WHEREAS, this Agreement is authorized by the State Building Code, Chapter 19.27 RCW, and the Inter-local Cooperation Act, Chapter 39.34 RCW.

NOW THEREFORE, in consideration of the terms and provisions herein, the County and the Service Provider agree to the following:

The Fire Marshal hereby authorizes and delegates to the Chief of the Service Provider the administrative authority to conduct KCC Title 17 inspections in accordance with IFC Sections 105 and 107, and KCC Title 17 as it may be subsequently amended, on behalf of the County within the unincorporated areas as described in this Agreement (the “Program”). The Program will be conducted for those operational permits required by IFC 105 and as required by the County.

1.1.1 General Inspection Authority. The Service Provider shall have the authority to perform building and property inspections that it deems necessary to provide fire prevention services and pre-fire planning inspection for properties that do not require an operational permit as identified in the Program. No inspection fee or permit shall be required for any building and property inspected beyond the requirements of the Program. The scope of the Program may be periodically amended by written mutual agreement between the County and Service Provider, as allowed by State and County codes.

1.1.2 Designation. For the purposes of this Agreement, the County designates the Service Provider’s Fire Chief as the County’s Fire Chief and the Service Provider’s Fire Chief or designee as the fire code official within the area described in Section 1.1.3.

1.1.3 Service Area. The Service Provider shall be responsible for administering the Program in the unincorporated area of King County identified in Exhibit A (“Service Area”).

1.2 Collection of Fees. In consultation with the County Fire Marshal or the Permitting Division Director in the Department of Local Services, the Service Provider shall establish an annual fee schedule that does not exceed the County’s fee schedule. The Service Provider shall be responsible for assessing and collecting any and all fees charged under the Program and shall have the authority to retain and expend all fees collected under this Agreement.

1.2.1 Annual Fee Adjustment. The Service Provider may adjust its fee schedule each year, on a January 1st to December 31st cycle, by the amount equal to the percentage increase in the Consumer Price Index (All Wage Earners) for Seattle-Tacoma-Bellevue as reported in June, provided that the adjustment does not cause the Service Provider’s fee schedule to exceed the County’s fee schedule.

1.3 Applicable Codes and Standards. The County delegates to the Service Provider all authority under the KCC Title 17 and the Washington Administrative Code (WAC) Chapter 51-54A necessary to implement and fulfill the provisions of this Agreement.

- b) If the owner of the occupancy denies the Service Provider the right of entry, the Service Provider will forward the occupancy name, address, date of the denied entry and a brief written narrative of the circumstances to the County Fire Marshal for further action.
- c) If, after three attempts within ninety days (90) days, the Service Provider is unable to make contact with the owner of the occupancy, the Service Provider will forward the occupancy name, address and a brief written narrative of the circumstances including dates of attempts made to the County Fire Marshal, or as otherwise directed by the County, for further action.
- d) The County shall promptly provide a written status report on all code enforcement matters within the Service Area upon request. - a) If the Service Provider identifies a code violation(s) during an inspection, the Service Provider shall document the violation(s) with any and all specific code citation(s) on the inspection form and will issue a written inspection notice to the responsible party. The Service Provider will schedule a re-inspection of the occupancy.
- b) If the Service Provider determines that a violation constitutes an immediate danger to life or property, the Service Provider shall immediately contact the County Fire Marshal and post a do not occupy placard, stop work notice or other emergency order at the Service Provider's discretion.
- c) The Service Provider shall work with the responsible party until the corrections are made, until no further progress is made in correcting the violations, or until 90 days has elapsed from the initial inspection, whichever comes first. If the responsible party is

unable to achieve required corrections as described above, the Service Provider shall forward the responsible party name, list of violations, and a brief written narrative of the circumstances to the Fire Marshal for code enforcement actions.

- d) The County shall promptly provide a written status report on all code enforcement matters within the Service Provider's Service Area upon request.

2.5 Permit Issuance. The Service Provider shall issue operational permits to applicants once all applicable fire codes and standards have been met and any fees have been paid. Permits will not be issued until all code violations are corrected and fees are received.

In the event the owner of the occupancy at issue or other responsible party should wish to appeal any decision made by the Service Provider under this Agreement, the Service Provider shall direct the owner to file its appeal with the County. Service Provider shall assist in the code enforcement appeal process as requested by the County. The County shall provide the Service Provider, in writing, the outcome of the code appeal.

2.7.4 Access to Information. The County shall allow the Service Provider full access to the County's held records required to carry out any provision of this Agreement.

2.7.5 Construction Related Activities. The County issues development permits which include related activities such as installation of tanks, racking, and spray booths. An Operational Fire Permit would be required for these processes. The County shall notify the Service Provider that a permit application was received which would require an Operational Permit be issued by the Service Provider. This notification is to ensure coordination between the County and the Service Provider. At application processing and after final approval, the County shall provide the Service Provider with the permit number, scope of work, business name.

2.7.6 KCC Title 17 Updates. The County may consider future amendments to KCC Title 17 when requested by the Service Providers to clarify the provisions of this Agreement or streamline their efforts to carry out the provisions of this Agreement.

8.5 Non-Waiver of Breach. The failure of either party to insist upon strict performance of any of the covenants and agreements contained in this Agreement, or to exercise any option conferred by this Agreement in one or more instances shall not be construed to be a waiver or relinquishment of those covenants, agreements, or options, and the same shall be and remain in full force and effect.

8.6 Dispute Resolution. If agreement cannot be reached regarding interpretation or implementation of any provision of this Agreement, the parties should attempt to use an informal dispute resolution process such as mediation, through an agreed-upon mediator and process, to resolve the disagreement. If the parties engage in mediation all costs for mediation services will be divided equally between the parties and each party will be responsible for the costs of its own legal representation.

8.7 Amendments. No provision of this Agreement may be amended or modified except by written agreement signed by the parties.

IN WITNESS WHEREOF, the parties have caused this Agreement to be signed and shall be effective as of last date signed by both parties.

8.5 Non-Waiver of Breach. The failure of either party to insist upon strict performance of any of the covenants and agreements contained in this Agreement, or to exercise any option conferred by this Agreement in one or more instances shall not be construed to be a waiver or relinquishment of those covenants, agreements, or options, and the same shall be and remain in full force and effect.

8.6 Dispute Resolution. If agreement cannot be reached regarding interpretation or implementation of any provision of this Agreement, the parties should attempt to use an informal dispute resolution process such as mediation, through an agreed-upon mediator and process, to resolve the disagreement. If the parties engage in mediation all costs for mediation services will be divided equally between the parties and each party will be responsible for the costs of its own legal representation.

8.7 Amendments. No provision of this Agreement may be amended or modified except by written agreement signed by the parties.

8.8 Entire Agreement. The written terms and provisions of this Agreement, together with any Exhibits attached hereto, shall supersede all prior communications, negotiations, representations or agreements, either verbal or written of any officer or other representative of each party, and such statements shall not be effective or be construed as entering into or forming a part of or altering in any manner this Agreement. All of the Exhibits are hereby made part of this Agreement.

8.9 Severability. If any section of this Agreement is adjudicated to be invalid, such action shall not affect the validity of any section not so adjudicated.

8.10 Interpretation. Any rule of construction to the effect that ambiguities are to be resolved against the drafting party shall not apply in interpreting this Agreement. The language in this Agreement shall be interpreted as to its fair meaning and not strictly for or against any party.

8.11 Notice. All communications regarding this Agreement shall be sent to the parties at the addresses listed on the signature page of this Agreement, unless notified to the contrary. Any written notice hereunder shall become effective upon personal service or three (3) business days after the date of mailing by registered or certified mail and shall be deemed sufficiently given if sent to the addressee at the address stated in this Agreement or such other address as may be hereafter specified in writing.

8.12 Non-Exclusive Agreement. The parties to this Agreement shall not be precluded from entering into similar agreements with other municipal corporations and/or other service providers.

8.13 Service Limitations. The services provided under this Agreement represent an extension and expansion of services the Service Provider owes to the general public. Neither party intends to create a special relationship or special duty to any individual or group of individuals.

IN WITNESS WHEREOF, the parties have caused this Agreement to be signed and shall be effective as of last date signed by both parties.

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, King County-Department of 02 (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
