DISTRICT FINAL ACTION
TO ADOPT A RESOLUTION
AUTHORIZING KING
COUNTY TO CONDEMN A
LEASEHOLD INTEREST**

Proposed Resolution FCD18-05
NOTICE IS HEREBY GIVEN, that a public hearing will be held before the King County Flood Control District board of supervisors, King County Courthouse, Seattle, Washington, on the 18th day of June, 2018, at 1:30 p.m., to consider adoption of Proposed Resolution FCD18-05 which would authorize King County to condemn property interests needed to carry out the Lower Russell Levee Setback Project (Capital Improvement Project Number 1112056). The Assessor tax parcel numbers which are the subject matter of this resolution are as follows: 102204-9021.

SUMMARY

The King County Flood Control Zone District (District) is a quasi-municipal corporation created pursuant to chapters 86.12 and 86.15 RCW, and is authorized by law to provide flood control improvements and flood protection services in order to protect life and property from flood water and to acquire property interests by condemnation. By Resolution No. FCD2016-20.3, adopted on November 7, 2016, and by Resolution No. FCD2017-07.2, adopted on November 13, 2017, the District board of supervisors approved the Lower Russell Road Levee Setback flood protection capital project and funding for the project (Project), which has been given identifying number 1112056.

An interlocal agreement be-

tween King County and the District authorizes King County to condemn all real property interests that are necessary to carry out a district flood protection capital project. In order to allow the construction of the Project, King County purchased several properties in the Project area, including a warehouse located at 22230 Russell Road S. in the City of Kent (Property). The Project requires the warehouse on the Property to be demolished and removed. One tenant at the Property, Amana Global Company (Amana) remains at the Property by virtue of a sixty-month lease that was executed prior to King County's purchase of the Property (the "Leasehold Interest"). King County has been unable to agree with Amana regarding King County's purchase of the Leasehold Interest.

In accordance with the requirements of the interlocal agreement, the District intends to authorize King County to condemn the Leasehold Interest through the Proposed Resolution. If District authorization is provided, the King County Council intends to take final action by considering Proposed Ordinance 2018-0258.

A copy of Proposed Resolution FCD18-05 will be mailed upon request made to the Clerk of the District, 516 Third Avenue, Room W 1200, Seattle, WA 98104, telephone (206)-477-1020.

DATED at Seattle, Washington, this 8th day of June, 2018.
