Adjustments for prior years on apartment value

Dear Mr. Marquardson,

In answer to your query on account number 342406-9240, we can make corrections on prior years for manifest errors that can be corrected without using appraisal judgement. I have submitted a Tax Roll Correction for the tax years 2000 and 2001. If approved it will result in a reduction in value of \$99,600 for tax year 2000 and \$123,400 for tax year 2001. To change the 1999 tax year, you would need to petition the King County Council. Changing the years before 1999 would require appraisal judgement, which we cannot do.
