King County Comprehensive Plan, 2008
Chapter Three, Rural Legacy and Natural Resource Lands

Notes

- *Sites with Mineral Zoning.
- **Sites identified by the landowner or operator prior to Nov. 18, 1994 and sites that as of Nov. 18, 1994 had pending rezone applications for Quarrying/Mining (now Mineral) zoning or had potential Quarrying/Mining (now Mineral) zoning.
- ***Sites on which mining operations pre-date King County zoning regulations, but without zoning or other land use approvals.
- **** Owner-Identified Potential Sub-Surface Coal Sites are not parcel specific.

The maps in the King County Comprehensive Plan and its technical appendices are produced with a computer geographic information system. They are reduced in size but available at a larger scale.

The information included on this map has been compiled by King County staff from a variety of sources and is subject to change without notice. King County makes no representations or warranties, express or implied, as to accuracy, completeness, timeliness, or rights to the use of such information. King County shall not be liable for any general, special, indirect, incidental, or consequential damages including, but not limited to, lost revenues or lost profits resulting from the use or misuse of the information contained on this map. Any sale of this map or information on this map is prohibited except by written permission of King County.
