1 **AMENDMENT TO PROPOSED MOTION 2022-0450, VERSION 1**

2 On page 4, strike lines 78 through 80 and insert:

3 "B. The council shall consider the request of the Harborview board of trustees to
4 suspend the five-million-dollar allocation from the hospital's revenues or reserves to a
5 fund to support mission population programs and services being provided by the county
6 for 2023 at a later date, tentatively expected to be by August 30, 2023. Before that
7 consideration, the council requests the executive to convene a meeting with leaders from
8 the county council, the University of Washington Medicine, Harborview Medical Center
9 and the Harborview board of trustees to share information, discuss strategies and develop
10 options to address the financial health of the Harborview Medical Center. The council
11 requests the executive convene the meeting by March 30, 2023."
