**Subject:** Parking Ordinance

Anne:

Please forward to Kevin Brown.

Thanks.

May 5, 2009

Kevin Brown, Director

King County Parks and Recreation Div.

The Friends of Marymoor Park (FOMP) participated in the initial discussion and development of the parking fee at Marymoor. The program has been an effective approach to supplement funding for the park. However, the shortcoming of the program to date has been the lack of any enforcement related to the parking fee.

At the April, 2009 FOMP meeting, KC Parks Division staff described the proposed ordinance that would provide enforcement authority for the parking fee. FOMP discussed the proposed ordinance and believe the enforcement authority, as described at the meeting, is appropriate and reasonable. Therefore, FOMP supports the proposed parking fee enforcement ordinance for Marymoor Park.

Thank you,

Greg Helland  
President  
FOMP
