Request For Waiver Of Statutory Time Limits For Property Tax Refund

RCW 84.69.020-030, KCC 4.64 as amended by Ordinance 12240 (4/29/96)

I, MICHELE A. D'AMICO hereby request a waiver of the statutory time limit for property tax refunds specified in RCW 84.69.030 on the property designated by Assessor's tax account number

750402-0230 or legally described as (address: 2514 SAHARIE DR EAST SAMMAMISH WA 98074)

DEPT. OF ASSESSMENTS

A completed Petition for Property Tax Refund (Long Form) for each tax year involved is attached, along with proof the property taxes for that year were paid by the individual requesting the refund; and proof the conditions justifying the refund existed as of the assessment date for the tax levy.

I attest I was unable to make a timely request for refund for the following reason:

For 2002 year: I have been dealing w/ the death of my spouse and trying to straighten out estate and medical issues while ill.

Note: I also request consideration and relief from previous years overpayment due to clerical error (change of sq. footage) which happened unbeknown to me in 1983. No sq. footage is noted on our assessment notification so did not realize the error until I had the home appraised after my husband died.

Re: Correction on the Manifest Error for prior years

Thank you for the recommendation of a reduction in value of my property. However, through no fault of mine and without any way to realize the County had made an input error of the square footage in the 1980's, I have been paying taxes on over 850 square feet of property I don't even have for over 20 years! Since there is no designation of square footage on the notice of change in valuation, I had no way of realizing there had been an error until I had my house appraised for a refinance in 2002. The appraiser recommended I call your office about it, which I did, but your representative told me on the phone that there was no error and that garage space as well as my tri-level home with open cathedral ceiling space all counted as 2 story living floor space.

Per my telephone call with David Goff today, I am returning the signed form to Board of Equalization (enclosed), but I am requesting a correction on the Manifest Error for prior years. I understand that 20 years of overpayment amounts to a substantial injustice and respectfully request the County to provide me with tax credits or whatever is legally available to make an accommodation

Thank you,
