Subject: Street Name Change - SE 300th Street/SE Falcon Way

To whom it may concern,

I am respectfully requesting the proposed ordinance to change the name of SE 300th Street to SE Falcon Way be **rejected**.

I own a small business and have recently invested in a new supply of marketing materials, letterhead, and business cards that bear my current address. I find it unreasonable that I, as a homeowner, will have to bear any expense to facilitate changing the name of my small cul-de-sac to "boost school spirit". Additionally, it is a burden on all homeowners on this street to go through the process of updating mailing addresses with all service providers and personal contacts - there is a cost associated with this as well.

Perhaps, as an alternative, the school can change it's address to correlate to 219th Avenue SE, which is the main road that ultimately turns into SE 300th Street; and propose changing that street name to SE Falcon Way? This would not impact any homeowners, and in fact would be more prominent in the eyes of the community, as it is the main road used to access the school.

I appreciate my position being taken into consideration.

Best regards,

Christa Brandt
