SUMMARY OF RECOMMENDATIONS:

Department's Recommendation:
Examiner's Recommendation:

Approve 9.70 acres for 20% of market value
Approve 9.70 acres for 20% of market value

PRELIMINARY REPORT:

On September 5, 2017, the Department of Natural Resources and Parks (DNRP) submitted its report on file no. E17CT007 to the Examiner.

PUBLIC HEARING:

After reviewing the preliminary report and examining available information on file with the application, the Examiner conducted a public hearing on the application on September 19, 2017, in the Fred Conference Room, 12th Floor, King County Courthouse, 516 Third Avenue, Seattle, Washington.

Participants at the public hearing and the exhibits offered and entered are listed in the attached minutes. A verbatim recording of the hearing is available in the Hearing Examiner’s Office.

FINDINGS AND CONCLUSIONS:

1. General Information:

Owner:	Dina Lavrentyev 14900 SE 364th Street Auburn, WA 98092
Location:	14900 SE 364th Street, Auburn
STR:	SW 26-21-05
Zoning:	A-10
Parcel no.:	2621059060
Total acreage:	24.86 acres

2. The Applicant timely filed an application to King County for PBRS program current use valuation of the property to begin in 2019. As required by law, notification of the application occurred.

3. A summary of relevant PBRS categories follows below. (Plain text represents a category an applicant requested an award for and that DNRP agrees is warranted. Any ~~striketrough~~ represents a category an applicant requested an award for but that DNRP disagrees is warranted. Any *italics* represents a category an applicant did not request an award for, but that DNRP nonetheless concludes is warranted. And any **asterisk** represents a category where DNRP finds an award is warranted, but only if certain contingencies or conditions are met.)

PBRS categories:	<u>Open Space Resources</u>	
	Aquifer protection area	5
	Buffer to public or current use classified land	3

Farm and agricultural conservation land	
Significant wildlife or salmonid habitat	5
Surface water quality buffer	5
<u>Bonus Categories</u>	
Additional surface water quality buffer	5
	<hr/> 23

The DNRP-recommended score of 23 points results in a current use valuation of 20% of market value for the enrolled portion of the property. Additional credit may be awarded administratively under the farm and agricultural conservation land category subject to submittal of a King Conservation District approved farm plan by **October 31, 2018**. Award of credit under this category will increase the point total by 5 points and the enrolled acreage by 12.98 for a total of 22.68 acres, with no change to the current use valuation of 20% of market value for the enrolled portion of the property.

4. As to the land area recommended for PBRS enrollment, the Applicant requested no specific amount, while DNRP recommends 9.70 acres. (Enrollment acreage is the entire parcel less the excluded area, as calculated by DNRP. In the event the County Assessor's official parcel size is revised, the PBRS acreage shall be administratively adjusted to reflect that change.)
5. Except as modified herein, the facts set forth in DNRP's preliminary report and testimony at the September 19, 2017, public hearing are correct and incorporated herein by reference. Copies of this report and DNRP's report will be provided to the Metropolitan King County Council for final approval.
 - A. Change to Department staff report: page 2, Section A, no. 6. The Home site/excluded area should read 15.16 acres, not 15.08 acres.
6. Approval, pursuant to the Public Benefit Rating System adopted by Chapter 20.36 KCC, of 23 points and a current use valuation of 20% of market value for 9.70 acres of the property and conditional approval of 5 additional points (which will bring the total to 28 points and 20% of market value for 22.68 acres of the property), is consistent with the purposes and intent of King County to maintain, preserve, conserve, and otherwise continue in existence adequate open space lands and to assure the use and enjoyment of natural resources and scenic beauty for the economic and social well-being of King County and its citizens.

RECOMMENDATION:

1. APPROVE current use valuation of 20% of market value for the 9.70-acre enrolled portion of the property.

2. **CONDITIONALLY APPROVE** additional credit under the farm and agricultural conservation land category, to be awarded administratively, if the Applicant submits a King Conservation District-approved farm management plan by **October 31, 2018**. This will result in a current use valuation of 20% of market value for the 22.68-acre enrolled portion of the property.

DATED September 21, 2017.

David Spohr

NOTICE OF RIGHT TO APPEAL

A person appeals an Examiner recommendation by following the steps described in KCC 20.22.230, including filing with the Clerk of the Council a sufficient appeal statement and a \$250 appeal fee (check payable to the King County FBOD). Appeal statements may refer only to facts contained in the hearing record; new facts may not be presented on appeal. KCC 20.22.230 also requires that the appellant provide copies of the appeal statement to the Examiner and to any named parties listed on the front page of the Examiner's recommendation.

Prior to the close of business (4:30 p.m.) on *October 16, 2017*, an electronic copy of the appeal statement must be sent to Clerk.Council@kingcounty.gov and a paper copy of the appeal statement must be delivered to the Clerk of the Council's Office, Room 1200, King County Courthouse, 516 Third Avenue, Seattle, Washington 98104. At that meeting the Council may adopt the Examiner's recommendation, defer action, refer the matter to a Council committee, or remand to the Examiner for further hearing or further consideration.

If a timely and sufficient appeal statement and filing fee are filed by *October 16, 2017*, the Examiner will notify all parties and interested persons and provide information about "next steps."
