1 AN ORDINANCE providing for the submission to the
2 qualified electors of King County at a special election to be
3 held in King County on August 5, 2025, of a proposition
4 authorizing a property tax levy in excess of the levy
5 limitation contained in chapter 84.55 RCW for a period of
6 six consecutive years, at a total rate of not more than
7 \$0.2329 per one thousand dollars of assessed valuation in
8 the first year and limiting annual levy increases by the King
9 County inflation plus population index published by the
10 King County office of economic and financial analysis, or
11 the chapter 84.55 RCW limitation, whichever is greater in
12 years two through six for the purpose of maintaining and
13 operating King County's open space system; improving
14 parks, recreation, access, and mobility in King County by
15 acquiring lands and continuing to develop and support
16 parks, recreation facilities, and regional trails; improving
17 parks and trails in and acquiring lands by metropolitan

programs at the Woodland Park Zoo; funding
 environmental education, maintenance and conservation
 programs at the Seattle Aquarium; funding development,
 maintenance, and programming for Seattle's Waterfront
 park; funding environmental and climate stewardship and
 education at Pacific Science Center; funding a capital
 project at Memorial Stadium; and funding capital
 improvements at public pools, for all King County
 residents; repealing Ordinance 19914, Section 1, Ordinance
 19914, Section 2, Ordinance 19914, Section 3, Ordinance
 19914, Section 4, Ordinance 19914, Section 5, Ordinance

 19914, Section 8, Ordinance 19914, Section 9, and
 Ordinance 19914, Section 10; and declaring an emergency.

STATEMENT OF FACTS:

1. King County owns and operates a system of regional and local parks
 and trails that consists of thirty-two thousand acres of parklands and more
 than one hundred eighty-five miles of regional trails. The county provides
 regional trails, regional recreational facilities, regional natural areas,
 regional parks, and local parks in unincorporated areas. Examples of
 regional and local county parks and trails include Marymoor park, Cougar
 Mountain Regional Wildland park, Steve Cox Memorial park, Dick

Ordinance 19922

42 Thurnau Memorial park, the Weyerhaeuser King County Aquatic Center,
 43 and the Sammamish River trail.

44 2. Parks, natural areas, and trails contribute to a high quality of life. A
 45 robust system of parks and trails provides: physical, social, and mental
 46 health benefits to individuals; economic opportunity through recreation
 47 and tourism; economic growth for private businesses that must attract and
 48 retain skilled workers; increased climate resilience; environmental benefits
 49 like clean water and healthy habitat; and cultural resource protection
 50 through open space conservation. King County's open space system
 51 provides all these benefits to King County residents and businesses.

52 3. Provision of urban green space, through parks or other investments
 53 such as street trees, is particularly important to achieve the benefits listed
 54 above. The addition of trees and plants to concrete-dominated urban areas
 55 can help reduce the higher ambient temperatures in those areas, which are
 56 anticipated to worsen as anthropogenic climate change progresses. That
 57 contributes to health and quality of life for nearby residents, in addition to
 58 providing additional capacity to sequester planet-warming greenhouse
 59 gases.

60 4. The 2002 Parks Business Transition Plan, adopted by the King County
 61 council and enacted by Ordinance 14509, became the blueprint for
 62 establishing the regional open space system we have today. Building on
 63 that blueprint, the county has adopted open space plans, which have
 64 provided the framework guiding King County in the acquisition, planning,

Ordinance 19922

65 development, stewardship, maintenance, and management of its complex
66 system of parks, regional trails, and acres of open space. The latest open
67 space plan was updated in 2022 and adopted by Ordinance 19501.

68 5. In implementing the open space plan, the parks and recreation division
69 of the department of natural resources and parks has successfully focused
70 its lines of business on regional parks and trails, backcountry trails, natural
71 areas, and local parks in unincorporated King County and has
72 implemented business practices that generate revenue from park system
73 assets by implementing or increasing user fees and establishing corporate
74 and community partnerships that enhance park amenities and leverage
75 public and private dollars to improve parks and increase access to parks.

76 6. Consistent with the recommendations of past parks-related task forces
77 and community advisory committees, the county has sought voter-
78 approved levies on four prior occasions: in 2003, enacted by Ordinance
79 14586, to provide maintenance and operating funding for the parks and
80 recreation division for 2004 through 2007; in 2007, enacted by Ordinance
81 15759, to provide funding for maintenance and operations as well as
82 funding for open space acquisition, regional trail development, the
83 Woodland Park Zoo and for King County towns and cities for use in their
84 open space acquisition and trail projects for 2008 through 2013; in 2013,
85 enacted by Ordinance 17568, to provide funding for maintenance and
86 operations as well as for open space acquisition, asset maintenance and
87 improvement, parks and trails projects, the Woodland Park Zoo and for

Ordinance 19922

88 King County towns and cities to use for their parks and recreation for
89 2014 through 2019; and in 2019, enacted by Ordinance 18890, to provide
90 funding for maintenance and operations as well as for open space
91 acquisition, asset maintenance and improvement, parks and trails projects,
92 the Woodland Park Zoo, the Seattle Aquarium, aquatic facilities, and for
93 King County towns and cities to use for their parks and recreation for
94 2020 through 2025. Voters approved the funding measures on all four
95 occasions that they were on the ballot. The voter-approved levies have
96 helped keep the open space system clean, safe, and open.

97 7. Tribal nations are comanagers with the county in managing our shared
98 public lands, waters, and resources. The county recognizes that this
99 relationship is informed and guided by the treaty rights, which many tribes
100 exercise within King County. The department of natural resources and
101 parks has undertaken many actions with tribes as comanagers in an effort
102 to foster mutual respect, and establish regular and meaningful
103 communication, cooperation, and consultation with tribal officials in
104 developing and executing state and King County policies that have tribal
105 implications. The county has an ongoing goal to strengthen the
106 government-to-government relationship with tribes that share territory
107 with and have interests in King County

108 8. The 2020 through 2025 voter-approved parks, trails, and open space
109 replacement levy provides approximately eighty-five percent of the
110 operating budget of the parks and recreation division, with approximately

Ordinance 19922

111 fifteen percent generated through business activities and entrepreneurial
112 efforts. King County general fund support to the parks and recreation
113 division was eliminated as of 2011.

114 9. The community partnerships and grants program enacted by Ordinance
115 14509 enhances parks amenities by partnering with parks and recreation
116 organizations. Since the inception of the community partnership and grant
117 program in 2003, more than seventy projects representing more than
118 seventy million dollars' worth of new, enhanced, or preserved public
119 recreation facilities have been completed, with only twenty-two million
120 dollars of King County capital investment.

121 10. The Woodland Park Zoo received distributions from the past three
122 voter-approved levies to supplement zoo operating revenue for education
123 and conservation programs, horticulture and maintenance, and capital
124 improvements. Levy proceeds distributed to the zoo provided
125 environmental education, programming and transportation focusing on
126 accessibility for underserved areas, supported thousands of students-
127 annually, and benefitted residents throughout King County. Levy
128 proceeds also provided conservation and animal care for threatened
129 Pacific Northwest species.

130 11. The Seattle Aquarium received distributions from the past voter-
131 approved levy for capital costs for the Ocean Pavilion project to amplify
132 the aquarium's existing global conservation efforts by bringing visitors
133 face-to-face with tropical species native to the Coral Triangle and by

Ordinance 19922

134 housing approximately three thousand five hundred sustainably sourced
135 tropical fish and invertebrates, including rays, sharks, mangroves, and up
136 to thirty species of coral.

137 12. The Memorial Stadium project will create an innovative multi-
138 purpose student and community events facility at Seattle Center. That
139 transformative project will be led by Seattle Public Schools and the city of
140 Seattle, providing an improved venue for local and regional sports and
141 events.

142 13. The removal of the Alaskan Way Viaduct provided an unprecedented
143 opportunity to create new green space in the heart of Seattle. The
144 resulting waterfront park is a twenty-acre public space stretching from
145 Belltown to Pioneer Square, providing the entire region lasting economic,
146 social, and environmental benefits. Seattle's Waterfront park will link
147 iconic attractions including Olympic Sculpture park, Pike Place Market,
148 the Seattle Aquarium, the Colman Dock ferry terminal, Pioneer Square,
149 stadiums, and surrounding neighborhoods.

150 14. King County towns and cities received funding from the past three
151 voter-approved levies. In 2008 through 2013, towns and cities could use
152 levy proceeds for open space and natural lands acquisition and
153 development of town or city trail projects that supported connections to
154 the regional trail system with distributions being contingent upon an equal
155 or greater contribution of matching moneys from the recipient town or city
156 for the same project. In the 2014 through 2019 and the 2020 through 2025

Ordinance 19922

157 levies, types of uses for the distribution to King County towns and cities
158 were broadened to provide flexibility and better meet the parks and
159 recreation needs of cities.

160 15. Parks levy oversight committees were established to monitor the
161 expenditures of the proceeds from the 2004 through 2007, 2008 through
162 2013, 2014 through 2019, and 2020 through 2025 levies. Annual
163 committee review has concluded that the county has complied with all
164 levy requirements.

165 16. During the 2008 through 2013, 2014 through 2019, and 2020 through
166 2025 levy periods, the process for developing, reviewing, and
167 recommending potential conservation futures tax and parks levy
168 acquisition projects has maximized acquisitions for open space, natural
169 lands, and regional trail rights of way due to the similar objectives for the
170 conservation futures tax and parks levy acquisition programs. Parks levy
171 open space funding distributed to King County is a critical component of
172 match for county applications for conservation futures tax funding. The
173 process for conservation futures tax outlined in K.C.C. 26.12.010
174 maintains transparency, accessibility, and consistency of the distribution
175 of conservation futures tax and parks levy acquisition funds for the public,
176 stakeholder groups, government agencies, and officials.

177 17. King County is growing rapidly as a region. In 2024, King County's
178 population increased by more than thirty thousand people; over the next
179 ten years, the county is expected to grow by another two hundred fifty

Ordinance 19922

180 thousand people. Recent trend reports indicate that participation in
181 outdoor recreation continues to grow, increasing by more than four
182 percent nation-wide in 2023. More and more people are using King
183 County parks and trails, which puts greater pressure on the system. As
184 development increases to accommodate population growth, the risk of
185 losing open space lands, including urban greenspaces throughout the
186 county grows. Those valuable lands contribute to King County residents'
187 high quality of life. The cost of land to accommodate this growth and
188 preserve open spaces is also increasing. Today is the opportune time to
189 address future needs of residents by investing in our parks and trails and
190 accelerating conservation of open space.

191 18. In King County, many communities have experienced a history of
192 inequitable and limited regional investments in parks, recreation, and open
193 space, limiting the ability of residents to lead healthy lives.

194 Approximately five hundred thousand King County residents live without
195 ready access to parks, recreation, and open spaces. There is a need to
196 address disparities in access to parks, recreation, and open space for
197 traditionally underserved areas and communities, including people with
198 disabilities. This ordinance provides an opportunity to address parks and
199 recreation needs of these traditionally underserved areas and communities,
200 including people with disabilities.

201 19. Recognizing growth in population, increased use of parks and trails
202 and the need to address disparities, to prepare the 2026 through 2031 levy,

Ordinance 19922

203 the parks and recreation division conducted outreach to obtain feedback on
204 the current park system and future parks and recreation needs for all King
205 County residents. In March and April 2024, parks and recreation division
206 staff conducted twenty-one in-person and virtual community engagement
207 events and hosted two online surveys across eight languages. Participants
208 represented all geographic areas of the county including towns and cities,
209 business, recreation, community, and environmental interests. More than
210 four thousand eight hundred people across all nine King County Council
211 districts participated in the surveys. Parks and recreation division staff
212 also met with towns and cities, parks districts, and key partners to receive
213 additional feedback about the levy.

214 20. Feedback from engagement events, online surveys, and meetings
215 showed support for the King County open space system and defined
216 measures of success. Four themes emerged as top priorities: safety and
217 belonging; new parks, trails, recreation, and infrastructure; equity,
218 representation, inclusion, and access; and maintenance, repairs, and
219 staffing. Feedback supported funding for King County towns' and cities'
220 parks and recreation programs; expansion of the regional trails system;
221 and natural lands conservation.

222 21. From January through July 2024, parks and recreation division staff
223 convened a Community Advisory Committee tasked with recommending
224 how to preserve King County's open space system of parks, trails, and
225 natural areas and resource lands after the 2019 through 2025 levy expires.

Ordinance 19922

226 The Community Advisory Committee also advised staff about how best to
227 meet the growing parks and recreation needs in King County and the
228 region. Representing King County Boards, cities, non-profit
229 organizations, community and environmental interests, businesses, and
230 sports, the Community Advisory Committee met nine times to provide
231 guidance on developing the 2026 through 2031 levy.

232 22. The King County executive took into consideration information
233 obtained from this engagement, the region's growing population, increased
234 use of parks and trails across King County, and the lack of parks,
235 recreation, and open space in some communities, and has put forth this
236 ordinance that acknowledges the changing landscape and the need to grow
237 the open space system to keep up with regional demand. This ordinance is
238 also consistent with the goals and priorities of past levy task forces.

239 23. This proposal would exempt low-income seniors, disabled veterans,
240 and other people with disabilities from the regular property tax increase on
241 their residences resulting from a levy authorized by this ordinance if they
242 have been approved for an exemption under RCW 84.36.381.

243 BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

244 SECTION 1. Findings:

245 A. On April 15, 2025, the county council adopted Ordinance 19914 to submit to
246 the voters at a special election to be held in King County on August 5, 2025, a
247 proposition authorizing a property tax levy in excess of the levy limitation contained in
248 chapter 84.55 RCW. Commonly referred to as the "Parks Levy," if passed by the voters,

Ordinance 19922

249 among the eligible levy expenditures would be direct distributions to cities, towns, and
250 municipal park districts.

251 B. Ordinance 19914, as enacted, contained an incorrect cross reference in Section
252 4.I.3.c. that would preclude distribution of approximately ninety-one million dollars, over
253 the life of the levy, to towns and cities, which is contrary to the intent of the council, and
254 contained an incorrect cross-reference in Section 7.B. that would result in omitting an
255 intended reporting requirement.

256 C. In accordance with RCW 29A.04.321, in order to submit a levy proposition to
257 the voters at the special election to be held in King County on August 5, 2025, an
258 effective ordinance must be presented to the county's elections department no later than
259 May 2, 2025.

260 D. In order to meet that deadline, the council must take action on this ordinance
261 on an emergency basis to ensure that the voters have the opportunity to consider the
262 correct and intended levy proposal at the August special election. If the levy proposal is
263 passed by the voters, the proceeds from the levy will continue and expand support of not
264 only the King County's open space system, but also the parks, trails, open space, and
265 recreational programs of all the county's cities and towns, and some municipal park
266 districts, as well as making investments in environmental education, the Woodland Park
267 Zoo, the Seattle Aquarium, Seattle's Waterfront park, the Pacific Science Center, and the
268 construction of a revitalized Memorial Stadium.

269 E. This ordinance repeals and replaces Ordinance 19914. Except for the
270 correction of the cross-references in the subsections that are now Section 5.I.3. and

Ordinance 19922

271 Section 8.B. of this ordinance, and the additions of this Findings section, the repeal
272 section, and the emergency declaration, this ordinance is identical to Ordinance 19914.
