## **Financial Plan Notes**

# CIP Budget Notes:

All financial plans have the following assumptions, unless otherwise noted in below rows.
2021-2022 Ending Balance column reflects the inception to date budget balances and actual balances after 2022 is closed.

2023-2024 Revised Budget is consistent with PIC for 2023-2024 biennial budget and all adopted and proposed supplementals.

2023-2024 Total Budget sums the Estimated Ending Balance Budget and the 2023-2024 Budget.

Outyear revenue and expenditure budget assumptions tie to the outyears of the Ordinance Attachment by Fund report in PIC, with exceptions explicitly noted.

Revenues shown are equal to the budgeted expenditure. Revenues include new revenue and fund balance designated to projects.

Outyear REET 1 assumptions are based on projected spending on projects currently established in PIC. The outyears do not include any future projects that may be part of the next levy

Parks Levy revenues are forecasted through 2025 when the current 2020-2025 Parks Levy expires.

Miscellaneous includes \$10K in General Fund operating revenue for an interpretive sign for Black Diamond Ravensdale Creek Bridge. It also includes a \$5.9M disappropriation from grant contingency. Both were added in the 23-24 Biennial Budget (Ordinance 19546)

# Appropriation Notes:

In order to align with Attachment A of Ordinance 19546, the Open Space Acquisition and Conservation includes \$10K for an interpretive sign for Black Diamond Ravensdale Creek Bridge

The Fall City Community Center project (#1144987) is budgeted in the Active Recreation Repair and Renovation portfolio.

CIP Fund Financial Position:
All financial plans have the following assumptions, unless otherwise noted in below rows.

Biennial to Date (BTD) expenditures and revenue reflect EBS totals for budgetary accounts as of June 2022. 2021-2022 Actuals reflect 2021-2022 amounts in EBS.

2023-2024 Estimated column reflects the best estimate for the biennium based on actuals and should be informed by the fund's spending plan. Outyear revenue projections and expenditure estimates are based on the most recent projections and reflect current project plans

## Revenues Notes:

2021-2022 Miscellaneous Revenue includes \$7.5 million private donation from Amazon for Eastrail (Account 36711 - DONATIONS PRIVATE SOURCES).

2023-2024 Miscellaneous Revenue includes \$10K for the Black Diamond interpretive sign project and 23-24 Bond Proceeds includes \$500K for the Fall City Community Center. The revenue source is General Fund and was adopted in the 23-24 Budget (Ordinance 19546).

2023-2024 Actuals Grants & Contributions includes a local grant for Segment C of the Lake to Sound Trail.

Parks Levy revenues are forecasted through 2025 when the current 2020-2025 Parks Levy expires

creating a shortfall in the fund.

Since Parks Levy revenue is not assumed after 2025, when the current levy expires, expenditures for portfolios that receive funding from the Parks Levy show declines in the out-years.

\*Fund balance designated to current projects is for projects that are already appropriated. This fund balance cannot be used for other projects without disappropriating projects or
