Proposed UGA Changes Under Review by King County

Background:

As part of the first major update to the King County Comprehensive Plan (KCCP), a number of proposed UGA changes are under review by King County. In the Executive Recommended KCCP 2000 Plan (March 1, 2000), there are 7 recommended changes proposed. Of these, five are requests made by the cities of Carnation, Covington, Enumclaw and Maple Valley. The other two include UGA adjustments to recognize the Grand Ridge Joint Agreement (Issaquah Highland) and to reconcile two properties that have been split by the UGA just outside of the City of Enumclaw. The proposed UGA amendments are noted on the attached Locator Map.

The proposed amendments are currently under review by the King County Growth Management and Unincorporated Areas Committee. The amendments are subject to change and may be amended by the Committee and by the full Council in September 2000. The purpose of presenting the proposed UGA changes to the GMPC is to highlight those that will require further action by the GMPC to amend the Countywide Urban Growth Area boundary.

Below is a matrix that describes the property, the acreage affected and the rationale and policy basis for the proposed UGA change. Amendment # 1, Issaquah Highlands/Issaquah is consistent with FW-1 and does not require ratification by GMPC as stated in the policy. The remaining amendments are being presented to the GMPC for consideration and approval as amendments to the Countywide Urban Growth Boundary. The rationale statements includes an analysis of the proposed UGA amendments with the Countywide Planning Policies.

MAP LOCATOR NUMBER/PROPERTY	APPROXIMATE ACRES REDESIGNATED TO URBAN	RATIONALE
#1 Issaquah Highlands/Issaquah	40	The parcel is a rural island surrounded by the UGA. Approximately 33 acres of the parcel are identified in the Grand Ridge Joint Agreement as an expansion area for the Issaquah Highlands development. The remaining 7 acres will be protected as an urban separator. The proposed amendment complies with CPP policy FW-1 step 8(b) which recognized the Issaquah Joint Planning Agreement process. This is an information item only and no further action is needed by GMPC on this amendment per CPP FW-1.
#3 Maple Valley Library/ Maple Valley UGA	0.5	This is a technical adjustment to reconcile the UGA line with the corporate city boundary. The entire property has been annexed by the City of Maple Valley, although a portion of the property falls within the designated Rural Area.

MAP LOCATOR NUMBER/PROPERTY	APPROXIMATE ACRES REDESIGNATED TO URBAN	RATIONALE
#4 Jenkins Creek Park/ Covington UGA	65	<p>The City of Covington has requested amending the UGA in order to provide urban services to Jenkins Creek park (20.34 acres) after it is transferred to the city. The proposed UGA change includes redesignating the properties directly north (6.48 acres) and south (38.18 acres) of the park land as Urban. Redesignation of these properties to Urban would eliminate the creation of Rural islands after the transfer of the park.</p> <p>The City has also expressed an interest in annexing the Urban island south of the City boundary (SR 516) but is prevented from doing so because these lands are not connected to the UGA. The proposed UGA change for this portion of the UGA will respond to the request by the City and will better connect an existing urban island with the UGA.</p> <p>The proposed UGA amendments in this subarea comply with CPPs LU-26 (d) and LU-32.</p>
#6 Mahler Park/ Enumclaw UGA	28	<p>The State of Washington has transferred ownership of Mahler Park to the City of Enumclaw. The City has requested an amendment to the UGA in order to provide urban services, such as police and maintenance, to the park.</p> <p>This amendment complies with CPP LU-32.</p>
#7 Split Parcels/ Enumclaw UGA	7.9	<p>This amendment resolves two parcels currently split by the UGA line. A middle school campus is being constructed nearby and sewer lines can be made available to the subject properties. The urban portion of the two properties are in the City of Enumclaw's Potential Annexation Area.</p> <p>This amendment complies with CPPs LU-26 (a) and (d) and LU-38 (d) and (g).</p>

MAP LOCATOR NUMBER/PROPERTY	APPROXIMATE ACRES REDESIGNATED TO URBAN	RATIONALE
#8 Carnation UGA	2.5	This is a technical adjustment to the UGA requested by the City of Carnation to recognize the 1993 annexation of the subject parcel by the City. State law allows cities to annex city owned land that is contiguous to the city's boundary.
#11 Maple Valley	26.5	<p>The County is negotiating with the City of Maple Valley to sell a parcel of County owned land, adjacent to the city for use as a park (19.8 acres). The City has requested amending the UGA boundary in order to provide urban services to the park.</p> <p>The UGA boundary is also proposed to be changed for the privately owned parcel (6.7 acres) north of the park land. This property is split by the current UGA boundary and with the sale of the land to the south to Maple Valley, this property would be entirely surrounded by the City of Maple Valley. It is proposed to be redesignated Urban to eliminate creation of a rural island.</p> <p>The proposed UGA boundary amendment in this subarea complies with CPP LU-32.</p>
