4 "STATEMENT OF FACTS:

5 1. The 2021-2022 King County biennial budget approved within the
6 superior court's appropriation one additional FTE for the purpose of
7 approving a fifty-fourth superior court judicial position to commence
8 office on July 1, 2021. The additional judicial position was based on the
9 recommendation of the interbranch planning and coordination efforts of
10 the protocol committee, requested by the superior court, and included in
11 the executive's 2021-2022 proposed budget.

12 2. State law requires that the county document the legislative authority's
13 approval of the fifty-fourth judge position of the superior court and the
14 agreement that the county will pay out of county funds, without
15 reimbursement from the state, the expenses of such an additional judicial
16 position as provided by statute.

17 BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

18 SECTION 1. The county legislative authority approves adding to the King
19 County superior court a fifty-fourth judge position. By this ordinance, the legislative
20 authority indicates its approval of the fifty-fourth judge position of the superior court and
21 its willingness and agreement to pay for this position without reimbursement from the
22 state as provided by statute. By this action the council has now approved eight of the
23 twelve additional King County superior court judges authorized by RCW 2.08.061,
24 raising the total number of superior court judges for King County to fifty-four."
