.1 Insurance is to be placed with insurers with a Best's rating of no less than A:VIII, or, if not rated by Best's, with a rating in one of the two highest categories maintained by Standard & Poor's Rating Group and Moody's Investor Service.

5.23.2.2 **EFC'S DEFAULT.** The occurrence of any one or more of the following events constitutes a default by EFC under this Agreement:

(1) EFC will be in default of the performance of any covenants, conditions, or provisions of this Agreement, other than the covenants for the payment of use fees required by this Agreement, where such failure continues for a period of sixty (60) days after written notice is given by King County; provided that if the nature of EFC's breach is such that more than sixty (60) days are reasonably required for cure, then EFC will not be in default if EFC commences to cure within sixty (60) days of King County's notice and thereafter diligently pursues completion and completes performance within a reasonable time; or

(2) EFC will be adjudged a bankrupt, make a general assignment for the benefit of creditors, or take the benefit of any insolvency act, or if a permanent receiver and trustee in bankruptcy is appointed for EFC's estate and such appointment is not vacated within sixty (60) days; or

(3) if this Agreement is assigned or the Site or the Soccer Facility is used by EFC for activities other than in accordance with the terms of this Agreement, and such default is not cured within thirty (30) days after written notice from King County to EFC; or

(4) EFC fails to make any payment when due, or fails to make any other payment required hereunder when due, when that failure is not cured within thirty (30) days after mailing of written notice thereof by King County.

5.23.3 **TERMINATION FOR CHANGE IN EFC STATUS.** King County may terminate this Agreement without penalty or liability if, at any time during the Term of this Agreement, EFC loses or changes its status: (1) as an active Washington not-for-profit corporation; or (2) as a tax-exempt organization under section 501(c)(3) of the Internal Revenue Code as now or hereafter codified; or (3) as a soccer club affiliated with the Washington State Youth Soccer Association (WYSA), or any of them as now or hereafter constituted. Provided, that King County will not terminate the Agreement under this section if EFC seasonably cures any and all such loss or change of status.

5.23.4 **DEFAULT FOR OTHER CAUSE.** This Agreement may be immediately terminated for other cause by a party if the other party substantially fails to perform its obligations under this Agreement, through no fault of the terminating party, and the non-performing party does not commence correction of the failure of performance within sixty (60) days of the terminating party's sending notice to the non-performing party.

5.23.5 **OTHER EFC TERMINATION.** EFC may terminate this Agreement for any reason upon twelve (12) months notice in writing to King County. In this event EFC shall not be entitled to any compensation from King County for capital improvements made by EFC to the Site.

5.23.6 **OTHER KING COUNTY TERMINATION.** King County may terminate this Agreement without cause upon twelve (12) months notice in writing to EFC. In this event EFC shall be entitled to reasonable compensation from King County for capital improvements made by EFC to the Site with due regard for the funds invested by EFC, EFC debts remaining to be paid relating to the Soccer Facility, the fair market value of the Soccer Facility at the time of termination, and the length of time EFC has had use of the Soccer Facility.

5.23.7 **REMEDIES ARE CUMULATIVE.** Remedies under this Agreement are cumulative; the failure to exercise any right on any occasion will not operate to forfeit such remedy.

5.24. **DESTRUCTION OF PREMISES AND USE OF INSURANCE PROCEEDS.**

5.24.1 Unless otherwise mutually agreed by the Parties, if the Site or the Soccer Facility are destroyed or injured by fire, earthquake, or other casualty during the Design and Construction Phase, then EFC will proceed to rebuild and restore the Site and the Soccer Facility, or such part thereof as may be injured or destroyed. In the event of any loss covered by the insurance policies described and required under this Agreement, unless this Agreement is terminated as provided herein, EFC will use the proceeds of such insurance policies first to rebuild and then to restore the Site and the Soccer Facility and

replace the improvements, fixtures, and equipment, which may be damaged or destroyed by such casualty.

- 5.24.2 Unless otherwise mutually agreed by the Parties, if the Site or the Soccer Facility are destroyed by fire, earthquake or other casualty after completion of the Design and Construction Phase, then King County will proceed to rebuild and restore the Site and the Soccer Facility, or such part thereof as may be injured or destroyed. In the event of any loss covered by the insurance policies described and required under this Agreement, unless this Agreement is terminated as provided herein, King County will use the proceeds of such insurance policies first to rebuild and then to restore the Site and the Soccer Facility and replace the improvements, fixtures, and equipment, which may be damaged or destroyed by such casualty.
- 5.25. **DUTIES UPON TERMINATION.** Upon termination of this Agreement, and unless otherwise arranged, EFC will remove from the Site and the Soccer Facility all its personal property, goods, and effects. If EFC fails to perform this duty at termination, King County may cause such removal to be made and EFC's personal property, goods and effects to be stored, the cost and expense to be paid by EFC. It is understood and agreed that the real property constituting the Site and the Soccer Facility is the real property of King County and that all improvements to that real property will continue to belong to King County upon termination of this Agreement.
- 5.26. **EMINENT DOMAIN.** The following rules will govern the rights and duties of the Parties in the event of interference with EFC's design, construction, or use of the Site or the Soccer Facility as a result of the exercise of eminent domain or private purchase in lieu thereof.
- 5.26.1 **RIGHT OF TERMINATION.** If the whole of the Site or the Soccer Facility is taken for any public or quasi-public use under any statute or by right of eminent domain, or by private purchase in lieu thereof, then this Agreement will automatically terminate as of the date that title is taken. If more than twenty-five percent (25%) of the Site or the Soccer Facility is so taken and if the taking renders the remainder thereof unusable for the purposes contemplated under this Agreement, then EFC and King County will each have the right to terminate this Agreement on thirty (30) days notice to the other, given within ninety (90) days after the date of such taking. Provided, however, that if King County is exercising its right of eminent domain, a fair value will be placed on this Agreement and the Soccer Facility with the compensation thereof awarded solely to EFC.
- 5.26.2 **NON-TERMINATION.** If any part of the Site or the Soccer Facility is so taken and this Agreement is not terminated, then King County will, at its own cost and expense, restore the remaining portion of the Site and the Soccer Facility to the extent necessary to render it reasonably suitable for the purposes contemplated under this Agreement.
- 5.26.3 **COMPENSATION.** The compensation awarded or paid upon a total or partial taking of the Site or the Soccer Facility, or this Agreement, or any of them, will belong to and be

apportioned between EFC and King County in accordance with their respective interests under this Agreement as determined between them or by a court. Additionally, EFC may prosecute any claim directly against the condemning authority for the costs of removal of the goodwill, stock, trade fixtures, furniture and other personal property belonging to EFC. King County will have no claim to condemnation proceeds attributable to EFC's interest in the Soccer Facility, nor will EFC have any interest in King County's condemnation proceeds, if any.

- 5.27 **SURRENDER.** Within thirty (30) days of the time this Agreement expires or is terminated, EFC shall remove any and all of its portable improvements at the Soccer Facility. If improvements include non-portable fixtures, such improvements shall inure to the benefit of King County and shall remain at the Soccer Facility.
- 5.28 **HEADINGS NOT PART OF AGREEMENT.** The headings in this Agreement are for convenience only and shall not be deemed to expand, limit, or otherwise affect the substantive terms of this Agreement.
- 5.29 **GOVERNING LAW.** This Agreement shall be governed by the laws of the State of Washington.
- 5.30 **JURISDICTION AND VENUE.** The exclusive jurisdiction and venue for any disputes arising under this Agreement, including matters of construction, validity and performance, shall be in the Superior Court for King County in Seattle, Washington.
- 5.31 **RIGHT TO PARTICIPATE IN LITIGATION.** EFC will have the right to participate in any litigation, arbitration or dispute directly affecting the Site, the Soccer Facility or interest of EFC therein, including, without limitation, any suit, action, arbitration proceeding, condemnation proceeding or insurance claim. King County, upon instituting or receiving notice of any such litigation, arbitration or dispute will promptly notify EFC of the same.

- 5.34. **SEVERABILITY.** Should any provision of this Agreement be found to be invalid, illegal or unenforceable by any court of competent jurisdiction, such provision shall be stricken

## Attachment C: Insurance Requirements and Documentation

### Documentation Incorporated herein by Reference

- A. FOR ALL COVERAGES.** Each insurance policy shall be written on an "occurrence" form; except that insurance on a "claims made" form may be acceptable with prior County approval. If coverage is approved and purchased on a "claims made" basis, the EFC warrants continuation of coverage, either through policy renewals or the purchase of an extended discovery period, if such extended coverage is available, for not less than three years from the date of Contract termination, and/or conversion from a "claims made" form to an "occurrence" coverage form. By requiring such minimum insurance, the County shall not be deemed or construed to have assessed the risks that may be applicable to the Agency under this Contract.
- The EFC shall assess its own risks and, if it deems appropriate and/or prudent, maintain greater limits and/or broader coverage. Nothing contained within these insurance requirements shall be deemed to limit the scope, application and/or limits of the coverage afforded by said policies, which coverage will apply to each insured to the full extent provided by the terms and conditions of the policy(s). Nothing contained within this provision shall affect and/or alter the application of any other provision contained within this Contract.
- B. MINIMUM SCOPE AND LIMITS OF INSURANCE**  
Pursuant to the terms of this Contract, for the operations and maintenance of the facility the EFC shall maintain coverage and limits for no less than:
- 1. General Liability:**

  - 2. Automobile Liability:** If operations require vehicle usage.  
Insurance Services Office form number (CA 00 01 Ed. 12-90) covering BUSINESS AUTO COVERAGE, symbol 1 "any auto"; of the appropriate coverage provided by symbols 2, 7, 8, or 9. \$1 Million combined single limit per accident for bodily injury and property damage.
  - 3. Workers' Compensation:** If EFC or Sub-contractor has employees  
Workers' Compensation coverage, as required by the Industrial Insurance Act of the State of Washington, as well as any similar coverage required for this work by applicable federal or "Other States" state law. Statutory requirements of the state of residency.
  - 4. Stop Gap/Employers Liability:** If EFC or sub-contractor has employees  
Coverage shall be at least as broad as the protection provided by the Workers Compensation policy Part 2 (Employers Liability) or, in states with monopolistic state funds, the protection provided by the "Stop Gap" endorsement to the general liability policy. Limit: \$1 Million
- C. DEDUCTIBLES AND SELF-INSURED RETENTIONS**  
Any deductibles or self-insured retentions must be declared to, and approved by, the County. The deductible and/or self-insured retention of the policies shall not apply to the EFC's liability to the County and shall be the sole responsibility of the EFC.
- D. OTHER INSURANCE PROVISIONS**  
The insurance policies required in this Contract are to contain, or be endorsed to contain, the following provisions:
- 1. Liability Policies Except Professional and Workers' Compensation**
    - a.** The County, its officers, officials, employees, and agents are to be covered as additional insureds as respects liability arising out of activities performed by or on behalf of the EFC in connection with this Contract. Such endorsement shall include Products-Completed Operations.
    - b.** The EFC's insurance coverage shall be primary insurance as respects the County, its officers, officials, employees, and agents. Any insurance and/or self-insurance maintained by the County, its officers, officials, employees, or agents shall not contribute with the EFC's insurance or benefit the EFC in any way.
    - c.** The EFC's insurance shall apply separately to each insured against whom claim is made and/or lawsuit is brought, except with respect to the limits of the insurer's liability.
  - 2. All Policies**  
Coverage shall not be suspended, voided, canceled, reduced in coverage or in limits, except by the reduction of the applicable aggregate limit by claims paid, until after forty-five (45) days prior written notice has been given to the County.
- E. ACCEPTABILITY OF INSURERS.** Unless otherwise approved by the County, insurance is to be placed with insurers with Bests rating of no less than A:VIII, or, if not rated with Bests, with minimum surpluses the equivalent of Bests' surplus size VIII. Professional Liability, Errors, and Omissions insurance may be placed with insurers with a Bests' rating of B+VII. Any exception must be approved by King County. If, at any time, the foregoing policies shall fail to meet all requirements noted herein, or if a company issuing any such policy shall be or become unsatisfactory to the County, the EFC shall, upon notice to that effect from the County, promptly obtain a new policy, and shall submit the same to the County, with appropriate certificates and endorsements, for approval.
- F. VERIFICATION OF COVERAGE.** The EFC shall furnish the County with certificates of insurance and endorsements required by this Contract. Such certificates and endorsements, and renewals thereof, shall be attached as exhibits to the Contract. The certificates and endorsements for each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf. The certificates and endorsements for each insurance policy are to be on forms approved by the County prior to the commencement of activities associated with the Contract. The County reserves the right to require complete, certified copies of all required insurance policies at any time.
- G. SUBCONTRACTORS.** The EFC shall include all subcontractors as insureds under its policies or shall furnish separate certificates of insurance and policy endorsements from each subcontractor. Insurance coverages provided by subcontractors as evidence of compliance with the insurance requirements of this Contract shall be subject to all of the requirements stated herein.

**FIRST AMENDMENT TO USE AGREEMENT WITH EASTSIDE FOOTBALL CLUB  
FOR SOCCER FACILITY AT PRESTON PARK**

**RECITALS**

- A. King County, a home rule charter county and political subdivision of the State of Washington ("the County"), and Eastside Football Club (EFC), a not-for-profit, tax-exempt 501(c)(3) corporation organized under the laws of the State of Washington entered into a Use Agreement with an effective date of August \_\_, 2007 ("the Agreement"),
- B. Section 2.5 of the Agreement provides \$1.5 million towards the capital costs to construct the Soccer Facility.
- C. Section 2.7 of the Agreement requires EFC to Pay King County a guaranteed rental fee of \$120,000 per year for 10 years.
- D. King County Council appropriated an additional \$400,000 in 2008 capital funds and the CPG Program committed an additional \$300,000 in 2007 and 2008 CPG Grant funds towards the final costs to construct the park.
- E. EFC agrees to increase their annual rental fee from \$120,000 per year to \$150,000 per year.
- F. King County and EFC wish to amend Section 2.5 of the Agreement to reflect the additional funds provided.
- G. King County and EFC wish to amend Section 2.7 of the Agreement to reflect the additional rental payments required.

NOW, THEREFORE, King County and EFC agree to delete Paragraphs 2.5 and 2.7 of the Agreement and insert new Paragraphs 2.5 an 2.7 as follows :

- 2.5 King County will provide a total of \$2.2 million towards the capital cost to construct the Soccer Facility at the Site pursuant to the Parks FMD Milestone Review Grid, attached hereto as Ex. D. Except as may be hereafter provided by amendment, EFC will be solely responsible to secure and provide all other funding needed to design and construct the Soccer Facility. The present total estimate cost to construct the Soccer Facility is \$4.2 million dollars, excluding anticipated donated services and materials. With the exception of any CPG and YSFG grants that may independently be awarded to EFC, Issaquah Little League ("ILL") and Preston Community Club ("PCC"), King County will be under no obligation directly or indirectly to pay for any labor, material, or improvement associated with the Site or the Soccer Facility in excess of the \$2.2 million dollar capital grant outlined above. EFC will, upon request, inform any inquiring person or entity that King County has**

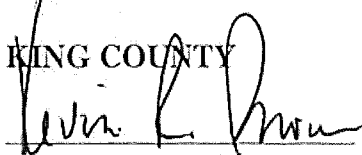

no further financial obligations associated with the construction of the Site or the Soccer Facility.

2.7 EFC will pay King County a guaranteed rental fee of \$150,000 per year for 10 years starting from the date of the Soccer Facility's completion (Years 1-10), inclusive of electricity costs. For Years 11-20, EFC will pay an hourly rental fee for synthetic field usage at the Soccer Facility to King County at \$20 less than the public hourly rental fee charged by King County, exclusive of electricity costs, for synthetic and/or grass soccer fields for youth sports. The reduction is in recognition for the substantial in-kind goods and services donated by EFC's volunteers and general contractor, and the supplemental maintenance provided by EFC under this Agreement. EFC shall not be required to pay an hourly fee for use of the unlit grass field.

All other terms, conditions, specifications and requirements of the Agreement shall remain unchanged and in full effect, except as amended herein.

SECOND AMENDMENT TO USE AGREEMENT WITH EASTSIDE FOOTBALL CLUB FOR SOCCER FACILITY AT PRESTON PARK

RECITALS

- A. King County, a home rule charter county and political subdivision of the State of Washington ("the County"), and Eastside Football Club (EFC), a not-for-profit, tax-exempt 501(c)(3) corporation organized under the laws of the State of Washington, entered into a Use Agreement with an effective date of August 2<sup>nd</sup>, 2007 ("the Agreement").
- B. Under Section 2.7 of the Agreement, EFC was required to pay the County a guaranteed use fee of \$1,200,000.00, at a rate of \$120,000.00 per year for ten years.
- C. In 2007, the County and EFC amended Section 2.7 of the Agreement to require EFC to pay the County a guaranteed rental fee of \$1,500,000.00, at a rate of \$150,000.00 per year for ten years.
- D. The County and EFC now wish to amend Section 2.7 of the Agreement for a second time, such that EFC will pay the County \$100,000.00 per year for fifteen years, beginning in 2008. The purpose of this amendment is to support the community's ongoing effort to secure private funds for the balance of construction costs.
- E. The total guaranteed rental fee that EFC will pay to the County remains \$1,500,000.00. This amendment simply allows EFC to pay it over a longer period, in smaller increments.

NOW, THEREFORE, King County and EFC agree to amend Section 2.7 of the Agreement to read as follows [deleted text marked ((like this)); inserted text marked like this]:

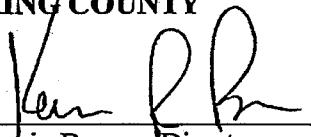

- 2.7 Beginning in 2008, EFC will pay King County a guaranteed rental fee of ~~(((\$150,000))~~ \$100,000 per year for ~~((10))~~ 15 years ~~((starting from the date of the Soccer Facility's completion))~~ (Years 1 – ~~((10))~~ 15) inclusive of electricity costs. For years ~~((11))~~ 16-20, EFC will pay an hourly rental fee rate for synthetic field usage at the Soccer Facility to King County that is \$20 per hour less than the public hourly rental fee rate charged by King County, exclusive of electricity costs, for the synthetic soccer fields for youth sports. ~~((The))~~ This rate reduction is ~~((in recognition))~~ consideration for the substantial in-kind goods and services donated towards field construction by EFC's volunteers and general contractor, and the supplemental maintenance provided by EFC under this Agreement. EFC shall not be required to pay an hourly fee for use of the unlit grass field.
