or on the date of acceptance of the facility for maintenance upon construction completion, as applicable to each facility.

2. The City agrees to operate and maintain the drainage facilities and drainage-related property interests listed in Exhibits C and D in accordance with their design specifications and at a minimum to the same maintenance standards as those set forth by King County in the adopted King County Surface Water Design Manual in order to ensure that the local and watershed-wide effects of said facilities shall not be diminished.

 4. In the event legal action is brought or threatened against King County, or King County and the City jointly, with regard to the facilities or property interests listed in Exhibits C and D, the City will provide King County access to all relevant information that is maintained by the City in connection with the facilities, easements and properties listed on Exhibits C and D following transfer.

2. The records related to matters covered by this Agreement are subject to inspection, review or audit by King County or the City at the requesting party's sole expense. Such records shall be made available for inspection during regular business hours within a reasonable time of the request.

3. Nothing contained in this Agreement shall be construed as affecting or altering any rights or obligations, terms or conditions contained in any existing service and/or maintenance agreement(s) by and between King County and the City of Sammamish.

VI. Financial Arrangements for Surface Water Capital Project Debt Service

Pursuant to RCW 36.89 and K.C.C. 9.08.020 F.1., payments to repay two issues of bonded indebtedness incurred by King County to construct surface water management capital facilities prior to the City's incorporation are to be made to King County until the retirement of the debt. Payments are due for all developed properties that were within the city limits at the time of the incorporation. Amounts to be repaid are calculated according to a specific formula that is adjusted each year; the annual debt service amount is approximately \$94,000. A portion of the debt will be retired in 2017 and the remainder will be retired in 2019. The City agrees that amounts owing will be paid from its annual surface water management fees and that it will collect sufficient revenues from these fees to pay the bonded indebtedness obligation.

VII. Effectiveness, Termination and Amendment

- A. This Agreement shall become effective upon signature by both Parties and shall renew automatically from year to year subject to the provisions of Section VII.B. of this Agreement.
- B. This agreement may be terminated by either party for any reason upon provision of ninety (90) days written notice to the other party, except that in order to terminate surface water service charge revenue collection and disbursement services one hundred eighty (180) days written notice must be provided.
- C. Notwithstanding termination of this Agreement, all facilities, easements and properties transferred pursuant to this Agreement shall remain in the ownership of the City, unless the County consents to accept said facilities and properties in writing, as approved by the King County Council.
- D. This Agreement may be amended, altered, or clarified only by written agreement of the parties hereto, and may be supplemented by addenda or amendments which have been agreed upon by both parties in writing. Copies of such addenda and

amendments shall be attached hereto and upon execution shall be incorporated herein and made a part hereof.

- E. This Agreement is a complete expression of the terms hereto and any oral or written representations or understandings not incorporated herein are excluded. The parties recognize that time is of the essence in the performance of the provisions of this Agreement. Waiver of any default shall not be deemed to be a waiver of any subsequent default. Waiver of breach of any provision of this Agreement shall not be deemed to be a waiver of any other or subsequent breach and shall not be construed to be a modification of the terms of the Agreement unless stated to be such through written approval by the parties which shall be attached to the original Agreement.

VIII. Indemnification and Hold Harmless

- A. Subject to the provisions of Subsection V.A.6. of this Agreement, King County shall indemnify and hold harmless the City and its elected officials, officers, agents or employees, or any of them, from and against any and all claims, actions, suits, liability, loss, costs, expenses and damages, which are caused by or result from a negligent action or omission of King County, its officers, agents and employees in performing its obligations pursuant to this Agreement. In the event that any suit based upon such a claim, action, loss or damage is brought against the City or the City and King County, King County shall defend the same at its sole cost and expense and, if final judgment be rendered against the City and its elected officials, officers, agents and employees or jointly against the City and King County and their respective elected officials, officers, agents and employees, King County shall satisfy the same.

- C. The City shall indemnify and hold harmless King County and its elected officials, officers, agents and employees, or any of them, from and against any and all claims, actions, suits, liability, loss, costs, expenses and damages, which are caused by or result from a negligent act or omission of the City, its officers, agents and employees in performing obligations pursuant to this Agreement. In the event that any suit based upon such a claim, action, loss or damage is brought against King County or King County and the City, the City shall defend the same at its sole cost and expense and, if final judgment be rendered against King County and its officers, agents and employees or jointly against King County and the City and their respective officers, agents and employees, the City shall satisfy the same.
- D. Each Party to this Agreement shall immediately notify the other of any and all claims, actions, losses or damages that arise or are brought against that Party relating to or pertaining to the facilities, easements and properties identified in Exhibits C and D of this Agreement.
- E. Each party agrees that its obligations under this subparagraph extend to any claim, demand, and/or cause of action brought by or on behalf of any employees, or agents. For this purpose, each party, by mutual negotiation, hereby waives, with respect to the other party only, any immunity that would otherwise be available against such claims under the Industrial Insurance provisions of Title 51 RCW.
