28 listed above, shall be considered minor infractions.

1                   **SECTION 4 – DISCIPLINARY ACTIONS FOR MINOR INFRACTIONS**

2                   A. The following are examples of specific categories of minor infractions: passenger

22 a minor infraction is crossed off that Employee’s record. A permanent record of all minor infractions  
23 will be maintained.

24                   **SECTION 6 – MISSES**

25                   A. METRO and the UNION recognize that METRO provides an essential public  
26 service and that Employees have the responsibility and the obligation to report for all assignments  
27 unless previously excused.

26 will be informed in writing of his/her status.

3 7/30/03-7/29/04). An Employee who successfully completes the two (2) twelve (12) month periods  
4 will no longer be on attendance probation.

5                   6. An Employee who has a fourth miss during either twelve (12) month  
6 attendance probation period will be subject to discharge.

7                   7. The attendance probation periods will be extended by any unpaid leave or  
8 industrial injury in excess of ten (10) consecutive days.

9                   G. Four (4) consecutive workdays of absence without leave will be considered a  
10 resignation.

11                   H. A continuous record of sixty (60) days without a miss will cancel the first late  
12 report or absence that is less than twelve (12) months old. Thereafter, each continuous thirty (30)  
13 days without a miss will cancel the next late report or absence on the Employee's record, until all are  
14 cancelled. Should the Employee have a miss, another sixty (60) day period must be completed before  
15 more cancellations will be made. For the purpose of administering this Paragraph, any time missed

24 minute up to one (1) hour after designated report time.

28                   B. A miss, which the supervisor determines was an incident of tardiness beyond the

1 control of the Employee, will be changed to an excused absence and shall not be used for disciplinary  
2 purposes.

3 C. The failure to sign in, when unaccompanied by tardiness, shall be treated as a  
4 minor infraction, as defined in Section 4.

5 D. The procedure for late reports and absences for Transit Operators shall be as  
6 follows:

7 1. If the assigned Operator signs in within one (1) minute after the report time  
8 he/she will be allowed to work his/her assignment and shall not receive a late report. The clock in  
9 the reporting area will be used to determine time. If there is a dispute as to the accuracy of the clock  
10 in the reporting area, the Communications Coordinator's clock will be determinant.

11 2. If the first Report Operator is assigned to work, the Base  
12 Dispatcher/Planner will verbally notify the next Report Operator to be available to sign in for work.

16 4. At the end of one (1) hour, an Operator on late report will report to the Base

19 the two and one-half (2-1/2) hour report guarantee.

20 5. If an Operator on late report fails to report to the Base Dispatcher/Planner  
21 after one (1) hour, and is not notified of such by the Base Dispatcher/Planner when an assignment is  
22 given after the hour, the Operator will be paid from the beginning of the late report up to the  
23 beginning of the assignment. If an Operator on late report fails to report to the Base  
24 Dispatcher/Planner after one (1) hour and is notified of such by the Base Dispatcher/Planner when  
25 being given the assignment, the Operator will be paid for one (1) hour of late report and for the  
26 assignment, if it is worked. If an Operator on late report fails to report to the Base  
27 Dispatcher/Planner after one (1) hour and is notified of such by the Base Dispatcher/Planner and is  
28 not used for an assignment, the Operator will receive pay only for one (1) hour of late report.

1                   6. If, after one (1) hour, no work is available, the Operator will be released, or  
2 placed at the bottom of the report list for work later in the day at a minimum pay of two and one-half  
3 (2-1/2) hours.

4                   7. A Part-Time Operator who has an absence will lose his/her assignment and  
5 pay for that day, except that a Part-Time Operator who has an absence on his/her first piece of work  
6 may be assigned to work his/her second piece of work.

7                   E. The procedures for changing misses to absences or excused absences for Transit  
8 Operators shall be as follows:

9                   1. A Full-Time Operator may provide a written request to the immediate  
10 supervisor the same day as his/her unexcused absence. If such request is granted, the Operator either  
11 will be placed at the bottom of the report list for work later in the day at minimum pay of two and  
12 one-half (2-1/2) hours or will be told to return home.

13                   2. A request for a miss to be changed to an absence or excused absence must  
14 be presented, in writing, to the immediate supervisor, within five (5) workdays of the occurrence.  
15 The immediate supervisor shall determine whether the miss shall be reduced to an absence or  
16 excused absence.

17                   F. The procedures for Transit Operators going on or coming off the sick list shall be  
18 as follows:

19                   1. An Employee, who calls his/her immediate supervisor and requests to be  
20 put on the sick list less than thirty (30) minutes before his/her report time, will be put on the sick list  
21 and will be given an unexcused absence.

22                   2. An Employee, who has called in sick and has been given an unexcused  
23 absence, may make a written request to his/her immediate supervisor, within five (5) workdays of the  
24 Employee's return to work, to change the unexcused absence to an absence or an excused absence.  
25 The immediate supervisor shall determine whether the circumstances warrant a change from an  
26 unexcused absence. However, the unexcused absence will be excused in all cases where the  
27 Employee received medical treatment and was unable to report the absence as required.

28                   3. A Transit Operator coming off the sick list must notify the base by 10:00

1 a.m. in order to be scheduled for work the next day. One (1) continuous incident of sick leave will be

3 a.m., but whose licensed practitioner will not release the Operator for duty the following day.

28 unexcused absence. However, the unexcused absence will be excused in all cases where the

1 Employee received medical treatment and was unable to report the absence as required.

16 offense, he/she shall be reinstated to his/her former position without loss of seniority and will be paid  
17 wages lost as though he/she had not been suspended or discharged. No entry shall be made on the  
18 Employee's record of such suspension or discharge.

19 B. If, however, after such a review, it is found that the Employee in question was not  
20 completely blameless, then the parties may mutually agree upon a reduction of the penalty and upon  
21 what, if any, portion of the wages he/she would have earned should be restored to him/her.

1 **ARTICLE 5: GRIEVANCE AND ARBITRATION**

2 ***SECTION 1 – GRIEVANCE PROCEDURE***

3 A. Employee grievances concerning the interpretation and application of this  
4 AGREEMENT shall be processed in accordance with the grievance procedure in this Article, except  
5 as outlined in Paragraph D. A “grievance”, as used in this AGREEMENT, shall mean a claim by an  
6 Employee that the terms of this AGREEMENT have been violated and/or a dispute exists concerning  
7 the proper application or interpretation of this AGREEMENT.

8 B. If a time limit, as defined in this Section, falls on a Saturday, Sunday or holiday as  
9 specified in Article 8, Section 4, the time limit will be extended until 5:00 p.m. on the following  
10 business day. Time limits defined in this Section may be extended by a written agreement between  
11 the parties. However, should either party breach the time limitation, that party shall forfeit all rights  
12 and claims to the grievance; and the grievance shall be considered resolved in the other party’s favor;  
13 it being understood that such forfeiture does not decide the merits or establish a precedent.

14 C. If a grievance arises, it shall be put in writing, specifying the act or event being  
15 grieved, the date of the occurrence, the provisions of this AGREEMENT that allegedly have been  
16 violated, and the remedy sought. It will be handled in the following manner, except that grievances  
17 pertaining to the discharge of an Employee shall be processed in accordance with Paragraph D.  
18 Grievances filed on behalf of Employees in the Finance Division of the Department of Executive  
19 Services shall be filed with the person noted in [brackets] below.

20 **Step 1:** Within fifteen (15) days of the act or knowledge of the act being  
21 grieved, the Employee shall present the written grievance to his/her supervisor/designee. Thereafter,  
22 the supervisor/designee shall meet with the Employee and a Shop Steward/UNION Officer, unless  
23 waived in writing by the Employee, to discuss the grievance. METRO shall, within twenty (20) days  
24 after receipt of the grievance, notify the UNION of its decision by fax and/or written copy. If the  
25 UNION Business Representative/designee determines that the grievance has merit, it may be referred  
26 to Step 2 within ten (10) days of such notification. Such referral must be in writing.

27 **Step 2:** The grievance shall be presented to the manager/designee. Thereafter,  
28 the manager/designee shall meet with the Employee and the UNION Business

1 Representative/designee to review and discuss the grievance. If a grievance involves discipline, the  
2 person who issued the discipline will not conduct the meeting. METRO shall, within twenty (20)  
3 days from receipt of the Step 2 referral, notify the UNION in writing of its decision. The UNION  
4 Business Representative/designee may, within ten (10) days from the notification, refer the grievance  
5 to Step 3. Such referral must be in writing.

6 **Step 3:** The grievance shall be presented to Transit Human Resources  
7 [Manager of King County Labor Relations/designee]. Thereafter, the Employee and UNION  
8 Business Representative/designee will meet with a committee consisting of a Transit Human  
9 Resources designee [Manager of King County Labor Relations/designee], manager/designee and  
10 other appropriate METRO personnel for the purpose of resolving the grievance. The meeting shall  
11 be held and a written decision shall be sent to the UNION within forty (40) days after receipt of the  
12 Step 3 referral. If no agreement can be reached at Step 3, the UNION Business  
13 Representative/designee may appeal to arbitration by notifying Transit Human Resources [Manager  
14 of King County Labor Relations/designee] in writing. Such referral must be sent by registered mail,  
15 certified mail or fax, within sixty (60) days after the UNION receives the Step 3 decision.

16 **D.** If a grievance arises that involves an Employee's discharge, it shall be handled in  
17 the following manner:

18 **Step 1:** Within fifteen (15) days of the act or knowledge of the act being  
19 grieved, the Employee shall present the written grievance to his/her supervisor/designee. Prior to a  
20 Step 1 hearing, the discharged Employee may choose to appeal his/her discharge to the King County  
21 Personnel Board. Such appeal will withdraw and void any grievance filed through the UNION  
22 procedure. If the Employee chooses to be represented by the UNION, he/she waives any right to  
23 appeal to the King County Personnel Board. The supervisor/designee shall meet with the Employee  
24 and the UNION Business Representative/designee (unless waived in writing by the Employee) to  
25 discuss the grievance. METRO shall, within twenty (20) days after receipt of the grievance, notify  
26 the UNION of its decision by fax and/or written copy. If the UNION Business  
27 Representative/designee determines that the grievance has merit, it may be referred to Step 2 within  
28 ten (10) days of such notification. Such referral must be in writing.

1                   **Step 2:** The grievance shall be presented to Transit Human Resources  
2 [Manager of King County Labor Relations]. Thereafter, the Employee and UNION Business  
3 Representative/designee will meet with a committee consisting of a Transit Human Resources  
4 designee [Manager of King County Labor Relations/designee], manager/designee and other  
5 appropriate METRO personnel for the purpose of resolving the grievance. The meeting shall be held  
6 and a written decision shall be sent to the UNION within forty (40) days after receipt of the Step 2  
7 referral. If no agreement can be reached at Step 2, the UNION Business Representative/designee  
8 may appeal to arbitration by notifying Transit Human Resources [Manager of King County Labor  
9 Relations] in writing. Such referral must be sent by registered mail, certified mail or fax within sixty  
10 (60) days after the UNION receives the Step 2 decision.

11                   **E.** Time spent by Employees adjusting grievances and/or pursuing arbitration is not  
12 working time and shall not be compensated. However, if a Step 1 grievance hearing is held during  
13 the Employee's normal working hours, the Employee will not suffer a loss in compensation.  
14 Grievances shall be heard during management's normal working hours unless stipulated otherwise by  
15 both parties.

16                   ***SECTION 2 – ARBITRATION PROCEDURE***

17                   **A.** If any grievance, including discharge, cannot be amicably resolved in accordance  
18 with the provisions of the grievance procedure defined in Section 1, it may be submitted to the  
19 Arbitration Board. The Arbitration Board shall consist of one (1) member appointed by the UNION  
20 Business Representative, one (1) member appointed by METRO's Transit Human Resources, and an  
21 impartial arbitrator selected using the following procedure:

22                                   **1.** METRO and the UNION shall mutually agree upon a list of six (6)  
23 impartial arbitrators as soon as possible after the execution of this AGREEMENT.

24                                   **2.** The names on such list of arbitrators shall rotate and the next arbitrator  
25 starting from the top of the list shall be scheduled to hear a grievance, unless METRO and the  
26 UNION agree to select another arbitrator on the list. The UNION will contact the arbitrator to  
27 determine his/her availability and will be responsible to schedule all requested arbitrations. The  
28 selected arbitrator will then be placed at the bottom of the list.

1                   3. The selected impartial arbitrator may hear more than one (1) case, if  
2 mutually agreed by both parties, provided said arbitrator hears and decides each case independently  
3 before proceeding to the next case.

4                   4. If METRO and the UNION determine that an arbitrator is unacceptable and  
5 should be removed from the list, that arbitrator shall issue any outstanding decisions, but shall not be  
6 scheduled for more arbitrations.

7                   5. When the rotating list of arbitrators is reduced below six (6) names, the  
8 parties must mutually select, within ten (10) calendar days after receipt of the Federal Mediation and  
9 Conciliation Service's arbitrators list, the new arbitrator(s) to bring the total list to six (6) before  
10 additional arbitrations are scheduled. The names of the newly appointed arbitrator(s) shall be placed  
11 at the bottom of the list.

12                   **B.** The submission of a grievance to the Arbitration Board shall be based on the  
13 original written grievance.

14                   **C.** No more than one (1) grievance shall be submitted before the same arbitrator at  
15 one (1) hearing, unless agreed upon in writing by both parties prior to the scheduling of the  
16 arbitration.

17                   **D.** The Arbitration Board shall settle or decide a grievance submitted for arbitration  
18 within thirty (30) days after the date of the submission of post-hearing briefs, or after the date of the  
19 arbitration hearing if no briefs are submitted.

20                   **E.** The power and authority of the Arbitration Board shall be to hear and decide each  
21 grievance and shall be limited strictly to determining the meaning and interpretation of the terms of  
22 this AGREEMENT.

23                   **1.** The Arbitration Board shall not have the authority to add to, subtract from,  
24 or modify this AGREEMENT, nor to limit or impair any common law right of METRO or the  
25 UNION. The Arbitration Board's decision, including upholding, modifying or setting aside any  
26 disciplinary action or the award of lost wages and benefits, shall be in accordance with federal and  
27 state laws, and shall be final and binding on all parties.

28                   **2.** The decision of the Arbitration Board shall be based solely on the evidence

1 and arguments presented by the parties in the presence of each other.

2           **F.** The parties agree that the power and jurisdiction of any arbitrator who is chosen  
3 shall be limited to deciding whether there has been a violation of a provision of this AGREEMENT.

4           **G.** If the arbitrator upholds the grievance, METRO shall pay the cost of the arbitrator.  
5 If the grievance is denied, the UNION shall pay the cost of the arbitrator. Each party shall be  
6 responsible for the cost of its own attorney fees. If both parties agree to cancel an arbitration, prior to  
7 the decision of the arbitrator, the cancellation fee shall be split by both parties.

8           **H.** METRO and the UNION agree to attend a pre-arbitration conference not later than  
9 fourteen (14) days before each scheduled arbitration. The purpose of such conference shall be to  
10 discuss and narrow issues, to explore settlement, and to treat other matters relevant to the arbitration  
11 proceeding.

12           **I.** The arbitration hearing shall be conducted under the rules and regulations set forth  
13 by the American Arbitration Association.

14           ***SECTION 3 – MEDICAL ARBITRATION***

15           A grievance from an Employee who is removed from service or refused permission to return  
16 to work from sick leave or a leave of absence due to a physical or mental disability, which prevents  
17 the Employee from performing all of his/her duties, will be handled in the following manner:

18           **Step 1:** The Employee shall present to METRO a medical release from his/her  
19 physician, which authorizes the Employee to perform, without restriction, all duties of his/her  
20 position. In the absence of such medical release, the parties agree that no grievance exists. If  
21 METRO does not accept the medical release, METRO will, at its expense, refer the Employee to a  
22 physician of METRO's choice for a medical examination. If METRO's physician authorizes the  
23 Employee's return to work, the Employee will be allowed to work and METRO will pay all back  
24 wages and benefits from the date of the Employee's original medical release. If METRO's physician  
25 does not authorize the Employee's return to work and the Employee still wishes to work, the Union  
26 Business Representative or designee may within forty-five (45) days from notification refer the  
27 grievance to Step 2. Such referral must be in writing.

28           **Step 2:** If the Employee's physician and METRO's physician disagree on whether the

1 Employee may return to work, the two physicians shall discuss the issue. If these physicians cannot  
2 resolve the issue, it shall be referred to the Arbitration Board in accordance with Section 2. The  
3 Arbitration Board will determine whether the Employee can perform his/her duties without  
4 restriction. The decision of the Arbitration Board shall be final and binding on the parties. Should  
5 the Arbitration Board rule in favor of the Employee, the Employee shall be returned to work without  
6 loss of seniority. The Arbitration Board shall determine the date upon which the Employee, in the  
7 Arbitration Board's opinion, was able to fully perform the duties of his/her position. The Employee  
8 shall receive all back pay and benefits from that date. Should the Arbitration Board rule in favor of  
9 METRO, the Employee (excluding entry level probationary Employees) will be given priority  
10 consideration for obtaining another King County job for which the Employee meets minimum  
11 requirements and in which he/she can be placed in accordance with METRO's Merit System. The  
12 power and the authority of the Arbitration Board shall be limited strictly to determining whether the  
13 Employee can perform his/her duties. The Arbitration Board shall not have the authority to add to,  
14 subtract from, or modify METRO's job descriptions.

15 ***SECTION 4 – EXPEDITED ARBITRATION***

16 A. As an alternative to the arbitration procedure outlined in Section 2, the parties may  
17 agree to an expedited arbitration procedure. When a grievance is advanced to arbitration, either party  
18 may request an expedited arbitration process. At the time of the request, the party requesting an  
19 expedited arbitration shall outline the process desired. The requested expedited arbitration process  
20 may include, but is not limited to, some or all of the following characteristics as agreed by both  
21 parties:

- 22 1. The parties will not be represented at the hearing by attorneys;
- 23 2. The hearing will be informal and conducted under the rules and regulations  
24 set forth by the American Arbitration Association;
- 25 3. No briefs will be filed;
- 26 4. The hearing will be completed in one (1) day with neither side being  
27 allowed more than a half a day for their presentation;
- 28 5. The arbitrator will issue a decision within two business days of the hearing

1 with a written opinion within thirty days;

2 6. The arbitrator shall be mutually selected by the parties.

3 B. If the parties agree on an expedited arbitration process:

4 1. The power and authority of the arbitrator shall be to hear and decide each  
5 grievance and shall be limited strictly to determining the meaning and interpretation of the terms of  
6 the AGREEMENT;

7 2. The arbitrator shall not have the authority to add to, subtract from, or  
8 modify this AGREEMENT, nor to limit or impair any common law right of METRO or the UNION.  
9 The arbitrator's decision, including upholding, modifying, or setting aside any disciplinary action  
10 and/or the award of lost wages and benefits, shall be in accordance with federal and state laws, and  
11 shall be final and binding on all parties.

12 3. The decision of the arbitrator shall be based solely on the evidence and  
13 arguments presented by the parties at the hearing.

14 4. The expense of the impartial arbitrator shall be borne equally by both  
15 parties.

16 5. The parties agree that the power and jurisdiction of the arbitrator shall be  
17 limited to deciding whether there has been a violation of a provision of this AGREEMENT.

18 6. Each party shall be responsible for the cost of its own attorney fees.

19 C. If the parties are unable to agree within fourteen (14) calendar days of notification  
20 on an expedited arbitration procedure, the arbitration procedure in Section 2 of this Article shall be  
21 followed.

1 **ARTICLE 6: SENIORITY**

2 ***SECTION 1 – CALCULATING SENIORITY***

3 Seniority will be calculated in the following manner:

4 A. In the case of two (2) or more Employees newly hired within the same job  
5 classification on the same date, seniority will be calculated by order of their respective application  
6 dates with METRO during the current recruitment period, including hours and minutes.

7 B. If two (2) or more Employees are promoted/transferred at the same time to the  
8 same job classification, the date of current continuous hire or qualification date, if applicable, will  
9 determine seniority. This also applies to Employees who start work in the new position on different  
10 days due to different RDO combinations.

11 C. Unless otherwise provided in this AGREEMENT, selection of vacation, RDOs,  
12 and assignments will be determined by seniority earned in a specific job classification. METRO date  
13 of hire/qualification will be used to determine the amount of vacation and benefits earned; however,  
14 for a Part-Time Operator who is reclassified as a Full-Time Operator, the date of reclassification shall  
15 be determinant, except as noted in Article 9, Section 1. For the purposes of this Paragraph,  
16 Supervisors, as listed in Article 22, Section 1 shall be considered one (1) classification.

17 D. A Part-Time Operator who moves to full-time status shall accrue full-time  
18 seniority from the date of qualification as a Full-Time Operator. A Full-Time Operator who moves  
19 to part-time status shall forfeit seniority as a Full-Time Operator, and shall be accorded seniority  
20 based on calendar days spent as a Part-Time Operator immediately prior to reclassification as a Full-  
21 Time Operator, if any, except as otherwise provided herein.

22 E. An Employee who retires and then rehires as a Part-Time Operator will be placed  
23 at the bottom of the Part-Time Operator seniority list.

24 ***SECTION 2 – PROMOTION, TRANSFER, DEMOTION, AND LAYOFF***

25 A. Unless otherwise specified in this AGREEMENT, an Employee who is promoted  
26 or transferred to a position in METRO outside of the Bargaining Unit shall retain his/her Bargaining  
27 Unit seniority for one (1) year from the date of promotion or transfer; however, such employee shall  
28 retain his/her Bargaining Unit seniority for purpose of layoff.

1           **B.** Any King County employee not represented by the UNION who previously has  
2 attained permanent status in a Bargaining Unit job classification, and who voluntarily demotes or is  
3 involuntarily demoted back to such classification after one (1) year will not be eligible for  
4 reinstatement of seniority in such classification. In no case shall such a demotion displace any  
5 Bargaining Unit Employee.

6           **C.** Any Employee who voluntarily demotes or is involuntarily demoted, other than  
7 demotion caused by layoff, will forfeit all rights to the classification from which the Employee was  
8 demoted. Due to poor health or for other compelling reasons, an Employee may request a voluntary  
9 demotion to a classification within his/her division in which the Employee has attained permanent  
10 status. If an Employee is involuntarily demoted or is granted a voluntary demotion, he/she will be  
11 reinstated to the position in seniority which he/she had formerly achieved in the classification to  
12 which he/she has been demoted.

13           ***SECTION 3 – DETAILS/SPECIAL PROJECTS***

14           **A.** METRO and the UNION recognize the value provided to Employees by having  
15 detail opportunities available. METRO and the UNION also agree that detail opportunities should  
16 balance the desire of many Employees to prepare for promotional opportunities with the need to have  
17 an Employee accumulate experience in a detail position in order to be effective in that position.

18           **B.** An Employee who is detailed to a capital improvement project shall return to  
19 his/her regular position on a date mutually agreed by the UNION and METRO at the beginning of the  
20 project. An Employee who is detailed to a position outside the Bargaining Unit for work other than  
21 an agreed project will not exceed one (1) year in the detail position.

22           **C.** Any Employee who is in a detail position for at least ninety (90) days shall be  
23 required to spend at least ninety (90) days in his/her regular position before being detailed to another  
24 position.

25           **D.** An Employee who exceeds the time limits (project end date or one (1) year) may  
26 lose his/her Bargaining Unit seniority for the purpose of pick, but shall retain seniority for the  
27 purpose of layoff.

28           ***SECTION 4 – SENIORITY LISTS***

1           **A.** Seniority for all Employees shall be recorded on lists certified by the UNION and  
2 on file with METRO. Seniority shall be under the jurisdiction of the UNION. All questions or  
3 grievances pertaining to seniority shall be settled by the UNION.

4           **B.** The UNION agrees to provide METRO with certified seniority lists by job  
5 classification showing name(s) and seniority for picks, move-ups, promotions, and layoffs; provided  
6 that METRO gives the UNION at least fourteen (14) calendar days advance notice and provides an  
7 up-to-date list of all new hires, showing their application times and dates, and job classifications.  
8 The UNION will provide, as a courtesy to METRO, an explanation of any changes appearing on  
9 these lists.

1 **ARTICLE 7: LAYOFF AND RECALL**

2 ***SECTION 1 – REASON FOR LAYOFF***

3 METRO will not lay off any Employee except due to reduction in service, lack of work, lack  
4 of funds, or improvement in efficiency. METRO will inform the UNION of potential layoffs forty-  
5 five (45) days or more in advance in order to allow METRO and the UNION to investigate whether  
6 Employees scheduled for layoff may continue to be employed by METRO. If a reduction in the work  
7 force should prove unavoidable and provisions cannot be made to retain affected Employees at  
8 different job classifications within METRO, then METRO and the UNION will form a relocation  
9 task force to seek alternate gainful employment for affected Employees.

10 ***SECTION 2 – METHOD OF REDUCTION***

11 **A.** METRO shall determine the positions to be eliminated. Layoffs shall occur by  
12 inverse seniority, within the affected job classification, within the division.

13 **B.** A laid-off Employee who has attained regular status in another job classification  
14 may displace a less senior Employee in said classification. A position in the highest paying  
15 classification, in which there is a less senior Employee and in which the Employee previously has  
16 attained regular status, will be offered, except that an Employee shall not be placed into a  
17 classification from which the Employee has demoted or failed to complete the probationary period.  
18 For such purpose, seniority shall be calculated to include all time spent in the classification in which  
19 the Employee is placed, plus any continuous time spent in other Bargaining Unit classifications with  
20 higher top step wage rates, in which the Employee had attained regular status.

21 ***SECTION 3 – RECALLING LAID-OFF EMPLOYEES***

22 **A.** An Employee shall be eligible for reinstatement for twenty-four (24) months  
23 following layoff and shall be recalled to service in the order of his/her seniority within a division, and  
24 by job classification. To be eligible for reinstatement, a laid-off Employee must keep METRO  
25 informed of his/her current address. METRO's obligation to offer reinstatement shall be fulfilled by  
26 mailing a notice by registered mail to the most recent address supplied by the laid-off Employee. A  
27 laid-off Employee must notify METRO within fifteen (15) days after such reinstatement offer has  
28 been mailed by METRO and report for work at the time and place stipulated in the notice.

7 or vacation on the day of observance, shall receive eight (8) hours AC time. An Employee who  
8 works on the day of observance, as part of his/her regular work schedule, will receive eight (8) hours  
9 pay for such day and will receive AC time at the rate of time and one-half (1-1/2) for all time worked.

10 ***SECTION 2 – FULL-TIME TRANSIT OPERATORS, REVENUE COORDINATORS,***  
11 ***SUPERVISORS, AND WATERFRONT STREETCAR CONDUCTORS***

12 Eligible Employees in the classifications of Full-Time Transit Operator, Revenue

15 vacation on the day of observance shall receive eight (8) hours AC time. An Employee who works  
16 on the day of observance, as a part of his/her regular work schedule, will receive eight (8) hours pay  
17 for such day and will receive AC time for all time worked, calculated in the method provided in this  
18 AGREEMENT for work performed on non-holidays.

19 ***SECTION 3 – PART-TIME TRANSIT OPERATORS***

20 Each eligible Part-Time Transit Operator shall be granted the following holidays off with pay  
21 equal to his/her current picked assignment:

26 for actual hours worked.

27 ***SECTION 4 – DAYS OF OBSERVANCE***

28 Each listed holiday shall be observed once each calendar year on the date established by state

1 law or, if there is no such law, on the date established by METRO. When one (1) of the holidays  
2 designated below falls on Sunday, the holiday shall be observed on Monday. When one (1) of the  
3 holidays designated below falls on Saturday, the holiday shall be observed on Friday.

4	New Year's Day	Labor Day
5	Martin Luther King Junior Day	Veterans Day
6	Lincoln's Birthday	Thanksgiving Day
7	Presidents' Day	Day after Thanksgiving
8	Memorial Day	Christmas Day
9	Independence Day	

10  
11 **SECTION 5 – PERSONAL HOLIDAY**

12 **A.** Each regular full-time and part-time Employee may choose one (1) personal  
13 holiday per payroll year. An Assigned Rider Information Specialist, who works at least one hundred  
14 thirty (130) hours in any three (3) separate months in a calendar year, will be entitled to choose a  
15 personal holiday in the following payroll year.

16 **B.** METRO must approve the day selected. The following govern use of the personal  
17 holiday:

18 **1.** When an Employee other than a Part-Time Operator, has not used his/her  
19 personal holiday during a payroll year, the holiday will be converted to eight (8) hours of vacation or  
20 ten (10) hours of vacation if he/she is working a regularly picked 4/40 assignment. When a Part-  
21 Time Operator has not used his/her personal holiday during a payroll year, the holiday will be cashed  
22 out.

23 **2.** The personal holiday will be paid upon termination or retirement, provided  
24 the Employee has not taken the personal holiday during the payroll year.

25 **3.** The personal holiday cannot be taken while an Employee is on leave of  
26 absence without pay or on a day for which the Employee would otherwise receive holiday pay.

27 **4.** An Employee who is not entitled to holiday pay on a holiday as listed in  
28 Sections 3 or 4 may take his/her personal holiday on such day.

1 C. An Employee must complete the initial ninety (90) calendar days of employment  
2 before taking a personal holiday.

3 D. A part-time Employee will receive pay for his/her most recent regular assignment  
4 when taking or cashing out a personal holiday.

5 E. An eligible on-call or assigned Employee will receive eight (8) hours pay when  
6 taking or cashing out a personal holiday.

7 ***SECTION 6 – SHIFT DIFFERENTIAL***

5 Employees for unpaid time off granted by METRO to conduct official UNION business, except as

7 unpaid leaves of absence up to a maximum of forty (40) hours during each payroll year.

8 B. Each full-time Employee shall accrue vacation according to the applicable accrual  
9 rate, and be subject to applicable maximum biweekly vacation accruals, per Paragraph G.

10 C. A Part-Time Transit Operator, or a Part-Time or On-Call Conductor shall accrue  
11 vacation according to the applicable accrual rate, and be subject to the applicable maximum annual  
12 and maximum biweekly vacation accruals, per Paragraph G, starting with the first pay period after  
13 completion of one (1) year of active service from his/her most recent date of employment in his/her  
14 classification. Service credit will be given for such year for determining future accrual rates.

15 D. The applicable accrual rate for all Employees except Transit Operators, will be  
16 based upon years of active service since the Employee's most recent date of employment. The

18 continuous full-time service. Each full-time Employee will receive one day of vacation accrual  
19 service credit for each three (3) calendar days of active, continuous service as an on-call or part-time

1 a holiday, that an Employee, except a Part-Time Transit Operator, normally would have received,  
2 falls within his/her vacation period, such Employee shall use vacation on the holiday and accrue AC  
3 time, as provided in Article 8, in lieu of holiday pay. METRO shall arrange vacations for Employees  
4 on such schedules as will least interfere with the function of the division; but which accommodate the  
5 desires of the Employees to the greatest degree feasible.

6 **B.** A Part-Time Transit Operator, who picks vacation in a week which includes a paid  
7 holiday, as outlined in Article 8, Section 3, shall receive holiday pay in lieu of vacation pay for such  
8 day.

9 **SECTION 3 – SELECTION OF VACATIONS**

10 Procedures for use and selection of vacations are specified in individual Employee group  
11 Articles of this AGREEMENT.

12 **SECTION 4 – VACATION CARRY OVER**

13 **A.** Following one (1) full accrual year, an Employee may carry over vacation based  
14 on the following schedule:

15

19 1 - 4	2	6
20 5 - 9	3	12
21 10 - 14	4	20
22 14 +	5	30

23 In addition to the days listed above, a full-time Employee may carry over any fraction of a  
24 day. An Employee who desires to carry over vacation time must make his/her request at the time  
25 vacations are being scheduled.

26 **B.** The number of vacation days carried over shall not exceed the number of annual  
27 vacation days for which the Employee is currently eligible. No Part-Time Transit Operator shall  
28 carry over more than the number of hours listed in Paragraph A.

1 C. Except as otherwise provided in this AGREEMENT, an Employee desiring to use  
2 accumulated carryover vacation which he/she has not picked may use up to two (2) days per year in  
3 single day increments with the prior approval of his/her immediate supervisor. All other carryover  
4 vacation must be used in blocks of five (5) or more days and must be approved at least thirty (30)  
5 days in advance.

6 D. An Employee may carry over unused vacation time to the next succeeding year  
7 when METRO verifies that the Employee has been prevented from using said vacation because of  
8 injury, illness or work schedules.

9 ***SECTION 5 – VACATION CASH OUT***

10 An Employee who has accrued more than eighty (80) hours of vacation in a year may elect to  
11 cash out a portion of his/her vacation, provided he/she picks a minimum of eighty (80) hours of  
12 vacation. Once a year, during the first vacation pick of the year for an Employee's work unit, an  
13 Employee may elect to cash out a minimum of eight (8) hours up to a maximum of sixty (60) hours.

18 A. An Employee entering active military service will be paid for all accrued vacation.

19 B. A regular Employee who leaves METRO to enter active military service and who  
20 returns to work with METRO within ninety (90) days after satisfactory completion of military  
21 service, shall begin accruing vacation at the applicable rate. Time spent on such military leave shall  
22 count as active service in determining the applicable accrual rate.

23 C. An Employee entering active military service will continue to accrue vacation for  
24 time spent in military service up to a maximum of one (1) year. Such accrual will be credited to the  
25 Employee upon return to METRO from military leave.

26 ***SECTION 8 – VACATION – UNION BUSINESS LEAVE***

27 An Employee elected to full-time UNION office, who takes an extended leave of absence  
28 under the provisions of Article 10, Section 3, shall be paid for whatever vacation he/she has earned

1 **ARTICLE 10: LEAVES OF ABSENCE**

2 ***SECTION 1 – GENERAL***

3 The decision to grant an unpaid leave of absence shall be the decision of METRO, except as  
4 limited by this AGREEMENT. Unpaid leaves of absence, not to exceed one (1) year, may be  
5 granted, at METRO’s option, for reasons other than those described in this Article. A reasonable  
6 amount of compassionate leave will be available to Employees under warranting circumstances as  
7 determined by METRO. Requests must be submitted in writing to an Employee’s immediate  
8 supervisor before any leave of absence begins. No unpaid leave of absence will be granted to an  
9 Employee to accept employment with another employer, except leaves for UNION business or leaves  
10 for government service in the public interest. The decision to grant or deny an unpaid leave of  
11 absence is not subject to the grievance/arbitration procedures in Article 5.

12 ***SECTION 2 – BEREAVEMENT LEAVE***

13 A. If an Employee’s spouse/domestic partner or a child, parent, brother, sister,  
14 grandparent, or grandchild of an Employee or his/her spouse/domestic partner dies, such Employee  
15 may take two (2) days off with pay for bereavement leave and one (1) additional day off with pay  
16 when total travel from the Employee’s home to the memorial service and back exceeds two hundred  
17 (200) miles. Additionally, an Employee may use vacation, AC time and/or up to three (3) days of  
18 accrued sick leave for bereavement leave purposes, with the approval of the Employee’s supervisor.  
19 METRO may, at its discretion, grant bereavement leave for persons other than those listed above  
20 where a close family relationship exists. Use of sick leave for bereavement leave purposes shall not  
21 count toward probationary points or as an incidence of sick leave in determining verification  
22 requirements as specified in Article 11, Section 1.

23 B. An Employee on bereavement leave will be paid his/her regular rate of pay for  
24 days on bereavement leave. Such pay shall be based on the Employee’s regular assignment to a  
25 maximum of eight (8) hours per day, except as provided in Article 13.

26 ***SECTION 3 – UNION BUSINESS***

27 A. Pay for time granted to an Employee for a leave of absence to conduct UNION  
28 business shall be deducted from regular pay on an hourly basis. All provisions of this AGREEMENT

1 relating to benefit costs, accruals and holiday eligibility shall remain in force while an Employee is  
2 on UNION business leave to a maximum of thirty (30) calendar days during each calendar year. For  
3 UNION business leave in excess of the thirty (30) calendar days, no benefits shall accrue (i.e.,  
4 vacation and sick leave) and costs of benefit premiums (i.e., medical, dental, optical, and disability)  
5 shall be the responsibility of the UNION. For purpose of calculating the thirty (30) day limitation,  
6 RDOs and holidays shall be included only if the Employee was on UNION business leave the day  
7 preceding and the day after the RDO/holiday.

8           **B.** The thirty (30) day limitation for determining payment and accrual of benefits  
9 shall not include UNION Executive Board members while attending the regularly scheduled monthly  
10 Executive Board meeting, while attending membership meetings, while working on picks, while  
11 participating on a UNION negotiating committee, or while replacing the full-time UNION Officers  
12 during contract negotiations.

13           **C.** All full-time Local 587 UNION Officers, one (1) International UNION Officer,  
14 and/or one (1) A.F.L.-C.I.O.-elected Officer shall be granted extended leaves of absence from  
15 METRO.

16           **D.** If an Employee is granted a leave of absence, he/she will continue to accrue all  
17 types of seniority, including vacation seniority, during the effective period.

18           **E.** The UNION agrees to provide METRO with correct lists of all UNION Officers,  
19 Stewards, and committee members as soon as practicable after the effective date of this  
20 AGREEMENT, and to provide a new and corrected list of same as soon as practicable following any  
21 UNION election or appointment.

22           **F.** During days of general UNION election, additional members not to exceed forty-  
23 five (45), shall be granted leave to act as tellers.

24           ***SECTION 4 – JURY DUTY***

25           **A.** Upon receiving notification to report to serve on jury duty, jury panel, or jury test,  
26 an Employee shall immediately notify his/her immediate supervisor. If an Employee is used for jury  
27 duty and submits proof of report for same, he/she shall receive time off with pay at his/her regular  
28 rate of pay for his/her regular assignment, not to exceed eight (8) hours per day for each day served.

1 Compensation received for jury duty must be forwarded to METRO; however, reimbursement for  
2 travel expenses may be retained by the Employee.

3           **B.** Any Employee, except for a Part-Time Transit Operator, excused from jury duty  
4 less than four (4) hours after his/her jury duty reporting time, shall promptly notify his/her immediate  
5 supervisor and may be required to report back to work. A Full-Time Transit Operator may be  
6 required to report back to work a p.m. tripper. A Special Classification, Vehicle Maintenance, Rider  
7 Information, or Facilities Employee scheduled to work a shift ending by 9:00 p.m. shall be required  
8 to report to work if there are at least four (4) hours remaining in the Employee's regularly scheduled  
9 workday. An Employee also shall have at least twelve (12) hours off between the completion of  
10 his/her scheduled day's assignment and reporting back to jury duty. If the Employee must change  
11 clothes before reporting to work, the Employee and supervisor shall agree on a reasonable report  
12 time.

13           **C.** Except as provided above, no Full-Time Transit Operator shall be required to  
14 report back to work. Such Operator may accept work if work is available.

15           **D.** When a Part-Time Transit Operator is released from jury duty, he/she will notify  
16 his/her immediate supervisor and may be placed on his/her regular assignment that day or any  
17 following day.

18           ***SECTION 5 – MILITARY LEAVE***

19           **A.** Any Employee who is called into, or enlists in, the Armed Forces of the United  
20 States or its allies, shall be given an unpaid leave of absence in accordance with applicable laws  
21 affecting military leave.

22           **B.** Any Employee who is a member of an organized reserve unit of the Armed Forces  
23 of the United States shall be granted necessary time off for military training as follows:

24                   **1.** An Employee will be granted such paid military training leave per calendar  
25 year as is required by law.

26                   **2.** The Employee must present his/her orders for active training duty to his/her  
27 supervisor prior to taking such leave.

28                   **3.** The Employee will be paid for those days he/she normally would be

1 scheduled to work during such leave up to a maximum of eight (8) hours per day.

2                   4. Employees covered by this Paragraph shall be granted all seniority rights  
3 and accruals for vacation and sick leave benefits as provided in this AGREEMENT.

4                   ***SECTION 6 – MATERNITY/PATERNITY LEAVE***

5                   A. Upon request, an Employee shall be granted a maximum of six (6) months unpaid  
6 leave of absence, after exhausting all AC and vacation, in conjunction with the birth or legal adoption  
7 of his/her child. A request for such leave shall be filed with the Employee’s immediate supervisor at  
8 least sixty (60) days in advance of the anticipated leave commencement.

9                   B. A female Employee must report her pregnancy to METRO before the anticipated  
10 commencement of leave, and submit a physician’s statement indicating the date when the physician  
11 expects the Employee will no longer be able to continue the normal duties of her position. Female  
12 Employees may continue normal duties until the date specified by the physician. After that date, the  
13 sick leave and disability provisions of this AGREEMENT shall apply for the period of disability.

14                   ***SECTION 7 – FEDERAL FAMILY AND MEDICAL LEAVE ENTITLEMENT***

15                   As provided for in the Federal Family and Medical Leave Act of 1993, an eligible Employee

17 condition (as defined by the Family Medical Leave Act of 1993), for the birth or placement by  
18 adoption or foster care of a child, or for the serious health condition of an immediate family member  
19 (an Employee’s child, spouse, or parent), within a twelve (12) month period. To be eligible for leave  
20 under this section, an Employee must have been employed by King County for twelve(12) months or  
21 more and have worked a minimum of one thousand and forty (1,040) hours in the preceding twelve  
22 (12) months. However, Part-Time Transit Operators and part-time Assigned and On-Call Employees

25 preceding twelve (12) months. The leave may be continuous or intermittent.

26                   ***SECTION 8 – KING COUNTY FAMILY MEDICAL LEAVE ENTITLEMENT***

27                   An Employee may take up to a combined total of eighteen (18) weeks of unpaid leave for  
28 his/her own serious health condition (as defined by the King County Personnel Guidelines), or for

1 family reasons as provided for in Section 9 Paragraph A of this Article, within a twelve (12) month  
2 period. To be eligible for leave under this Section, an Employee must have been employed by King  
3 County for twelve (12) months or more and have worked a minimum of one thousand and forty

5 time Assigned and On-Call Employees shall be eligible for leave under this Section if they have been  
6 employed by King County for twelve (12) months or more and have worked a minimum of five  
7 hundred and ten (510) hours in the preceding twelve (12) months. The leave may be continuous  
8 (consecutive days or weeks), or intermittent (taken in whole or partial days as needed). Intermittent  
9 leave is subject to the following conditions:

10           1. When leave is taken after the birth or placement of a child by adoption or foster  
11 care, an Employee may take leave intermittently or on a reduced leave schedule only if authorized by  
12 the Employee's chief/supervisor;

13           2. An Employee may take leave intermittently or on a reduced schedule when  
14 medically necessary due to a serious health condition of the Employee or family member of the  
15 Employee. If this leave is foreseeable based on planned medical treatment, the chief/supervisor or  
16 his/her designee may require the Employee to transfer temporarily to an available alternate position  
17 for which the Employee is qualified, that has equivalent pay and benefits, and that accommodates  
18 recurring periods of leave.

19           ***SECTION 9 – LEAVE USAGE***

20           A. Sick leave usage: In addition to those circumstances outlined in Article 11,  
21 Section 1, Employees may use sick leave to care for family members provided the following two (2)

1 **ARTICLE 11: SICK LEAVE**

2 ***SECTION 1 – PROCEDURES***

3 A. A regular Employee who is off work due to one of the following reasons shall be  
4 eligible for sick leave:

- 5 1. The Employee’s bona fide illness or non-occupational injury.
- 6 2. Supplemental payment for an occupational injury when payments, as  
7 specified in Article 12, Section 9, are exhausted.
- 8 3. A part-time Employee’s occupational injury for up to three (3) calendar  
9 days immediately following the injury.
- 10 4. To care for the Employee’s child if the following conditions are met:
  - 11 a. The child is under the age of eighteen (18).
  - 12 b. The Employee or the Employee’s spouse/domestic partner is the  
13 natural parent, stepparent, adoptive parent, legal guardian, foster parent, or other person having  
14 custody/legal control of the child.
  - 15 c. The Employee’s child has a health condition requiring the  
16 Employee’s personal supervision during the hours of his/her absence from work.
  - 17 d. The Employee actually attends to the child’s care during the  
18 absence from work.
- 19 5. The care of an Employee’s adult family member whose health condition  
20 requires the Employee’s personal supervision during his/her absence from work. Such paid leave  
21 will be limited to a maximum of five (5) days per calendar year.

22 B. For any absence that exceeds five (5) consecutive working days, an Employee will  
23 be required to submit a verified medical report, acceptable to METRO, from a licensed practitioner,  
24 stating that the Employee is sufficiently recovered to be able to return to work.

25 C. Absences for sick leave must be reported at least thirty (30) minutes before the  
26 Employee is scheduled to report. An absence reported less than thirty (30) minutes before an  
27 Employee is scheduled to report will be considered unexcused and will not be changed to an excused  
28 absence unless such Employee can submit verification from a licensed practitioner that he/she or

1 his/her child received medical treatment and the Employee was unable to report the absence as  
2 required. Payment will be made only when the Employee, child, or qualifying family member is  
3 sick.

4 **D.** A full-time Employee who has at least five hundred (500) hours of accrued sick  
5 leave shall not be required to obtain a medical verification unless s/he falls under the five hundred  
6 (500) hour threshold as a result of an illness/injury. A part-time Employee who has at least two  
7 hundred and fifty (250) hours of accrued sick leave shall not be required to obtain a medical  
8 verification unless s/he falls under the two hundred and fifty (250) hour threshold as the result of an  
9 illness/injury.

10 **E.** Except as otherwise provided in this AGREEMENT, an Employee who has had  
11 less than seven (7) incidents of sick leave use in the previous calendar year will be required to obtain  
12 medical verification only if s/he exceeds twelve (12) incidents of sick leave use in the current  
13 calendar year. An Employee who has had seven (7) or more incidents of sick leave use in the  
14 previous calendar year will be required to obtain medical verification for each incident of sick leave  
15 use which exceeds six (6) in the current calendar year. When an Employee requests that sick leave  
16 be used as compensation for absences covered by FMLA or KCFML per Article 10, Section 7  
17 through 9, a verification may be required, but such days will not be counted toward the yearly  
18 thresholds. An absence for a scheduled medical appointment will not count as an incident of sick  
19 leave use if the Employee has given at least two (2) days notice to his/her immediate supervisor. An  
20 incident of sick leave use is defined as a single day or any number of consecutive work days for  
21 which the Employee has called in sick. A partial day sick will count as one incident of sick leave  
22 use. When medical verification is required, it shall be on a medical report acceptable to METRO,  
23 from a licensed practitioner, stating that the Employee was unable to perform his/her duties and the  
24 date of treatment/hospitalization or that the Employee was required to supervise a sick family  
25 member.

26 **F.** The ability to work regularly is a requirement of continued employment. An  
27 Employee who is absent repeatedly; or whose absences precede or follow RDOs, or follow some  
28 other pattern; or who abuses sick leave, will be subject to disciplinary action. METRO may, at its

1 discretion, visit or call an Employee at home to verify illness.

2 ***SECTION 2 – ACCRUAL OF SICK LEAVE***

3 Each Employee, except as specified in this AGREEMENT, shall accrue sick leave at the rate  
4 of 0.046 hours for each hour on regular pay status to a maximum of forty (40) hours per week. No  
5 Employee shall be entitled to sick leave with pay during the first thirty (30) days of employment.  
6 There shall be no limit on the amount of sick leave that can be accumulated.

7 ***SECTION 3 – PAYMENT OF SICK LEAVE***

8 A. An Employee shall receive sick leave pay only for hours missed from a regular  
9 assignment, to a maximum of eight (8) hours at his/her regular straight-time rate per day for each  
10 workday absent. A full-time Employee shall receive eight (8) hours sick leave pay for each full day  
11 missed from work, unless his/her accrued sick leave balance is less than eight (8) hours. A full-time  
12 Employee working a four/forty (4/40) schedule will be paid sick leave in accordance with Article 13,  
13 Section 8.

14 B. No Employee shall be paid sick leave in excess of his/her accrued sick leave.

15 C. Upon separation from employment as a result of death or service retirement, as  
16 defined by the Washington State Public Employee's Retirement System or the City of Seattle

18 sick leave at the rate of pay in effect at time of separation. An Employee retiring under the City of  
19 Seattle Retirement System will have the option of having the legal equivalent of this thirty-five  
20 percent (35%) of accrued sick leave paid toward medical care premiums.

22 reason.

23 E. A full-time Employee who is receiving Workers' Compensation supplemental  
24 benefits for an occupational injury shall not be entitled to receive payment for sick leave, except as

28 sick leave.

3                   **SECTION 4 – USE OF AC TIME**

4                   After all accrued sick leave has been exhausted, AC time may be used for an illness when a  
5 medical statement, acceptable to METRO, has been submitted verifying that the Employee was  
6 unable to perform the duties of his/her position.

7                   **SECTION 5 – RESERVE SICK LEAVE**

8                   Transit Operators employed as of November 1, 1977, were credited with a balance of sick  
9 leave known as reserve sick leave. Such reserve sick leave may be used only for an illness during  
10 which the Transit Operator is hospitalized as an inpatient for at least twenty-four (24) hours. No sick  
11 leave shall be transferred from such reserve account to the active account. All regular sick leave in  
12 the active account must be exhausted before sick leave in the reserve account may be used.

13                   **SECTION 6 – SICK LEAVE DONATIONS**

14                   Each calendar year, an Employee who has more than one hundred (100) hours of sick leave  
15 may donate a maximum of twenty-four (24) hours, in eight (8) hour increments, to individuals

17 leave may not be cashed out by the recipient upon retirement. Sick leave may be donated only to  
18 individuals employed by King County who have exhausted sick leave, vacation leave and AC time.

1 **ARTICLE 12: BENEFITS**

2 ***SECTION 1 – MEDICAL, DENTAL, VISION, LIFE, AND LONG TERM DISABILITY***

3 ***BENEFITS***

4 A. King County presently participates in group medical, dental, vision, life, and long  
5 term disability insurance benefit programs. These programs, and the level of METRO premium  
6 contribution to these programs is determined by the Labor-Management Insurance Committee. The  
7 Committee is comprised of representatives from King County and its labor unions. The Committee’s  
8 function shall be to review, study and make recommendations relative to existing medical, dental,  
9 vision, life, and long term disability insurance programs. King County agrees to continue the Labor-  
10 Management Insurance Committee.

11 B. All full-time Employees, part-time assigned and on-call Employees who are  
12 regularly scheduled to work half time or more, and their dependents will be covered by the medical,  
13 dental, vision, life, and long term disability plans developed by the Labor-Management Insurance  
14 Committee. METRO agrees to maintain the level of benefits as provided by these plans and pay  
15 premiums as described in these programs through 2006. Benefits for 2007 will be the same unless  
16 modified by the Labor-Management Insurance Committee, in which case the UNION may negotiate  
17 alternative benefits.

18 C. The UNION and METRO agree to incorporate changes to Employee insurance  
19 benefits which King County may implement as a result of the agreement of the Labor-Management  
20 Insurance Committee referenced in Paragraph A, but otherwise METRO will not make unilateral  
21 changes to existing benefits.

22 D. Qualified Employees will be eligible for the insurance benefits on the first day of  
23 the month following qualification or hire date, whichever is later.

24 E. METRO will hold an open enrollment at least once during each calendar year.  
25 Employees will be allowed to make changes in their benefit selections during that open enrollment  
26 period.

27 F. For the purposes of this AGREEMENT, “half-time” shall mean twenty (20) paid  
28 hours per week. Eligibility requirements for part-time and on-call Employees will be defined by

1 policy mutually developed and agreed to by METRO and the UNION.

2 **SECTION 2 – MEDICAL BENEFITS – PART-TIME, ASSIGNED, AND ON-CALL**  
3 **EMPLOYEES (LESS THAN HALF-TIME)**

4 A. The medical, dental and vision insurance benefits developed by the Labor-  
5 Management Insurance Committee will be available to part-time, assigned and on-call Employees,  
6 who are regularly scheduled to work less than half-time, on the first day of the month following their  
7 qualification date or hire date, whichever is later. The medical plan includes the pharmacy plan, and  
8 neither can be purchased separately. METRO will contribute an amount equal to eighty percent  
9 (80%) of the IPA HMO premium for Employee-only coverage; the Employee will pay the remaining  
10 portion of the premium through payroll deduction.

11 B. Dependent coverage, paid by the Employee, will be available through payroll  
12 deduction, if elected, on the eligibility date or during any open enrollment period thereafter.

13 C. METRO and the UNION agree to establish a medical program within the  
14 Washington State Basic Health Plan as soon as such is available. METRO will contribute up to the  
15 maximum dollar amount allowed in Paragraph A.

16 **SECTION 3 – MEDICAL BENEFITS – RETIREES**

17 Within thirty (30) days of service retirement, a retired Employee with five (5) or more years  
18 of consecutive service may continue medical and vision coverage with METRO at the prevailing  
19 METRO group rate until age sixty-five (65) or until he/she becomes eligible for Medicare. Such  
20 Employee waives all rights to COBRA coverage.

21 **SECTION 4 – DENTAL AND VISION INSURANCE – PART-TIME EMPLOYEES (LESS**  
22 **THAN HALF-TIME)**

23 On the first of the month following qualification or hire date, whichever is later, each part-  
24 time Employee, who is regularly scheduled to work less than half time, may elect to take dental  
25 and/or vision coverage only in conjunction with one of the medical coverage options. METRO will  
26 pay fifty percent (50%) of the premium for Employee only coverage; the balance will be paid by  
27 payroll deduction. Dependent coverage, paid by the Employee, shall be available through payroll  
28 deduction on the eligibility date or during any annual open enrollment period thereafter.

1           **SECTION 5 – SHORT-TERM DISABILITY – FULL-TIME EMPLOYEES**

2           A short-term disability plan shall be made available to all full-time Employees. Enrollment in  
3 the plan is mandatory. Coverage shall begin as set forth in the policy. The Employee shall pay the  
4 monthly premium by payroll deduction. METRO shall administer the policy.

5           **SECTION 6 – ACCIDENTAL DEATH BENEFIT – CRIMINAL ASSAULT**

6           METRO provides, for all Employees, special coverage in the event of a felonious assault.  
7 The maximum benefits payable are fifty thousand dollars (\$50,000) for death, dismemberment, loss  
8 of sight, or permanent total disability, less any amount payable under a group life or accidental death  
9 and dismemberment policy.

10          **SECTION 7 – PERSONAL PROPERTY LOSS BENEFIT**

11           A. Employees shall be reimbursed for loss of certain personal property due to armed  
12 robbery, assault, or theft, excluding mysterious disappearance, under the following conditions:

- 13                   1. The armed robbery, theft or assault occurs while the Employee is at work;  
14 and,  
15                   2. The property was in the personal possession of the Employee at the time of  
16 the theft or robbery or, in the case of Transit Operators, the property was on the coach and was not  
17 left unattended, except when the operator was required to leave the driver’s compartment to attend to  
18 official METRO duties; and,  
19                   3. The Employee makes a robbery, theft or assault report to the Police  
20 Department; and,  
21                   4. The Employee files a claim with METRO and provides receipted bills to  
22 substantiate that replacements have been purchased or repairs made.

23           B. The items covered by this AGREEMENT and the maximum values to be  
24 reimbursed are:

<u>Item</u>	<u>Maximum Value</u>
Watch	\$55.00
Uniform clothing	replacement

1           **SECTION 8 – TRANSIT PASS**

2           Each current and retired Employee is eligible for an annual transit pass.

3           **SECTION 9 – WORKERS’ COMPENSATION – INDUSTRIAL INSURANCE**

4           A. METRO, pursuant to Washington State Industrial Insurance laws (Title 51.RCW),  
5 will maintain workers’ compensation procedures and payments consistent with all state laws,  
6 administrative rules, and guidelines, as promulgated by the State Legislature and Department of  
7 Labor and Industries.

8           B. In addition to benefits accruing to Employees under State Industrial Insurance  
9 laws, METRO will maintain a program of supplemental payments for full-time Employees as  
10 follows:

11                   1. METRO will provide an amount which, when added to the state prescribed  
12 payment and any alternative work wages, maintains the percentage set forth below of the Employee’s  
13 net pay, based on eighty (80) hours times his/her hourly rate minus any mandatory deductions per  
14 pay period. The percentage shall be as follows:

15                           a. For the first sixty (60) work days missed – 100%.

16                           b. For the next sixty (60) work days missed – 90%.

17                           c. For the next one hundred forty (140) workdays missed – 80%.

18                   2. Such supplemental payment program will continue for a period not to  
19 exceed two hundred sixty (260) workdays, or two (2) calendar years from the date of injury,  
20 whichever comes first.

21                   3. To determine net take-home pay, the Payroll Section will calculate the  
22 Employee’s hourly wage at the time of injury times eighty (80) hours minus mandatory deductions.

23                   4. A full-time Employee who is otherwise eligible for supplemental payment,  
24 but who is not receiving any actual supplemental payment because the total payments he/she is  
25 receiving from state-prescribed payments and work wages exceeds the limits in paragraph 1, shall  
26 continue to be benefit eligible.

27           C. To be eligible for METRO’s supplemental payments, the Employee must:

28                   1. Notify METRO’s Workers’ Compensation Office if unavailable for more

1 than twenty-four (24) hours during a Monday through Friday period.

2                   2. Notify METRO's Workers' Compensation Office of other employment or  
3 compensation received while being paid workers' compensation.

4                   3. Be available for medical treatment and/or vocational rehabilitation,  
5 consultation, or services.

6                   4. Accept alternative work assignments which are offered by METRO and  
7 which meet medical restrictions identified by the Employee's physician. METRO shall contact the  
8 Employee's physician if identified restrictions require clarification.

9                   5. Maintain eligibility for workers' compensation under state regulations.

10                  6. When notified at least forty-eight (48) hours in advance, attend all meetings  
11 and independent medical examinations scheduled by METRO concerning the Employee's status or  
12 claim, unless other medical treatment conflicts with the METRO appointment and the Employee  
13 notifies METRO's Worker's Compensation staff or the Employee's immediate supervisor at least  
14 twenty-four (24) hours prior to such meeting or examination.

15                  7. If records indicate two (2) "no shows" for scheduled medical or vocational  
16 services, supplemental payments may be terminated, provided such Employee and the UNION are  
17 notified seven (7) days in advance.

18                  **D.** An Employee who misses work due to an on-the-job injury will continue to accrue  
19 vacation and sick leave on straight-time hours of work missed to a maximum of ninety (90) workdays  
20 during each calendar year. One (1) such ninety (90) day accrual will be allowed for each industrial  
21 injury.

22                  **E.** If an Employee exhausts supplemental payments, he/she may use sick leave,  
23 vacation leave or AC time in lieu of METRO's supplemental payments, as provided in Paragraph B.  
24 If such Employee is working an alternative work assignment, such payments will be at the hourly rate  
25 of the alternative work assignment.

26                  **F.** Each Employee, who files a claim for workers' compensation, will be provided a  
27 copy of the rules in this Section.

28                  **G.** If an Employee is required by METRO to be cleared by the Workers'

1 Compensation Office before returning to work, but he/she is not on pay status or receiving  
2 compensation from any source including short-term or long-term disability, such Employee will  
3 receive one-half (1/2) hour of straight-time pay. If a ride check also is required, such Employee will  
4 be paid an additional one (1) hour of straight-time pay.

5 **H.** METRO is required to recover any overpayment. An Employee, who has received  
6 an overpayment, shall repay it in a manner which assures METRO's recovery and does not  
7 unnecessarily burden such Employee.

8 **I.** An Employee with an open Worker's Compensation claim who is working an  
9 alternative work assignment or is working in his/her regular classification at less than full duty must  
10 use accrued leave or take approved leave without pay for medical appointments associated with the  
11 Employee's claim.

12 ***SECTION 10 – LEGAL DEFENSE***

13 Whenever an Employee is named as a defendant in civil action arising out of the performance  
14 of the Employee's duties and, such Employee was acting within the scope of employment, METRO  
15 shall, at the written request of such Employee, furnish counsel to represent such Employee to a final  
16 determination of the action, without cost to such Employee.

17 ***SECTION 11 – COMMERCIAL DRIVERS LICENSE***

18 METRO agrees to pay for Commercial Drivers License (CDL) renewals for all Employees  
19 who are required to have a CDL and for all Supervisors.

20 ***SECTION 12 – GENERAL CONDITIONS***

21 **A.** Premiums paid by an Employee shall be deducted in equal installments from the  
22 first and second paycheck of every month.

23 **B.** Upon request, METRO will provide available medical usage data regarding  
24 Employees to the UNION.

25 **C.** METRO shall not make its monthly contribution for medical, dental, group life  
26 insurance, long term disability insurance, or vision care for any Employee who is on leave of absence  
27 or other unpaid status for thirty (30) consecutive days or more, except as provided by applicable  
28 family medical leave laws or Article 10, Section 3, Paragraph B.

1                   **SECTION 13 – ACCUMULATED TIME**

2                   **A.** Accumulated compensatory (AC) time is defined to mean all time earned by an  
3 Employee, which may be paid by compensatory time off instead of by cash.

4                   **B.** Except as provided in Paragraph C, and in Article 18, Section 9, Paragraph G, each  
5 full-time Employee may choose to receive AC time instead of cash for all work performed at the  
6 overtime rate. An Employee will notify METRO of such choice by filing a METRO form on or  
7 before the first day of the pay period affected by the change.

8                   **C.** AC time in excess of eighty (80) hours shall be paid in cash at the end of each pay  
9 period.

10                  **D.** Except as provided elsewhere in this AGREEMENT, and consistent with daily  
11 staffing requirements, METRO will determine the number of Employees allowed to have time off.  
12 An Employee may use AC time for a reasonable amount of compassionate leave under warranting  
13 circumstances, as determined by METRO.

14                  **E.** By written request, an Employee may cash out any portion of his/her AC bank,  
15 provided he/she cashes out at least eight (8) hours. Payment will be made as part of the next possible  
16 payroll following METRO’s receipt of the request.

17                  **F.** No shift differential will be allowed on AC time earned. When AC time is taken or  
18 cashed out, it will be paid at the rate of the shift on which the Employee is working.

1 **ARTICLE 13: FOUR/FORTY (4/40) ASSIGNMENTS**

2 ***SECTION 1 – DEFINITION OF FOUR/FORTY (4/40) EMPLOYEES***

3 A. A four/forty (4/40) Employee shall be defined as a regular full-time Employee  
4 whose assignment is guaranteed a minimum of ten (10) hours straight-time pay per day for four (4)  
5 days per week in lieu of eight (8) hours straight-time pay per day for five (5) days per week.

6 B. An Employee who picks, or is assigned to, regular workweeks consisting of four  
7 (4) ten-hour shifts shall be subject to the provisions of this Article, which shall supersede any  
8 conflicting provisions elsewhere in this AGREEMENT.

9 ***SECTION 2 – REGULAR DAYS OFF***

10 Each 4/40 Employee shall have three (3) RDOs per week, including at least two (2)  
11 consecutive days.

12 ***SECTION 3 – HOLIDAYS***

13 Each 4/40 Employee shall be granted the same holidays as other Employees in his/her  
14 classification. An Employee who is on RDO or vacation on the day of observance, will receive eight  
15 (8) hours of AC time at the straight-time rate. An Employee who works on the day of observance, as  
16 part of his/her regular work schedule, will receive eight (8) hours AC time at the rate specified in  
17 Article 8 plus pay, at the applicable rate, for all time worked. If the day of observance coincides with  
18 the Employee's regular day to work, but the Employee is not scheduled to work, the Employee will  
19 receive ten (10) hours of holiday pay.

20 ***SECTION 4 – PERSONAL HOLIDAY***

21 A 4/40 Employee who chooses a personal holiday will receive ten (10) hours of personal  
22 holiday pay.

26 ***SECTION 6 – BEREAVEMENT LEAVE***

27 A 4/40 Employee on bereavement leave will be paid eight (8) hours bereavement leave plus  
28 two (2) hours sick leave for each workday of METRO-approved bereavement leave. A 4/40

1 Employee who has no sick leave may substitute AC time or vacation, if available. A 4/40 Employee  
2 who is granted additional time off in accordance with Article 10, Section 2 will be paid ten (10) hours  
3 sick leave, AC time and/or vacation per workday for up to three (3) additional days.

4 ***SECTION 7 – JURY DUTY/MILITARY LEAVE***

5 A 4/40 Employee, who is required to serve on jury duty or military leave, will receive his/her  
6 regular rate of pay for ten (10) hours for each workday served on jury duty or military leave,  
7 respectively. An Employee may be required to revert to a work schedule of eight (8) hours per day,  
8 five (5) days per week for each pay week in which the leave is taken.

9 ***SECTION 8 – SICK LEAVE***

10 A 4/40 Employee on sick leave will be paid a maximum of ten (10) hours at straight-time for

12 ***SECTION 9 – DISABILITY***

13 The weekly disability benefit shall be prorated for a 4/40 Employee on a partial week of  
14 disability according to hours normally scheduled to work. For any full weeks of disability, such

16 Employee.

17 ***SECTION 10 – OVERTIME***

18 All hours worked in excess of ten (10) hours in the scheduled workday or work on any of the

20 straight-time rate of pay for actual overtime hours worked, except where otherwise specified in this  
21 AGREEMENT.

22 ***SECTION 11 – SHIFT CHANGE NOTIFICATION***

23 Employees will be provided with a minimum thirty (30) days notice prior to the cancellation  
24 of a 4/40 shift, except in the Operations division, when run cuts make this impossible.

1 **ARTICLE 14: RATES OF PAY**

2 ***SECTION 1 – WAGE RATES AND WAGE PROGRESSIONS***

3 A. Effective on the start of the pay period that includes November 1, 2004, the top  
4 hourly wage rate for each job classification will be as shown in Exhibit A.

5 B. Wage progressions are as follows:

6 1. Except for Revenue Coordinators, Leads, Trainees, Equipment Dispatchers,  
7 Part-Time Transit Operators, On-Call Conductors, Supervisors and Supervisors-in-Training, each job  
8 classification will have five (5) step increments as follows: first step will be seventy percent (70%)  
9 of the top rate of the classification; upon completion of twelve (12) months, the second step will be  
10 eighty percent (80%); upon completion of the next twelve (12) months, the third step will be ninety  
11 percent (90%); upon completion of the next six (6) months, the fourth step will be ninety-five percent  
12 (95%); and upon completion of the next six (6) months, the fifth step will be one hundred percent  
13 (100%). A new hire in the position of Mechanic may start at the ninety percent (90%) rate if  
14 METRO determines that he/she is a fully qualified mechanic.

15 2. Supervisors-in-Training will have two (2) step increments as follows: first  
16 step will be eighty-five percent (85%) of the top pay rate for the Supervisor classification. Upon  
17 completion of six (6) months, the second step will be ninety percent (90%) of the top pay rate for the  
18 Supervisor classification. Supervisors will have five (5) step increments as follows: first step will be  
19 ninety percent (90%) of the top rate of the classification; upon completion of six (6) months, the  
20 second step will be ninety-two and five-tenths percent (92.5%); upon completion of the next six (6)  
21 months, the third step will be ninety-five percent (95%); upon completion of the next six (6) months,  
22 the fourth step will be ninety-seven and five-tenths percent (97.5%); and upon completion of the next  
23 six (6) months, the fifth step will be one hundred percent (100%).

24 3. Revenue Coordinators, Leads, Trainees, and Equipment Dispatchers are  
25 classifications which each have a single wage rate and are not subject to the wage progression.

26 4. Part-Time Transit Operators and On-Call Conductors will have five (5) step  
27 increments as follows: first step will be seventy percent (70%) of the top rate of the classification;  
28 upon completion of twenty-four (24) months, the second step will be eighty percent (80%); upon

1 completion of the next twenty-four (24) months, the third step will be ninety percent (90%); upon  
2 completion of the next twelve (12) months, the fourth step will be ninety-five percent (95%); and  
3 upon completion of the next twelve (12) months, the fifth step will be one hundred percent (100%).

4                   5. A Part-Time Operator who is selected for a Full-Time Operator position, or  
5 an On-Call Conductor who is selected for a Full-Time Conductor position, will retain his/her part-  
6 time or on-call wage step and will be given appropriate wage progression credit for part-time or on-  
7 call service, provided there is no more than a two (2) day break in service. Such credit shall be  
8 calculated by giving one-half (1/2) credit for the period of time worked in that step, rounding upward  
9 to the nearest one-half (1/2) month and applying that period to the full-time qualification date.

10                   C. An Employee who is promoted or upgraded into a classification with a higher top-  
11 step hourly rate shall be placed at the lowest step in the salary schedule for the new classification  
12 which results in an increase of at least two and one-half percent (2-1/2%). Thereafter, a promoted  
13 Employee shall progress to any subsequent wage steps based on completion of the required service  
14 periods. Service in the new classification on a temporary upgrade status prior to promotion shall not  
15 be counted toward progression on the schedule.

16                   **SECTION 2 – COST OF LIVING**

17                   A. There will be two (2) full percentage cost-of-living adjustments payable on the  
18 start of the pay period that includes November 1, 2005, and November 1, 2006.

19                   B. All cost-of-living adjustments will be based on the U.S. Department of Labor  
20 Consumer Price Index for Urban Wage Earners and Clerical Workers (All Cities figure: 1982-  
21 1984=100), or subsequent revisions of this index. These adjustments will be based on the following  
22 formula:

$$\frac{\text{(index published for the ending month of period)} - \text{(index published for the base month of period)}}{\text{index published for the base month of period}} = \%$$

23  
24  
25  
26  
27                   C. The adjustments paid on November 1 shall be for the twelve (12) month period  
28 reported in October. The base month for the adjustments paid on November 1 shall be September of

1 the previous year.

2           **D.** The cost-of-living adjustment for the top step of each job classification shall be  
3 ninety percent (90%) of the number determined by the formula in Paragraph B times the base wage  
4 for such classification and shall be at least two percent (2%) and not more than six percent (6%).  
5 Such adjustment shall never result in a wage reduction. The base wage for each classification shall  
6 increase by at least three percent (3%) on the start of the first pay periods that include November 1,  
7 2005 and November 1, 2006. The base wage for each classification for the cost of living  
8 adjustments, shall be the top step wage in effect October 1, each year, for that classification. Other  
9 steps in the wage progression for each classification will be recalculated according to Section 1,  
10 based on the adjusted top step.

11           **E.** Computations of all wage rates will be carried out to the tenth of a cent (\$.001).  
12 Amounts less than five-tenths of a cent (\$.005) will be rounded down to the nearest cent (\$.01); and  
13 amounts greater or equal to five-tenths of a cent (\$.005) will be rounded up to the nearest cent (\$.01).

14           ***SECTION 3 – WORK OUTSIDE OF CLASSIFICATION***

15           **A.** All assigned work performed in a higher paid classification will be paid a  
16 minimum of two (2) hours at the rate of the higher paid classification. When an Employee is  
17 assigned such work for more than two (2) hours up to and including four (4) hours, he/she will be  
18 paid at such rate for four (4) hours. When an Employee is assigned such work for more than four (4)  
19 hours, he/she will be paid at such rate for eight (8) hours and will be paid at the overtime rate for  
20 such classification, if applicable, for time in excess of eight (8) hours.

21           **B.** If an Employee is assigned work in a lower paid classification, such Employee  
22 shall not suffer any reduction in wages. However, an Employee who accepts a temporary  
23 appointment to a lower paid position shall receive the wage rate for such lower paid position.

24           ***SECTION 4 – FLSA REQUIREMENTS***

25           **A.** All applicable non-overtime premiums received (e.g., spread pay and student pay)  
26 will be added into an Employee's total compensation for the calculation of the "regular rate of pay".

27           **B.** A Rover, extra person, or a Relief Supervisor who has his/her RDOs changed,  
28 resulting in a workweek of over forty (40) hours, will be paid overtime for all hours in excess of forty

1 (40). METRO will attempt, whenever possible, to provide such Employee with two (2) days off  
2 during each scheduled workweek.

3 ***SECTION 5 – VOLUNTARY DEMOTION***

4 Employees who accept a voluntary demotion into a lower paid bargaining unit position  
5 because of poor health or other compelling reasons, as mutually agreed upon by the parties, will be  
6 placed at a salary step within the new position’s salary range which most closely matches the  
7 Employee’s salary in his or her former salary range, but does not exceed the rate of pay received by  
8 the Employee in his/her former classification.

1 **ARTICLE 15: FULL-TIME TRANSIT OPERATORS**

2 ***SECTION 1 – DEFINITION OF EMPLOYEES***

3 A. A Full-Time Transit Operator shall mean a person employed by METRO on a  
4 continuing basis who receives an eight (8) hour minimum guarantee of straight-time pay per day, not  
5 to exceed five (5) days per week, or a ten (10) hour minimum guarantee of straight-time pay per day  
6 not to exceed four (4) days per week, provided he/she has accepted all work assigned as specified in  
7 the remainder of this Article. For each regularly scheduled workday or portion thereof on which a  
8 Regular or Extra Board Operator does not perform his/her assignment, he/she shall lose his/her  
9 guarantee for that day and he/she shall be paid only for actual time worked, unless otherwise  
10 provided in this AGREEMENT. A regularly scheduled workday shall be defined as a day on which  
11 an Employee is normally required to work.

12 B. There will be two (2) kinds of Full-Time Transit Operators: Regular Operators  
13 and Extra Board Operators. A Regular Operator shall mean a Full-Time Transit Operator who picks  
14 runs as a work assignment for his/her eight (8) or ten (10) hour guarantee. An Extra Board Operator  
15 shall mean a Full-Time Transit Operator who picks the Extra Board or Report and works all  
16 assignments placed on the Extra Board for his/her eight (8) hour guarantee.

17 C. A Regular or Extra Board Operator who desires to work on a less than full-time  
18 basis while attending school or for compassionate reasons may, with METRO's approval, be  
19 transferred to Group D status, provided he/she has completed one (1) continuous year of service as a  
20 Regular or Extra Board Operator immediately preceding transfer to this group. Group D Operators  
21 will be subject to the following:

22 1. A Group D Operator will be paid his/her normal hourly rate. A Group D  
23 Operator may select either a part-time assignment or a position on the Extra Board with restricted  
24 availability of days and times.

25 2. Group D Operators will be eligible for the benefits and conditions of  
26 regular Part-Time Operators.

27 3. Group D Operators will be paid at the overtime rate for all work in excess  
28 of eight (8) hours in a workday. All time worked in excess of forty (40) straight-time hours in a

1 workweek shall be paid at the overtime rate.

2                   4. A Group D Operator, who so desires, may be assigned additional work on  
3 his/her off days after overtime has been assigned to Regular and Extra-Board Operators.

4                   5. A Group D Operator who works a weekday tripper:

5                         a. Will have the same guarantees as a Part-Time Operator for each  
6 tripper assignment worked.

7                         b. Will work on holidays when his/her picked assignment is scheduled  
8 to be in service. On Sunday-schedule holidays, he/she will be limited to working his/her picked  
9 assignment only.

10                   6. Group D Operators will pick their vacations as Full-Time Operators with  
11 the amount of vacation taken in accordance with Article 9.

12                   7. A Group D Operator who selects a position on the Extra Board:

13                         a. Must pick either: 1) a run combination on Saturday and at least two  
14 (2) peak-time weekday periods as defined by METRO, or 2) at least five (5) peak-time weekday  
15 periods as defined by METRO.

16                         b. Will have an eight (8) hour guarantee on Saturday, if picked, and  
17 will be guaranteed the part-time minimum tripper guarantee for each weekday peak period picked.

18                         c. Must declare his/her intention to pick a Group D Extra Board  
19 position fourteen (14) days prior to the first day of Full-Time Operator pick.

20                         d. Must meet Extra Board Operator qualification requirements.

21                         e. Shall be assigned from surplus work by Group D seniority before  
22 any ATL or overtime assignments are made.

23                   8. Group D will be administered according to guidelines mutually developed  
24 and agreed to by METRO and the UNION.

25                   D. "Loader" shall refer to a Regular or Extra Board Operator who picks, or is  
26 assigned on the Extra Board, the task of selling passage; but who does not drive the conveyance for  
27 which the passage is sold.

28                   **SECTION 2 – FULL-TIME GUARANTEES**

1           **A.** Full-Time Operators will not be required to accept Part-Time Operator status.

2           **B.** METRO will not reduce the number of Full-Time Transit Operators below one  
3 thousand two hundred twenty-three (1,223). In the event of a layoff, all Part-Time Transit Operators  
4 shall be laid off prior to the layoff of any Full-Time Transit Operator, provided that for every two (2)  
5 Part-Time Transit Operators laid off due to a substantial reduction of funds or ridership, METRO  
6 may, at its discretion, reduce the daily guarantee of one (1) Full-Time Transit Operator position to  
7 five (5) hours. Full-Time Operators will pick such reduced-guarantee positions by seniority. Full-  
8 Time Operators selecting a reduced-guarantee position will have two (2) consecutive off days and  
9 will pick an assignment with a guaranteed paid time of five (5) hours for each of their regular work  
10 days. Operators selecting a reduced guarantee position will be paid at the overtime rate for all time  
11 work in excess of eight (8) hours in a day and for all time worked in excess of forty (40) straight-time  
12 hours in a workweek. Nothing herein shall be construed as giving METRO the authority to reduce  
13 any other right or benefit of affected Full-Time Transit Operators. Reinstatement of the eight (8)  
14 hour daily guarantee shall be in seniority order on the same one (1) for two (2) basis as the reduction,  
15 when the Part-Time Operator positions vacated by the layoff are filled.

16           **C.** Assignment of specials and extras will be made to Full-Time Operators only,  
17 except as otherwise provided in this AGREEMENT

18           **D.** The number of Part-Time Transit Operators, with each dual tripper Operator  
19 counted as two (2) Operators, shall not exceed forty-five percent (45%) of the total number of Transit  
20 Operators.

21           **E.** All runs and reports will be worked by Full-Time Operators.

22           **F.** All full-time vacation reliefs will be worked by Full-Time Operators.

23           **G.** Work left vacant because of the absence of a Full-Time Operator will be worked  
24 by a Full-Time Operator, unless otherwise specified in this AGREEMENT.

25           **H.** For five hundred (500) day base units, the minimum number of full-time runs shall  
26 be eight hundred forty-three (843). For every day base unit above or below five hundred (500), the  
27 minimum number of full-time runs will increase or decrease by one (1) respectively. Day base units  
28 are defined as the number of coaches operating regularly scheduled service at noon each weekday or

1 Saturday.

2 I. The Extra Board will be worked only by Full-Time Operators.

3 **SECTION 3 – GENERAL CONDITIONS**

4 A. Each Operator will sign in for his/her work. When an Operator does not sign in on  
5 time, the Supervisor on duty will notify the appropriate Report Operator to take the assignment.

6 B. The Base Dispatcher/Planner may use his/her judgment as to which Operator to  
7 use in an emergency.

8 C. Any Operator not being relieved when arriving at the relief point will call the  
9 Coordinator and inform him/her that no relief Operator is present. If the Operator does not wish to  
10 continue working, he/she shall follow the procedures set forth herein. If the coach is inbound the  
11 Operator will operate to Pine Street going northbound, to Main Street going southbound, or to Third  
12 Avenue going west-bound or eastbound, then return to the base. If the coach is outbound with  
13 passengers, the Operator will continue to the terminal if the round trip back to the relief point is less  
14 than one and one-half (1-1/2) hours. If the round trip back to the relief point is more than one and  
15 one-half (1-1/2) hours, METRO must dispatch a car with a relief Operator and must return the  
16 relieved Operator to the base. Coaches which do not operate through the Seattle central business  
17 district will be governed by the one and one-half (1-1/2) hour rule.

18 D. An assignment shall be defined as any work or duties that the Employee is  
19 required to perform.

20 E. If an Operator loses an RDO because of a change in schedule, he/she will be given  
21 time off to compensate for such day. No Operator may have more RDOs in any pay period than  
22 he/she would have received had no change of schedule been made.

23 F. The cutoff time for calling to be removed from the sick list, and for signing the  
24 layoff book for time off, is 10:00 a.m. Should an Operator report sick after 10:00 a.m., he/she may  
25 retain his/her following day's full assignment by calling off the sick list at least one (1) hour prior to  
26 the start of the next day's full assignment, or prior to 10:00 a.m., whichever comes first.

27 G. At each pick, an Operator may indicate his/her preference regarding training  
28 assignments. METRO will attempt to accommodate an Operator's preference when assigning

1 students; however, any Operator may be given a training assignment if necessary. Trainees shall  
2 drive during all training assignments unless METRO or the instructing Operator determines that  
3 safety would be jeopardized.

4 **H.** METRO shall provide a minimum five (5) minute scheduled layover after each  
5 revenue trip, except when:

- 6 **1.** The revenue trip is less than fifteen (15) minutes long, or
- 7 **2.** The revenue trip is the last revenue trip before the coach returns to the base,  
8 or
- 9 **3.** The revenue trip is live-looped or through-routed, or
- 10 **4.** The layover has been reduced by mutual agreement of METRO and the  
11 UNION.

12 When circumstances beyond the Operator's control result in less than five (5) minutes layover in the  
13 previous two (2) hours, the Operator shall be entitled to a five (5) minute layover at the next outer  
14 terminal, except on his/her last trip, provided the Operator attempts to notify the Coordinator.  
15 METRO agrees to review routes or assignments identified by the UNION as having insufficient  
16 layover time.

17 **I.** In order to provide reasonable breaks, METRO shall endeavor to schedule at least  
18 one (1) fifteen (15) minute layover in assignments over five (5) hours in length. When an Operator  
19 working an assignment finds it does not provide reasonable break time, the Operator should notify  
20 METRO of such by filing a service report.

21 **J.** An Operator may voluntarily install/remove chains if needed.

22 **K.** When a Sunday schedule is operated on a holiday, an Operator who has picked a  
23 Sunday run and whose regular workday falls on the holiday will work his/her Sunday run. A Regular  
24 Operator on a regular workday without a Sunday run shall have the day off at holiday pay.

25 **L.** Each day at each base, METRO guarantees that for every forty-five (45) Full-Time  
26 Operators normally scheduled to work on that day at that base, rounded to the nearest forty-five (45),  
27 one (1) Full-Time Operator shall be excused from his/her assignment. However, the guarantee shall  
28 be a minimum of one (1) each day for any base with Full-Time Operators. These guarantees shall not

1 apply in the case of an extreme emergency.

2           **M.** Separate layoff books for Full-Time and Part-Time Operators will be maintained  
3 at each base. Once the minimum guarantees are met, the number of additional Part-Time Operators  
4 excused on a particular day shall not be greater than the number of additional Full-Time Operators  
5 excused on that same day. However, if excusing additional a.m. or p.m. Part-Time Operators or  
6 Full-Time Operators wanting a portion of the day off would balance the open work, METRO may  
7 excuse such Operators. After all Full-Time Operators who have so requested are excused, there shall  
8 be no limit to the number of Part-Time Operators excused.

9           **N.** Candidates for Supervisor-in-Training positions shall be selected from METRO  
10 Full-Time Transit Operators who have at least three (3) years of current, full-time driving service.

11           **O.** All assignments shall be completed within a maximum sixteen (16) hour spread.  
12 Such spread will begin with the start time of the first assignment following at least eight (8)  
13 continuous hours off.

14           **P.** When an Operator presents a valid medical restriction which prevents operation of  
15 the equipment or in the facility of his/her assignment, METRO will work with the UNION to find a  
16 mutually agreeable alternate assignment for the remainder of the shake-up. If METRO wishes to  
17 change the coach type on a picked assignment to a type that a Regular Operator of that assignment is  
18 restricted from operating, METRO must find an alternate assignment that is agreeable to both the  
19 Operator and the UNION. In cases where no agreement can be reached, METRO will not change the  
20 coach type.

21           **Q.** A Regular or Report Operator on his/her regular day to work may, with at least  
22 one day advance notice, trade his/her regular assignment for an available float combo, as defined in  
23 Section 5 Paragraph E, for the purpose of scheduling a personal appointment during the float  
24 combo's split; an Extra Board Operator may request an out-of-rotation assignment to the float combo  
25 for the same reason. Except as provided in Section 8 Paragraph E, an Operator may be assigned to a  
26 float combo no more than once in each calendar month.

27           ***SECTION 4 – RUNS***

28           **A.** There shall be two types of Full-Time Operator runs.

1                   **1.** A straight run or “straight” will consist of straight-through work which is at  
2 least seven hours and eleven minutes (7:11) including platform, report and travel time.

3                   **2.** A run combination or “combo” will consist of two (2) or three (3) pieces of  
4 work which are at least seven hours and eleven minutes (7:11) in total work time, including platform,  
5 report and travel time, and which are within a spread time of twelve and one-half (12 ½) hours.  
6 Combos with more than one (1) split will be paid straight-through for the lesser split. Any combo  
7 with a split of twenty-nine (29) minutes or less will be paid straight-through and classified as a  
8 straight. Combos which quit after 8:00 p.m. shall be paid straight-through.

9                   **B.** A day run shall be defined as any run which is completed by 8:00 p.m.

10                  **C.** A night run shall be defined as any run that is completed after 8:00 p.m.

11                  **D.** At the discretion of METRO, “frags”, defined as assignments less than seven  
12 hours and eleven minutes (7:11), including platform, report and travel time, may be posted and  
13 selected at the pick. Frags will be guaranteed eight (8) hours pay. All other contract provisions  
14 relating to runs shall apply to frags.

15                  **E.** The total number of straight-through day runs for the system on weekdays or  
16 Saturdays shall be equivalent to at least seventy percent (70%) of the day base units on weekdays or  
17 Saturdays, respectively.

18                  **F.** Straight-through day runs shall comprise at least fifty-eight percent (58%) of all  
19 straight-through runs.

20                  **G.** At least seventy percent (70%) of all Saturday runs shall be straight-through runs.  
21 There shall be no combos on Sunday.

22                  **H.** Runs and trippers on a route may be assigned to more than one (1) base.

23                  **I.** Runs shall be determined by METRO in accordance with the provisions in this  
24 Section. Any portion of a run, or any other service work not meeting the definition of a run, shall be  
25 defined as a tripper.

26                  **J.** Any Extra Board Operator working a regularly scheduled run shall be paid the  
27 regularly scheduled run pay.

28                  **K.** In the event of a vacancy, runs and combos may be broken into trippers on the

1 same day in order to allow METRO to fill all work.

2 **SECTION 5 – OPERATOR PICKS**

3 A. At pick, seniority for all Full-Time Operators shall prevail in the selection of runs,  
4 reports and/or board positions, vacations, overtime trippers, bases, and RDOs.

5 B. A system shake-up shall occur three (3) times a year. Shake-ups shall be a  
6 minimum of sixteen (16) weeks and a maximum of twenty (20) weeks, unless the UNION and  
7 METRO mutually agree otherwise. All established practices and procedures for the Operator picks  
8 shall be observed through this AGREEMENT. Work assignments will be selected at the pick for the  
9 following shake-up period.

10 C. Copies of the pick schedule will be posted in each base and in the UNION office at  
11 least two (2) weeks prior to the first day of the pick. The UNION will supply METRO with a signed,  
12 certified Operator seniority list three (3) weeks prior to the first day of the pick.

13 D. A Full-Time Operator who wishes to select an assignment must select an  
14 assignment according to the seniority list certified for the pick, unless the UNION and METRO  
15 mutually agree otherwise.

16 E. METRO will determine the work, possible RDO combinations and the base from  
17 which work will originate. METRO and the UNION will select one combo at each base that will be  
18 withheld from pick, which will be available for daily assignment to Operators wanting to schedule  
19 personal appointments during the combo split; such combos will be called float combos. Copies of  
20 all assignment sheets showing the runs, reports, Extra Board positions, and available RDO  
21 combinations will be posted in the pick room six (6) days prior to the start of assignment selection.  
22 The UNION agrees to staff the pick room on weekend days.

23 F. The UNION shall be supplied a copy of the final work assignments to be used for  
24 the pick at least two (2) weeks prior to the first day of the pick.

25 G. A Regular Operator who has Sunday off may pick a vacant Sunday assignment, by  
26 seniority, for work on any Sunday-schedule holiday. This selection will take place at the base after  
27 the Operator pick and after Report and vacation relief Operators have made their selections. If vacant  
28 Sunday assignments are still available, they may be offered for pick by seniority to all Full-Time

1 Operators at the base whose RDO falls on the holiday.

2 **H.** Each Operator shall have two (2) consecutive RDOs, or in case of a 4/40 Operator  
3 three (3) consecutive RDOs, in every seven (7) day period, except when Operator shake-ups or  
4 move-ups make this impossible.

5 **I.** A Full-Time Operator who selects Regular or Report Operator status shall select  
6 five (5) consecutive workday assignments. Each Operator's selections must be all runs or all reports  
7 and must be exclusively day assignments or exclusively night assignments. If an Operator selects  
8 runs, there must be at least eight (8) hours off between assignments on consecutive days. If an  
9 Operator selects reports, there must be at least eight (8) hours off between assignments on  
10 consecutive workdays in addition to the spread time. No Operator will be forced to pick an  
11 assignment of runs or reports which would result in less than ten and one-half (10-1/2) hours off  
12 between consecutive workday assignments, or less than fifty-six (56) hours off on his/her two (2)  
13 consecutive RDOs.

14 **J.** An Operator shall report to the pick room at least twenty (20) minutes before  
15 his/her pick time, receive instructions and use this time to examine available work assignments. No  
16 Operator shall be compensated for time spent in the selection process, unless it is during his/her  
17 regular work hours.

18 **K.** A UNION representative shall be present during picks.

19 **L.** An Operator, who fails to appear at his/her scheduled pick time and who does not  
20 notify the UNION of his/her choices via an absentee pick form, shall have an assignment selected for  
21 him/her by the UNION representative. The UNION representative shall make an effort to select an  
22 assignment comparable to the assignment last selected at a pick. Selections made by the UNION will  
23 not be subject to the grievance/arbitration procedure.

24 **M.** When a new operating base opens or an existing operating base closes and that  
25 base has/had Operator assignments, a system-wide pick will occur.

26 **N.** In order to pick a Group D assignment, an Operator must request a transfer at least  
27 fourteen (14) days prior to the first day of the pick. Group D Operator vacations will be selected at  
28 the Full-Time Operator pick. A Group D Operator working a Part-Time Operator assignment shall 1)

1 waive his/her right to select assignments at the Full-Time Operator pick; 2) shall select his/her  
2 assignment, by seniority, after all regular Part-Time Operators have picked and may exercise the  
3 right to submit a work restriction form. A Group D Operator returning to assignment as a Full-Time  
4 Operator shall be assigned to the bottom of the Day Board at the base currently picked until the next  
5 shake-up.

6           **O.** Each Operator must pick work which is compatible with any existing medical  
7 restrictions s/he has on file with METRO. Failure to do so will result in forfeiture of the Operator's  
8 daily or assignment guarantee for each day on which the Operator has picked an incompatible  
9 assignment, unless no work is available within the Operator's restriction.

10           ***SECTION 6 – MOVE-UPS***

11           **A.** If regular or report assignments become vacant, less senior Operators at the base  
12 may request a move-up. An Operator who moves up must pick the entire assignment of the Operator  
13 who vacated the run or report. If a Regular Operator moves up to a report assignment, such Operator  
14 will be placed at the bottom of the day board. An Extra Board Operator who moves up to a report  
15 assignment will remain on his/her picked board position. If new Extra Board RDO combinations  
16 become available, Extra Board Operators at the base who could not have picked these RDO  
17 combinations may choose the new RDO combinations. Operator move-ups will be conducted only  
18 when they can be implemented at least twenty-eight (28) days prior to a shake-up.

19           **B.** Move-ups will be conducted by Shop Stewards at the affected base at the direction  
20 of the UNION. An assignment selected at a move-up via absentee pick will not be subject to the  
21 grievance/arbitration procedure.

22           ***SECTION 7 – SELECTING VACATIONS***

23           **A.** Vacations may be split into periods of one (1) or more full weeks. If an  
24 Employee's vacation is not evenly divisible into full weeks, the odd number of days must be taken as  
25 a block in one (1) period.

26           **B.** Operators may pick only one (1) prime time vacation per year. METRO shall  
27 determine the number of vacations offered in each period. Each year, METRO shall furnish the  
28 UNION with a list of vacation periods.

1 C. The UNION shall determine the prime periods for the following year and inform  
2 METRO of their determination in writing in advance of the first day of the fall pick of the current  
3 year.

4 D. Future pick and shake-up dates occurring during the vacation periods that  
5 Operators can select at the current pick shall be posted in the pick room by METRO.

6 E. After a vacation relief has been assigned to an Extra Board Operator, there shall be  
7 no changes in vacation unless agreed upon by the Operator who is assigned the vacation relief.

8 F. An Operator may, with METRO approval, change his/her vacation at the base to a  
9 period which he/she did not have the seniority to pick provided the available period(s) are posted at  
10 least one (1) week in advance.

11 **SECTION 8 – EXTRA BOARD**

12 A. Each base having Operators shall have a Day Extra Board to fill those assignments  
13 left open, to fill any special work, and to fill overtime assignments according to the overtime  
14 assignment process. In addition, bases having night work shall also have a Night Extra Board for the  
15 same purposes. Day and Night Boards shall be open for selection at the pick by all Full-Time  
16 Operators by seniority. Operators may select any available position on either Extra Board.

17 B. During a shake-up, any newly hired Operators shall be placed at the bottom of the  
18 Day Board. Selection of position shall be by seniority.

19 C. All work assigned to an Extra Board Operator as part of his/her regular workday  
20 assignment will be within a spread of thirteen (13) hours unless voluntarily waived by the Operator  
21 or in the case of an extreme emergency.

22 D. The Extra Boards shall be posted by 2:00 p.m. No Extra Board assignment will be  
23 final until 2:00 p.m. If the Extra Board is not posted by 4:00 p.m., each Extra Board Operator who is  
24 available the following day will receive one (1) hour of straight-time pay, except in case of extreme  
25 emergency.

26 E. The Extra Boards shall be assigned according to the following rules:

27 1. All available work will be sorted into two (2) categories as follows:

28 a. Category A shall include:

- 1) Straight-through day runs which quit at 8:00 p.m. or earlier.
- 2) Day reports which have a quit time of 10:00 p.m. or earlier as determined by a 13-hour spread.
- 3) Combos which quit at 8:00 p.m. or earlier.
- 4) Tripper combinations which quit at 8:00 p.m. or earlier.
- 5) Tripper and report combinations which have a latest quit time of 8:00 p.m. or earlier as determined by a 13-hour spread.
- 6) Special work which has an estimated quit time of 8:00p.m. or earlier.

**b. Category B shall include:**

- 1) Runs which quit later than 8:00 p.m.
- 2) Reports which have a quit time later than 10:00 p.m., as determined by a 13-hour spread.
- 3) Combos or other combinations of work which quit later than 8:00 p.m.
- 4) Special work which has an estimated quit time of later than 8:00 p.m.

**2. Category B assignments shall be assigned first, beginning with the Night Board, from the bottom of the board, according to quit time, latest quit time assigned first.**

**a. If there are more available Operators on the Night Board than assignments in Category B, then the remaining Night Board Operators shall be assigned Category A work with the latest start time assigned first.**

**b. If there are fewer available Operators on the Night Board than available assignments in Category B, then remaining Category B assignments shall be assigned to the Day Board, latest quit first, from the bottom up.**

**3. Category A work shall be assigned next to the Day Board, from the top of the board down, according to quit time, with the earliest quit assigned first.**

1                   4. Quit time of special work shall be estimated by METRO for the purpose of  
2 establishing assignment sequence. There is no guarantee that special work will quit at the estimated  
3 time.

4                   5. If two (2) or more Operator assignments within the same category quit at  
5 the same time, they shall be assigned as follows:

6                   a. A run will be assigned before a report.

7                   b. An assignment with more pay will be assigned before an assignment  
8 with less pay.

9                   c. If two (2) assignments pay the same, the assignment with the lesser  
10 amount of work including report time and travel time will be assigned first.

11                   d. If two (2) assignments pay the same and have the same amount of  
12 work including report time and travel time, they will be assigned at the discretion of METRO.

13                   6. If the number of Extra Board Operators available for work on a regular  
14 workday is greater than the number of available runs, reports and special work which fits the  
15 definition of a run, then tripper combinations may be inserted in the assignment sequence according  
16 to their quit times. Tripper combinations will be made with trippers, pieces of work and special work  
17 under seven hours and eleven minutes (7:11) at METRO's discretion. Tripper combinations with  
18 more than one (1) split will be paid straight-through for the lesser split. Any tripper combination  
19 split of twenty-nine (29) minutes or less will be paid straight-through.

20                   7. If the number of Extra Board Operators available for work on a regular  
21 workday is less than the number of available runs, reports and special work which fits the definition  
22 of a run, runs may be taken out of the assignment sequence. The runs to be removed from the  
23 assignment sequence will be combos, late day runs with a quit time from 6:01 p.m. to 8:00 p.m., and  
24 early quit relief runs with a quit time of 8:01 p.m. to 9:59 p.m., in that order.

25                   8. All weekday pieces of work open before the Extra Board's 10:00 a.m.  
26 cutoff will be assigned to Full-Time Extra Board Operators, who are qualified and available, as a  
27 regular assignment. Any remaining work, except work left vacant by Part-Time Operators, will be  
28 assigned first according to the overtime assignment sequence, then to Part-Time Operators on the

1 Additional Tripper List, except as prohibited in this AGREEMENT. Work left vacant by Part-Time  
2 Operators will be assigned first to the Additional Tripper List, then to Full-Time Operators according  
3 to the overtime assignment sequence in accordance with this AGREEMENT.

4                   **9.** On holidays, an Operator left without an assignment shall receive the day  
5 off at holiday pay. All Operators in a base who request the holiday off via the layoff book will be  
6 excused before any Operator in the same base is forced to take the day off.

7                   **10.** An Operator who is qualified in accordance with Section 12, but who is  
8 not qualified on the specific assignment he/she would normally receive, shall be passed over until the  
9 first assignment for which he/she is qualified becomes available. If work is not available to match an  
10 Operator's qualifications, the Operator shall be placed on report and may be sent out to qualify. The  
11 eight (8) hour guarantee shall apply for that day. If the last Operator available does not qualify for  
12 the last assignment available in the assignment sequence, then the next latest quit assignment for  
13 which that Operator qualifies shall become his/her assignment for the day and the remaining  
14 Operators shall be assigned in the normal sequence. This process may be repeated until the last  
15 available Operator is qualified on the last available assignment.

16                   **11.** Any Extra Board Operator who receives an assignment out of sequence,  
17 except as provided for elsewhere in this AGREEMENT, shall receive one (1) hour of straight-time  
18 pay, except in case of extreme emergency. Any Operator who receives an overtime assignment out  
19 of sequence, except as provided for elsewhere in this AGREEMENT, shall receive pay to equal the  
20 assignment he/she should have had or the assignment he/she received, whichever is greater.

21                   **12.** The following provisions shall apply to Extra Board Operators who  
22 choose vacation reliefs:

23                   **a.** Extra Board Operators, except Report Operators, may request to  
24 work the runs or reports of Operators who are on vacation, sick leave, industrial injury, disability  
25 leave, or unpaid leave of absence of one (1) week or more. Vacant runs or reports may be picked as  
26 vacation reliefs until they are filled by a move-up. An Operator will be allowed to pick vacation  
27 reliefs only on assignments that have the same RDOs as the Operator. Operators will pick this work  
28 by seniority.

1                                   **b.** An Extra Board Operator shall be qualified prior to the effective  
2 starting date of the vacation relief.

3                                   **c.** For a Sunday-schedule holiday, all Extra Board Operators who  
4 regularly work that day, and who are working vacation reliefs which have no Sunday assignment,  
5 shall pick from all vacant Sunday assignments available after Report Operators have picked.

6                                   **d.** When a vacation relief assignment ends, the Extra Board Operator  
7 shall revert to his/her regular picked position on the Extra Board without any penalty to METRO.  
8 This Operator then becomes eligible for the next available vacation relief, or remainder of an  
9 unpicked vacation relief, according to seniority.

10                                   **e.** Extra Board overtime policies remain unchanged.

11                                   **f.** An Extra Board Operator picking a vacation assignment must work  
12 the entire vacation assignment, except as provided in Paragraph d.

13                                   **13.** If an Extra Board Operator's normal sequence assignment conflicts with  
14 his/her partial absence or non-driving assignment, then such Operator will be given an assignment  
15 which is not a straight-through run and which has a quit time within one (1) hour of his/her normal  
16 sequence assignment. METRO will attempt to maximize straight-time paid work hours for such  
17 Operator.

18                                   **F.** No Operator's RDO shall be cancelled or changed without the consent of the  
19 Operator, except in extreme emergency. Each Extra Board Operator shall have a minimum of fifty-  
20 six (56) hours off for his/her two (2) consecutive RDOs.

21                                   **G.** Any Extra Board Operator may request to add or remove a guarantee of ten and  
22 one-half (10-1/2) hours off between consecutive days' assignments, provided this is requested in  
23 writing at the pick, or prior to 10:00 a.m. on Thursday, to be effective Saturday. Any Extra Board  
24 Operator requesting the ten and one-half (10-1/2) hours off between consecutive days' assignments  
25 and who would not receive ten and one-half (10-1/2) hours off in the normal assignment sequence  
26 will fall out of the normal assignment sequence, and will receive the first available assignment after  
27 his/her ten and one-half (10-1/2) hours off.

28                                   **H.** An Extra Board Operator who, for any reason, does not receive his/her requested

1 ten and one-half (10-1/2) hours off, may elect to “pass up” by submitting a written statement at the  
2 completion of the day’s assignment. An Operator electing to pass up will report to the base after  
3 his/her ten and one-half (10-1/2) hours off, unless notified to report later.

4 **I.** An Extra Board Operator may be assigned work at other bases, when necessary to  
5 balance available work, subject to the following:

6 **1.** On Sunday-scheduled holidays, Bellevue Base Extra Board Operators may  
7 be assigned to other bases as needed.

8 **2.** At each pick, a volunteer list of Extra Board Operators willing to accept  
9 interbase transfers will be established.

10 **3.** In addition to the volunteer list, METRO may designate Interbase Transfer  
11 Extra Board positions with varying RDO combinations at each operating base. Such positions will  
12 be selected at Operator pick by seniority. An Operator who picks an Interbase Transfer position must  
13 choose to be on either the “volunteer list” or “force list”. Bellevue Base will be limited to two (2)  
14 Inter-base Transfer positions which shall have Saturday-Sunday as their RDO combination. At all  
15 other operating bases, there shall be no more than five (5) Inter-base Transfer RDO combinations  
16 posted. Regardless of the number of positions posted, there will be no more than one (1) Saturday-  
17 Sunday combination, no more than one (1) Sunday-Monday combination, no more than two (2)  
18 Tuesday-Wednesday combinations, and no more than two (2) Thursday-Friday combinations posted  
19 at each operating base. There will be no Inter-base Transfer positions with Monday-Tuesday,  
20 Wednesday-Thursday or Friday-Saturday RDO combinations.

21 **4.** An inter-base transfer assignment will not adversely affect the quit time  
22 sequence of the Extra Board for the following day.

23 **5.** Within each base, inter-base transfer work will be assigned in the following  
24 order:

25 **a.** Inter-base transfer work will be assigned first, in seniority order, to  
26 those Inter-base Transfer Operators who choose to be on the Inter-base Transfer volunteer list.

27 **b.** Next, inter-base transfer work will be assigned, in inverse seniority  
28 order, to those Inter-base Transfer Operators who choose to be on the Inter-base Transfer force list.

1 c. Next, to Extra Board Operators who volunteer for inter-base  
2 transfers who did not pick an Inter-base Transfer position. Such transfers will not be subject to the  
3 premium in Paragraph 6.

4 6. If an Inter-base Transfer Operator is assigned an inter-base transfer  
5 assignment and either works the entire assignment, works an alternative assignment at METRO's  
6 direction, or is on a full-day Union Leave, he/she will receive a daily premium of one (1) hour of  
7 straight time pay.

8 7. At METRO's discretion, Inter-base Transfer Operators may be assigned to  
9 qualify on routes and equipment operating out of a different base. Each Inter-base Transfer Operator  
10 may select one suburban location (North, East/Bellevue or South) for which he/she will not be  
11 assigned to qualify.

12 8. With thirty (30) days notice, METRO may require an Inter-base Transfer  
13 Operator to qualify on up to three (3) major routes out of a base other than his/her picked base. Each  
14 Inter-base Transfer Operator may select one suburban location (North, East/Bellevue or South) for  
15 which he/she will not be required to qualify.

16 9. An Inter-base Transfer Operator may qualify on any major route and will be  
17 paid at the applicable rate.

18 10. Each Inter-base Transfer Operator will be assigned overtime according to  
19 his/her pick option, at his/her home base.

20 J. Except as provided in Paragraph I, no Extra Board Operator will be required to  
21 qualify on routes not regularly assigned to his/her operating base.

22 **SECTION 9 – REPORT OPERATORS**

23 A. Report times will be posted and selected at the Operator pick.

24 B. Operators shall pick reports according to the open pick system.

25 C. An Operator picking reports must be qualified on seventy-five percent (75%) of all  
26 routes from the selected base by the first day of the shake-up. He/she must be qualified on all routes  
27 and foreign routes from that base, except for Center Park and/or Waterfront Streetcar, thirty (30) days  
28 after the effective date of the shake-up. METRO shall determine which report positions at the

1 applicable base shall be required to qualify on Center Park and/or Waterfront Streetcar and will post  
2 this information in the pick room. An Operator who picks such a position and fails to qualify on this  
3 service will remain on his/her picked report for the shake-up, but will be required to qualify on such  
4 service before again picking such a report. If an Operator fails to qualify on this service, he/she will  
5 be given an additional opportunity to qualify prior to the next Operator pick. No Report Operator  
6 will be required to qualify on routes not regularly assigned to his/her picked operating base.

7 **D.** Report Operators will be available for a spread of thirteen (13) hours and must  
8 accept all work according to Report Operator work rules set forth in this AGREEMENT.

9 **E.** For a Sunday-schedule holiday, a Report Operator having a Sunday report and  
10 who regularly works on that day will work his/her Sunday report. A Report Operator on his/her  
11 regular workday without a Sunday report may choose to pick from all vacant Sunday assignments, by  
12 seniority, or to revert to his/her position on the Extra Board for assignment.

13 **F.** METRO may adjust picked report times by a maximum of thirty (30) minutes  
14 when a change is needed. METRO shall give five (5) days notice to an Operator whose report will  
15 be affected. When changes adversely affect an Operator's personal life or impose serious hardship in  
16 reporting to work, the Operator may request that the base supervisor and the UNION review the  
17 matter.

18 **G.** An Operator may voluntarily waive his/her 13-hour spread. An Operator may not  
19 waive the eight (8) continuous hours off. The maximum spread will be sixteen (16) hours. A Report  
20 Operator who waives his/her 13-hour spread must still be available for his/her regular shift the next  
21 day.

22 **H.** Except as otherwise provided in this AGREEMENT, all time served on report  
23 shall be paid. Any Operator required to report shall receive a minimum of two and one-half (2-1/2)  
24 hours pay. However, an Operator serving on report shall be considered on report, regardless of  
25 assignment, until released. Two and one-half (2-1/2) hours shall be paid when released from report  
26 and assigned work starting more than two and one-half (2-1/2) hours after reporting. At the  
27 completion of an assignment, an Operator may be released or assigned to further duties. If report  
28 time and tripper time are consecutive, report time will be used to make up the tripper guarantee.

1 Report time will stop at the beginning of pay time.

2 **I.** At the beginning of each shake-up, METRO shall define the number of report  
3 positions and the report time of each position. Additional report assignments may be added at the  
4 discretion of METRO, provided that any assigned or picked report shall not share the same report  
5 time. If METRO determines that it is necessary to continue these additional report times for the  
6 remainder of the shake-up, they will be subject to a move-up.

7 **J.** The Operator with the earliest first report time gets the first piece of work that is or  
8 becomes available within his/her spread, except in cases of emergency. If the assignment is less than  
9 eight (8) hours work time, the Operator may be assigned additional work within the terms of this  
10 AGREEMENT. When assignments have the same quit time, the rules of Section 8, Paragraph E.5  
11 also apply to Operators on report. Operators on late report follow the last Report Operator and the  
12 last Operator on pass-up. When necessary for a Report Operator to be assigned work at another base,  
13 he/she shall be paid straight through until the start of the assignment and shall be paid actual travel  
14 time back to the original base.

15 **K.** At the discretion of the Base Dispatcher/Planner, assignments that become  
16 available for Report Operators may be broken up if necessary to keep service in operation.

17 **L.** Work available at the time a Report Operator is released from an a.m. assignment  
18 may be assigned at that time for the remainder of the day at the discretion of the Base  
19 Dispatcher/Planner.

20 **M.** An Operator on paid report who is not qualified but who has met the qualification  
21 requirements contained in Paragraph C will be passed over and, if no further work opens for which  
22 he/she is qualified, will not lose his/her eight (8) hour guarantee for that day.

23 **N.** An Operator required to serve on report on a Sunday or Sunday-schedule holiday,  
24 shall serve continuous report until given work or released for the day. An Operator who has picked a  
25 Saturday report shall serve continuous report until given work or released for the day.

26 **O.** Should an Operator who has picked a regular report, and another Operator who  
27 has a non-regular report share the same initial report time, the Operator who must be off earliest will  
28 be first up. If both Operators must be off at the same time, the Operator with the regular report will

1 have first right of refusal for the assignment. Should two (2) or more Extra Board Operators have the  
2 same initial report time, the most senior Operator will have first right of refusal on an available  
3 assignment.

4 **P.** No Report Operator will be required to work prior to report time.

5 **Q.** A Report Operator with a partial absence or non-driving work assignment that is  
6 within his/her 13-hour spread will be removed from his/her report and given an assignment that starts  
7 no earlier than the start time of his/her report assignment and has a scheduled quit time within his/her  
8 normal spread or within thirteen (13) hours of his/her non-driving work assignment, whichever is  
9 earlier. METRO will attempt to maximize straight-time paid work hours for such Operator.

10 ***SECTION 10 – OVERTIME***

11 **A.** All hours worked in excess of eight (8) hours in the scheduled workday or work on  
12 a RDO in the scheduled workweek shall be paid at the overtime rate of one and one-half (1-1/2)  
13 times the existing straight-time rate of pay for actual overtime hours worked, except where otherwise  
14 specified in this AGREEMENT.

15 **B.** Any Operator working a regular run on his/her RDO shall be paid for eight (8)  
16 hours at the overtime rate or for actual overtime hours worked, whichever is greater. An Operator  
17 who works two (2) separate and complete runs on the same day will be paid such guarantee for each  
18 run. An Operator assigned overtime on his/her RDO, per Paragraph D.2 and D.4, shall be guaranteed  
19 a minimum for the day of two hours and forty minutes (2:40) pay at the overtime rate.

20 **C.** All runs shall be assigned and every available Operator shall have work before any  
21 overtime assignment is made.

22 **D.** If overtime is available it shall be assigned by seniority with the greatest pay time  
23 first, according to the following Operator sequence:

- 24 1. Extra Board Operators on regular workday, within spread.
- 25 2. Extra Board Operators on an RDO.
- 26 3. Regular Operators on regular workday.
- 27 4. Regular Operators on an RDO.
- 28 5. Extra Board Operators on regular workday voluntarily exceeding their

1 spread time, except as provided in Section 3, Paragraph O.

2                                   **6.** Extra Board Operators on regular workday forced in inverse order of  
3 seniority.

4                                   **E.** No Operator shall be required to work on his/her RDO. No Regular Operator shall  
5 be assigned overtime work unless he/she volunteers for such work.

6                                   **F.** Any Operator volunteering for overtime shall be required to work the overtime  
7 assigned.

8                                   **G.** An Extra Board Operator may request to add or remove overtime availability for  
9 regular workdays at the pick or prior to 10:00 a.m. on Thursday, to be effective Saturday. Operators  
10 who remove overtime availability may be assigned overtime only in accordance with Paragraph D.6.

11                                   **H.** A Regular Operator may request to be added to or removed from the overtime list  
12 by submitting a request in writing at the pick or prior to 10:00 a.m. on Thursday, to be effective  
13 Saturday.

14                                   **I.** Any Operator, having completed a scheduled run of less than eight (8) hours, who  
15 is used for any purpose whatsoever, not in connection with his/her completed run, shall be paid  
16 his/her eight (8) hours and shall be paid at the overtime rate for all additional time worked. This shall  
17 apply also to time worked due to failure of a road relief or to additional work assigned by a  
18 Supervisor. Such time will not reduce the spread pay of the run.

19                                   **J.** METRO shall post 275 weekday and Saturday overtime trippers each week, for  
20 selection at pick according to the following:

21                                   **1.** A Regular Operator may select one (1) overtime tripper per day, including  
22 his/her RDO. An Extra Board Operator may select one (1) overtime tripper for each RDO.

23                                   **2.** METRO shall determine the location of the trippers and the numbers  
24 allocated to each base for the pick after consultation with the UNION Part-Time Pick Coordinator.

25                                   **3.** If all posted trippers are not picked, the balance shall be offered for pick at  
26 the base to all Full-Time Operators, including Group D Operators, by Full-Time Operator seniority.

27 An Operator may pick a second tripper per day at this time. An Extra Board Operator may not pick a  
28 tripper on his/her regular day to work. Any remaining trippers shall be assigned according to the

1 work rules.

2 4. An Operator who has picked an overtime tripper will be assigned that  
3 tripper on the day(s) picked unless excused.

4 5. An Operator may pick overtime trippers only at the base he/she picked.

5 **SECTION 11 – SPECIAL ALLOWANCES**

6 A. Ten (10) minutes report time shall be paid at the applicable rate.

7 B. Thirty (30) minutes straight-time pay shall be paid for the first report of each  
8 accident. If an Operator is required to fill out a report by the State of Washington or a local police  
9 department in addition to his/her regular accident report, an additional thirty (30) minutes straight-  
10 time pay shall be paid for filling out that report of the accident. If the Safety Officer approves the  
11 first accident report and the Operator is called in to fill out an additional report other than those for  
12 the State of Washington or local police departments, an additional thirty (30) minutes straight-time  
13 pay shall be paid for filling out each additional report. Forty-five (45) minutes straight-time pay shall  
14 be paid for the first report of each accident involving a collision with another vehicle in which both  
15 vehicles are moving or in any collision with a pedestrian.

16 C. The following straight-time premiums shall be paid only when these reports cannot  
17 be completed during platform hours. To be paid, an Operator must submit complete and accurate  
18 reports:

19 1. Incident reports, except those involving Operator assaults – ten (10)  
20 minutes.

21 2. Incident reports involving Operator assaults – twenty (20) minutes.

22 3. Bus Vandalism reports – five (5) minutes.

23 4. Found tags – five (5) minutes.

24 5. Operator Request slips – five (5) minutes.

25 6. Safety reports, when requested by a supervisor – five (5) minutes.

26 7. Service reports, when requested by a supervisor – five (5) minutes.

27 D. An Operator who is not on report shall be paid a minimum of one (1) hour  
28 straight-time pay for a coach change.

1 E. One (1) hour straight-time pay shall be paid to a Full-Time Operator for each day  
2 spent instructing a student.

3 F. If an Operator is working a tripper, extra or report, and the overtime rate applies,  
4 he/she will be paid at the overtime rate or receive the minimum tripper time, whichever is greater.

5 G. Two and one-half (2-1/2) hours, including report and travel time, shall be the  
6 minimum time paid for regularly scheduled trippers, extras, and specials assigned to Full-Time  
7 Operators.

8 H. An Extra Board Operator, who works past a twelve (12) hour spread on a  
9 workday, and who under the provisions of this AGREEMENT would not be paid at the overtime rate,  
10 shall be paid spread pay to increase the rate of pay to time and one-half (1-1/2) for time in excess of  
11 twelve (12) hours.

12 I. Each Regular or Extra Board Operator, who works a combo or frag having a spread  
13 longer than ten and one-half (10-1/2) hours, and who would not be paid at the overtime rate under the  
14 provisions of this AGREEMENT, shall be paid spread pay to increase the rate of pay to time and  
15 one-half (1-1/2) for time in excess of ten and one-half (10-1/2) hours.

16 J. Road relief travel time shall be paid at the applicable rate based upon the maximum  
17 time required for travel from the base to a relief point during the applicable period of the day.

18 K. Tripper storage travel time shall be paid at the applicable rate for the time  
19 established for travel between the storage base and the home base and for waiting to either board a  
20 shuttle or start a trip, whichever is applicable.

21 L. An Operator who is relieved on the road and is directed by METRO to return to  
22 the base to submit an accident or incident report or a found item will be paid travel time at the  
23 applicable rate.

24 ***SECTION 12 – QUALIFICATION***

25 A. The Training Section will determine the standards and procedures required for  
26 qualification on routes. The Training Section will determine the amount of time paid to qualify on  
27 routes. A list will be posted at each base in the Operators' reporting area showing the amount of time  
28 that will be paid for qualifying. When an Operator is assigned to qualify in a car or bus, he/she will

1 receive pay for actual time spent qualifying. The Training Section will determine what constitutes a  
2 major route change that would necessitate requalification. The Training Section will keep a  
3 permanent record of all route changes and whether such changes were minor or major. The most  
4 recent major change and the three (3) most recent minor changes on each route will be identified by  
5 date in The Book. Pay for qualifying will be at the applicable rate. If the UNION disagrees with the  
6 amount of qualification time, the parties shall meet to resolve the issue.

7           **B.** An Extra Board Operator must be qualified on six (6) major routes by the effective  
8 date of shake-up and on all major routes at his/her picked base within thirty (30) days after the  
9 effective date of the shake-up. A major route is defined as a route or route group which has at least  
10 forty (40) hours per weekday of scheduled platform time at a specific base. After being given seven  
11 (7) days notice, an Operator not qualified on routes, as required in this AGREEMENT, may lose  
12 his/her daily guarantee and may not be permitted to work until he/she complies with the qualification  
13 requirements specified in this AGREEMENT. If a base does not have six (6) major routes, then any  
14 Extra Board Operator at that base must qualify on at least six (6) routes, including all major routes by  
15 the effective date of the shake-up. If the base does not have six (6) routes he/she must qualify on all  
16 routes at the base.

17           **C.** An Extra Board Operator also may qualify on any minor routes scheduled out of  
18 his/her picked base. In addition, METRO may assign Operators to qualify on minor routes. A minor  
19 route is defined as a route or route group which has fewer than forty (40) hours per weekday of  
20 scheduled platform time at a specific base.

21           **D.** An Operator who has not operated a trolley, dual mode, articulated, or motor  
22 coach, or in the tunnel for one (1) year or longer, may request a refresher course. Having provided  
23 two (2) days notice, such Operator will not be required to drive in such facility/equipment until  
24 he/she has completed the refresher course. At each Operator pick, an Operator seeking coach  
25 qualification other than the Waterfront Streetcar or Center Park may sign a list indicating his/her  
26 desire to qualify on equipment operating from his/her picked base. METRO will schedule training  
27 for such Operators within a reasonable length of time. METRO also will provide training within a  
28 reasonable length of time on new equipment introduced to a base for those Operators desiring such

1 training.

2           **E.** The date an Operator qualifies on a route shall be recorded and shall be updated  
3 for any shake-up in which that Operator has driven that route. An Operator may request  
4 disqualification, with two (2) days notice, on any route he/she has not driven in the previous five (5)  
5 years or on any route which has undergone three (3) minor changes since he/she last drove it. All  
6 Operators will be disqualified when a route undergoes a major change.

7           **F.** At the discretion of the Base Dispatcher/Planner, an Extra Board Operator may be  
8 assigned to qualify in addition to a straight-through run.

9           **G.** An Extra Board Operator who would receive a combo or tripper assignment in  
10 his/her normal sequence may be taken out of sequence and given an assignment which allows time  
11 for qualifying on routes. Such Operator will not be assigned a straight-through run when taken out of  
12 sequence to qualify.

13           **H.** An Extra Board Operator who is qualified on the least number of routes in a base  
14 may be pulled out of assignment sequence and assigned to qualify.

15           **I.** Minor changes affecting routes in a base shall be posted in an appropriate  
16 accessible location in the Operator reporting area. All Operators shall be responsible for being  
17 familiar with those changes affecting routes on which they have qualified.

18           **J.** A Regular Operator desiring to qualify on routes in order to be eligible for  
19 overtime on those routes may qualify at the applicable rate of pay on any major or minor routes at  
20 his/her picked base. An Operator will be paid for qualifying on a route only if he/she is qualified on  
21 the equipment/facility necessary to operate that route.

22           **K.** Any Operator picking a run/base which requires coach/tunnel qualification must  
23 have successfully completed the appropriate training before the effective date of shake-up, unless  
24 METRO is unable to provide training. The appropriate training will be scheduled by METRO to  
25 meet the requirement. Operators will be responsible for requesting this training.

26           **L.** Trainees on Center Park and the Waterfront Streetcar will be selected by the base  
27 supervisor/designee from Extra Board Operators on a volunteer basis. A person who has not  
28 operated the Waterfront Streetcar for a period of six (6) months must take a paid refresher course

1 before being assigned to Waterfront Streetcar duty. The Training Section shall determine the amount  
2 of time necessary to requalify.

3 **M.** An Operator who fails to qualify on his/her picked assignment or equipment will  
4 be placed on an assignment or Extra Board position mutually agreed to by the UNION and METRO,  
5 to be consistent with his/her seniority, until the next shakeup.

6 ***SECTION 13 – UNIFORMS***

7 **A.** Upon completion of training and after qualification, a newly hired Operator shall  
8 be issued four (4) shirts, three (3) pairs of pants/shorts, one (1) sweater, and one (1) parka.

9 Thereafter, the uniform allowance shall be available annually on the Operator's anniversary date.

10 **B.** A uniform allowance of twelve (12) times the top step Transit Operator wage rate  
11 on January 1 of each year shall be available annually on each Operator's qualification date. The  
12 uniform allowance may be used only to purchase authorized uniform items. An Operator who does  
13 not pick an assignment and who is not required to be in uniform will have his/her uniform allowance  
14 for the following year reduced by one-third (1/3) of the annual allowance for each shake-up on such  
15 status.

16 **C.** An Operator who moves from part-time to full-time status, or vice versa, will  
17 continue to receive his/her uniform allowance on his/her original qualification date.

18 **D.** Uniform allowance balances may be carried over if unused. An Operator's  
19 accrued allowance may not exceed twenty-five (25) times the top step Transit Operator wage rate as  
20 shown in Exhibit A.

21 **E.** Operators are required to be in uniform while on duty. When uniform garments  
22 are not available, an out of uniform slip will be given to the Operator by the Supervisor before the  
23 Operator goes on duty. Uniforms shall be worn only to and from work and while on duty.

24 **F.** Footwear designated by METRO may be purchased with the uniform allowance.  
25 Shoes and boots must be plain brown or black leather and, for safety reasons, may not have a heel  
26 over two (2) inches high.

27 **G.** All uniform items will be union made, unless mutually agreed between METRO  
28 and the UNION.

1 **ARTICLE 16: PART-TIME TRANSIT OPERATORS**

2 ***SECTION 1 – DEFINITION OF EMPLOYEES***

3 A Part-Time Transit Operator shall mean a person employed by METRO on a continuing  
4 basis, whose regularly scheduled assignment is a tripper which is guaranteed a minimum of two (2)  
5 hours and thirty minutes (2:30) straight-time pay or a dual tripper assignment which is guaranteed a  
6 minimum of four hours and forty minutes (4:40) straight-time pay.

7 ***SECTION 2 – SPECIAL CONDITIONS***

8 A. METRO shall offer all new Full-Time Operator positions to qualified Part-Time  
9 Operators, provided there are sufficient qualified applicants. Seniority shall determine the order of  
10 selection, provided the Part-Time Operator’s most recent twelve-month work record does not exceed  
11 METRO’s probationary standards for Part-Time Operators, with the exception that a minor infraction  
12 that does not result in discipline as defined in this AGREEMENT will not be used in determining the  
13 Operator’s qualification. Part-Time Operators with less than one (1) year of service will be evaluated  
14 on a pro-rated probationary standard. A major infraction within the twenty-four (24) months  
15 preceding the offer may result in disqualification.

16 B. METRO reserves the right to rehire former METRO Full-Time Operators to vacant  
17 Full-Time Operator positions independent of the formal Full-Time Operator recruitment process.

18 C. Should the guarantee described in Paragraph A result in failure to meet METRO’s  
19 Affirmative Action objectives, the UNION agrees to meet and negotiate appropriate adjustments to  
20 the guarantee.

21 D. A Part-Time Operator who accepts a Full-Time Operator position will have the  
22 option for six (6) months from date of qualification to return to the position of Part-Time Operator  
23 with no loss in Part-Time Operator seniority.

24 E. METRO will determine the standards to be met by Full-Time Operator trainees.  
25 An Operator who fails to meet such standards will be returned to the Part-Time Operator position.

26 F. A Full-Time Operator, who retires and is rehired as a Part-Time Operator within  
27 one (1) year of his/her retirement will not be required to serve a probationary period.

28 ***SECTION 3 – GENERAL CONDITIONS***

1           A. The provisions of Article 15, Section 3, Paragraphs A, B, C, D, F, G, H, I, J, M, O  
2 and P, and Article 15, Section 5, Paragraph O, shall also apply to Part-Time Operators.

3           B. Each day at each base, METRO guarantees that for every fifty-five (55) Part-Time  
4 Operators normally scheduled to work, rounded to the nearest fifty-five (55), one (1) Part-Time  
5 Operator shall be excused from his/her assignment. However, the guarantee shall be at least two (2)  
6 each day for any base with Part-Time Operators. These guarantees shall not apply in cases of  
7 extreme emergency.

8           C. When a Part-Time Operator's assignment has been modified temporarily due to a  
9 custom bus or school change, such Operator will have the option of working the modified assignment  
10 or working his/her reduced regular assignment.

11           ***SECTION 4 – WORK ASSIGNMENTS***

12           A. A new Part-Time Operator will be given a specific assignment by METRO until  
13 the next shake-up.

14           B. No Part-Time Operator will be allowed to work on Saturday or Sunday. A Part-  
15 Time Operator will work on a holiday only when his/her picked tripper is scheduled to be in service.  
16 On Sunday-schedule holidays, a Part-Time Operator will be limited to working his/her picked tripper  
17 only. Each Part-Time Operator must be scheduled off work by 8:30 p.m. and will not be allowed to  
18 work an assignment that starts prior to 3:45 a.m. Part-Time Operators may work outside the hours  
19 and days specified in this Paragraph only for non-driving work assignments such as assigned training  
20 and route qualification.

21           C. Part-Time Operators shall not work runs, portions of runs, reports, specials,  
22 standbys, extras, or the Waterfront Streetcar, except as identified in Paragraph F.5.

23           1. To avoid a cancellation of service, a Part-Time Operator's assignment may  
24 be, with the Operator's consent, traded with an assignment on the Dispatching Call Record which has  
25 been left vacant by a Part-Time Operator provided the sign-in time of such assignment is within  
26 thirty (30) minutes of the sign-in time of the Operator's scheduled assignment for that day. Such  
27 Operator will be paid for time worked or his/her scheduled assignment, whichever is greater.

28           2. On the day of service and with METRO's approval, two (2) Part-Time

1 Operators may trade assignments. Such Operators will be paid for actual time worked, or minimum  
2 assignment guarantee. Each such Operator will be limited to one trade per pay period.

3 **D.** a.m. and p.m. trippers may be combined by METRO to make one (1) dual tripper  
4 assignment. These assignments may be made available at each pick to Part-Time Operators for  
5 selection by seniority, subject to the following conditions:

6 **1.** Dual tripper assignments must:

7 **a.** Not exceed six hours and forty minutes (6:40) in total pay time  
8 including report and travel time.

9 **b.** Contain no more than one (1) split.

10 **c.** Be within a spread time of thirteen (13) hours.

11 **2.** A Part-Time Operator who picks a dual tripper assignment will be  
12 guaranteed a minimum of four hours and forty minutes (4:40) straight-time pay for each set of a.m.  
13 and p.m. trippers worked.

14 **3.** If either an a.m. or p.m. portion of a dual tripper assignment is not  
15 scheduled to operate, the single tripper guarantee of two hours and thirty minutes (2:30) shall apply  
16 to the remaining assignment.

17 **4.** No layoffs or reductions in hours will occur as a result of this Paragraph.  
18 The conditions of this Paragraph will not be construed as full utilization of Part-Time Operators.

19 **E.** METRO will create no fewer than two hundred and twenty (220) Part-Time  
20 Operator assignments which pay at least four hours (4:00).

21 **F.** A Part-Time Operator may request to be added to, or removed from, the Additional  
22 Tripper List (ATL) at each pick or prior to 10:00 a.m. on Thursday to be effective on Monday. Once  
23 on the ATL, the Operator shall be available to work during the times listed by the Operator and on  
24 any routes on which he/she is qualified at the time of the assignment subject to the following  
25 conditions:

26 **1.** Assignment of work to the ATL will be in accordance with the provisions  
27 of Article 15, Section 8, Paragraph E.8.

28 **2.** Each Part-Time Operator's assignment shall be within a 13-hour spread,

1 unless he/she requests a shorter or longer spread. No Part-Time Operator's assignment shall exceed a  
2 16-hour spread.

3                   3. An ATL assignment shall not result in an Operator being scheduled to  
4 receive more than seven hours and fifty-nine minutes (7:59) of total credit time for a day.

5                   4. Part-Time Operators shall be assigned additional trippers by seniority. An  
6 Operator may work additional trippers only at the base he/she picks and shall receive no more than  
7 one (1) ATL assignment per day.

8                   5. A Part-Time Operator may be assigned to work halves of combos, specials  
9 and shake-up reliefs after the work has been assigned to available Full-Time Operators in accordance  
10 with Article 15, Section 8, Paragraph E.8. Such work will be assigned first to Full-Time Extra Board  
11 Operators, then via the Full-Time Operator overtime assignment sequence. Any remaining  
12 unassigned work may be assigned to the ATL.

13                   6. If work is assigned out of normal rotation, the Operator who should have  
14 received the assignment will receive pay equal to the difference in the amount of pay he/she would  
15 have received had he/she worked the appropriate tripper, or pay for the assignment actually worked,  
16 whichever is greater.

17                   G. If the start time and/or quit time of any assignment picked by a Part-Time  
18 Operator is permanently changed or if the assignment is cancelled, the pay of the picked assignment  
19 will be guaranteed for the remainder of the shake-up. This guarantee shall be cancelled if the Part-  
20 Time Operator refuses an alternate assignment offered by METRO. If, due to a verified personal  
21 hours restriction, an Operator cannot accept an alternate assignment offered by METRO the  
22 guarantee shall remain intact.

23                   **SECTION 5 – OPERATOR PICKS**

24                   A. The UNION shall administer a Part-Time Operator pick which shall be held three  
25 (3) times a year in conjunction with the Full-Time Operator pick.

26                   B. Before the last assignment which fits a Part-Time Operator's hours limitation is  
27 picked, the Part-Time Operator will be placed on that assignment, regardless of seniority. The  
28 UNION shall determine the validity of restriction requests. Operators who have qualified since June,

1 1985, must be available until 8:30 a.m. for a.m. trippers or must be available by 3:30 p.m. for p.m.  
2 trippers.

3 C. A Part-Time Operator who wishes to select a work assignment may report to the  
4 pick twenty (20) minutes before his/her pick time, receive instructions, and use this time to examine  
5 available work assignments. An Operator shall not be compensated for time spent in the selection  
6 process, unless it is during his/her regular work hours.

7 D. A UNION representative shall be present during picks.

8 E. A Part-Time Operator, who is unable to attend the pick, may leave an absentee  
9 pick form with the UNION indicating his/her work preferences. Failure to do so will result in the  
10 UNION representative selecting an assignment comparable, in start time, quit time, and base, to the  
11 assignment last selected at a pick. Selections made by the UNION will not be subject to the  
12 grievance/arbitration procedure.

13 ***SECTION 6 – MOVE-UPS***

14 A. Once per shake-up, the UNION will conduct a Part-Time Operator move-up at  
15 each base. Additional move-ups may be conducted by mutual agreement.

16 B. All Part-Time Operators at the base will be eligible to participate in the move-up.  
17 Selection of vacant work will be by seniority. The UNION will schedule the pick times.

18 C. A Part-Time Operator may not select work out of another base, except as mutually  
19 agreed by METRO and the UNION.

20 D. Part-Time Operator move-ups shall be organized and conducted by the UNION.

21 E. An assignment selected at a move-up via absentee pick will not be subject to the  
22 grievance/arbitration procedure.

23 F. No changes to available work will be made within the five (5) days prior to the  
24 move-up date, unless mutually agreed by METRO and the UNION.

25 ***SECTION 7 – SELECTING VACATION AND ANNUAL LEAVE***

26 A. Part-Time Operators shall be subject to the vacation rights and responsibilities  
27 outlined in Article 9. A Part-Time Operator who has completed twelve (12) months of service shall  
28 be guaranteed an annual leave of absence of up to twenty (20) days until such time as he/she is

1 eligible to pick vacation, and thereafter ten (10) days leave. However, a Part-Time Operator who has  
2 more than twelve (12) months of service but who is not eligible to take a vacation during the calendar  
3 year shall continue to be eligible for up to twenty (20) days of unpaid leave.

4 **B.** A Part-Time Operator with accrued vacation hours may select five-day blocks of  
5 vacation at the pick. A request for a five-day block of vacation/leave submitted between picks must  
6 be submitted at least fourteen (14) days prior to the starting date.

7 **C.** For each day of vacation taken, the amount of vacation time paid will equal the  
8 length of the Part-Time Operator's regular assignment for that day. If a Part-Time Operator's  
9 vacation accrual would result in a vacation of less than a minimum number of days as stated below,  
10 the Part-Time Operator will be allowed to pick the minimum number of days, and will be paid for the  
11 full amount of his/her accrual. The minimum number of vacation days will depend on seniority as  
12 follows:

<b>Years of Seniority</b>	<b>Minimum Number of Days</b>
1 - 4	10
5 - 9	15
10 - 14	20
15 - 19	25
20+	30

13  
14  
15  
16  
17  
18  
19  
20  
21  
22 **D.** Vacations may be taken in single-day increments or in five-day (Monday – Friday)  
23 blocks.

24 **E.** Vacation will be paid at the Operator's current rate at the time vacation is taken.  
25 Once a relief Operator is assigned, a vacation/leave may not be changed or cancelled. It is the  
26 Operator's responsibility to bring discrepancies in accruals to the attention of a base chief.

27 **F.** If an Operator has unused vacation at the end of the year, all hours, except those  
28 authorized as carryover by Article 9, Section 4, will be cashed out.

1           G. Separate blocks of a.m. and p.m. vacation periods will be available for pick at each  
2 base. The number of periods available will be no less than ten percent (10%) of the number of  
3 opposite (a.m. or p.m.) single tripper assignments at that base available at the part-time pick. When a  
4 dual tripper Operator picks vacation, he/she uses both an a.m. and a p.m. guaranteed period.

5           H. Vacation/leave trippers will be posted for pick twelve (12) days prior to the start  
6 date. Operators will be assigned to vacation/leave work by a rotating seniority bid system. Bids for  
7 vacation/leave work must be submitted at least seven (7) days prior to the vacation/leave start date.  
8 The most senior Operator applying for the vacation relief, who has driven the least number of  
9 vacation reliefs for the current shake-up, will be assigned. It is the responsibility of the picking  
10 Operator to be qualified on any tripper assigned. In instances where two (2) or more periods of  
11 vacation/leave are taken consecutively, each week will be assigned separately.

12           I. When no Part-Time Operator is available and assigned to guaranteed vacation work  
13 at least five (5) days prior to the first day of the vacation, the work will be assigned according to the  
14 normal assignment sequence as specified in Article 15, Section 8, Paragraph E.8. When no Part-  
15 Time Operator is available and assigned to non-guaranteed vacation or annual leave work at least five  
16 (5) days prior to the first day of the leave, the vacation/leave may be postponed by METRO until  
17 such time as a Part-Time Operator is available.

18           J. When a Part-Time Operator's picked tripper does not operate for a week, he/she  
19 may pick one (1) vacation relief tripper as part of the normal rotating seniority bid system. When one  
20 (1) or both picked trippers of a Part-Time Operator's dual tripper assignment does not operate for a  
21 week, he/she may pick one (1) vacation relief tripper as part of the normal rotating seniority bid  
22 system.

23           **SECTION 8 – OVERTIME**

24           Any daily assignment in excess of eight (8) hours, not including qualifying time or holiday  
25 pay, shall be paid at the overtime rate of one and one-half (1-1/2) times the existing straight-time rate  
26 of pay.

27           All time worked in excess of forty (40) straight-time hours in a workweek shall be paid at the  
28 overtime rate.

1                   **SECTION 9 – SPECIAL ALLOWANCES**

2                   A. The provisions of Article 15, Section 11, Paragraphs A, B, C, J, K, and L shall also  
3 apply to Part-Time Operators.

4                   B. Thirty (30) minutes straight-time pay shall be paid to Part-Time Operators for each  
5 day spent instructing a student.

6                   **SECTION 10 – QUALIFICATION**

7                   A. The provisions of Article 15, Section 12, Paragraphs A, D, E, I, and K, shall also  
8 apply to Part-Time Operators.

9                   B. Part-Time Operators who require route, equipment, coach, and/or tunnel  
10 qualification or other training as a result of a Part-Time Operator pick or move-up must arrange to  
11 qualify before the effective date of the assignment and will be paid at the applicable rate of pay. For  
12 a move-up, METRO will determine the number of equipment/facility qualification slots available.  
13 When all slots are filled, an Operator not qualified on such equipment/facility may not move to an  
14 assignment that requires such qualification.

15                  C. A Part-Time Operator required by METRO to change trippers will be paid to  
16 qualify at the applicable rate. A Part-Time Operator desiring to qualify in order to work vacation or  
17 annual leave reliefs will do so on his/her own time.

18                  D. Part-Time Operators will be paid at the applicable rate to qualify in order to work  
19 the ATL subject to the following:

20                         1. An Operator will be paid to qualify only on routes that can be assigned  
21 within his/her ATL availability.

22                         2. An Operator must be available for such routes on the ATL three (3) or more  
23 days per week in order to receive qualification pay.

24                         3. An Operator will be paid only for qualifying on a route if he/she is qualified  
25 on the equipment/facility necessary to operate that route.

26                   **SECTION 11 – UNIFORMS**

27                   Part-Time Operators shall receive the same uniform allowance and be subject to the same  
28 conditions as Full-Time Operators as described in Article 15, Section 13.

1                   **SECTION 12 – VASHON ISLAND SERVICE**

2                   **A.** Vashon Operators consist of those Transit Operators who were hired to operate  
3 Vashon Island service prior to January 1, 1990, and those Transit Operators who pick Vashon Island  
4 assignments.

5                   1. Any Operator hired prior to January 1, 1990, to operate Vashon  
6 assignments is grandfathered onto Vashon Island service and will not be bumped from Vashon  
7 assignments due to his seniority. If such Operator voluntarily chooses work other than Vashon  
8 assignments, he will forfeit all rights to grandfathered status.

9                   2. Each Vashon Operator must maintain a residence on Vashon Island.  
10 Failure to do so will result in removal from a Vashon assignment. An Operator shall inform METRO  
11 as soon as he/she knows he/she will be moving off Vashon Island.

12                   3. A Vashon Operator must be available and qualified to work any Vashon  
13 assignment unless he/she is on an authorized absence from work.

14                   4. A Vashon Operator must install or remove chains as necessary.

15                   5. Labor AGREEMENT restrictions on spread, start and quit times, vacation  
16 relief and ATL limits do not apply to Vashon work assignments.

17                   6. A Vashon Operator who fails to meet the terms and conditions of this  
18 Section may be removed from Vashon service.

19                   **B.** To be eligible to pick a Vashon assignment, an Operator must not have had more  
20 than one (1) unexcused absence or two (2) misses of any kind (including unexcused absences) during  
21 the previous twelve (12) months. METRO will inform the Operator and the UNION if a current  
22 Vashon Operator becomes ineligible.

23                   **C.** If a temporary vacancy occurs, it will be assigned via the Vashon ATL per  
24 Paragraph E. If a permanent vacancy occurs it will be filled by a system-wide move-up. Until the  
25 system-wide move-up is concluded, the vacancy shall be filled as a temporary vacancy.

26                   **D.** Operators who live on Vashon Island may sign up for the Vashon ATL. All ATL  
27 assignments will be offered first to Vashon Operators, by rotation, and then to Operators on the  
28 Vashon ATL, by rotation.

1                   E. All vacation/annual leave reliefs will be offered first to Vashon Operators. Work  
2 which cannot be filled by Vashon Operators may be picked by Operators on the Vashon ATL.  
3 Vashon Operators may share vacation/annual leave relief work as mutually agreed among Vashon  
4 Operators. An Operator who is assigned Vashon work in an emergency may, at his/her request, be  
5 removed from his/her regular assignment while working a Vashon assignment.

6                   F. Any section or provision of this Article which is not in conflict with the provisions  
7 of this Section, shall also apply to Vashon Operators.

8 **SECTION 2 – GENERAL CONDITIONS**

9 A. METRO shall not adopt time estimates contained in flat-rate mechanics books for  
10 scheduling or evaluation purposes. METRO work standards are exempted from this provision.

11 B. METRO wreckers and shop trucks shall carry an additional Mechanic when  
12 necessary for trouble calls. For safety purposes, an Employee cannot be required to go out in a  
13 wrecker unassisted.

14 C. A Utility Service Worker who agrees to drive a vehicle in the performance of  
15 his/her fundamental duties, and who successfully completes METRO's driver training, will have an  
16 additional seventy cents (\$.70) per hour added to his/her current wage rate for all hours worked.  
17 Such Employee also will be subject to METRO's Accident Point System and federally mandated  
18 random drug/alcohol tests.

19 D. METRO will endeavor to schedule changes to chief and Lead work assignments to  
20 coincide with the pick posting. If there is chief or Lead personnel movement that does not coincide  
21 with the pick posting, the UNION and METRO will meet to discuss the need for a shake-up or move-  
22 up.

23 **SECTION 3 – WORK ASSIGNMENTS**

24 A. The workweek shall consist of five (5) consecutive days, except when an  
25 Employee's pick or move-up makes this impossible. Each Employee shall be guaranteed eight (8)  
26 hours pay for each regular workday. Each shift will be completed within a continuous eight and one-  
27 half (8-1/2) hour period, and will include an unpaid one-half (1/2) hour lunch break and two (2) paid  
28 fifteen (15) minute rest breaks. Employees who pick a regular schedule consisting of four (4) ten-

1 hour shifts will be governed by the provisions in Article 13.

2 B. A new Employee shall be assigned by METRO until the next pick or move-up.

3 C. Assignment of specific duties on any shift shall be at the discretion of METRO.

4 D. For the purposes of the pick and subsequent work assignments, the graveyard shift  
5 shall be considered the first shift of the workday; the day shift shall be considered the second; and the  
6 swing shift shall be considered the third.

7 E. Should it become necessary to alter a shift during a shake-up and such alteration  
8 imposes a serious hardship on an Employee, or should an Employee have a serious hardship which  
9 requires an alteration in the start or quit times of a shift, such Employee may request that METRO  
10 and the UNION review the matter.

11 F. For holiday work assignments, METRO will determine the staffing needs for each  
12 shift. When METRO has determined which classifications will be required to work, Employees in  
13 those classifications will be offered the holiday assignment in seniority order, first to Employees that  
14 are scheduled to work that day as part of their regular work assignment. If after offering the holiday  
15 assignment to Employees by seniority who are regularly scheduled to work that day and there are  
16 more assignments available, it will then be offered to Employees on their RDO until assignments are  
17 filled. Should no Employee accept the holiday assignment it may be assigned by inverse seniority to  
18 Employees that are scheduled to work that day as part of their regular work assignment.

19 **SECTION 4 – ROVER AND VOLUNTEER ASSIGNMENTS**

20 A. The assignment of volunteers is governed by the following rules:

21 1. If a vacancy/assignment occurs that does not require immediate attention  
22 and the rover does not want the job assignment, METRO may fill the vacancy/assignment by offering  
23 the assignment in seniority order to a volunteer at the base from a different shift or then to a volunteer  
24 from another base.

25 2. If no volunteer is available, METRO will assign the work to a rover in  
26 accordance with the language in this Section.

27 3. All language in this Section which applies to rovers, also will apply to  
28 volunteers.

1           **B.** For all Vehicle Maintenance Classifications, METRO will identify rover positions  
2 by classification. The maximum number of rover positions for any classification is as follows: one  
3 (1) rover position for each base. When not filling a rover assignment, the RDOs for all rover pick  
4 positions will be Saturday and Sunday, as identified on the pick sheets.

5           **C.** These rovers will be used by the supervisor to the best advantage of METRO.  
6 METRO retains the right to change the assignment of any rover to any combination of base, shift, or  
7 RDO.

8           **D.** Rover assignments will be a minimum of five (5) days. If a rover is still filling a  
9 vacancy/assignment after three (3) weeks, such rover shall have the option to return to his/her regular  
10 shift and may not be reassigned to the same vacancy/assignment until another rover has been used to  
11 fill the vacancy/assignment.

12           **E.** The work schedule for rovers will be arranged to provide five (5) consecutive  
13 workdays and two (2) consecutive RDOs whenever possible.

14           **F.** METRO will provide a minimum of twenty-four (24) hours advance notice prior to  
15 any change in assignment for any rover, except for rovers in the Stores section.

16           **G.** For the purpose of RDO overtime only, a Rover shall be considered assigned to  
17 the base and shift at which he/she worked the day preceding his/her RDOs.

18           **H.** The assignment of rovers in the Stores section is governed by the following rules:

19                   **1.** The rover having the most seniority shall have the first right of refusal for  
20 preplanned assignments, provided he/she is reasonably available. If the assignment still is being  
21 filled by a rover after three (3) weeks, such rover shall have the option to return to his/her regular  
22 shift; and another rover will be assigned.

23                   **2.** METRO will provide a minimum of twenty-four (24) hours advance notice  
24 when assigning a rover to preplanned assignments (e.g., vacations, projects).

25                   **3.** Emergency rover assignments (unplanned vacancies with less than twenty-  
26 four (24) hours advance notice) will be made by shift, then by seniority among rovers on other shifts.  
27 If there are more assignments to be filled on a shift than there are available rovers on that shift, then  
28 rovers assigned to other shifts will be offered the unfilled assignments by seniority. If no rover

1 accepts an assignment, it will be assigned by inverse seniority.

2                   4. Stores management will notify a rover of an emergency assignment only  
3 while at work, unless the rover has agreed that he/she will accept assignment notification at home.

4                   I. A rover assigned to a different work shift will continue to receive the shift  
5 differential, if any, associated with his/her picked shift or the shift differential associated with the  
6 shift to which the rover is assigned, whichever is greater.

7                   **SECTION 5 – LEAD EMPLOYEES**

8                   A. When a permanent vacancy occurs within a Lead classification, the position will  
9 be filled by a recruitment. Applicants must be current Employees in the classification being led and  
10 must have, as of the last day applications are accepted, a minimum of two (2) years experience in that  
11 classification at METRO.

12                   B. Lead Employees shall be selected on the basis of ability, training, education,  
13 experience, and job performance as determined by appropriate testing procedures and/or evaluations  
14 which will be developed with input from the Leads and the UNION.

15                   C. Each Lead Employee in the Vehicle Maintenance Division shall receive a ten  
16 percent (10%) differential above the top step of the existing wage rate of the classification for which  
17 he/she serves as a Lead.

18                   D. Lead workers have the responsibility of coordinating the work of the Employees to  
19 whom they are assigned to provide lead direction. Lead workers assign job tasks and direct  
20 Employees' efforts to ensure that work gets done effectively while treating all Employees with  
21 respect and in a fair and consistent manner. A Vehicle Maintenance Lead will be considered a  
22 working Lead. In addition to his/her Lead duties, a Lead shall continue to perform the regular work  
23 of the classification he/she is leading.

24                   E. No Lead Employee will discipline other Employees or perform formal Employee  
25 evaluations.

26                   F. For Overtime and Holiday work assignments: When performing the regular work  
27 of the classification that he/she is leading, the Lead of that specific classification will be offered the  
28 assignment (by base, by shift, by seniority) only after Employees in that classification have been

1 asked first.

2 **SECTION 6 – PICKS AND MOVE-UPS**

3 A. Three (3) times each year, except at NRV, consistent with Transit Operator picks,  
4 when a facility opens or closes, or when METRO schedules a system-wide pick, the number of  
5 Employees required on each shift at each base shall be posted. NRV positions will be picked once  
6 each year.

7 B. At the pick, each Employee listed in Section 1, except as noted in this Section, will  
8 be permitted to select, by classification seniority, his/her base and shift (when applicable), and his/her  
9 two (2) consecutive RDOs. Specific duties within a classification also may be picked to the extent  
10 specified by METRO on the pick sheets. Prior to each pick, the Manager of Vehicle  
11 Maintenance/designee will meet with the UNION Executive Board representatives for Vehicle  
12 Maintenance and the President/Business Representative/designee to discuss and identify any ongoing  
13 or planned special projects which may be appropriate for posting on the pick sheets.

14 1. All Lead Employees in Section 1 shall pick once annually prior to the first  
15 pick of the year for other Vehicle Maintenance Employees.

16 2. Employees in the classifications of VM TIPS III - CSC, Maintenance  
17 Machinist, Lead Maintenance Machinist, Mechanic Apprentice, Radiator Repair Worker, Senior  
18 Stores Clerk, VM TIPS III - Stores, and Assistant Utility Service Worker will be considered  
19 stationary classifications and will not participate in the pick unless METRO establishes multiple  
20 shifts or work sites for these classifications.

21 C. Copies of the pick schedules and shifts will be posted ten (10) days prior to the  
22 start of the pick. Should any modifications to the pick schedules and shifts occur after the posting,  
23 METRO will notify the UNION before the modification is posted. No changes will be made less  
24 than five (5) days prior to the pick.

25 D. METRO will make arrangements for each Employee to be available to report to an  
26 appropriate pick location at least ten (10) minutes ahead of her/his pick time to examine available  
27 work assignments. An Employee shall be compensated for the time spent in the selection process  
28 when it is during her/his work hours.

2 pick.

4 with the METRO designee, as identified on the pick schedules, indicating his/her work preferences.  
5 This form must be received by the METRO designee no less than twenty-four (24) hours before the  
6 pick. Failure to do so will result in the UNION representative picking an assignment for the  
7 Employee. The UNION representative shall make an effort to select an assignment comparable to  
8 the last picked position. Selections made by the UNION will not be subject to the  
9 grievance/arbitration procedure.

10 G. When METRO determines that an Employee will be unavailable for work for an  
11 entire shake-up, that Employee shall not pick a shift. A UNION Executive Board Officer from  
12 Vehicle Maintenance will be notified prior to the pick process. If such Employee returns to work  
13 during a shake-up, he/she may return to his/her previous picked position, if such still exists, or to a  
14 position as close as possible to the assignment he/she was working previously. METRO and the  
15 Employee may mutually agree to a different assignment, and the UNION will be notified.

16 H. Any Employee covered by this Section, who picks a position in which he/she does  
17 not properly perform may be placed on any available shift at any base until the next shake-up by  
18 his/her Section manager.

19 I. If a vacant position is to be filled, Employees in that classification at that base may  
20 have a move-up. The UNION will be notified and effect the move-up. When such vacancy is a Lead  
21 position or in a job classification with thirty-five (35) or fewer Employees, such move-up will be  
22 system-wide.

23 ***SECTION 7 – VACATION SELECTION***

3 vacations by Vehicle Maintenance Employees shall be extended over the entire calendar year. An  
4 Employee who takes his/her vacation in two (2) or more blocks shall select the second block of  
5 his/her vacation after all Employees in his/her classification have made their first selection; his/her  
6 third selection after all Employees in his/her classification have made their second selection; etc.,  
7 until all blocks of the vacation have been selected

24 minute rest breaks. Employees who pick a regular weekly schedule consisting of four (4) ten-hour  
25 shifts will be governed by the provisions in Article 13.

26           **B.** If it becomes necessary to alter a shift, and such alteration imposes a serious  
27 hardship on the Employee, such Employee may request that METRO and the UNION review the  
28 matter.

1 C. For the purposes of the pick and subsequent work assignments, the graveyard shift  
2 shall be considered the first shift of the workday, the day shift the second, and the swing shift the  
3 third.

4 D. The term “complex” as used in this Article is defined as a group of specific  
5 worksites within a defined geographical area, as described in Exhibit C, Page 173, except as modified  
6 by the Labor/Management Relations Committee.

7 **SECTION 5 – UPGRADES**

8 A. The provisions of Article 14, Section 3, Paragraph A, shall not apply to Facilities  
9 Maintenance Employees. Instead, all assigned work in a higher paid classification will be paid at the  
10 higher rate of pay for actual time worked up to four (4) hours. Assigned work in a higher paid  
11 classification in excess of four (4) hours will be paid at the higher rate of pay for the entire shift.  
12 Overtime will be paid at the overtime rate for the higher paid classification.

13 B. For classifications above Signage Specialist, upgrades will be based on  
14 qualifications, as determined by METRO.

15 C. For classifications of Signage Specialist and below, upgrades shall be offered to  
16 the immediate lower classification by seniority as follows:

17 1. For positions lasting less than thirty (30) days, upgrades shall be offered by  
18 worksite, complex and system-wide.

19 2. For positions lasting thirty (30) days or more, upgrades will be offered  
20 system-wide.

21 D. An Employee who declines a temporary upgrade opportunity may not displace the  
22 Employee who accepted it, regardless of seniority.

23 E. Upgrade work will be assigned to qualified Employees by seniority within a  
24 worksite. Training opportunities for upgrade qualification will be offered by seniority on the training  
25 sign-up sheets.

26 F. An Employee upgraded to a regular Lead position shall receive ten percent (10%)  
27 above the top step of the wage rate of the classification for which he/she serves as a Lead.

28 1. If METRO determines that a Lead position will be needed for a project or

1 crew which has three (3) or more Employees and will last for more than ninety (90) days, METRO  
2 will assign a regular journey-level Lead instead of a designated Lead.

3                   2. Employees upgraded to a regular Lead position will be selected from  
4 Employees on the project or crew who have completed probation.

5                   3. When more than three (3) Employees in the same Transit Custodian  
6 classification work together as a crew, a regular Lead will be assigned to the shift at such worksite or  
7 complex.

8                   4. Each regular Lead will be considered a working Lead. In addition to  
9 his/her Lead duties, a regular Lead shall continue to perform his/her assigned duties.

10                   5. No regular Lead will discipline other Employees.

11                   **SECTION 6 – DESIGNATED LEADS**

12                   A. Each designated Lead in the Facilities Maintenance sections shall receive a ten  
13 percent (10%) differential above his/her existing wage rate for his/her classification.

14                   B. A designated Lead will be assigned by the immediate supervisor, or chief when  
15 three (3) or more Employees are assigned to work together as a team without supervision for more  
16 than two (2) hours. The senior Employee in the highest paid job classification on the work team shall  
17 be assigned the designated Lead responsibility.

18                   C. Any Employee who trains a new Employee will receive designated Lead pay.

19                   D. No Transit Custodian II will be eligible for a designated Lead assignment.

20                   E. Once assigned as a designated Lead person, the Employee shall be paid at the  
21 designated Lead rate of pay for the entire shift. Any time worked as a designated Lead in excess of  
22 eight (8) hours, or ten (10) hours for a 4/40 Employee, will be paid at one and one-half (1-1/2) times  
23 the designated Lead rate of pay.

24                   F. A designated Lead will be considered a working Lead. In addition to his/her  
25 designated Lead duties, a designated Lead shall continue to perform his/her assigned duties.

26                   G. No designated Lead will discipline other Employees.

27                   **SECTION 7 – PICKS AND MOVE-UPS**

28                   A. Two (2) picks shall be held annually, to be effective on the start of the closest pay

1 period to March 15 and September 15. When a facility opens or closes, a system-wide pick will  
2 occur for those job classifications affected.

3 **B.** If a permanent or long term vacant position is to be filled, a system-wide move-up  
4 in that classification will be permitted. Move-ups will be conducted only when they can be  
5 completed twenty-eight (28) days prior to a shake-up. Assignment of specific duties on any shift  
6 shall be at the sole discretion of METRO.

7 **C.** All Facilities picks will show the usual openings in each classification for each  
8 complex, worksite and shift. When a need arises for filling temporary vacancies due to absences or  
9 for adjusting workloads, METRO will solicit volunteers from the classification needed within the  
10 complex. If no Employee volunteers, the least senior Employee available in the classification, within  
11 the worksite, will be assigned. METRO retains the right to move the least senior Employee to  
12 another worksite, shift or RDO combination. METRO will provide a minimum of twenty-four (24)  
13 hours advance notice prior to any change in assignment.

14 **D.** All Employees listed in Section 1 may select by classification seniority, complex,  
15 worksite, shift (when applicable), and two (2) consecutive RDOs. Specific duties within a  
16 classification may also be picked to the extent specified by METRO on the pick sheets.

17 **E.** Copies of the proposed pick schedule and shifts will be posted for review no later  
18 than fourteen (14) calendar days prior to the start of the pick. Changes in the posting may not be  
19 made less than five (5) days prior to the pick. The effective date of the shake-up will be  
20 approximately two (2) weeks after the pick.

21 **F.** METRO will make arrangements for each Employee to be available to pick his/her  
22 assignment a minimum of ten (10) minutes prior to his/her designated pick time.

23 **G.** An Employee who wishes to select an assignment will report to an appropriate  
24 pick location at least ten (10) minutes ahead of his/her pick time to examine available work  
25 assignments. No Employee shall be compensated for time spent in the selection process, unless it is  
26 during his/her regular work hours.

27 **H.** A UNION representative for Facilities Maintenance Employees shall be present  
28 during each pick, including vacation picks.

1 I. An Employee who is unable to attend the pick may leave an absentee pick form  
2 with the UNION indicating his/her work preferences. Failure to do so will result in the UNION  
3 representative picking an assignment for the Employee. The UNION representative shall make an  
4 effort to select an assignment comparable to the assignment most recently worked. Selections made  
5 by the UNION will not be subject to the grievance/arbitration procedure.

6 J. When METRO determines that an Employee will be unavailable for work for an  
7 entire shake-up, that Employee shall not pick a shift. The UNION Executive Board Officer from  
8 Facilities Maintenance will be notified prior to the start of the pick process.

9 ***SECTION 8 – VACATION SELECTION***

10 A. METRO will determine the number of Employees who may be on vacation at any  
11 one time in each job classification at each worksite and shall indicate same on a list at each worksite.

12 B. At the first pick of the calendar year, each Facilities Maintenance Employee, after  
13 having first selected a worksite and complex, may select a maximum of five (5) separate blocks of  
14 vacation, each consisting of one (1) or more consecutive workdays. No more than five (5) vacation  
15 blocks may be used in any calendar year. Vacation selections shall be made by seniority within a job  
16 classification. An Employee who takes his/her vacation in two (2) or more blocks shall select the  
17 second block of his/her vacation after all Employees in his/her classification have made their first  
18 selection; his/her third selection after all Employees in his/her classification have made their second,  
19 etc. METRO shall post a calendar at each worksite with all approved vacation selections indicated.  
20 Vacation changes shall not be allowed except in emergencies, as determined by METRO.

21 C. Two (2) separate vacation calendars for September 15 through the start of the  
22 following March shake-up will be created at the vacation pick. One calendar will contain system-  
23 wide guaranteed vacations. The other will contain complex vacation requests. An Employee who  
24 has picked a period on the system-wide calendar will be guaranteed his/her vacation regardless of  
25 which worksite he/she picks in the fall. Administrative area vacation requests, made at the pick, will  
26 be granted, by seniority, as long as no Employee in the same classification who has a system-wide  
27 guarantee moves into said administrative area at the fall pick. After the vacation pick, vacation  
28 requests will be honored on a first come, first served basis.

1           **D.** An Employee who does not select vacation at the first pick of the year must  
2 request vacation at least thirty (30) days prior to the first effective day of requested leave, unless  
3 otherwise approved by management.

4           **E.** An Employee who has not filed a vacation request according to the above  
5 Paragraphs must do so by October 1 or may be subject to losing his/her vacation time.

6           **F.** On September 15 of each year, METRO will notify each Employee who has a  
7 vacation balance which exceeds the allowable carry-over per Article 9, Section 4. Such Employee  
8 must use the amount of vacation which exceeds the allowable carry-over before the end of the year.

9           **G.** An Employee who desires to use unpicked vacation may use up to three (3) days  
10 per year in single day increments with the prior approval of his/her supervisor. An Employee may  
11 use vacation leave in one (1) hour increments with the approval of his/her supervisor.

12           **H.** Management will acknowledge and endeavor to respond to a written request for  
13 any vacation or leave within seven (7) days of receipt.

14           ***SECTION 9 – OVERTIME***

15           **A.** All hours worked in excess of eight (8), or ten (10) hours for a 4/40 Employee, in  
16 the scheduled workday, except as provided in Article 13, and on an Employee's RDO shall be paid at  
17 the overtime rate of one and one-half (1-1/2) times the existing straight-time rate of pay for the  
18 classification for actual overtime hours worked.

19           **B.** When unscheduled overtime is requested to complete a special task, the overtime  
20 will first be offered to the Employee within the classification responsible for the work. A special task  
21 shall be defined as:

- 22                   1. non-ordinary circumstances in which the work cannot wait to be completed; or  
23                   2. work deemed unreasonable to have anyone but the existing Employee  
24 performing the work be the one to complete the special task.

25           **C.** An Employee who wishes to receive planned or scheduled overtime shall sign, or  
26 request to be put on, an overtime list posted at his/her complex on a weekly basis. Each overtime list  
27 will be posted on Monday and pulled at noon on Thursday. An Employee who is not on the overtime  
28 list will not be eligible for the planned and scheduled overtime, except in the case of an emergency or

1 if overtime must be assigned in inverse order of seniority. METRO will not call an Employee who is  
2 on an authorized leave for overtime, unless it is an extreme emergency.

3                   1. Overtime will be assigned to Employees on the list, in order of seniority  
4 within a classification, according to Exhibit C, Page 173, provided the Employee is qualified and  
5 reasonably available.

6                   2. If the overtime is not filled from the list, it will be offered, by seniority, to  
7 Employees in the next lower job classification(s) at the worksite where the overtime is required,  
8 provided the Employee is qualified for the upgrade and reasonably available to do the work. If the  
9 overtime is still not accepted, it will be offered, by seniority, to Employees in the job classification in  
10 which the overtime is required, at other work sites within the complex. If the overtime is still not  
11 accepted, it will be offered system-wide to Employees in the job classification in which the overtime  
12 is required.

13                   3. If the overtime has not been filled after all of the procedures outlined in  
14 Paragraph 2 have been followed, then it will be assigned in inverse order of seniority in the affected  
15 job classification, at the worksite where the overtime is required. If the least senior Employee is not  
16 qualified or reasonably available, the overtime will be assigned to the Employee next lowest in  
17 seniority. In the event of an emergency, METRO may assign overtime to any qualified Employee.

18                   **D.** A Facilities Maintenance Employee, who has gone home after his/her regular shift,  
19 and who is called back to work and reports for work, will be guaranteed four (4) hours of pay at the  
20 overtime rate. If a Facilities Maintenance Employee can correct the situation without having to  
21 report to the work site, they will be guaranteed two (2) hours of pay at the overtime rate. A Facilities  
22 Maintenance Employee who is required to be on standby on his/her RDO, including holidays, will  
23 receive four (4) hours of standby pay at his/her overtime rate for each set of RDOs, including  
24 holidays, or on a holiday not connected to his/her RDOs, that he/she is on standby. Standby shall be  
25 defined as the time from the quit time of the Employee's shift to the start time of the Employee's next  
26 scheduled shift, during which the Employee is required to be available for work.

27                   **E.** A Facilities Maintenance Employee called in before his/her scheduled report time  
28 and in conjunction with his/her regular shift will not be sent home early to avoid overtime payment

1 and will not be required to work beyond a spread of twelve (12) hours. An Employee desiring to go  
2 home early may request permission from his/her supervisor.

3 **F.** Overtime on any shift shall be computed at the rate paid for the Employee's  
4 regularly scheduled shift. Overtime on day shift extending into swing shift will be paid at the  
5 overtime rate with no hourly shift differential. Overtime on swing shift extending to graveyard shift  
6 will be paid at the overtime rate with swing shift differential. Overtime on graveyard shift extending  
7 into the day shift will be paid at the overtime rate with graveyard shift differential.

8 **G.** Reimbursable overtime shall be identified by Management at the time of offering,  
9 and shall be defined as labor costs being recovered by Facilities from funding sources other than  
10 Facilities' annual budget, and will be paid as overtime rather than as AC time.

11 ***SECTION 10 – SHIFT DIFFERENTIAL***

12 Shift differential shall be seventy-five cents (\$.75) per hour for swing shift and one dollar  
13 (\$1.00) per hour for graveyard shift. Any shift with a quitting time from 8:01 p.m. to 2:00 a.m. will  
14 be considered a swing shift. Any shift with a quitting time from 2:01 a.m. to 10:00 a.m. will be  
15 considered a graveyard shift.

16 ***SECTION 11 – SPECIAL BENEFITS***

17 **A.** A tool allowance shall be provided annually by separate check to Employees  
18 permanently assigned to the classifications of Building Operating Engineer, Carpenter, Maintenance  
19 Constructor, Radio Equipment Specialist and to authorized trainees in these classifications. The  
20 amounts shall be as follows:

21

<b>Year</b>	<b>Allowance</b>

22  
23  
24  
25

26 METRO will provide those tools necessary to perform all assigned mechanical work to  
27 Facilities Maintenance Employees who are not provided the annual tool allowance.

28 **B.** METRO shall provide tool insurance to those Employees who receive an annual

1 tool allowance. Coverage will be in the amount of six thousand dollars (\$6,000). Except at the  
2 discretion of METRO, no claim shall be honored without evidence of forcible entry unless a police  
3 report has been filed. Payment is contingent upon the Employee having on file with his/her  
4 supervisor an up-to-date inventory of tools designating the type, size and manufacturer. METRO  
5 shall have the right to inspect the inventory of tools; however, an Employee shall be allowed three (3)  
6 days after the inspection to locate any tools which are missing.

7 C. Each Facilities Maintenance Employee, except a Facilities Intermediate Clerk,  
8 shall receive eight (8) uniforms. An Employee who does not regularly wear any portion of the  
9 uniform will be required to turn in the portion not being worn. Such Employee may request uniform  
10 reissue at the beginning of the next shake-up. Two (2) smocks or aprons will be provided to each  
11 Facilities Clerk upon request.

12 D. Each Employee who is required to work in inclement weather or hazardous areas  
13 will be provided the necessary safety and/or foul weather gear, which may include, but is not limited  
14 to, a rainset, hat, and boots.

15 E. METRO shall provide and maintain necessary safety clothing, uniforms, and  
16 equipment. Each Employee who is required by METRO to wear a particular type of footgear shall be  
17 entitled to a METRO voucher to be applied toward purchases of such footgear. The maximum  
18 METRO contribution paid by such voucher shall be one hundred twenty dollars (\$120) per  
19 Employee. A replacement item will be issued only if the original item is turned in and judged to be  
20 in need of replacement.

21 F. When an Employee works two (2) or more hours of overtime in conjunction with  
22 his/her regular shift, METRO will provide, upon request, an unpaid thirty (30) minute meal period.

23 G. METRO shall reimburse each Employee for the cost of any license(s) required in  
24 relation to his/her job classification or job duties, excluding the cost of the state-issued drivers  
25 license.

26 ***SECTION 12 – ATTENDANCE MANAGEMENT***

27 A. METRO and the UNION recognize that Facilities Maintenance duties and  
28 functions are critical and that Employees have the responsibility and obligation to be at work on time

1 each day. Facilities Maintenance Employees will be subject to the following terms, which supersede  
2 any conflicting provisions elsewhere in the AGREEMENT.

3 **B.** Facilities Maintenance will monitor and record attendance using the terms of late  
4 occurrence and unexcused absence.

5 **C.** A late occurrence:

6 **1.** of up to one hour (60 minutes) shall be managed and recorded as follows:

- 7 **a.** An Employee may complete any time left on his/her shift.
- 8 **b.** An Employee may work a full eight (8) or ten (10) hours even  
9 though this work would continue into the next shift.
- 10 **c.** An Employee may not use AC time or vacation to make up lost  
11 time.
- 12 **d.** An Employee will be paid for actual hours worked at his/her  
13 scheduled rate of pay.
- 14 **e.** A late occurrence shall not create an overtime opportunity for the  
15 late Employee. No grievances will be filed by other Employees  
16 claiming overtime infringements should an Employee elect to work  
17 his/her full shift and the time worked extends into another shift.

18 **2.** of between one (1) and two (2) hours (61 – 120 minutes) shall be managed  
19 and recorded as follows:

- 20 **a.** An Employee may complete any time left on his/her shift only.
- 21 **b.** An Employee may not use AC time or vacation to make up lost  
22 time.
- 23 **c.** An Employee will be paid for hours worked at his/her scheduled rate  
24 of pay.

25 **3.** Late occurrences will be recorded in a one hundred eighty (180) day rolling  
26 time frame as follows:

- 27 **a.** 1st through 5th occurrence – Employee and chief initial the time  
28 sheet/late report card.

- b. 6th occurrence – one (1) day suspension without pay.
- c. 7th occurrence – discharge, treated as a major infraction as defined in Article 4.

**D.** Unexcused absences (over two (2) hours) shall be managed and recorded as follows:

- 1. An Employee may complete his/her shift only.
- 2. An Employee may not use AC time or vacation to supplement their regular shift pay.
- 3. Such Employee is not eligible for overtime that day.
- 4. Unexcused absences will be recorded in a twelve-month rolling time frame as follows:

- a. 1st occurrence – Employee will receive Oral Reminder; chief will initial the time sheet/late report card.
- b. 2nd occurrence – Employee will receive Written Reminder; chief will initial the time sheet/late report card.

- d. 4th occurrence – Discharge, treated as a major infraction as defined in Article 4.

**E.** An occurrence which results in a second one (1) day suspension within one hundred eighty (180) days of the occurrence that resulted in the first suspension shall result in discharge.

**F.** Extenuating circumstances will be considered. Any request by an Employee to have a late occurrence or unexcused absence removed from the attendance management record must be presented to the chief in writing, within five (5) working days of the occurrence. An Employee that has a late occurrence or unexcused absence that has been removed from the attendance management record has the option to use vacation leave, AC time, or sick leave as appropriate to make up lost time.

**G.** METRO and the UNION agree to review this Section on an annual basis.

1                   **SECTION 13 – FACILITIES TRAINING COMMITTEE**

2                   A. The purposes of the Facilities Training Program are to maintain an on-the-job  
3 training program for Transit Employees leading to journey level status or promotional opportunities  
4 in selected classifications within Facilities Maintenance Sections and to offer these Employees an  
5 opportunity to advance into skilled positions at a high level of proficiency.

6                   B. The start date of an Employee’s Facilities Training Program will be his/her  
7 classification seniority date.

8                   C. The details of the Facilities Training Program will be developed by the Facilities  
9 Training Committee comprised of an equal number of representatives from the UNION and METRO.  
10 If the committee foresees a vacancy in a journey level classification, it may establish a trainee  
11 position in such classification.

12                  D. A trainee who is successful in the program will be retained in his/her original  
13 classification until an opening occurs in the journey level classification for which he/she trained.  
14 Such Employee will be used to back fill in the journey level classification by classification seniority.

15                  E. A trainee who is not successful in the program will be retained on the payroll and  
16 returned to his/her former job classification with no loss of seniority, rights or benefits.

17                   **SECTION 14 – LABOR-MANAGEMENT RELATIONS COMMITTEE**

18                  A. METRO Facilities Maintenance and the UNION agree that a joint Facilities  
19 Labor-Management Relations Committee (FLMRC) is established and authorized, consistent with  
20 applicable laws and the terms of this AGREEMENT. The committee will be composed of the  
21 Facilities Maintenance Manager, the UNION President/designee, the Facilities Maintenance  
22 Executive Board Officer, and two (2) UNION appointed members with an equal number appointed  
23 by Facilities Management, including a supervisor/chief of Radio Maintenance. This committee shall

1 **ARTICLE 19: REVENUE COORDINATORS**

2 ***SECTION 1 – DEFINITION OF EMPLOYEES***

3 A. Revenue Coordinators shall include all Employees in the classification of Revenue  
4 Coordinator (formerly Transit Cashier).

5 B. Work historically or traditionally performed by Revenue Coordinators, formerly  
6 Transit Cashiers, will be performed by Employees assigned to that classification.

7 ***SECTION 2 – WORK ASSIGNMENTS***

8 A. All shifts in the classification of Revenue Coordinator shall be completed within a  
9 continuous eight and one-half (8-1/2) hour period. Each Revenue Coordinator shift will include a  
10 one-half (1/2) hour lunch break.

11 B. The workweek shall consist of five (5) consecutive days with each workday  
12 guaranteed at eight (8) hours. There shall be two (2) consecutive RDOs.

13 C. Employees who pick a regular weekly schedule consisting of four (4) ten-hour  
14 shifts will be governed by the provisions in Article 13.

15 D. All shifts in the Revenue Coordinator classification, once picked, will not be  
16 permanently altered or changed during a shake-up without approval of the affected Employee and the  
17 UNION.

18 E. A Revenue Coordinator who is called back to work after his/her regular shift will  
19 be guaranteed at least three (3) hours pay at the overtime rate.

20 ***SECTION 3 – PICKS***

21 A. Three (3) times each year, at the request of the UNION, METRO shall post all  
22 shifts required for the classification of Revenue Coordinator. Each Employee shall be permitted to  
23 select his/her shifts and RDOs in accordance with individual seniority within this classification.

24 B. A UNION representative for Revenue Coordinators shall be present during pick.

25 C. A Revenue Coordinator, who is unable to attend pick, must leave his/her shift  
26 preference with the UNION or a shift will be picked for him/her by the UNION. An Employee shall  
27 not be compensated for time spent in the pick unless it is during his/her regular work hours. An  
28 assignment selected via absentee pick shall not be subject to the grievance/arbitration procedure.

1           **SECTION 4 – VACATION SELECTION**

2           A Revenue Coordinator taking his/her vacation in two (2) or more blocks may select the  
3 second block of his/her vacation after all Employees in his/her classification have made their first  
4 selection; his/her third selection after all Employees in his/her classification have made their second  
5 selection, etc., until all blocks of vacation have been selected.

6           **SECTION 5 – SPECIAL BENEFITS**

7           Each Revenue Coordinator will be provided clean coveralls daily.

8           **SECTION 6 – APPOINTMENTS AND TRAINING**

9           A. When METRO requires additional Revenue Coordinators, candidates for these  
10 promotional opportunities shall be selected from METRO Full-Time Transit Operators on the basis  
11 of ability, training, education, experience, and job performance, as determined by appropriate testing  
12 procedures. Once selected, the candidates shall be placed on the Intermittent Revenue Coordinator  
13 List in seniority order as determined by the UNION. Such vacancies shall be posted on METRO  
14 bulletin boards for at least two (2) calendar weeks.

15           B. METRO, with input from the Revenue Coordinators, will establish and publish  
16 standards for qualification. METRO will determine in each case whether an Intermittent has  
17 successfully qualified. Failure to qualify as an Intermittent Revenue Coordinator will result in  
18 removal from the Intermittent List and return to the Employee’s previous job classification with no  
19 loss in seniority.

20           C. When a permanent vacancy occurs within the Revenue Coordinator classification,  
21 the position will be filled from the Intermittent List by seniority. Intermittent Revenue Coordinators  
22 who receive regular appointments as Revenue Coordinators, shall be subject to a one (1) year  
23 probationary period.

24           D. When a vacancy occurs in the Revenue Coordinator classification between picks,

3 **G.** All Supervisors' shifts, excluding relief shifts, once picked, will not have hours,  
4 significant duties, RDOs, or job classification changed during a shake-up without approval of the  
5 affected Supervisor(s) and the UNION.

6 **H.** There will be no restriction, except as provided elsewhere in this Article, on the  
7 number of Supervisors picking in or out of a particular classification except that the number of  
8 nonqualified Supervisors, or Supervisors who have not worked within a classification for ten (10)  
9 years, picking into the Transit Instructor, or Communications Coordinator classifications will be  
10 limited to two (2) in each classification. No more than one (1) nonqualified Supervisor may pick into  
11 the Schedule Maker or Tunnel Controller classifications. However, the supervisor of a work unit  
12 may exceed this number at his/her discretion. For picks due to the opening or closing of a facility, or  
13 changes in facility hours, nonqualified Supervisors will not be allowed to pick into the Transit  
14 Instructor, Schedule Maker, Tunnel Controller or Communications Coordinator classifications  
15 without prior approval of the supervisor of the work unit.

16 **I.** If a sufficient number of qualified Supervisors do not wish to pick into a particular  
17 classification, qualified Supervisors will be required to fill the shifts in inverse order of seniority in  
18 that classification. When any Supervisor is forced into a classification because of the language in this  
19 Paragraph, vacant shifts will be picked by seniority, starting with the forced Supervisor.

20 **J.** If a nonqualified Supervisor picks the Schedule Maker, Transit Instructor, Tunnel  
21 Controller, or Communications Coordinator classification and fails to qualify, his/her vacant shift  
22 will be filled by the next most senior Supervisor who desires it. The Supervisor who fails to qualify  
23 will fill the resulting vacancy if he/she is qualified to do so. If not, this process will be repeated until  
24 there is a vacancy in a classification in which he/she is qualified. He/she may repick the  
25 classification in which he/she failed to qualify after a period of two (2) years or with the approval of  
26 the supervisor of the work unit.

27 **K.** At each pick, Supervisors may volunteer in writing to work over-time. An  
28 overtime list will be posted at the pick.

1                   L. To be considered qualified as a Communications Coordinator or Tunnel  
2 Controller, a Supervisor must successfully complete a qualification process consisting of a training  
3 period and two (2) weeks of independent performance of the duties of the position. METRO will  
4 determine qualification based on job performance. Supervisors who fail to qualify in this  
5 classification will not participate in the qualification process for a period of two (2) years without  
6 permission of the supervisor of the work unit.

7                   M. Supervisors picking the Service Quality or Training Sections must have a valid  
8 CDL at the time of the pick. Licenses and endorsements will be checked at the pick. A joint  
9 UNION/METRO support system will be developed to assist Supervisors who are having difficulty  
10 obtaining a CDL.

11                  N. A Supervisor picking the Transit Instructor classification will pick his/her work  
12 location by seniority.

13                  O. All block assignments shall have ten (10) hours off between consecutive days  
14 assignments except that in one (1) instance per week per blocked assignment, there may be a  
15 minimum of eight (8) hours off. Each Supervisor who chooses a block assignment shall choose no  
16 more than three (3) separate assignments to place in the blocks. Blocks must be picked in a way that  
17 does not jeopardize time off or RDO guarantees found elsewhere in this AGREEMENT. Each  
18 Supervisor picking block assignments shall select one (1) set of the same posted assignment for two  
19 (2) consecutive days, a different set of the same posted assignment for another two (2) consecutive  
20 days, and a third posted assignment for a single day. Supervisors' selection of blocks may require  
21 inclusion of a one (1) day floating assignment. Should either party be adversely affected by this  
22 Paragraph, METRO and the UNION agree to meet and negotiate necessary changes.

23                   ***SECTION 5 – MOVE-UPS***

24                  A. When a vacancy occurs during a shake-up in any Supervisor classification, a  
25 system-wide seniority move-up will be held within fourteen (14) days if METRO elects to fill the  
26 vacant shift. If there is a remaining vacancy in the Tunnel Controller or Communications  
27 Coordinator classifications not filled by a move-up, METRO may fill the vacancy with the lowest  
28 seniority Supervisor who is qualified in the classification and who is not already assigned to either

1 the Tunnel Controller or Communications Coordinator classifications. Once a Supervisor is forced  
2 into the classification because of the language of this Paragraph, shifts will be picked by seniority  
3 starting with the forced Supervisor.

4 **B.** Move-ups may not be requested within eight (8) weeks of the effective date of a  
5 shake-up.

6 ***SECTION 6 – WORK ASSIGNMENTS***

7 **A.** All job classifications except for Supervisor-in-Training and Schedule Maker shall  
8 have regular shifts and relief shifts. All shifts will be available for pick according to the pick  
9 guidelines.

10 **B.** All shifts in the classification of Schedule Maker, Transit Instructor and Tunnel  
11 Controller shall be completed within a continuous eight (8) hour period, unless the shift is designated  
12 for an unpaid thirty (30) minute lunch break.

13 **C.** All Base Dispatcher/Planner shifts shall be straight through. Communications  
14 Coordinator assignments shall have no more than one (1) split shift. Service Supervisor assignments  
15 shall be guaranteed eighty percent (80%) straight-through on weekdays and one hundred percent  
16 (100%) straight-through on nights, weekends and holidays when Sunday schedules are operating. A  
17 night shift shall be defined to be any shift completed after 8:00 p.m. Relief Supervisors in the Service  
18 Quality Section shall be guaranteed seventy percent (70%) straight-through shifts on weekdays,  
19 unless waived by the Relief Supervisor, and one hundred percent (100%) straight-through on nights,  
20 weekends and holidays when Sunday schedules are operating. Temporary split extra assignments  
21 may be assigned to the relief list, however, a Relief Supervisor cannot be required to work a split  
22 extra assignment for more than two (2) consecutive weeks.

23 **D.** Regular shifts shall consist of five (5) consecutive days of work within a specific  
24 classification in a workweek, with each workday guaranteed eight (8) hours. Regular shift RDOs  
25 shall be two (2) consecutive days. All regular shifts in the classifications of Service Supervisor, Base  
26 Dispatcher/Planner, Tunnel Controller, and Communications Coordinator will be assigned in their  
27 entirety unless otherwise approved by the section manager.

28 **E.** Relief shifts will be guaranteed forty (40) hours of work per work-week, with an

1 eight (8) hour guarantee each workday. RDOs for Relief Supervisors shall be posted by the last day  
2 of each pay period for the following pay period. There will be two (2) consecutive RDOs for each  
3 forty (40) hour week, except for Relief Supervisors with Friday and Saturday RDO combinations  
4 switching to another RDO combination or vice versa. RDOs will not be changed or cancelled  
5 without the consent of the affected Supervisor, except in an emergency. The RDOs for Relief  
6 Supervisors may change each pay period as a result of the availability of assignments.

7 **F.** Prior to the end of each pay period, each Relief Supervisor will pick his/her  
8 assignment for the next pay period from the known available assignments and available RDOs, by  
9 seniority. Assignments with four (4) or five (5) days of the same shift number available in one (1)  
10 pay week (Saturday through Friday) must be picked in their entirety with their RDOs. Each pay  
11 week will be picked separately. Assignments selected the first week will not affect selections in the  
12 second week, except where minimum time off between shifts and/or fifty-four (54) hours off for  
13 RDOs would be compromised. Block assignments may be broken up with shifts selected  
14 individually by the Relief Supervisor.

15 **G.** In the event that there are not enough work assignments for all Relief Supervisors  
16 to choose from, extra assignments may be created. METRO may change a Relief Supervisor's extra  
17 assignment by up to four (4) hours, provided the change is made at least twelve (12) hours before the  
18 start time of the Supervisor's extra assignment. In the event of an emergency, or with the Relief  
19 Supervisor's consent, a Relief Supervisor's extra assignment may be changed by more than four (4)  
20 hours and with less than twelve (12) hours notice. Relief Supervisors who have picked extra  
21 assignments must check in between twelve (12) and eight (8) hours prior to the scheduled start of the  
22 extra assignment to find out if there is a change.

23 **H.** Relief Supervisors will be allowed to pick vacation assignments and long-term  
24 unavailability assignments for the shake-up, within thirty (30) days of the start of the shake-up. Such  
25 picks will be by seniority, and can only be made by Supervisors within the classification. Once the  
26 assignment has been made, the Relief Supervisor is obligated to work that assignment unless it is  
27 canceled. If the vacation relief or long-term unavailability assignment is canceled the affected  
28 Supervisor will revert to his/her relief position.

1 I. Scheduled Transit Instructor work will be selected by seniority by qualified Transit  
2 Instructors at the worksite. Selected assignments will be worked in their entirety unless a requested  
3 change is approved by the unit supervisor. METRO may modify an Instructor's work assignments to  
4 meet training needs.

5 J. All Supervisors shall have at least fifty-four (54) hours off for their two (2)  
6 consecutive RDOs.

7 K. METRO will determine the number of relief shifts in each classification, but the  
8 number of relief shifts in each Supervisor classification will not exceed one-third (1/3) of the total of  
9 all shifts in that classification; however, not less than three (3) at METRO's option.

10 L. METRO agrees to assign all special assignments, tasks and projects by giving  
11 equal consideration to the Supervisor's education, ability, and experience as it applies to each  
12 assignment. Special assignments, tasks and projects will be posted for regular Supervisors to apply  
13 for and selection shall be based on the above criteria if the special assignment, task or project is to  
14 exist for thirty (30) days or more. If the special assignment, task or project is in excess of ninety (90)  
15 days, the special assignment, task or project will be rotated among those Supervisors who applied and  
16 who meet the above criteria, provided the rotation does not result in project delay. METRO also  
17 recognizes the need for ongoing optional training programs which will allow Supervisors to become  
18 better qualified for their present work assignments or for advancement.

19 M. Any work that has been historically or traditionally performed by Supervisors will  
20 not be performed by any other Employee or individual.

21 N. Relief Supervisors picking the Tunnel Controller classification who are qualified  
22 as Communications Coordinators may be assigned a Communications Coordinator assignment only  
23 after all available Coordinators have been offered the work, including Coordinators available for  
24 overtime. Relief Supervisors picking the Communications Coordinator classification, who are  
25 qualified as Tunnel Controllers, may be assigned a Tunnel Controller assignment only after all  
26 available Tunnel Controllers have been offered the work, including Tunnel Controllers available for  
27 overtime.

28 O. On a Holiday when METRO operates a Sunday schedule, Base Operations Utility

1 and Planner/Utility shifts will be, at METRO's sole discretion, either canceled or operated as  
2 scheduled. The decision to cancel a shift or operate that shift as scheduled will be specific to each  
3 shift and each holiday. If a Utility or Planner/Utility shift is canceled, the regularly scheduled  
4 Supervisor for that shift will be off with Holiday pay. If a Utility or Planner/Utility shift is not  
5 canceled, the regularly scheduled Supervisor for that shift will have the option of working the shift or  
6 taking the day off with Holiday pay. If the regularly scheduled Supervisor chooses not to work that  
7 shift, the shift will be filled by the normal Relief Supervisor assignment and overtime assignment  
8 processes.

9           **P.** When a shift remains unfilled within one (1) hour of the start time of the shift and  
10 METRO determines that the shift cannot be canceled, a Supervisor working a different shift with  
11 hours overlapping the vacant shift may be required to fill any portion of the designated shift. The  
12 hours worked by the Supervisor cannot be changed more than thirty (30) minutes except by mutual  
13 agreement. When determining which Supervisor will fill the shift, METRO will consider seniority,  
14 Supervisor qualification, business requirements and the Supervisor's desire to change work  
15 assignments.

16           ***SECTION 7 – SPECIAL ALLOWANCES***

17           **A.** Spread time pay, at one-half (1/2) pay, will be awarded after ten and one-half (10-  
18 1/2) hours within one (1) workday, providing that premium time is not already being paid, in which  
19 case spread time will be reduced by the exact amount of premium time. Twelve (12) hours will be  
20 the limit for any spread assignment.

21           **B.** Any Supervisor working in the Communications Coordinator or Tunnel Controller  
22 classification will receive a five percent (5%) differential added to his/her wage rate for all time  
23 worked in that classification.

24           **C.** A Supervisor shall receive two (2) hours straight-time pay for each shift during  
25 which he/she instructs a new or nonqualified Supervisor or a Supervisor who requires a refresher or  
26 retraining for which METRO requires a written evaluation. This pay will be contingent on the  
27 completion of an evaluation of the trainee's performance.

28           ***SECTION 8 – OVERTIME***

1           A. All hours worked in excess of eight (8) hours on a regular workday shall be paid at  
2 the overtime rate of one and one-half (1-1/2) times the existing straight-time rate of pay for actual  
3 hours worked.

4           B. Any work performed on a RDO shall be paid at the overtime rate with minimum  
5 pay of four (4) hours. No Supervisor will be required to work on his/her RDO except in an extreme  
6 emergency.

7           C. All overtime will be assigned according to guidelines mutually developed and  
8 agreed to by METRO and the UNION.

9           D. Posted special event assignments will be available for pick by those Supervisors  
10 selecting either the Service Supervisor or Communications Coordinator classifications. These  
11 assignments will be known as future overtime and will be credited to the Supervisor in advance and  
12 combined with hours actually worked.

13           ***SECTION 9 – VACATION SELECTION***

14 The selection of vacation will follow those guidelines set for vacation selection and accrual in Article  
15 9 with the following exceptions:

16           A. At the spring pick, Supervisors will select vacations in order of Supervisor  
17 seniority in each classification. After all first choices are filled by seniority, second, third, fourth,  
18 and fifth choices will be selected in that order by seniority within each classification. Appropriately  
19 accrued vacation will be used in the selection of these periods.

20           B. At the fall pick, if a Supervisor picks into a classification, as set forth in Section 1,  
21 other than the one for which he/she has selected his/her fall vacation, and his/her fall vacation period  
22 is full in the newly picked classification, he/she may not bump a person with lower seniority who has  
23 already selected that period in that classification. Such Supervisor will select another vacation period  
24 from the remaining periods in the new classification. Appropriately accrued vacation will be used in  
25 the selection periods.

26           C. The number of Supervisors within a classification allowed on vacation during the  
27 same period shall be at least fourteen percent (14%) of the number of Supervisors in that  
28 classification, including SITs projected to be in the classification on June 30; except that, during Full-

1 Time Operator pick, the minimum number of Base Dispatcher/Planners allowed on vacation shall be  
2 reduced by one (1). Qualified Relief Supervisors and/or one-third (1/3) of all Instructors may be  
3 required to work in other classifications to fill vacation reliefs, by inverse seniority.

4           D. A Supervisor may use his/her current vacation accrual in single day increments  
5 with the approval of his/her immediate supervisor.

6           **SECTION 10 – SPECIAL BENEFITS**

7           A. Upon the approval of the work unit or base supervisor, at least one (1) Supervisor  
8 per day in each classification shall be allowed to use a personal holiday.

9           B. Annually, on the fourth Monday in January, a uniform allowance payable by  
10 voucher of twelve (12) times the top step of First-Line Supervisor wage rate on January 1 of each  
11 year shall be available for each Supervisor. The maximum uniform allowance balance which may be  
12 carried over into the next year is five hundred dollars (\$500). The uniform voucher may be used only  
13 to purchase authorized uniform items. When a Supervisor needs to replace his/her all-weather parka  
14 or jacket due to normal wear and tear, METRO will issue a voucher for its replacement. In addition  
15 to the above allowances, a Supervisor may be reimbursed once each calendar year for one pair of  
16 shoes costing up to an amount of six (6) times the top step of First-Line Supervisor wage. To receive  
17 reimbursement the shoes must meet the current standards of uniform footwear for Supervisors.

18                   1. A Supervisors' Uniform Committee shall be appointed to maintain or  
19 modify all Supervisors' clothing and appearance standards.

20                   2. A SIT, upon date of hire, will receive a voucher for four (4) pair of uniform  
21 trousers, five (5) uniform shirts or blouses, one (1) sweater vest or thinsulate vest, and one (1) all-  
22 season parka or jacket. After one (1) year as an SIT, the uniform allowance in the form of a voucher  
23 shall be available on the fourth Monday in January.

24                   3. All necessary foul weather gear will be provided by METRO.

25           **SECTION 11 – GENERAL**

26           A. All Supervisors working in the classifications of Transit Instructor,  
27 Communications Coordinator, Service Supervisor, Tunnel Controller, and Supervisor-in-Training  
28 will receive orientation or training on all coach or coach-related equipment within ninety (90) days of

1 its use in service. Those Supervisors who are directly involved in the operation/service of the special  
2 equipment, such as Waterfront Streetcar, will receive orientation or training on such equipment.

3 **B.** All Supervisors will be trained in first aid and cardiopulmonary resuscitation by an  
4 accredited instructor. Training will be paid at the applicable rate of pay.

5 **C.** METRO and the UNION will establish a Supervisors Advisory Committee for the  
6 purpose of exploring and responding to issues of mutual concern to METRO and the Supervisors.

7 **D.** METRO and the Supervisors will develop a complete written description of the  
8 duties and responsibilities of each shift, to be made available at each pick.

9 **E.** For all classifications as set forth in Section 1: METRO will determine the number  
10 of Supervisors allowed to have time off through layoff book procedures and will accommodate  
11 Supervisor requests consistent with daily staffing requirements. Layoff book procedures will be  
12 consistent in all classifications. Requests for AC days may not be entered into the layoff book more  
13 than one (1) calendar month in advance of the day(s) off desired

1 **ARTICLE 23: SCHEDULE SECTION AND OSS COORDINATORS**

2 ***SECTION 1 – DEFINITION OF EMPLOYEES***

- 3 • Senior Schedule Planner  
4 • Transit Information Planner  
5 • Operations Support System (OSS) Coordinator  
6 • Scheduling Technical Information Processing Specialist III  
7 • Transit Schedule Planner

8 ***SECTION 2 – GENERAL CONDITIONS***

9 A. Senior Schedule Planners, Transit Information Planners and OSS Coordinators  
10 will be FLSA-exempt Employees who may work flexible schedules. An Employee may work an  
11 alternative work schedule, which may include but is not limited to: 4/40, flexible work hours,  
12 compressed work week, telecommuting and/or job share arrangements upon approval of his/her  
13 supervisor.

14 B. When there is a regular vacancy in the Senior Schedule Planner classification, it  
15 will be filled by a Supervisor. METRO will use a merit-based selection process to determine the  
16 most qualified individual to fill the vacancy. If no Supervisor applies during a recruitment to fill a  
17 regular vacancy, METRO may then recruit for and select from other qualified candidates.

18 C. At every regular Supervisor pick, one Senior Schedule Planner position will be  
19 used for Supervisor training. METRO will solicit letters of interest from Supervisors to temporarily  
20 fill this Senior Schedule Planner position. The Senior Planner position is intended to provide  
21 Supervisors with training opportunities in the Schedule Unit. If there are multiple candidates for this  
22 training position, METRO will make a selection using a merit based selection process. If there are no  
23 applicants for this training position, the position will be filled as a Schedule Maker position, in  
24 accordance with Supervisor pick guidelines. In order to provide for an orderly transition, there will  
25 be a brief period of overlap between the Supervisor completing his/her training period and the next  
26 Supervisor selected to begin his/her training, in order for the new trainee to become qualified.

27 D. When there is a vacancy in the OSS Coordinator classification it will be filled first  
28 from qualified applicants represented by the UNION. If there are no qualified applicants, METRO

1 may hire other qualified candidates.

2                   E. When an OSS Coordinator is required to work on a holiday, he/she will have

24 F. Each Conductor will have at least eight (8) hours off between consecutive days'  
25 assignments.

26 ***SECTION 3 – PICKS***

27 A. METRO will determine the work, possible RDO combinations and the location  
28 from which assignments will originate. Whenever a significant change in service occurs, METRO

1 shall conduct a pick for the purpose of allowing Full-Time Conductors to select from among  
2 available assignments and RDOs. A significant change in service is defined as a change of thirty  
3 (30) minutes or more in either the start or quit time of a picked assignment, and/or the addition or  
4 reduction of picked assignments. In no event shall there be less than three (3) picks each year.

5 **B.** A list of the available regular assignments shall be posted at least five (5) calendar  
6 days before they are put into effect. Each Conductor may report to the pick location at his/her

10 seniority.

11 **D.** A Conductor who is unable to attend the pick may leave an absentee pick form  
12 with the UNION, indicating his/her work preferences. Failure to do so will result in the UNION  
13 representative picking an assignment for the Employee. The UNION representative shall select an  
14 assignment, which is comparable to the assignment he/she is working presently. Selections made by  
15 the UNION will not be subject to the grievance/arbitration procedure.

16 **E.** An Employee shall not be compensated for time spent in the pick, unless it is  
17 during his/her regular work hours.

18 ***SECTION 4 – VACATION SELECTION***

19 Conductors shall be covered by the vacation provisions of Article 9. Conductors shall take  
20 vacation in minimum increments of one (1) day. Vacations will be selected by seniority.

21 ***SECTION 5 – OVERTIME AND ASSIGNMENTS***

22 **A.** Any daily assignment in excess of eight (8) hours shall be paid at the overtime rate  
23 of one and one-half (1-1/2) times the existing straight-time rate of pay. All time worked in excess of  
24 forty (40) straight-time hours in a workweek shall be paid at the overtime rate.

25 **B.** Open straight-time work will be offered first to On-Call Conductors by rotation.  
26 Remaining work will be offered at the overtime rate.

28 Conductors, and then to On-Call Conductors.

1                   D. When a shift cannot be assigned at overtime due to an eight (8) hours off  
2 restriction, METRO will attempt to split the assignment, offering each portion according to  
3 Paragraphs B and C, as appropriate.

11 or ordinary wear.

12                   D. Each Conductor shall be provided with a Conductor hat.

13                   **SECTION 7 – BENEFITS**

14                   A. On-Call Conductors shall receive all benefits and be subject to the provisions and

16 provisions as outlined in this Section.

8 ***SECTION 2 – GENERAL CONDITIONS***

9 A. An operations manual for each area of CSO will specify applicable policies and  
10 procedures. Such policies and procedures shall not conflict with the provisions of this  
11 AGREEMENT. Revisions will be discussed with the UNION before implementation. A complete,  
12 updated manual will be available to all CSO Employees.

13 B. METRO and the UNION agree to establish a Joint Working Conditions committee  
14 comprised of equal numbers of METRO management and UNION-appointed RIO/CSO  
15 representatives. The purpose of this committee will be to improve working conditions and work  
16 processes in RIO/CSO. The committee will meet regularly and during the planning phase of any  
17 project that will impact working conditions. The UNION-appointed representatives on the  
18 committee shall be paid by METRO at the appropriate rate.

19 ***SECTION 3 – WORK ASSIGNMENTS***

20 A. The workweek shall consist of five (5) consecutive days, except when an  
21 Employee's pick makes this impossible. Each Employee shall be guaranteed eight (8) hours pay for  
22 each regular workday. Each shift, except where modified by historical practice, will be completed  
23 within a continuous eight and one-half (8-1/2) hour period and will include an unpaid one-half (1/2)  
24 hour lunch break and two (2) paid fifteen (15) minute rest breaks.

25 B. The graveyard shift shall be considered the first shift of the day; the day shift shall  
26 be considered the second; and the swing shift shall be considered the third. Any shift with a quitting  
27 time from 8:01 p.m. to 2:00 a.m. will be considered swing shift. Any shift with a quitting time from  
28 2:01 a.m. to 10:00 a.m. will be considered graveyard shift.

1 C. Shifts and RDOs shall be arranged so that each Employee shall have at least eight  
2 (8) hours off between shifts and at least sixty (60) hours off for RDOs.

3 **SECTION 4 – PICKS**

4 A. In January and in July each CAR will select his/her position. Positions at Lost and  
5 Found, the Sales Counter, Metro Customer Stop, 624-PASS, and the Customer Response Phones will  
6 be available for pick. At pick a volunteer list for qualified CARs will be posted for backfill purposes  
7 for short term vacancies.

8 B. During his/her probationary period, each CAR will receive six (6) consecutive  
9 weeks training in each of the following areas: Lost and Found; Sales Counter or Metro Customer  
10 Stop, 624-PASS, and the Customer Response Phones. A CAR will not participate in the pick until  
11 his/her probationary period is completed and he/she is qualified in all four (4) work areas. A CAR  
12 trainee who completes his/her probationary period and is qualified in all four (4) work areas will pick  
13 a vacant position by seniority for the remainder of the current shake-up.

14 C. Copies of the proposed pick schedules and shifts will be posted for review twenty-  
15 one (21) calendar days prior to the start of the pick. Changes in the posting may not be made less  
16 than five (5) days prior to the pick. A UNION representative shall be present during the pick.

17 D. A CAR who is unable to attend the pick may leave an absentee pick form  
18 indicating his/her work preferences with the UNION. Failure to do so will result in the UNION  
19 representative picking an assignment for the Employee. The UNION representative will make an  
20 effort to select an assignment comparable to the assignment last selected at pick. Selections made by  
21 the UNION will not be subject to the grievance/arbitration procedure. Employees shall not be  
22 compensated for time spent in the selection process, unless it is during their regular work hours.

23 **SECTION 5 – FILLING VACANCIES**

24 A. A short term vacancy is defined as a vacancy lasting for five (5) or fewer working  
25 days; a temporary vacancy is defined as a vacancy lasting for more than five (5) working days. The  
26 rotating inverse seniority list shall be posted and kept updated.

27 B. At pick CARs qualified in all CSO work areas will have the opportunity to be on a  
28 volunteer list for backfill of short term vacancies. If there are no volunteers available, such work will

1 be assigned by inverse seniority on a rotating basis.

2 C. If a temporary vacancy is to be filled it shall be filled by detail assignment. CSO  
3 Employees who are qualified and willing to do the work shall be given first consideration. Seniority,  
4 workload and staffing needs shall be the determining factors in filling the position. If no CSO  
5 Employee volunteers are available, the position will first be assigned to CSO Employees by inverse  
6 seniority on a rotating basis, then to qualified volunteers from Rider Information. If no qualified  
7 Employees are reasonably available, outside help will be used. The UNION will be advised when  
8 outside help is called.

9 D. When METRO determines that a CSO Employee will be unavailable for work for  
10 an entire shake-up, for any reason, that CSO Employee shall not pick a shift. This provision shall  
11 include CSO Employees who are detailed or upgraded into job classifications other than their own.

12 E. When METRO determines that a vacancy exists in a CSO Employee position  
13 which is to be filled by a move-up, CSO Employees interested in filling that vacancy will be allowed  
14 to express interest in the position. METRO will then fill the vacancy with a qualified Employee, by  
15 seniority.

#### 16 **SECTION 6 – OVERTIME**

17 A. Overtime will be offered by seniority on a rotating basis for CSO Employees. At  
18 pick, interested CSO Employees who want to work overtime may sign up. An overtime list will then  
19 be established and posted.

20 B. All hours worked in excess of eight (8) hours in the scheduled workday or work on  
21 a CSO Employee's RDO shall be paid at the overtime rate of one and one-half (1-1/2) times the  
22 existing straight-time rate of pay of the classification for actual overtime hours worked.

23 C. Overtime on day shift extending into swing shift shall be paid with no hourly shift  
24 differential. Overtime on swing shift extending into graveyard shift shall be paid with swing shift  
25 differential. Overtime on graveyard shift extending into day shift shall be paid with graveyard shift  
26 differential.

#### 27 **SECTION 7 – SPECIAL ALLOWANCES**

28 A. Shift differentials shall be seventy-five cents (\$.75) per hour for swing shift and

1 one dollar (\$1.00) per hour for graveyard shift.

2           **B.** A CSO Employee who has gone home after his/her regular shift, and who is called  
3 back to work and reports for work, will be guaranteed at least three (3) hours of pay at the overtime  
4 rate. A CSO Employee called in before his/her scheduled report time and in conjunction with his/her  
5 regular shift will be paid for actual hours worked.

6           **C.** CARs and On-Call CARs shall receive a straight-time premium for instructing  
7 individuals as follows:

8                   **1.** One (1) hour of pay at the CSO Employee's current rate for four (4) hours  
9 or less of instruction in one (1) day.

10                   **2.** Two (2) hours of pay at the CSO Employee's current rate for more than  
11 four (4) hours of instruction in one (1) day.

12           ***SECTION 8 – SPECIAL BENEFITS***

13           **A.** Each CSO Employee who is required to work in inclement weather will be  
14 provided the necessary foul weather gear which includes, but is not limited to, a rainset, hat and  
15 boots.

16           **B.** When a CSO Employee is informed during his/her regular shift that overtime in  
17 excess of two (2) hours beyond the end of his/her regular shift will be required, METRO will provide  
18 a thirty (30) minute unpaid meal period or a fifteen (15) minute paid break, upon request.

19           **C.** When a CSO Employee is called in for emergency work two (2) or more hours  
20 prior to the start of his/her regular shift, METRO will provide a thirty (30) minute unpaid meal period  
21 or a fifteen (15) minute paid break, upon request.

22           **D.** Each CSO Employee required to work in a transit center or at a permanent satellite  
23 customer stop will be provided with a telephone.

24           **E.** METRO shall maintain a silent alarm system at all METRO-operated pass sales  
25 counters.

26           ***SECTION 9 – VACATION SELECTION***

27           **A.** CSO Employees will pick their vacations by seniority in rounds. During the first  
28 round of the vacation pick, a CSO Employee may select either any number of consecutive weeks of

1 vacation or up to five (5) individual days of vacation, which need not be consecutive. Only one (1)  
2 CSO Employee may be on vacation at a time, unless METRO approves additional vacations.

3 **B.** Other selections of individual vacation days shall not occur until all CSO  
4 Employees have completed their selection of full weeks. A personal holiday may be selected as a  
5 single day after all full weeks have been selected. A personal holiday may also be requested at a later  
6 date, in the same manner as individual vacation days.

7 **C.** A CSO Employee may reserve any number of vacation days to use in one (1) day  
8 or one (1) hour increments. Requests for use of such vacation need to be made at least one (1) week  
9 in advance and will be honored whenever possible, based on operational needs.

10 **D.** AC days may be requested, within existing AC guidelines for the CSO, but such  
11 days will not be included in the vacation pick.

12 **E.** Any picked vacation not used by a Senior CAR or CAR will be offered to other  
13 CARs by seniority if METRO determines business reasons permit.

14 **F.** The vacation pick shall be completed by November 15th each year. The vacation  
15 calendar shall remain posted and shall be kept current.

16 ***SECTION 10 – ON-CALL CUSTOMER ASSISTANCE REPRESENTATIVES***

17 For the purposes of filling a temporary vacancy as described in Section 5.C., the On-Call  
18 Customer Assistance Representative (On-Call CAR) classification will be available to work at all  
19 CSO work areas. He/she will not participate in the CAR pick. The conditions of employment for  
20 this classification will be as follows:

21 **1.** The On-Call CAR may be assigned to work less than an eight (8) hour day  
22 and/or a forty (40) hour workweek.

23 **2.** The On-Call CAR will be eligible for holiday pay, as provided in Article 8,  
24 for any of the listed holidays which are observed the month following any month in which the On-  
25 Call CAR has worked eighty (80) hours or more. In addition, an On-Call CAR may be eligible for a  
26 personal holiday as provided in Article 8, Section 5.

27 **3.** The On-Call CAR will not be eligible for holiday pay in any month in  
28 which, during the preceding month, the On-Call CAR worked less than eighty (80) hours. However,

2                                   4. The On-Call CAR will be eligible to accrue vacation like an Assigned Rider  
3 Information Specialist, in accordance with Article 9. Upon qualification, the On-Call CAR will be
