Dear Councilmember Zahilay:

I am pleased to transmit the attached ordinance approving the 2025 alterations to voting precincts. This package contains changes primarily focused on balancing the population across precincts, due to the large increase of voter registrations during a presidential election year.

The law requires that annual precinct adjustments be presented to the Council for adoption and to the County Executive for approval prior to the statutory deadline of April 28th, 2025. As always, I appreciate your partnership on this and your timely consideration to ensure that our team has enough time to implement the changes ahead of a packed spring election calendar.

If you have any questions, please don't hesitate to let me know.

Sincerely,

Julie Wise, Director
