Proposed No.: 2023-0355

## AMENDMENT TO PROPOSED ORDINANCE 2023-0355, VERSION 2

2 On page 74, strike lines 1658 through 1666, and insert:

3 "The project status update for the King County website upgrade in (1) of this

proviso shall include: a description of the scope of work and overall timeline for the

5 project; a list of activities completed and remaining to be done by the King County

department of information technology ("KCIT") and county departments; major

7 <u>milestones for activities remaining to be completed including estimated date of</u>

completion; and the total amount that has been spent on the project that includes both

capital expenditures, operating expenditures, and in-kind expenditures. The executive

shall electronically file the project status update no later than January 30, 2024, with the

clerk of the council, who shall retain the original and provide an electronic copy to all

councilmembers, the council chief of staff, and the lead staff for the committee of the

whole or its successor."

EFFECT prepared by A. Sanders: Would amend the project status update

requirements in Proviso P2 on KCIT Services (added in BFM on November 22<sup>nd</sup>) by:

17 requiring a description of the scope of work and overall timeline for the project;

requiring a list of activities completed and remaining to be done by KCIT; and

clarifying that the major milestones the department shall report on are for activities
remaining to be completed.
