## **MEMORANDUM**

July 9, 2012

TO: Shelley Harrison, Executive's Office  
FM: Kendall Moore TREE Committee Lead  
RE: Proposed ord. 2012-0221

As we discussed, and I confirmed in my June 28 email to you (a copy enclosed), the Clerk's Office is kindly delivering with Proposed ord. 2012-0221 that passed out of Council yesterday the 1<sup>st</sup> amendment to the ILA that the Proposed Ord. authorizes the Executive to execute. The ILA, with the City of Sammamish, is attachment A to the adopted ordinance. If you would please have the Executive sign both originals of the amendment and send one back to Melonie Anderson at Sammamish (see cover letter from the city) and keep the other original amendment with the County's executed original of the ILA, that would be great.

This passed out of committee and will be on the Council's 7/9 agenda. As I described, the committee passed it out with the requirement that the exec is only authorized to signed the proposed ILA with Sammamish once the City has executed an amendment to that ILA that the council prepared. The city has already signed it and returned it.

To repeat our plan, once the council clerk prepares the odr for transmittal, I will send over this amendment (2 originals signed by the city) I will calendar this with Linda so the signed will be delivered at the same time)
