A MOTION adopting the 2003 facility master plan update for the First Northeast Transfer/Recycling Station, dated March 2003.

BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

WHEREAS, the 1994 Facility Master Plan for the First Northeast transfer station concluded that, due to its age, which is almost forty years, and inadequate capacity to serve the anticipated population growth within the existing service area, the First Northeast Transfer Station required extensive improvements, and

WHEREAS, a new station and facility improvements will greatly improve the efficiency of the station's solid waste and recyclable materials processing capability, and

WHEREAS, the incorporation of the city of Shoreline, the listing of wild Puget Sound Chinook salmon as a threatened species, the advent of new stormwater regulations, and the update of the King County 2001 Comprehensive Solid Waste

18 Management Plan necessitated the revision of the 1994 First Northeast Facility Master
19 Plan, and

20 WHEREAS, the 2001 Comprehensive Solid Waste Management Plan, RTS 3,
21 directs the county to focus capital investment to:

- 22 1. Maintain the county's system facilities in a safe condition for both the
23 system's customers and the system's employees;
- 24 2. Upgrade its transfer system to serve a future waste export system when the
25 Cedars Hills regional landfill reaches its permitted capacity, or at such earlier time as the
26 county may decide;
- 27 3. Improve transfer stations to improve efficiency, capacity and customer service;
28 and
- 29 4. Expand, relocate or replace or any combination thereof, transfer stations when
30 safety, efficiency, capacity or customer services needs cannot be met by existing transfer
31 facilities, and

32 WHEREAS, the 2001 Comprehensive Solid Waste Management Plan, RTS 12,
33 designates the First Northeast transfer station as capable of being expanded on its current
34 site in order to provide a full range of solid waste disposal and recycling services for county
35 residents and businesses, and

36 WHEREAS, the 2003 Facility Master Plan Update for the First Northeast
37 Transfer/Recycling Station involved an extensive public involvement process, including
38 creation of a citizens advisory committee, three public meetings and four citizen advisory
39 committee meetings, resulting in substantial community support of the 2003 Facility
40 Master Plan Update, and

41 WHEREAS, the city of Shoreline and the solid waste division have entered into a
42 letter agreement defining city and county roles and responsibilities for environmental
43 review and permitting for the project, and

44 WHEREAS, K.C.C. 4.04.210 requires the King County council to review, amend,
45 defer or adopt operational master plans, facility master plans, facility program plans, CIP
46 project cost elements, schedules and total budget in the annual CIP budget or amendments
47 thereto pursuant to the provisions of the King County Charter, and

48 NOW, THEREFORE, BE IT MOVED by the Council of King County:

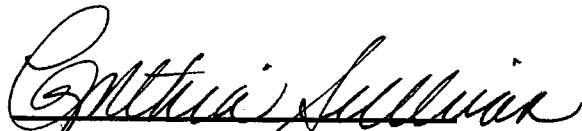

49 The 2003 Facility Master Plan Update for the First Northeast Transfer/Recycling
50 Station, Attachment A to this Motion, is hereby approved.

51

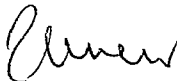

Motion 11734 was introduced on 5/19/2003 and passed by the Metropolitan King County Council on 6/30/2003, by the following vote:

Yes: 12 - Ms. Sullivan, Ms. Edmonds, Mr. von Reichbauer, Ms. Lambert, Mr. Phillips, Mr. Pelz, Mr. McKenna, Mr. Constantine, Mr. Hammond, Mr. Gossett, Mr. Irons and Ms. Patterson
No: 0
Excused: 1 - Ms. Hague
