Moreover, this provision does not apply to LESSOR'S

prosecution, and custodial staff who may continue to have access to the Premises during times it is open to the public in the manner they have traditionally enjoyed. The right of the LESSOR to enter for inspection purposes shall not be construed as a *duty* to inspect.

B. This Lease shall be binding upon and run to the benefit of the heirs, personal representatives, and assigns of each party, provided, LESSEE shall not sublet the Premises or assign this Lease without LESSOR's written consent.

C. If either party brings a suit against the other to enforce any rights or obligations contained in this Lease, the losing party shall pay the prevailing party's reasonable attorney's fees and costs.

G. Except as may be hereafter amended, this Lease contains all the written agreements and understandings of the parties respecting the matters contained herein.

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF AUBURN, WASHINGTON, AUTHORIZING THE MAYOR AND CITY CLERK TO EXECUTE AN INTERLOCAL AGREEMENT BETWEEN THE CITY OF AUBURN AND KING COUNTY FOR DISTRICT COURT SERVICES

WHEREAS, the City of Auburn has utilized a municipal court created pursuant to Chapter 3.50 of the Revised Code of Washington (RCW) to carry out its judicial responsibilities, either as directed by state law or through City ordinance; and

WHEREAS, in connection with the ongoing and changing judicial responsibilities with which the City is involved, the City Council has explored alternative approaches to address efficiencies; and

WHEREAS, after a thorough review of the alternatives and options available to the City and in light of the proposal that the City of Auburn received from the King County District Court system, it is advantageous for the City to enter into an Interlocal Agreement with King County for district court services.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF AUBURN, KING COUNTY, WASHINGTON, HEREBY RESOLVES as follows:

Section 1. The Mayor and the Auburn City Clerk are hereby authorized to execute an Agreement between the City of Auburn and King County for district court services in substantial conformity with the Interlocal

— **INTERLOCAL AGREEMENT FOR PROVISION OF DISTRICT COURT SERVICES BETWEEN KING COUNTY AND THE CITY OF AUBURN**

THIS INTERLOCAL AGREEMENT (“Agreement”) FOR PROVISION OF DISTRICT COURT SERVICES BETWEEN KING COUNTY (“County”) AND THE CITY OF AUBURN (“City”) is entered on this ____ day of _____, 2012. Collectively, the County and the City are referred to as the “Parties.” “Cities” refers to all Cities that have signed an Agreement for District Court Services to begin January 1, 2007 or later.

Whereas, the Parties support the District Court's mission statement that recognizes the value of working together to provide an accessible forum for the fair, efficient, and understandable resolution of civil and criminal cases and maintaining an atmosphere of respect for the dignity of individuals; and,

Whereas, the County values the City as a customer and intends to provide a predictable level and quality of service; and,

Whereas, it is the intent of the Parties to establish mechanisms within this Agreement to ensure court service, case processing and court operations are delivered as consistently as possible within each court and across the District Court system; and,

Whereas, the Parties have established within this long term Agreement a process under which District Court services, facilities, and costs can be mutually reviewed; and,

Whereas, consistent with Recommendation #8 of the 2005 District Court Operational Master Plan, the County will continue to support a unified, Countywide District Court, utilizing existing facilities, to provide for a more equitable and cost effective system of justice for the citizens of King County. Pursuant to the 2005 District Court Operational Master Plan, the County will:

- A. Ensure Court facilities promote system efficiencies, quality services and access to justice,
- B. Consolidate District Court facilities that exist in the same city,
- C. Reconsider facilities if there are changes with contracting cities or changes in leases,
- D. Work with the Cities to develop a facility master plan as it relates to the District Court; and,

Whereas, this long term agreement provides sufficient revenue to the County to allow for the continued provision of District Court services and provides the City with a service level commensurate with that revenue;

NOW THEREFORE, in consideration of the mutual covenants contained herein, the sufficiency of which is hereby acknowledged, the Parties agree as follows:

enforcement of all City cases filed, or to be filed, by the City in District Court, whether criminal or civil. Such services shall include but not be limited to: issuance of search and arrest warrants; the conduct of motions and other evidentiary hearings; pre-trial hearings; discovery matters; notifications and subpoenaing of witnesses and parties prior to a scheduled hearing; providing to the City prosecutor (and contract City prosecutor who has signed the required Department of Licensing confidentiality agreement), complete court calendars, defendants criminal histories ("DCH"), abstracts of driving records ("ADR"), and other documentation necessary to efficient caseload management prior to a scheduled City court calendar; the conduct of bench and jury trials; pre-sentence investigations; sentencing; post-trial motions; the duties of the courts of limited jurisdiction regarding appeals; and any and all other court functions as they relate to municipal cases filed by the City in District Court. Upon mutual agreement of the City and the District Court, the District Court may provide some or all of the documents and information required under this section to the City by alternative means, such as electronic files.

2.2.2 Changes in Court Processing. Except when determined by the Presiding Judge that a shorter notice period is necessary, the District Court shall provide the City's designated representative(s) of the Court Facility Management Review Committee ("CFMRC") with two months notice by U.S. Mail or e-mail prior to changes in Court processing procedures that directly impact City operations in order to provide the City with adequate time to assess the effect of proposed changes on City operations, unless a shorter timeframe for notice is mutually agreed upon by the Parties through the CFMRC.

2.2.3 Customer Service Standards. The District Court shall provide a means for the public to contact the Court by telephone, including transferring the caller to a particular Court facility if requested, and front counter access to each Court facility during regular business hours, without lengthy wait. The District Court Management Review Committee ("DCMRC") shall establish performance measures and standards for telephone and front counter access, including reporting requirements. The District Court shall make reasonable efforts to meet or exceed the standards. In the event the District Court fails to meet the standards, the District Court shall draft an action plan and submit it to the DCMRC for consideration and direction. In order to minimize workload on District Court staff, the City prosecutor and paralegal staff shall continue to have access to the District Court court files in order to most efficiently obtain copies and other necessary information.

2.2.4 Probation Services. The County shall provide probation services unless a City opts to provide its own probation services and notifies the County in writing that it does not wish the County to provide probation services at least six months prior to the effective date of this Agreement or six months

days of submission of the pool. In the case of an election, the recreated pool shall take effect the next calendar year following the election. Except when the Chief Presiding Judge deems an alternative assignment is necessary, the Chief Presiding Judge shall assign judges from these Cities' pool of judges to hear their Regular Calendars. If no pool of judges is submitted by the Cities at a particular facility, the Chief Presiding Judge may assign any judge of the District Court to hear the Regular Calendars at that facility. All other judicial functions and hearings that are not set on the City's Regular Calendars can be heard by any judicial officer of the District Court against whom an affidavit of prejudice has not previously been filed that would prevent the judicial officer from hearing the matter.

- 2.2.8 Unless provided otherwise in a written agreement between the Parties, the County shall provide all necessary personnel, equipment and facilities to perform the foregoing described District Court Services in a timely manner as required by law and court rule.

2.3 District Court Management Review Committee (DCMRC).

- 2.3.1 System-wide issues related to the services provided pursuant to this Agreement will be monitored and addressed through a District Court Management Review Committee. The Committee shall consist of the District Court Chief Presiding Judge, the District Court Chief Administrative Officer, any other District Court representatives designated by the District Court Chief Presiding Judge or Chief Administrative Officer, a representative of the King County Executive, and one representative for each city. On or before the effective date of this Agreement, the City shall identify in writing to the Chief Presiding Judge the name, phone number, e-mail and postal address of its representative and to whom notice as provided in this Section shall be sent. If the City wishes to change the information provided to the Chief Presiding Judge, it shall notify the Chief Presiding Judge in writing at least seven days prior to the change. The City may send its representative or the representative's designee to the DCMRC meetings.
- 2.3.2 The DCMRC shall meet at least quarterly unless otherwise agreed and shall make decisions and take actions upon the mutual agreement of the Cities, the County, and the Chief Presiding Judge. Mutual agreement of the Cities is defined as votes representing 65% of total Cities' case filings for the prior calendar year and 65% of all Cities. The County, the Chief Presiding Judge, or the Cities can vote at any time up to 45 days after DCMRC action unless mutual agreement has been reached sooner. The Chief Presiding Judge or his/her designee shall schedule meetings and submit proposed agendas to the representatives. Any representative may suggest additional agenda items. The Chief Presiding Judge or his/her

— **3.0 Facilities**

3.1 Utilizing Existing Facilities

- 3.1.1 The County is committed to a unified, Countywide District Court and intends to utilize existing facilities pursuant to the provisions of Section 3.1. The County shall operate a court facility within the cities of Burien, Kent, Redmond, and Shoreline unless (1) it obtains agreement from all Cities served in the city in which the facility is located, or (2) notice has been given to terminate the Agreement by the city in which the facility is located.
- 3.1.2 If the County determines that it will close the court facility within the cities of Burien, Kent, Redmond, and Shoreline and relocate District Court services within the same city, the County shall provide written notice to the City(ies) served in the affected facility. Relocation of the City(ies)'s District Court services under this subsection shall result from the County's determination, after consultation with the City(ies) served in the affected facility, that continuing to operate the facility would 1) pose health and safety risks; 2) exceed the facility's useful life based on the cost of maintaining the facility; or 3) not be able to minimally meet the operational needs of the District Court.
- 3.1.3 If a facility is to be closed pursuant to Subsections 3.1.1 or 3.1.2, the County shall work cooperatively with City(ies) served in the facility to relocate affected District Court services to a different facility. A city impacted by a facility closure may choose to relocate to an existing facility or move to a different facility. If District Court does not already provide services in the location(s) proposed for the displaced services, the County and the Cities served in the facility to be closed shall negotiate in good faith a separate agreement which includes, but is not limited to, identifying the location of these services, cost sharing responsibilities and financial commitment, ownership interest (if applicable), and implementation schedule. If the County and any of the City(ies) served in the facility to be closed do not enter into the separate agreement within 24 months from the County's notice provided under Subsection 3.1.1 or 3.1.2, either party may provide written notice of termination notwithstanding other provisions of this Agreement related to termination. The termination date shall be at least 18 months from the date of the notice of termination unless an earlier date is agreed to by the parties.
- 3.1.4 If, after consulting with the City(ies) served in the court facility within the city of Issaquah, the County gives written notice to the affected City(ies) to close the Issaquah facility, the County shall work cooperatively with the City(ies) served in the facility to relocate affected

operations and daily maintenance, major maintenance, and lease costs. This charge does not cover the costs associated with capital improvements as defined in Section 3.3 and does not entitle the City to any funds or credit toward replacement of the existing facility. This charge also does not cover costs for necessary and unanticipated major repairs that are not scheduled under the County's major maintenance program. (Examples of such repairs include, but are not limited to, repairs necessitated by flood, fire or earthquake.) The County and the Cities receiving District Court services in the Issaquah facility agree to negotiate in good faith a separate agreement for a cost sharing plan for these unanticipated major repairs. The annual facility charge will be included as a reimbursable City Case Cost under Exhibit A with the exception that space that is dedicated to the sole use and benefit of either a city, the County, or other tenant, shall be excluded from the total square footage and be the sole financial responsibility of the benefiting party. Reimbursement for space dedicated to the sole use of the City shall be based on the financial terms in Exhibit C and included as a City Case Cost under Exhibit A. All other terms and conditions for the City dedicated space shall be covered in a separate lease agreement. Each year, the County will identify in Exhibit A the square footage of dedicated space for each facility. Empty or unused space at a facility, previously used as dedicated space for the sole benefit and use of either the County, the City(ies), or other tenant, shall be excluded from the total square footage. The annual charge for the Issaquah is calculated in accordance with Exhibit C.

- 3.1.8 Cities will pay an annual facilities charge for space used for the Call Center and Payment Center. The charge shall be calculated in accordance with Exhibit B and included as a reimbursable City Case Cost under Exhibit A with the exception that space that is dedicated to the sole use and benefit of the County shall be excluded from the total square footage for this space.

3.2 Bellevue Court Facility

- 3.2.1 The County and the City of Bellevue agree to work cooperatively to enter into a separate agreement by December 31, 2006 to determine the future location for the Bellevue Court Facility. The parties agree to negotiate in good faith with regard to such agreement to determine whether it is in the mutual interest of the parties to provide for a different facility under a separate agreement and what the terms of such separate agreement will be. The agreement should include, but is not limited to the following:

- (i) Identifying a facility location within the city limits of Bellevue
- (ii) Cost sharing responsibilities and financial commitment
- (iii) Ownership interest
- (iv) Allocation of Implementation Responsibilities

between the County and the cities served in the affected facility, the Cities are not responsible for capital project costs.

4.0 Revenue; Filing Fees Established; City Payments in Lieu of Filing Fees; Local Court Revenue Defined.

4.1 Filing Fees Established. A filing fee is set for every criminal citation or infraction filed with the District Court. Filing fees will be established each year by the DCMRC pursuant to statutory criteria and this Section. At the commencement of this Agreement, the filing fees shall be as set pursuant to the Existing Agreement.

4.1.1 Pursuant to RCW 3.62.070 and RCW 39.34.180, the County will retain its portion of Local Court Revenues (as defined below) and additional payments pursuant to Section 4.5, if any, as full and complete payment by the City for services received under this Agreement.

4.1.2 In entering into this Agreement for District Court Services, the City and County have considered, pursuant to RCW 39.34.180, the anticipated costs of services, anticipated and potential revenues to fund the services, including fines and fees, filing fee recoupment, criminal justice funding and state sales tax funding.

4.2 Compensation for Court Costs. The Parties agree that the County is entitled to sufficient revenue to compensate the County for all City Case Costs incurred during the term of this Agreement. For purposes of this Agreement, "City Case Costs" means the sum of the costs for the City as determined by the County pursuant to Exhibit A. City Case Costs are calculated based on the Cities caseload (clerical weighted caseload approach), judicial need, and facility costs for the facility used by the City.

4.3 To ensure that the revenue provided to the County is equal to the City Case Costs incurred in each year of the term of this Agreement, the County shall perform an annual reconciliation of the actual City Case Costs in comparison to the Local Court Revenue, as defined in Section 4.9, retained by the County during that year in accordance with Exhibit A. The County will credit the Cities in the reconciliation for the Cities' share of offsetting revenue received by the County for District Court from the state, the federal government and other sources. Reconciliations shall be performed as set forth below:

4.3.1 Beginning in 2007 and each year thereafter, the County shall perform a reconciliation of its actual reported City Case Costs and the Local Court Revenue retained in the previous year. This reconciliation shall be completed no later than July 31 of each year. The County costs of performing the reconciliations shall be a reimbursable City Case Cost and included as a City Case Cost under Exhibit A.

technology improvement projects in excess of \$100,000 which are included in the technology plan. This contribution covers the Cities' obligation under this Agreement for supporting one-time costs for technology improvement projects over \$100,000. Exhibit D sets forth the amount of the Cities' annual contribution to the reserve for one-time costs for technology improvement projects. Technology improvement projects which in total are less than \$100,000 in any year will be included as a reimbursable City Case Cost under Exhibit A.

- 4.8.2 In addition to other payments required by this Agreement, the Cities shall complete payment of their proportionate share of the total one-time cost to implement the District Court's ECR program as provided in Section 4.8 of the Existing Agreement (effective 1/1/05)). The Cities' share of the one-time cost to implement ECR shall be no more than \$56,745 per year for 2007, 2008, and 2009. The Cities' share of the one-time cost to implement ECR will be included as a reimbursable City Case Cost under Exhibit A.

4.9 Local Court Revenue Defined. Local Court Revenue includes all fines, filing fees, forfeited bail, penalties, court cost recoupment and parking ticket payments derived from city-filed cases after payment of any and all assessments required by state law thereon. Local Court Revenue includes all revenue defined above received by the court as of opening of business January 1, 2007. Local Court Revenue excludes:

1. Payments to a traffic school operated by a City.
2. Restitution or reimbursement to a City or crime victim, or other restitution as may be awarded by a judge.
3. Assessments authorized by statute, such as Domestic Violence and Crime Victims, used to fund local programs.
4. Probation revenues.
5. Reimbursement for home detention and home monitoring, public defender, jail costs, on City filed cases.
6. Revenues from City cases filed prior to January 1, 2000.

- 4.9.1 The City will not start a traffic violations bureau during the term of this Agreement.

4.10 All revenue excluded from "Local Court Revenue" shall be retained by the party to whom they are awarded by the court or who operates or contracts for the program involved, as appropriate.

4.11 Monthly Reporting and Payment to City. The County will provide to the City monthly remittance reports and payment to the City from the County for the City's share of Local Court Revenue no later than three business days after the end of the normal business month. On a monthly basis, the County will provide to the City reports listing City cases filed and revenue received for all City cases on which the Local Court Revenue is calculated in a format consistent with the requirements described in Exhibit

the mediation service. By mutual agreement, the DCMRC can establish an alternative City(ies)'s share of the mediation costs.

6.0 Resolution of Disputes Resulting From Specified Events.

6.1 If a dispute arises between the Parties that resulted directly from:

(i) changes in state statute or regulation, court rule, City or County ordinance, or exercise of court management authority vested by GR 29 in the Chief Presiding Judge, requiring the County to provide new court services reasonably deemed to substantially impact the cost of providing Court Services, or material reductions or deletions of the Court Services included in this Agreement that occurred for a period of at least six months; or

(ii) any decree of a court of competent jurisdiction in a final judgment not appealed from substantially altering the economic terms of this Agreement; or

(iii) changes in state statute or regulation, court rule, or City or County ordinance, which substantially alter the revenues retained or received by either the County or the City related to City case filings;

Then either Party must first refer its concerns with the changed circumstances under this Section to dispute resolution under Section 5.0.2 and complete the dispute resolution process outlined in that Section. If the dispute is not resolved within 120 days of first referral under Section 5.0.2 or completion of the dispute resolution process outlined in Section 5.0.2, whichever comes first, then either party may serve a notice of intent to terminate this Agreement. Such notice shall be provided in writing to all representatives of the DCMRC as designated in Section 2.3.1. Within 30 days of the date the notice of intent to terminate is served, the chief executive officer(s) of the City(ies), the Chief Presiding Judge, and the County Executive shall meet together at least once in person for the purpose of resolving the dispute. If the dispute is still not resolved, either Party may terminate this Agreement by serving the other Party with a notice of termination pursuant to Section 11.0. The notice of termination may not be served less than 30 days from the date the notice of intent to terminate (pursuant to this Section) was served. The notice of termination shall state the date on which the Agreement shall terminate. The termination date shall be at least 18 months from the date of the notice of termination unless an earlier date is agreed to by the Parties.

7.0 Re-opener. The County and the Cities may agree to enter into re-negotiation of the terms of this Agreement at any time and for any purpose by mutual agreement in writing. The Agreement shall remain in full force and effect during such negotiations.

8.0 Waiver of Binding Arbitration. The Parties waive and release any right to invoke binding arbitration under RCW 3.62.070, RCW 39.34.180 or other applicable law as related to this Agreement, any extension or amendment of this Agreement, or any discussions or negotiations relating thereto.

claim or legal action and the City gives the County information, reasonable assistance, and sole authority to defend or settle any such claim or legal action. The County shall have no liability to defend the City to the extent the alleged claim or legal action is based on: (i) a modification of the technology by the City or others authorized by the City but not by the County; or (ii) use of the technology other than as approved by the County.

9.3 Actions Contesting Agreement. Methodology/Definitions/Notes:

- The multiplier by facility is the average of the percent of clerical need for contract cities in the facility and the percent of judicial need for contract cities in the facility. The City Case Cost is the product of the actual staff salary and benefits for security and screening at each facility and the multiplier by facility.
- The Sheriff's Office will convert six Deputies who have provided security at the District Court courthouses with eight Marshals beginning in September 2010. The entire conversion will be phased in. It is anticipated that increasing the number of Marshals dedicated to District Court courthouses will provide relief for vacation, sick leave, required training, and to minimize overtime, as well as provide a slower rate of cost growth in the future. The portion of the sergeant included in these security costs will be determined by the total number of marshals and screeners the position supervises. FTE costs include salary, benefits, and overtime.

Methodology/Definitions/Notes:

1. This Attachment is developed pursuant to Exhibit D. The City Multiplier is calculated in Attachment A. The City Case Cost is the product of the multiplier and the threshold unless adjusted or waived in any year where the reserve is projected to exceed the equivalent of the Cities' share of \$900,000 increased by 2% per year beginning in 2008.

Summary of All City Case Costs

This attachment (and Non-Facility City Case Costs and Facility City Case Costs) divide the overall City Case Costs as determined in Exhibit A to individual cities based on the same method currently used to allocate costs. Those costs which are mainly salaries and benefits and are non-facility based, Attachments A, B, C, F, G, H and I, are allocated based on each cities percentage of all cities' clerical weights. Those costs which are facility based, Attachments D and E are allocated based on the average of city case filings percentage and city judicial weights percentage per facility. The tables below describe how this method allocates these costs across each city.

EXHIBIT B
ANNUAL FACILITY CHARGES FOR DISTRICT COURT FACILITIES
IN THE CITIES OF BURIEN, KENT, REDMOND, AND SHORELINE

This Exhibit is attached to the Interlocal Agreement for the Provision of District Court Services between the County and the City. The terms and conditions described in this Exhibit are a further description of the obligations of the parties regarding the calculation of annual facility charges for existing District Court facilities in the cities of Burien, Kent, Redmond, and Shoreline at commencement of this Agreement.

1. Beginning in 2007 and continuing through 2016, the annual facility charge is the net rentable square footage in each facility pursuant to Section 3.2 multiplied by the rate per square foot. The rate per square foot is the sum of the rate for Operations and Maintenance (Paragraph #2) and the Rental rate (Paragraph #3).
2. King County's Facilities Management Division determines the cost per square foot for Operations and Maintenance for facilities owned and maintained by the County. The Facilities Management Division will provide the rate for Operations and Maintenance for the next calendar year for each applicable District Court facility by September of each year. For the purposes of this Agreement, the rate provided will exclude any adjustment for restoring the division's fund balance reserve. For 2007, the rate is \$12.65 or the actual rate provided by the Facilities Management Division, whichever is less. The rate each year thereafter is the lesser amount between the actual rate provided by the Facilities Management Division and the capped rate determined by multiplying the 2007 rate by the multiplier for the corresponding year shown in the following table.

	2008	2009	2010	2011	2012	2013	2014	2015	2016
Inflation	3%	3%	3%	3%	3%	3%	3%	3%	3%
Multiplier	1.030	1.061	1.093	1.126	1.159	1.194	1.230	1.267	1.305

3. The Rent beginning in 2007 shall be \$11.80 per square foot. This rate will be increased by 2% per year for nine years thereafter.
4. Beginning in July 2014 and ending no later than March 31, 2015, the Cities and the County shall determine a methodology for an annual facility charge for existing facilities referenced in this exhibit for 2017 and subsequent years. This methodology shall take into account a reasonable fair market value for existing court facilities.
