

Metropolitan King County Council
Labor, Operations and Technology Committee
2006 Work Program

Labor Policy Implementation

Goal: To review all labor agreements transmitted to Council to ensure their compliance with policies established by the labor policy committee and guidance provided by Council legislation.

Key Work Program Items:

- Hold a labor policy briefing;
- Recommend new or changes to existing labor policies that could be adopted or changed to be consistent with council goals and priorities;
- Review and approve the 2007-2008 Equal Employment Opportunity/Affirmative Action Plan;
- Review and act on approximately 20 proposed labor agreements; and
- Help shape the Labor Summit agenda.

Government Operations

Goal: Improve customer service, performance and efficiency of county departments.

Key Work Program Items:

- Make policy recommendations to improve county elections;
- Make policy recommendations to develop a countywide performance measurement system;
- Review and implementation of the King County International Airport Noise Reduction Plan Recommendations;
- Review the King County International Airport Master Plan;
- Review and approve the King County Health Reform Program Measurement and Evaluation Report; and
- Recommend approval of the County Auditor's work program for 2006.

Technology

Goal: Make policy recommendations to improve county-wide information technology planning, management and operations.

Key Work Program Items:

- Review and approve the King County Strategic Technology Plan (2006-2008);
- Review and approve a plan to reorganize county technology management and operations;
- Review and approve a plan on how to realize benefits from technology projects;
- Provide policy direction to guide a countywide electronic document management system; and

2006-0105 Attachment A

- Review and approve a transfer of control of the cable franchise with Millennium Digital Media.
