Creating a Classified ad is as easy as 1-2-3-4

1. Describe the Item. To sell the item quickly, include important information about the item: price, age/condition, size and brand name.
 2. Include Your Phone Number And Specify Hours. You want to make it as easy as possible for the potential customer to reach you.
 3. Don't Abbreviate! Use U for and not u. It's difficult to decipher, and most readers won't take the time to figure it out or call to ask what it means. SPELL IT OUT!
 4. Run Your Ad For Several Weeks. To get the best results, run your ad for several weeks. New buyers look to the classified marketplace every day. If you run your ad only one week, you may miss a potential buyer.
