SUBJECT: FRANCHISE AGREEMENTS,
NORTHSHORE UTILITY DISTRICT, KING COUNTY,
WASHINGTON, G&O #98773

Dear Ms. Noris:

Northshore Utility District wishes to update their Franchise Agreements with the various entities in which the District maintains water and sewer utilities, including King County. The Agreement allows the District to install new utilities and maintain their existing utilities within King County right-of-way. Right-of-way construction permits will still be obtained for any new construction within King County right-of-way.

Enclosed please find payment for \$1,000.00 a metes and bounds legal description of the proposed franchise area, eight copies of a detailed map showing the franchise area corresponding to the legal description, and eight copies of a vicinity map showing the location of the proposed franchise area and the surrounding areas with which the District will also be updating their Franchise Agreements.

Correspondence regarding the Franchise Agreement should be directed to Mr. Dan Olson, P.E., General Manager, Northshore Utility District, at the following address:

Mr. Dan Olson, P.E.
