93 on account of such costs, in accordance with Section 15.A of the Ordinance.

94 The remainder of the proceeds of the 2020A Bonds and all of the proceeds of the
95 2020B Bonds will be deposited into an escrow account for refunding purposes and to pay
96 the costs of issuing the Bonds.

97 **D. Refunding and Redemption of Refunded Bonds.**

98 1. **Plan of Refunding.** In accordance with Section 16 of the
99 Ordinance, the Finance Director has determined, in consultation with the county's
100 financial advisor, that a portion of the proceeds of the 2020A Bonds and a portion of the
101 proceeds of the 2020B Bonds will be used to refund the Refunded Bonds pursuant to the
102 Refunding Plan, which is ratified and confirmed hereby.

103 As provided in Section 16 of the Ordinance, the King County 2020A/B Sewer
104 Revenue Bonds Refunding Account (the "Refunding Account") will be established and
105 maintained with the Refunding Trustee. A portion of the proceeds of the Bonds will be
106 irrevocably deposited with the Refunding Trustee in the Refunding Account and used,
107 together with other funds of the county, if necessary, to carry out the Refunding Plan.

108 The appointment of U.S. Bank National Association as Refunding Trustee is
109 hereby ratified and confirmed. In accordance with Section 16.B of the Ordinance, the
110 Finance Director is authorized and directed to enter into the Refunding Trust Agreement
111 in a form approved by the county's bond counsel.

Motion 15652

112 The proceeds of the Bonds and other money of the county remaining in the
113 Refunding Account after providing for the necessary beginning cash balance will be
114 utilized to pay expenses of the Refunding Trustee and other costs of issuing the Bonds.
115 Payment of the costs of issuing the Bonds may be provided for in the Refunding Trust
116 Agreement or in a separate agreement, as the Finance Director may determine.

117 2. The county may, from time to time, transfer, or cause to be
118 transferred, from the Refunding Account any money not thereafter required to carry out
119 the Refunding Plan, subject to the provisions of the Refunding Trust Agreement, or if not
120 therein provided then subject to verification in writing by an independent certified public
121 accountant that the transfer will not result in inadequate funds being available to make the
122 required payments therefrom.

123 3. Redemption of Refunded Bonds. The county hereby irrevocably
124 sets aside sufficient money to carry out the Refunding Plan.

125 The county hereby calls the Refunded 2010 Bonds for redemption on August 4,
126 2020, calls the Refunded 2012B Bonds for redemption on July 1, 2022, calls the
127 Refunded 2012C Bonds for redemption on July 1, 2022, calls the Refunded 2013A Bonds
128 for redemption on January 1, 2023, and calls the Refunded 2016B Bonds for redemption
129 on July 1, 2023.

130 Each such call for redemption of the Refunded Bonds will be irrevocable after the
131 final establishment of the Refunding Account and delivery of the requisite money to the
132 Refunding Trustee. The Finance Director is authorized and requested to provide whatever
133 assistance is necessary to accomplish the defeasance and redemption of the Refunded
134 Bonds.

Motion 15652

135 The Refunding Trustee is hereby authorized and directed to notify the fiscal agent
136 of the state of Washington, currently U.S. Bank National Association to give notice of
137 defeasance and redemption of the Refunded Bonds in accordance with the applicable
138 provisions of the ordinances authorizing their issuance. The Finance Director is
139 authorized and requested to provide whatever assistance is necessary to accomplish the
140 defeasance and redemption and the giving of notices therefor. The costs of publication of
141 the notices will be an expense of the county.

142 The Refunding Trustee is hereby authorized and directed to pay to the fiscal agent
143 of the state of Washington money sufficient to carry out the Refunding Plan. All such
144 money will be paid from the money deposited with the Refunding Trustee in the
145 Refunding Account. All money so paid will be credited to the Refunding Account. All
146 money deposited with the Refunding Trustee and any income therefrom will be held and
147 applied in accordance with the provisions of the Ordinance, the Refunding Trust
148 Agreement and the laws of the state of Washington for the benefit of the county and the
149 registered owners of the Refunded Bonds.

150 4. **Findings.** The county council hereby finds and determines that the
151 issuance and sale of the Bonds at this time to effect a savings is in the best interest of the
152 county and the ratepayers of the System. In making this finding and determination, the
153 county council has given consideration to the interest on and the fixed maturities of the
154 Bonds and the Refunded Bonds and the costs of issuance of the Bonds and the known
155 earned income from the investment of the proceeds of the sale of the Bonds pending
156 redemption and payment of the Refunded Bonds.

157 The county council hereby further finds and determines that the money to be

Motion 15652

158 deposited with the Refunding Trustee will be sufficient to defease and redeem the
159 Refunded Bonds and will discharge and satisfy the obligations of the county with respect
160 to the Refunded Bonds under the ordinances authorizing their issuance and the pledges of
161 the county therein. Immediately upon the deposit of such money with the Refunding
162 Trustee, the Refunded Bonds will be deemed not to be outstanding under the ordinances
163 authorizing their issuance and will cease to be entitled to any lien, benefit or security
164 under those ordinances except the right to receive payment from the money and Acquired
165 Obligations so set aside and pledged.

166 E. **Satisfaction of Parity Conditions.** In accordance with the Ordinance and
167 the provision of the Ordinance authorizing the issuance of the outstanding Parity Bonds,
168 which permit the issuance of Future Parity Bonds upon compliance with the conditions
169 set forth therein, the county council hereby finds and determines, as follows:

170 1. There is not now, and when the Bonds are issued there will not
171 then be, any deficiency in the Parity Bond Fund or any account therein.

172 2. The Ordinance provides for payment of the principal of and
173 interest on the Bonds out of the Parity Bond Fund.

174 3. The amount that will be on deposit in the Parity Bond Reserve
175 Account at the Closing of the Bonds will satisfy the Reserve Requirement, without the
176 need for any additional deposit.

177 4. The county will have on file at the Closing of the Bonds a
178 certificate of the Finance Director demonstrating that, during any 12 consecutive calendar
179 months out of the immediately preceding 18 calendar months, Net Revenue was at least
180 equal to 1.25 times the amount required to pay, in each year that the Bonds will be

Motion 15652

181 outstanding, the Annual Parity Debt Service for such year.

182 5. Upon the issuance of the 2020B Bonds: (a) total debt service
183 required for all Parity Bonds (including the 2020B Bonds and not including the bonds to
184 be refunded thereby) will decrease; and (b) the Annual Parity Debt Service for each year
185 that any Parity Bonds (including the 2020B Bonds and not including the bonds to be
186 refunded thereby) are then outstanding will not be increased by more than \$5,000 by
187 reason of the issuance of the 2020B Bonds.

188 The applicable conditions for Future Parity Bonds having been complied with in
189 connection with the issuance of the Bonds, the pledge contained in the Ordinance of
190 Revenue of the System to pay and secure the payment of the Bonds will constitute a lien
191 and charge on Revenue of the System equal in rank with the lien and charge on the
192 Revenue of the System to pay and secure the payment of the outstanding Parity Bonds.

193 F. **Designation as Refunding Candidates.** The Bonds are hereby designated
194 as "Refunding Candidates" for purposes of ordinances of the county authorizing the
195 issuance of bonds to refund outstanding obligations of the county payable from Revenue
196 of the System, including without limitation Ordinance 19112 passed on June 23, 2020.

197 G. **Undertaking to Provide Ongoing Disclosure.** In accordance with
198 Section 31 of the Ordinance, the county will enter into an undertaking to provide
199 continuing disclosure for the Bonds in substantially the form described in the preliminary
200 official statement for the Bonds.

201 H. **Further Authority.** The county officials and their agents, attorneys and
202 representatives are hereby authorized and directed to do everything necessary for the
203 prompt issuance and delivery of the Bonds and for the proper use and application of the

Motion 15652

204 proceeds of sale of the Bonds.

205 I. **Severability.** If any provision in this motion is declared by any court of
206 competent jurisdiction to be contrary to law, then that provision will be null and void and

Motion 15652

207 will be deemed separable from the remaining provisions of this motion and will in no
208 way affect the validity of the other provisions of this motion or of the Bonds.

DESCRIPTION OF THE BONDS

The Bonds will be dated the date of their initial delivery (the “Issue Date”). The Bonds will bear interest payable semiannually on each January 1 and July 1, beginning January 1, 2021, to their maturities or prior redemption. The Bonds will bear interest (computed on the basis of a 360-day year of twelve 30-day months) from the Issue Date or from the most recent interest payment date for which interest has been paid or duly provided for, whichever is later. The Bonds will mature on January 1 in the years and amounts and bear interest at the rates set forth on pages i and ii of this Official Statement

The Bonds are issuable only in fully registered form as to both principal and interest, will be in the denomination of \$5,000 or any integral multiple thereof within a Series and a maturity, and initially will be registered in the name of Cede & Co., as the nominee of The Depository Trust Company (“DTC”). DTC will act as initial Securities Depository for the Bonds. Each Bond registered in the name of DTC or its nominee will be held fully immobilized in book-entry only form by DTC in accordance with the provisions of the Letter of Representations. Purchasers will not receive certificates representing their interest in the Bonds purchased. For so long as the Bonds are registered in the name of DTC or its nominee, DTC will be deemed to be the Registered Owner, and all references to Registered Owners will mean DTC and not the Beneficial Owners. The principal of and interest on the Bonds are payable by the fiscal agent for the State of Washington (the State”), currently U.S. Bank National Association (the “Registrar”), to DTC, which in turn is obligated to remit such principal and interest to DTC participants for subsequent disbursement to the Beneficial Owners of the Bonds.

(2) These amounts will constitute principal maturities of the 2020B Bonds unless Term Bonds are specified by the successful bidder, in which case these amounts may constitute mandatory sinking fund redemptions of the Term Bonds.

Term Bonds. If the successful bidder for a Series of the Bonds designates certain maturities as Term Bonds, the County will retire such Term Bonds by purchase or redemption on January 1 in the years and amounts designated by such successful bidder to be mandatory sinking fund redemptions of such Term Bonds.

Redemption of the Bonds

Optional Redemption. The Bonds maturing on and after January 1, 2031, are subject to redemption prior to their stated maturity at the option of the County in whole or in part, at any time on or after January 1, 2030, at the price of par plus accrued interest, if any, to the date fixed for redemption.

Mandatory Sinking Fund Redemption of Term Bonds. The County will redeem Term Bonds, if not optionally redeemed as described above or purchased under the provisions described in the Ordinance, at par plus accrued interest on January 1 in the years and amounts specified by the successful bidder.

If the County redeems Term Bonds under the optional redemption provisions described above or purchases for cancellation or defeases Term Bonds, the Term Bonds so redeemed, purchased, or defeased (irrespective of their redemption or purchase prices) will be credited against one or more scheduled mandatory redemption amounts for those Term Bonds. The County will determine the manner in which the credit is to be allocated.

Purchase of Bonds

The County reserves the right and option to purchase any or all of the Bonds offered to the County at any time at any price acceptable to the County, plus accrued interest to the date of purchase.

Refunding or Defeasance of Bonds

Pursuant to the Ordinance (as defined in the attached Preliminary Official Statement), the County may issue refunding obligations pursuant to the laws of the State or use money available from any other lawful source to pay when due the principal of, premium, if any, and interest on the Bonds, or any portion thereof included in a refunding or defeasance plan, and to redeem and retire, refund, or defease all or a portion of the then outstanding Bonds (the “Defeased Bonds”), and to pay the costs of the refunding or defeasance.

See “The Bonds—Refunding or Defeasance of Bonds” in the attached Preliminary Official Statement.

Security

The amounts covenanted to be paid out revenues of the Sewer System (“Revenue of the System”) constitute a lien and charge on Revenue of the System superior to all other charges of any kind or nature except Operating and Maintenance Expenses, and of equal lien to any charges heretofore or hereafter made on Revenue of the System for the payment of the principal of and interest on any Parity Bonds (as such capitalized terms are defined herein). The Bonds are special limited obligations of the County, and are not obligations of the State or any political subdivision thereof other than the County. Neither the full faith and credit nor the taxing power of the County or the State or any political subdivision thereof is pledged to the payment of the Bonds.

The County always has made principal and interest payments on outstanding bonds and notes when due.

Bidding Information

Bidders are invited to submit bids for the purchase of each Series of the Bonds fixing the interest rate that such Series will bear. The interest rates bid for the 2020A Bonds must be in a multiple of 1/8 or 1/20 of 1%. The interest rates bid for the 2020B Bonds must be in a multiple of 1/100 of 1.00%. No more than one rate of interest may be fixed for any single maturity of a Series of the Bonds. Bids will be without condition and only may be submitted electronically via Parity.

Bidders are requested to provide a list of any syndicate members with their bids or within 24 hours after submitting their bids. The County strongly encourages the inclusion of women and minority business enterprise firms in bidding syndicates.

2020A Bonds. Bidders must specify interest rates equal to or greater than 4% for each maturity of the 2020A Bonds maturing on or after January 1, 2041. There are no interest rate restrictions on the 2020A Bonds maturing on or before January 1, 2040. No bid will be considered for the 2020A Bonds that is less than an amount equal to 111% of the par value of the 2020A Bonds or more than

an amount equal to 118% of the par value of the 2020A Bonds, or for less than the entire offering of the 2020A Bonds.

2020B Bonds. No bid will be considered for the 2020B Bonds that is less than an amount equal to 98% of the par value of the 2020B Bonds or more than an amount equal to 101.5% of the par value of the 2020B Bonds, or for less than the entire offering of the 2020B Bonds.

Bidding Process

By submitting an electronic bid for a Series of the Bonds, each bidder thereby agrees to the following terms and conditions:

- (i) If any provision in this Official Notice of Sale conflicts with information or terms provided or required by Parity, this Official Notice of Sale, including any modification or postponement communicated as described under “Modification, Postponement, Cancellation,” will control.
- (ii) Bids may be submitted only via Parity. The bidder is solely responsible for making necessary arrangements to access Parity for purposes of submitting a bid timely and in compliance with the requirements of this Official Notice of Sale.
- (iii) The County has no duty or obligation to provide or assure access to Parity, and will not be responsible for the proper operation of Parity, or have any liability for any delays or interruptions or any damages caused by the use or attempted use of Parity.
- (iv) The County is using Parity as a communication mechanism, and not as an agent of the County.
- (v) Upon acceptance of a bid by the County, this Official Notice of Sale and the information that is electronically transmitted through Parity will form a contract between the bidder and the County.

If all bids for a Series of the Bonds are rejected, the Finance Director may fix a new date and time for the receipt of bids for such Series by giving notice as described under “Modification, Postponement, Cancellation” on or before the day prior to such new date and time.

Good Faith Deposit

The successful bidder for each Series of the Bonds is required to deliver a good faith deposit in the amount of \$1,800,000, with respect to the 2020A Bonds, and \$1,900,000, with respect to the 2020B Bonds, by federal funds wire transfer to the Treasury Section of the Finance and Business Operations Division by no later than 90 minutes following such successful bidder’s receipt of the verbal award. Wiring instructions will be provided to each successful bidder at the time of the verbal award.

The good faith deposit of the successful bidder for a Series of the Bonds will be retained by the County as security for the performance of such bid, and will be applied to the purchase price of such Series on the delivery of such Series to the successful bidder. Pending delivery of the Bonds, the good faith deposits may be invested for the sole benefit of the County.

If a Series of the Bonds is ready for delivery and the successful bidder for such Series fails to complete the purchase of such Series within 30 days following the acceptance of its bid, the good

faith deposit will be forfeited to the County as liquidated damages and not as a penalty, and, in that event, the County Council may accept the next best bid or call for additional bids.

Insurance

Bids for each Series of the Bonds may not be conditioned upon obtaining insurance or any other credit enhancement. If the Bonds of a Series qualify for issuance of any policy of municipal bond insurance or commitment therefor at the option of a bidder, any purchase of such insurance or commitment therefor will be at the sole option and expense of the bidder for such Series and any increased costs of issuance of such Series resulting by reason of such insurance will be paid by such bidder, unless otherwise paid. Any failure of the Bonds to be so insured or of any such policy of insurance to be issued will not in any way relieve the successful bidder of its contractual obligations arising from the acceptance of its bid for the Bonds.

If the successful bidder for the 2020A Bonds purchases insurance for such Series, the County may require the successful bidder to furnish to the County and Bond Counsel a certificate in form and substance acceptable to Bond Counsel confirming that the insurance premium is less than the present value (calculated using the same yield as the yield on the insured 2020A Bonds) of the interest cost savings represented by the comparative differences between interest amounts that would have been payable on the various maturities of the insured 2020A Bonds at interest rates on the insured 2020A Bonds issued with and without the insurance on the insured 2020A Bonds.

Award

The Bonds of each Series will be sold to the bidder making a bid for such Series that conforms to the terms of the offering and that, on the basis of the lowest true interest cost, is the best bid. For the purpose of comparing bids only, each bid must state the true interest cost of the bid determined by doubling the semiannual interest rate (compounded semiannually) necessary to discount each debt service payment from the payment date to the date of such Series and to the price bid.

If there are two or more equal bids for a Series of the Bonds and those bids are the best bids received, the Finance Director will determine which bid will be presented to the County Council for its consideration. The County reserves the right to reject any or all bids submitted with respect to each Series and to waive any formality in the bidding or bidding process. If all bids for a Series are rejected, such Series may be re-advertised for sale in the manner provided by law and as described above.

Adjustment of Principal Amount and Bid Price After Bid Opening

2020A Bonds. The County has reserved the right to increase or decrease the preliminary principal amount of the 2020A Bonds by an amount not to exceed 10% of the preliminary principal amount of the 2020A Bonds following the opening of the bids. The County has also reserved the right to increase or decrease the preliminary principal amount of any maturity of the 2020A Bonds by 15% of the preliminary principal amount of that maturity following the opening of the bids.

2020B Bonds. The County has reserved the right to increase or decrease the preliminary principal amount of the 2020B Bonds by an amount not to exceed 10% of the preliminary principal amount of the 2020B Bonds following the opening of the bids. The County has also reserved the right to increase or decrease the preliminary principal amount of any maturity of the 2020B Bonds by an amount not to exceed the greater of \$1,000,000 or 15% of the preliminary principal amount of that maturity following the opening of the bids.

Effect of Adjustment. The price bid by the successful bidder for each Series of the Bonds will be adjusted by the County on a proportionate basis to reflect an increase or decrease in the principal amount of such Series. In the event that the County elects to increase or decrease the principal amount of a Series after the bid pursuant to this Official Notice of Sale, the underwriter's discount for such Series, expressed in dollars per thousand, will be held constant. The County will not be responsible in the event and to the extent that any adjustment affects (i) the net compensation to be realized by the successful bidder, or (ii) the true interest cost of the winning bid or its ranking relative to other bids.

Issue Price Information

Competitive Sale. The County expects to determine the issue price of the 2020A Bonds under the special rule for competitive sales provided by Treasury Regulation Section 1.148-1(f)(3)(i) because the sale of the 2020A Bonds is expected to meet the following requirements (the "competitive sale requirements"):

- (i) the County will disseminate this Official Notice of Sale to potential underwriters of municipal bonds in a manner that is reasonably designed to reach such potential underwriters;
- (ii) all bidders will have an equal opportunity to bid for the 2020A Bonds;
- (iii) the County will receive bids for the 2020A Bonds from at least three underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds; and
- (iv) the County will award the sale of the 2020A Bonds to the bidder who submits a bid in conformance with this Official Notice of Sale to purchase the Bonds at a price that produces the lowest true interest cost to the County, as set forth in this Official Notice of Sale under the heading "Award."

The successful bidder for the 2020A Bonds will be required to assist the County in establishing the issue price of the 2020A Bonds under the special rule for competitive sales by (i) providing to the Finance Director, in writing, immediately following the award of the sale of the 2020A Bonds to the successful bidder, the reasonably expected initial offering price to the public as of the sale date of each maturity of the 2020A Bonds on which the price bid by the successful bidder was based; and (ii) executing and delivering to the County on or before the Issue Date of the 2020A Bonds an issue price certificate setting forth for each maturity of the 2020A Bonds the reasonably expected initial offering price to the public as of the sale date on which the price bid by the successful bidder for the 2020A Bonds was based. The issue price certificate shall be substantially in the form of Exhibit 1 attached to this Official Notice of Sale, with such modifications as may be appropriate or necessary, in the reasonable judgment of the successful bidder, the County, and Bond Counsel.

Hold-the-Offering-Price Rule May Apply. In the event that the competitive sale requirements are not satisfied for the 2020A Bonds, the County will so advise the winning bidder for such Series. The County will treat the first price at which 10% of a maturity of such Series (the "10% test") is sold to the public as the issue price of that maturity if such maturity of such Series satisfies the 10% test as of the date and time of the award of such Series. With respect to those maturities of such Series that do not meet the 10% test as of the date and time of the award of such Series, the County will treat the initial offering price to the public as of the sale date of any maturity of such

Series as the issue price of that maturity (the “hold-the-offering-price rule”), in each case applied on a maturity-by-maturity basis. The winning bidder for the 2020A Bonds shall advise the County if any maturity of such Series satisfies the 10% test as of the date and time of the award of such Series.

As stated above, the hold-the-offering-price rule will apply to those maturities of the 2020A Bonds that do not meet the 10% test as of the sale date. By submitting a bid, the winning bidder for such Series shall (i) confirm that the underwriters have offered or will offer such Series to the public on or before the date of award at the offering price or prices (the “initial offering price”), or at the corresponding yield or yields, set forth in the bid submitted by such winning bidder, and (ii) agree, on behalf of the underwriters participating in the purchase of such Series, that the underwriters will neither offer nor sell unsold Bonds of such Series of any maturity to which the hold-the-offering-price rule shall apply to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

- (i) the close of the fifth (5th) business day after the sale date; or
- (ii) the date on which the underwriters have sold at least 10% of that maturity of such Series to the public at a price that is no higher than the initial offering price to the public.

The winning bidder for the 2020A Bonds shall promptly advise the County when the underwriters have sold 10% of that maturity of such Series to the public at a price that is no higher than the initial offering price to the public, if that occurs prior to the close of the fifth (5th) business day after the sale date.

The County acknowledges that, in making the representation set forth above, such winning bidder will rely on:

- (i) the agreement of each underwriter to comply with the hold-the-offering-price rule, as set forth in an agreement among underwriters and the related pricing wires;
- (ii) in the event a selling group has been created in connection with the initial sale of the 2020A Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the hold-the-offering-price rule, as set forth in a selling group agreement and the related pricing wires; and
- (iii) in the event that an underwriter is a party to a retail distribution agreement that was employed in connection with the initial sale of such Series to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the hold-the-offering-price rule, as set forth in the retail distribution agreement and the related pricing wires.

The County further acknowledges that each underwriter shall be solely liable for its failure to comply with its agreement regarding the hold-the-offering-price rule and that no underwriter shall be liable for the failure of any other underwriter, or of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a retail distribution agreement to comply with its corresponding agreement regarding the hold-the-offering-price rule as applicable to the 2020A Bonds.

By submitting a bid, each bidder confirms that:

- (i) any agreement among underwriters, any selling group agreement, and each retail distribution agreement (to which the bidder is a party) relating to the initial sale of a Series

of the 2020A Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter, each dealer who is a member of the selling group, and each broker-dealer that is a party to such retail distribution agreement, as applicable, to (A) report the prices at which it sells to the public the unsold Bonds of each maturity of such Series allotted to it until it is notified by the winning bidder that either the 10% test has been satisfied as to the Bonds of that maturity of such Series or all Bonds of that maturity of such Series have been sold to the public, and (B) comply with the hold-the-offering-price rule (if applicable), in each case if and for so long as directed by the winning bidder and as set forth in the related pricing wires, and

- (ii) any agreement among underwriters relating to the initial sale of the 2020A Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter that is a party to a retail distribution agreement to be employed in connection with the initial sale of such Series to the public to require each broker-dealer that is a party to such retail distribution agreement to (A) report the prices at which it sells to the public the unsold Bonds of each maturity of such Series allotted to it until it is notified by the winning bidder or such underwriter that either the 10% test has been satisfied as to the Bonds of that maturity of such Series or all Bonds of that maturity of such Series have been sold to the public, and (B) comply with the hold-the-offering-price rule (if applicable), in each case if and for so long as directed by the winning bidder or such underwriter and as set forth in the related pricing wires.

Sales of any 2020A Bonds to any person who is a related party to an underwriter shall not constitute sales to the public for purposes of this Official Notice of Sale. Further, for purposes of this Official Notice of Sale:

- (i) “public” means any person other than an underwriter or a related party,
- (ii) “underwriter” means (A) any person that agrees pursuant to a written contract with the County (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of a the 2020A Bonds to the public, and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of such Series to the public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of such Series to the public),
- (iii) a purchaser of any of the 2020A Bonds is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (A) at least 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (B) more than 50% common ownership of their capital interests or profit interests, if both entities are partnerships (including direct ownership by one partnership of another), or (C) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and
- (iv) “sale date” means the date that the 2020A Bonds are awarded by the County to the winning bidder.

Delivery

The County will deliver the Bonds (consisting of one certificate per maturity per Series) to DTC in New York, New York, or to the Registrar on behalf of DTC by Fast Automated Securities Transfer, prior to the date of closing. Closing will occur within 30 days after the Sale Date. Settlement will be in federal funds available in Seattle, Washington, on the date of delivery of the Bonds (the “Date of Issue”). The Issue Date is expected to be August 4, 2020.

If, prior to the delivery of the 2020A Bonds, the interest receivable by the owners of the 2020A Bonds becomes includable in gross income for federal income tax purposes, or becomes subject to federal income tax other than as described in the Preliminary Official Statement, the successful bidder, at its option, may be relieved of its obligation to purchase the 2020A Bonds, and in that case the good faith deposit accompanying its bid will be returned without interest.

Legal Matters

The Purchaser of each Series of the Bonds will be provided with the approving legal opinion of Pacifica Law Group LLP, Seattle, Washington, Bond Counsel, at the time of the delivery of such Series. A no-litigation certificate will be included in the closing papers of each Series.

CUSIP Numbers

It is anticipated that CUSIP identification numbers will be printed on each Series of the Bonds, but neither the failure to print such numbers on such Series nor any error with respect thereto will constitute cause for a failure or refusal by the successful bidder for such Series to accept delivery of and pay for such Series in accordance with the terms of this Official Notice of Sale.

The County’s Municipal Advisor is responsible for obtaining CUSIP numbers for the Bonds, and the charge of the CUSIP Service Bureau will be paid by the successful bidder for each Series of the Bonds
