\*“Acres in Scope”: Acres listed above are the total acres eligible for acquisition within the project scope. Many projects, particularly King County projects, are multiple-parcel/multiple-year efforts. Not all the acreage will be purchased in one year, but partial progress can be made. Partial funding awards typically result in fewer acres acquired than listed above. Please see the committee’s report for project-specific discussions and details.

Total CFT	\$94,884,529
Total Parks Levy	\$13,800,000
Total Awards	\$108,684,529
