628 management committee, or its successor.

629 P5 PROVIDED FURTHER THAT:

630 Of this appropriation, \$100,000 shall not be expended or encumbered until the  
631 executive transmits a report on options related to the Northshore public health center

632 operations and facility, a plan for the continued delivery of the services currently  
633 provided at the Northshore public health center at a fixed location and a motion that  
634 approves the report and plan and the motion is passed by the council. The motion shall  
635 reference the subject matter, the proviso's ordinance, ordinance section and proviso  
636 number in both the title and body of the motion.

637         The report shall be prepared with the assistance of real estate experts with  
638 expertise in real estate sales and medical office space leasing in the north and east King  
639 County markets. The real estate expert shall be retained no later than January 2, 2015.  
640 The report shall also include input from Professional & Technical Employees Local 17  
641 and the Washington State Nurses Association regarding operational issues at the  
642 Northshore public health center. The report shall include, but not be limited to, an  
643 analysis of options related to the Northshore public health center operations and facility  
644 including:

645             A. The potential for, revenue from, and expenses associated with leasing the  
646 unused portion of the Northshore clinic to either an internal King County agency or  
647 outside tenant or tenants, or both. The analysis should also include the potential for  
648 pledging the revenue stream from a lease to a third-party tenant, to secure debt financing  
649 to address the department's current deficit;

650             B. The potential revenue from the sale of a fully leased Northshore clinic,  
651 including a lease with Public Health - Seattle & King County to continue its maternity  
652 support services ("MSS") and special supplemental nutrition program for women, infants,  
653 and children ("WIC");

654 C. The potential revenue from the sale of the Northshore clinic with King County  
655 executing a commercially reasonable lease for sufficient space to continue MSS and WIC  
656 and the expected costs to King County for such a lease;

657 D. A comparison of the options in subsections A. through C. of this proviso with  
658 a potential sale of the Northshore public health center property in vacant, as-is condition,  
659 including all costs to vacate the space, prepare it for sale, and maintain the vacated  
660 property until an estimated closing of a sale of the property;

661 E. Analysis of the space requirements, one-time and ongoing expected costs and  
662 operational impacts, including any adverse impacts to the delivery of client services, to  
663 continue the provision of MSS and WIC as provided currently to north and east King  
664 County with substantially equivalent or better market saturation and efficacy compared to  
665 the current level of service, if public health is required to vacate the current clinic;

666 F. Feasibility of charging rent to the agencies providing other King County  
667 services at the clinic, or other county agencies, and the impacts, savings and other issues  
668 associated with the cessation or relocation of the community service center currently  
669 providing those services; and

670 G. Analysis of the racial and social justice impacts of closure of the clinic.

671 All analyses regarding the potential sale of the property shall address requiring  
672 C.C. 4.56.130, which requires a portion of sales proceeds to be paid into the fund for arts  
673 and culture, as well as leasehold excise taxes where applicable, and any other factors such  
674 that the analysis provides for as close-to-actual financial impact to the health department  
675 and the county as a whole, as possible.

676           At the same time as delivery of the report on options related to the Northshore  
677 public health center operations and facility, the executive shall transmit to the council a  
678 plan for the continued delivery of services currently provided at the Northshore public  
679 health center in an integrated, comprehensive manner from a fixed location, whether  
680 directly or in partnership with outside entities.

681           The executive must file the report, motion and plan required by this proviso by  
682 May 1, 2015, in the form of a paper original and an electronic copy with the clerk of the  
683 council, who shall retain the original and provide an electronic copy to all  
684 councilmembers, the council chief of staff, the policy staff director and the lead staff for  
685 the budget and fiscal management committee, or its successor.

686           P6 PROVIDED FURTHER THAT:

687           Of this appropriation, \$200,000 shall not be expended or encumbered until the  
688 executive transmits a report on the sustainability of public health clinic services in future  
689 biennia. The report shall identify the potential models for continuing public health clinic  
690 services in future biennia as the current funding model is unsustainable. The report shall  
691 identify major services provided by the clinics and identify any services that are  
692 unsustainable.

693           The executive must file the report and motion required by this proviso by October  
694 31, 2015, in the form of a paper original and an electronic copy with the clerk of the  
695 council, who shall retain the original and provide an electronic copy to all  
696 councilmembers, the council chief of staff, the policy staff director and the lead staff for  
697 the budget and fiscal management committee and the law, justice, health and human  
698 services committee, or their successors.

722 shall keep the director of DPER or the director's designee informed of the pilot  
723 inspector's work but shall remain under the supervision of EHS.

724 P1 PROVIDED THAT:

725 Of this appropriation, \$500,000 shall not be expended or encumbered until the  
726 executive transmits an action plan for changes to the food program permit fee structure,  
727 including, but not limited to, temporary and farmers market permits, that result in lower  
728 permit costs and encourage vendor participation while maintaining food safety, and a  
729 motion that approves the action plan and the motion is passed by the council. The motion  
730 shall reference the subject matter, the proviso's ordinance, ordinance section, and proviso  
731 number in both the title and body of the motion.

732 In developing the action plan, the executive shall consider:

733 A. Recommendations from the 2013 county auditor performance audit of  
734 environmental health services;

735 B. Food vendor stakeholder feedback, including feedback on the action plan;

736 C. Maintenance of health standards that conform to local, state and federal  
737 regulations;

738 D. Consideration of the reasonableness of inspection requirements across  
739 different types of permits;

740 E. Cost impacts of permit fees on the permit holders' cost of doing business and  
741 potential options to standardize practices to minimize permit holders' cost;

742 F. Review of the number of inspections needed for vendors and coordinators  
743 attending multiple events or farmers markets;

744 G. Review of time needed to conduct an inspection of a vendor who has  
745 consistently demonstrated good performance;

746 H. The Public Health - Seattle & King County 2014 Food Protection Program  
747 Review; and

748 I. The Public Health - Seattle & King County 2014 Environmental Health Permit  
749 Time and Fee Study.

750 The action plan shall include proposed near-term actions and timelines for  
751 implementation that can affect fees for 2015 to be adopted by the board of health and that  
752 would result in an average lower cost of permits for farmers markets and temporary  
753 nonprofits, and long-term actions and timelines for implementation that can lower 2016  
754 food program rates and fees. The plan shall include estimated fee or rate impacts to be  
755 achieved by the proposed actions.

756 The executive must file the near-term options by December 12, 2014, and the  
757 remainder of the action plan and motion required by this proviso by January 30, 2015, in  
758 the form of a paper original and an electronic copy with the clerk of the council, who  
759 shall retain the original and provide an electronic copy to all councilmembers, the council  
760 chief of staff, the policy staff director and the lead staff for the law, justice, health and  
761 human services committee, or its successor.

762 P2 PROVIDED FURTHER THAT:

763 Of this appropriation, \$500,000 shall not be expended or encumbered until:

764 A. The county auditor reports that the environmental health services division has  
765 fully implemented Recommendation #5 of the September 11, 2013, performance audit of  
766 environmental health services, i.e., to implement a rigorous approach to staff allocations

767 addressing the four best practice factors identified by the county auditor, which include a  
768 defined staffing methodology with staffing standards and performance measures related  
769 to caseloads and workloads; and

770 B. The executive transmits a copy of the auditor's report and an action plan for  
771 improving the operational infrastructure of environmental health services in order to  
772 lower permit costs and encourage vendor participation while maintaining food safety, and  
773 a motion that approves the operational action plan and the motion is passed by the  
774 council. The motion shall reference the subject matter, the proviso's ordinance, ordinance  
775 section and proviso number in both the title and body of the motion.

776 Development of the action plan shall be informed, at a minimum, by the  
777 recommendations from the 2013 county auditor performance audit of environmental  
778 health services and the action plan submitted in response to proviso P1 of this section  
779 regarding environmental health services.

780 The proposed action plan shall include recommended actions and timelines for  
781 achieving cost savings that are projected to result in no food program rate increases  
782 through the end of 2017 while building rate reserves during that timeframe. The plan  
783 shall show at a minimum the operational costs, workloads, and staffing assumptions that  
784 are the basis for achieving the target.

785 The executive must file the action plan and motion required by this proviso by  
786 August 30, 2015, in the form of a paper original and an electronic copy with the clerk of  
787 the council, who shall retain the original and provide an electronic copy to all

1153 Of the appropriation for capital project 1117106, children and family justice  
1154 center, \$1,000,000 shall be expended solely for an economic opportunity and  
1155 empowerment program and its administration, to ensure diversity in the project  
1156 workforce and to facilitate achievement of the design build contract's goals for hiring and  
1157 training minorities, women, veterans and youth, and small contracting and suppliers  
1158 utilization goal.

1159 The empowerment program shall be administered by an executive appointee, who  
1160 may either be a county employee or a consultant, and who shall provide assistance to the  
1161 design-build contractor for it to meet or exceed the contractually required apprenticeship  
1162 hiring percentage, thereby satisfy the "best efforts" requirement under K.C.C.

1163 12.16.160.A.2.a., as well as meet or exceed the apprentice hiring goals for all identified  
1164 targeted populations. The administrator shall also assist the design-build contractor for it  
1165 to meet or exceed the contract goal of small contractor and service utilization and thereby  
1166 be in compliance with K.C.C. 2.97.100.

1167 The administrator shall create a plan to achieve or exceed the hiring and training  
1168 goals for apprentices and the utilization goals for small contracting and suppliers. The  
1169 administrator shall convene a community advisory board appointed by the executive by  
1170 April 30, 2015, and confirmed by the county council. The board shall advise and assist  
1171 the administrator in the plan development, administration and reporting. To address  
1172 chronic unemployment and underemployment in certain communities in King County  
1173 and to address the adverse social consequences of said unemployment and  
1174 underemployment, the plan shall include a targeted local hire program, to the extent

1175 permitted by law, focused on recruiting workforce participants from King County's  
1176 economically disadvantaged communities. If appropriate, the plan may incorporate  
1177 elements of Seattle Council Bill 118282. The plan shall be used to assist the design-build  
1178 contractor in fulfilling its contractual obligations of the apprenticeship hiring percentage,  
1179 as well as the apprentice hiring goals for all identified targeted populations, utilizing  
1180 small contractors and suppliers, and using all reasonable efforts to achieve local hires and  
1181 involve youth on the project. At least ninety days before issuing to the design-build  
1182 contractor a notice to proceed with construction, the executive must transmit the plan and  
1183 a motion approving the plan in the form of a paper original and an electronic copy with  
1184 the clerk of the council, who shall retain the original and provide an electronic copy to all  
1185 councilmembers, the council chief of staff, the policy staff director and the lead staff for  
1186 the budget and fiscal management committee, or its successor.

1187         Progress toward achieving the design-build contractor's contractually required  
1188 hiring goals and standards shall be reported to the council by the administrator every  
1189 quarter, beginning with the quarter immediately following the start of construction and  
1190 continuing until the project is completed. The executive must file the reports required by  
1191 this proviso in the form of a paper original and an electronic copy with the clerk of the  
1192 council, who shall retain the original and provide an electronic copy to all  
1193 councilmembers, the council chief of staff, the policy staff director and the lead staff for  
1194 the budget and fiscal management committee, or its successor.

1195         P10 PROVIDED FURTHER THAT:

1196         Of the appropriation for capital project 1126543, DCHS Behavioral Health

1198 two status reports on expenditures to date and dependencies and motions that accept the  
1199 reports. Each motion shall reference the subject matter, the proviso's ordinance,  
1200 ordinance section and proviso number in both the title and body of the motion. Upon  
1201 transmittal of each report, \$200,000 shall be released for expenditure.

1202 The reports shall include, but not be limited to:

1203 A. Enumeration of the expenditures to date;

1204 B. The status of state dependencies and their impact on the project including the  
1205 status of the state database with which the county database must interface and what  
1206 guidance the state has provided with regards to federal confidentiality rules; and

1207 C. The status and timeline of provider readiness, including any technical  
1208 assistance provided or scheduled, to interface with the new system.

1209 The executive must file the reports required by this proviso by November 16,  
1210 2015 and February 15, 2016, respectively, and the motions required by the proviso by  
1211 those same dates, in the form of a paper original and an electronic copy with the clerk of  
1212 the council, who shall retain the original and provide an electronic copy to all  
1213 councilmembers, the council chief of staff, the policy staff director and the lead staff for

1225 procurement and the analysis supporting that decision;

1226           D. Ongoing operational costs and staffing requirements;

1227           E. Preliminary listing of expected reports;

1228           F. Number of expected users by system and department; and

1231 November 1, 2015, in the form of a paper original and an electronic copy with the clerk  
1232 of the council, who shall retain the original and provide an electronic copy to all  
1233 councilmembers, the council chief of staff, the policy staff director and the lead staff for  
1234 the budget and fiscal management committee or its successor.

1235           P12 PROVIDED FURTHER THAT:

1236           Of the appropriation for capital project 1121493, constituent engagement services,

1238 personal information are adopted and published and the council passes a motion  
1239 approving a report outlining how constituents' personal information will be protected.

1240           The motion shall reference the subject matter, the proviso's ordinance, ordinance section  
1241 and proviso number in both the title and body of the motion.

1251 supported rail use of the corridor before termination of active rail use, shall be deposited  
1252 into the parks capital fund and shall be restricted to support future planning and  
1253 development of the eastside rail corridor, subject to council appropriation.

1254 P14 PROVIDED FURTHER THAT:

1255 For capital project 1126545, DES BRC reporting project, the executive shall  
1256 transmit a report that includes:

1257 A. A revised benefit achievement plan that includes clear measures to assess  
1258 whether the benefits of the project have been achieved;

1259 B. An analysis of user satisfaction with the Oracle product or products  
1260 demonstrated during the proof of concept. The analysis should summarize responses  
1261 from all agencies which participated in the proof of concept;

1262 C. The list of requirements for the final BI Analytics solution. The list shall  
1263 identify which requirements are included and which are not. The report shall also  
1264 describe how decisions were made on which requirements to include and which could be  
1265 excluded; and

1266 D. A description of the business standardization, data remediation, and data  
1267 governance efforts related to the project that are completed, in progress, and not yet

1276 the budget and fiscal management committee or its successor.

1277 P15 PROVIDED FURTHER THAT:

1278 The voters of King County authorized the county to levy a property tax for nine  
1279 years. The proceeds of that levy are to fund capital costs of the children and family  
1280 justice center, including but not limited to replacing the youth services center facilities  
1281 located at 12th and Alder with the children and family justice center, now in development  
1282 under a design-build contract. As authorized by the voters, the levy is estimated to  
1283 collect \$219,500,000. The King County council has appropriated \$212,000,000 for  
1284 replacement of the current facilities.

1285 Of the appropriation for capital project 1117106, children and family justice  
1286 center, \$7,500,000 shall only be encumbered and expended: (a) only after the county has  
1287 issued final acceptance to the design-builder of phase 1 to the children and family justice  
1288 center; (b) to pay for capital improvement projects for juvenile justice and family law

1289 services that improve access to services intended to prevent youth involvement with the  
1290 criminal justice system, reduce the negative impacts of any involvement in the juvenile  
1291 justice system and improve outcomes for King County youth; and (c) only after the  
1292 executive transmits a plan for the expenditure of levy proceeds, remaining after the  
1293 county has issued final acceptance on phase 1 of the children and family services center,  
1294 for capital improvements that meet the requirements of subsection b of this proviso and  
1295 Ordinance 17304 and a motion approving the plan, including any additional project  
1296 specifications, and that motion is passed by the council. The plan described in subsection  
1297 (c) of this proviso shall be developed with input from the public through an engagement  
1298 process, and should consider any applicable recommendations of the youth action plan  
1299 adopted in Motion 14378 and any applicable recommendations of the county's steering  
1300 committee to address juvenile justice disproportionality that was formed in 2015 or  
1301 similar groups.
