Subject: Franchise Utility Application

Dear Clerk of the King County Council,

On behalf of the Evergreen Water and Improvements Association (EWIA), whose mailing address is P.O. Box 21, Ravensdale, WA 98051, we submit this application for obtaining a franchise grant by the King County Council.

EWIA owns and operates a Group A water system in Unincorporated King County, with approximately 58 service connections. The purpose of this application is to receive proper authority to begin water main replacements within portions of the County right of way on SE Kent-Kangley Road and 320th Ave. SE. EWIA has a current operating permit and small water system plan on file with the Washington State Department of Health, and has received a State Revolving Fund Loan to fund the project.

We appreciate the County's efforts in processing our request in a timely manner. Please contact me at (206) 732-2012 if you have any questions.

Sincerely,
