I am a registered voter and I live in Renton Washington. I want to advise that King County Council that I'm totally opposed to the Council wanting to remove my right as a citizen to vote for the sheriff. I am also totally opposed to wanting to change their job description. This is a civil right that I enjoy as a citizen being able to directly by my franchise vote for the sheriff. I don't believe the County Council should take that right away from citizens. I strongly encourage you to not disenfranchise the people. Their voices need to be heard and listened on this issue. After all you are elected to serve the citizens not the other way around. The County Council does not know best.

In liberty,  
Sarina Forbes  
PCO Renton Washington
