Metropolitan King County Council Budget and Fiscal Management Committee

STAFF REPORT

Agenda Item No.:	8	Date:	28 August 2013
Proposed No.:	2013-0322	Prepared by:	Nick Wagner

SUBJECT

An ordinance approving a supplemental appropriation to fund the 2013 cost of a wage increase in a collective bargaining agreement.

SUMMARY

Proposed Ordinance 2013-0322 (pp. 3-4 of these materials¹) would make a supplemental appropriation of \$234,351 to the 2013 budget of the King County Sheriff's Office (KCSO) to fund a wage increase, retroactive to 1 January 2013, in a collective bargaining agreement (CBA) with the Puget Sound Police Managers Association covering 22 KCSO captains.

A separate ordinance approving the collective bargaining agreement (2013-0323) was reported out of the Law, Justice, Health, and Human Services Committee on July 30 by a vote of 4-0 with a Do Pass recommendation.

If the Budget and Fiscal Management Committee approves the supplemental appropriation ordinance, both ordinances could be scheduled for final action as early as the September 3 meeting of the full council.

ANALYSIS

The proposed wage increase is intended to address the problem of wage compression between the KCSO captains and sergeants, as described more fully in the staff report on the CBA, which is attached to this staff report (pp. 9-11). According to executive staff, the wage compression has made it difficult for the Sheriff to recruit qualified sergeants to become captains.

The proposed new CBA provides that beginning in 2014 the captains' base pay will be calculated as a percentage of the sergeants' top base pay, depending on each captain's years of service as a captain: 106% for new captains, 112% after six months, and 118% after 18 months. Currently, captains' base pay follows steps 5-10 of pay range 73 of the standardized county pay schedule, which is not linked to the sergeants' top base pay.²

¹ Page references in this staff report refer to the page number of these meeting materials, not to the page number of the specific attachment.

² The CBA also includes several changes that are unrelated to the proposed supplemental appropriation, including provisions related to civilian oversight of KCSO and internal investigations. Those changes are described in the staff report on the CBA (pp. 11-12).

The proposed change has two main effects:

1. By basing the captains' base pay on the sergeants' top base pay, the CBA positions the captains' base pay slightly higher than the sergeants' and prevents any future increases in the sergeants' top base pay from causing wage compression. (By the same token, the CBA increases the cost of such increases to the county.)
2. The CBA reduces from 54 months to 18 months the time required for a new captain to reach the top pay step for captains. This further increases the incentive for qualified sergeants to become captains.

The amount of the requested supplemental appropriation assumes that the KCSO sergeants will receive no wage increase for 2013-2015, which is the county's position in ongoing negotiations with the King County Police Officers Guild, who represent the sergeants.³ If those negotiations result in a wage increase for the sergeants for 2013, or if the wage issue goes to interest arbitration and the arbitrator awards a wage increase for 2013, additional funds will need to be appropriated to fund the CBA for 2013.

The table and charts at pages 101-105 (attachments to the staff report on the CBA) summarize the effect of the CBA in two hypothetical scenarios: (1) if the KCSO sergeants receive no wage increase for 2013-2015 and (2) if the sergeants receive annual cost-of-living adjustments based on the formula provided for the years 2012-2014 in the 2010 zero COLA agreement that covers most represented county employees.

REASONABLENESS

Proposed Ordinance 2013-0322 provides expenditure authority to cover the costs associated with a CBA that has been reported out of the Law, Justice, Health, and Human Services Committee (LJHHS) with a Do Pass recommendation and is awaiting final approval by the full council. Since the CBA has been acted upon favorably by LJHHS, and since the wage increase provided for in the CBA addresses a wage compression problem that has been identified by the executive, the adoption of this ordinance would constitute a reasonable business and policy decision.

The Honorable Larry Gossett
Chair, King County Council
Room 1200
C O U R T H O U S E

Dear Councilmember Gossett:

This letter transmits a supplemental ordinance to support implementation of the Puget Sound Police Management Association (Captains and Lieutenants) collective bargaining agreement for the period of January 1, 2012, through December 31, 2015. This agreement covers 22 employees in the King County Sheriff's Office (KCSO) and increases expenditures by approximately \$234,351 per year.

Captains are fully commissioned law enforcement officers who perform the full range of police work, including but not limited to operations and administrative work at precincts throughout King County. Captains also perform Contract City Chief duties, and command specialty units such as Communications Center, Metro, Sound Transit, Critical Incident Response, Internal Investigations, and Special Investigations.

This agreement furthers the goals of the County's Strategic Plan as it contains significant improvements in efficiency, accountability, and productivity for the County. This ordinance specifically: 1) alleviates a wage-compression problem between captains and their subordinates, the sergeants; 2) amends language related to vacation and sick leave to comport with historically administered benefits and comply with moving to a biweekly payroll system; 3) amends language that broadens the King County Office of Law Enforcement Oversight's scope of authority, and 4) permits administrative investigations to be completed within 180 days of being brought to the Internal Investigations Unit.

The settlement reached is a product of good faith collective bargaining between King County and the Association. The agreement compares favorably with other settlements and is within our capacity to finance. This agreement has been reviewed by the Office of the Prosecuting Attorney, Civil Division.

STAFF REPORT

Agenda Item No.:	4	Date:	30 July 2013
Proposed No.:	2013-0323	Prepared by:	Nick Wagner

SUBJECT

An ordinance approving a collective bargaining agreement with the Puget Sound Police Managers Association covering about 22 captains in the King County Sheriff's Office.

There is a separate, supplemental appropriation ordinance that would fund the proposed agreement. That ordinance has been referred to the Budget and Fiscal Management Committee and is expected to be considered at the committee's August 20 meeting.

SUMMARY

Proposed Ordinance 2013-0323 (Att. 1) would approve a collective bargaining agreement (CBA) between King County and the Puget Sound Police Managers Association (PSPMA). The CBA (Att. 1-A) covers 22 captains in the King County Sheriff's Office (KCSO).

1. Term of the CBA

The CBA covers the four-year period from 1 January 2012 through 31 December 2015. (Article 26, Att. 1-A, p. 32).¹

2. The Bargaining Unit

As described in the executive's transmittal letter (Att. 7), the captains who make up this bargaining unit are "fully commissioned law enforcement officers who perform the full range of police work, including but not limited to operations and administrative work at precincts throughout King County." They also "perform Contract City Chief duties and command specialty units such as Communications Center, Metro, Sound Transit, Critical Incident Response, Internal Investigations, and Special Investigations."

CHANGED CONTRACT PROVISIONS

The most notable changes in the proposed new CBA are described below.

1. Compensation adjustment to address wage compression

To address what the executive describes in his transmittal letter (Att. 7) as "a serious [wage] compression problem . . . between the captains and their subordinates," which has made it

¹ Page references in this staff report refer to the page number of the specific attachment, not to the page number of the meeting materials.

difficult for the Sheriff to recruit qualified sergeants to become captains, the new CBA sets the captains' base pay for 2013-2015 at a percentage of the top step of the sergeants' base pay for the same year, with the percentage increasing from 106 percent for the first six months of a new captain's service, to 112 percent for the next 12 months, to 118 percent after 18 months of service as a captain. This maintains a differential between captains' and sergeants' base pay, regardless of changes in the sergeants' pay.² Under the previous CBA, the captains' base pay was set at steps 5 through 10 of pay range 73 of the standardized county pay schedule, according to the employee's months of service as a captain. (To help reach agreement on the new CBA, the captains agreed to accept a zero cost-of-living adjustment (COLA) for 2012, when most county employees received a 1.63% COLA; since the captains had joined other county employees in accepting a zero COLA for 2011, this was the second year in a row that the captains agreed to a zero COLA.)

The wage compression between the captains and sergeants is demonstrated by the tables that are Attachments 2 and 3 to this staff report, which show that although the captains' hourly pay rate is slightly higher than that of the sergeant, the gross annual pay of many sergeants exceeds that of most captains. This is the result of at least three factors:

1. Unlike captains, who are salaried employees, sergeants are paid hourly and are eligible to earn overtime compensation.
2. The sergeants' 2008-2012 CBA included pay increases of five percent per year for each of the five years of the agreement, for a compounded total of about 27.6 percent, while pay range 73 was increased only by the applicable cost of living adjustments (COLA)—included a voluntary zero COLA in 2011—which totaled about 11.4 percent (including compounding) over the same period.
3. Although captains are eligible for the same longevity pay of up to 10 percent of base pay (for 14 years of county law enforcement service) as sergeants who are not assigned to patrol, patrol sergeants are eligible for longevity pay of up to 16 percent (for 25 years of county law enforcement service).

The new CBA addresses the wage compression between captains and sergeants in two ways:

1. The CBA decreases the number of pay steps for captains from six to three, reducing from 54 months to 18 months the time required to reach the top step. This will provide an additional incentive for sergeants to become captains. It will not affect two thirds of the current captains, who are already at the top step.
2. The CBA links the captains' base pay to the base pay for sergeants. The fiscal impact of this change will depend initially on the outcome of the current contract negotiations between the county and the King County Police Officers Guild (representing the KCSO sergeants and deputies). Those negotiations are in mediation. The county's position is that the members of the Guild bargaining unit, including the sergeants, are already being paid above the applicable market rate, and the county therefore is offering no wage increase. If the parties are unable to reach a negotiated agreement, issues on which they are at impasse will be decided in interest arbitration pursuant to state law.

² The sergeants are part of a separate bargaining unit, represented by the King County Police Officers Guild.

The tables and charts in Attachment 4 to this staff report show the effect of the new CBA compared with the previous CBA in two hypothetical scenarios: (a) no wage increase for the sergeants for 2013-2015 and (b) an annual COLA for the sergeants for 2013-2015. Linking the captains' base pay to the base pay for sergeants has the advantage of helping to reduce wage compression regardless of the outcome of negotiations with the Police Officers Guild. Two thirds of the captains are currently at the top step of their pay range and will receive the smallest pay increase under the new CBA, as shown in the tables.

2. Civilian oversight of KCSO

Article 23 of the CBA (Att. 1-A, pp. 23-27) has been amended to include the following new provisions, which are designed to improve civilian oversight of KCSO. Most of these changes, however, like those described in sections 3 and 4 below, will need to be successfully negotiated with other bargaining units, such as the King County Police Officers Guild, or awarded in interest arbitration before they can be fully and effectively implemented.

a. In addition to monitoring KCSO internal investigations, the King County Office of Law Enforcement Oversight (OLEO) is permitted under the new CBA to "monitor any incidents involving an officer's use of force and Critical Incidents." Critical Incidents "include the use of deadly force, officer-involved shootings, uses of force (including intentional use of a vehicle) or vehicular pursuits resulting in death or injury requiring hospitalization, and in-custody deaths."

b. "Periodically, the King County Council may certify an issue outside the scope of authority outlined above. The Council may certify such issue by majority vote if events or facts highlight the issue as one of concern to the public."

c. "OLEO staff shall be timely notified of and have the opportunity to attend scenes of Critical Incidents requiring call out of the Criminal Investigations Division (CID) and the administrative investigation team. OLEO staff shall be stationed at the Command Post and interact with the administrative team as liaison with the CID. After the initial investigation is complete and scene secured, a representative from the CID will escort the OLEO representative through the scene."

d. "OLEO staff shall have the opportunity to attend shooting review or use of force review boards as a non-voting member. If a driving review board involves a Critical Incident, OLEO staff may attend such review boards as a non-voting member."

The previous CBA language concerning appointing of the OLEO director, which included a provision that "compliance with the provisions of this agreement [i.e., the CBA] will be a condition of employment for all employees of the KCOLEO," has been eliminated. This language had formed the basis of an MOA that purported to interpret the previous CBA as authorizing an arbitrator to remove the OLEO director for conduct not in compliance with the CBA. (The MOA expired by its own terms at the end of 2012.)

3. Administrative investigations

Article 19, Section 9, of the CBA (Att. 1-A, pp. 21-22) has been amended to provide that the 180-day time limit on administrative investigations does not begin to run until the matter being investigated has come to the KCSO Internal Investigation Unit. Previously, the trigger had been when the matter "came to the attention" of KCSO command staff, which was unclear and created uncertainty about when the 180 days had expired.

The 180-day period is now automatically suspended when the county executive requests an inquest. The suspension continues until the inquest is completed. The 180-day period continues to be suspended when a complaint alleging criminal conduct is being reviewed by a prosecuting authority, is being prosecuted, or occurred in another jurisdiction and is being criminally investigated or prosecuted there.

If extra time for investigation is needed, Section 9 now provides for the Sheriff simply to advise PSPMA of that fact, rather than having to seek an extension from PSPMA. An extension of time based on witness unavailability must include a showing that the witness will be available within a reasonable period of time, which is “gauged by the seriousness of the alleged conduct and the importance of the missing information.”

4. Early Intervention System

The Early Intervention System (EIS) is “a data-based management tool designed to identify employees whose performance exhibits potential problems.” (CBA Article 24, Att. 1-A, pp. 27-28) The CBA provides that documents showing that an officer was identified by, or participated in, the program are confidential and not subject to public disclosure. The previous CBA included a provision that if such documents were found (e.g., by a court) to be subject to public disclosure requirements, KCSO would “immediately cease operation” of the EIS and destroy all EIS records “that are not embraced within a current court case.” In the new CBA, that provision has been eliminated.

5. Conditional participation in JLMIC benefits agreement through 2015

Article 10, Section 1, of the CBA (Att. 1-A, pp. 12-13) provides that the captains will participate in the benefits program negotiated in the Joint Labor Management Insurance Committee for the years 2014-2016, but with two exceptions: (1) if it becomes necessary for the interest arbitration provisions of the JLMIC agreement to be invoked, neither the county nor the captains will be bound by the decision of the arbitration panel (either party can reopen negotiations over benefits upon written request); and (2) the captains will not be bound by the JLMIC agreement beyond 2015.

6. Changes to conform to existing practice

The CBA includes changes to conform to existing practice, but otherwise contains no substantial changes besides those described above.

FISCAL IMPACT

The fiscal impact of the CBA is detailed in the Fiscal Note (Att. 8) and is summarized in the table below. The size of the fiscal impact for 2013-2015 will increase if the current negotiations with the King County Police Officers Guild result in the KCSO Sergeants receiving an increase in compensation for one or more of the years in question.

	2012	2013	2014	2015
Increase over previous year	\$0	\$234,351	\$0	\$0
Cumulative increase over 2011	\$0	\$234,351	\$234,351	\$234,351

Funding of the CBA requires a supplemental appropriation, which would be approved by Proposed Ordinance 2013-0322, which has been referred to the Budget and Fiscal Management Committee and is expected to be placed on the committee's August 20 agenda.

CONSISTENCY WITH LABOR POLICIES

The proposed CBA appears to be consistent with the County's labor policies.

AGREEMENT BETWEEN
PUGET SOUND POLICE MANAGERS ASSOCIATION
AND
KING COUNTY

These articles constitute an agreement, terms of which have been negotiated in good faith, between King County (County) and the Puget Sound Police Managers Association (Association). This Agreement shall be subject to approval by Ordinance by the County Council of King County, Washington.

ARTICLE 1: PURPOSE

The intent and purpose of this Agreement is to promote the continued improvement of the relationship between King County and its employees by providing a uniform basis for implementing the right of public employees to join organizations of their own choosing, and to be represented by such organizations in matters concerning their employment relations with King County and to set forth the wages, hours, and other working conditions of such employees in appropriate bargaining units provided the County has authority to act on such matters and further provided the matter has not been delegated to any civil service commission or personnel board similar in scope, structure, and authority as defined in Chapter 108, Extraordinary Session, 1967, Laws of the State of Washington (RCW 41.56).

ARTICLE 2: ASSOCIATION RECOGNITION AND MEMBERSHIP

Section 1. The County recognizes the Association, as representing King County Sheriff's Office Captains and Lieutenants in the King County Sheriff's Office (Public Employment Relations Commission case number 21637-08-3352).

Section 2. It shall be a condition of employment that all regular, full-time employees in the classifications of King County Sheriff's Office Captain and King County Sheriff's Office Lieutenant shall become members of the Association and remain members in good standing or pay an agency fee to the Association. Timely payment of regular Association dues will constitute membership in good standing for the purpose of this article.

It shall also be a condition of employment that regular, full-time employees covered by this

1 Agreement and hired on or after its effective date shall, on the thirtieth day following such
2 employment, become and remain members in good standing in the Association or pay an agency fee
3 to the Association.

4 Provided, that employees with a bona fide religious objection to Association membership
5 and/or association based on the bona fide tenets or teachings of a church or religious body of which
6 such employee is a member shall not be required to tender those dues or initiation fees to the
7 Association as a condition of employment. Such employee shall pay an amount of money equivalent
8 to regular Association dues and initiation fee to a non-religious charity mutually agreed upon between
9 the public employee and the Association. The employee shall furnish written proof that payment to
10 the agreed upon non-religious charity has been made. If the employee and the Association cannot
11 agree on the non-religious charity, the Public Employment Relations Commission shall designate the
12 charitable organization. It shall be the obligation of the employee requesting or claiming the religious
13 exemption to show proof to the Association that he/she is eligible for such exemption. All initiation
14 fees and dues paid either to the Association or charity shall be for non-political purposes.

15 **Section 3. Dues Deduction:** Upon receipt of written authorization individually signed by a
16 bargaining unit employee, the County shall have deducted from the pay of such employee, the amount
17 of dues as certified by the secretary of the Association and shall transmit the same to the treasurer of
18 the signatory organization.

19 The Association will indemnify, defend, and hold the County harmless against any claims
20 made and against any suit instituted against the County on account of any check-off of dues for the
21 signatory organization. The Association agrees to refund to the County any amounts paid to it in
22 error on account of the check-off provision upon presentation of proper evidence thereof.

23 **Section 4.** The County will require all new employees, who assume a position included in the
24 bargaining unit, to sign a form (in triplicate), which will inform them of the Association's exclusive
25 recognition.

26 **Section 5.** The County will transmit to the Association a current listing of all employees in
27 the bargaining unit within thirty (30) days of request for same but not to exceed twice per calendar
28 year. Such list shall include the name of the employee, classification, department, and salary.

1 **ARTICLE 3: MANAGEMENT RIGHTS**

2 It is recognized that the Employer retains the right to manage the affairs of the County and to
3 direct the work force. Such functions of the Employer include, but are not limited to the following:

- 4 a. determine the mission, budget, organization, number of employees, and internal
5 security practices of the King County Sheriff's Office;
- 6 b. recruit, examine, promote, train, employees of its choosing, and determine the time
7 and methods of such action, discipline, suspend, demote, or dismiss employees for just cause;
- 8 c. assign and direct the work force;
- 9 d. develop and modify class specifications;
- 10 e. determine the method, materials, and tools to accomplish the work;
- 11 f. designate duty stations and assign employees to those duty stations;
- 12 g. establish reasonable work rules;
- 13 h. assign the hours of work;
- 14 i. take whatever actions may be necessary to carry out the Department's mission in
15 case of emergency;
- 16 j. Bi-Weekly Pay: The right to define and implement a new bi-weekly payroll system
17 is vested exclusively in King County. Implementation may include a conversion of wages and leave
18 benefits into hourly amounts and the parties recognize King County's exclusive right to make the
19 changes necessary to implement such payroll system.

20 In prescribing policies and procedures relating to personnel and practices, and to the
21 conditions of employment, the Employer will comply with state law to negotiate or meet and confer
22 with the Association, as appropriate.

23 All of the functions, rights, powers, and authority of the Employer not specifically abridged,
24 deleted, or modified by this Agreement are recognized by the Association as being retained by the
25 Employer.

1 **ARTICLE 4: HOLIDAYS**

2 **Section 1. Observed Holidays:** The County shall observe the following as paid holidays:

3 discontinue the accrual of sick leave. Individual sick leave accounts in place as of December 31,
4 1983 were reduced by fifty percent (50%) with the remaining fifty percent (50%) being converted to a

11 allowance equal to regular pay during the period of time between the initial date of illness or injury,
12 and the date of final disposition made by either the local disability board or the State Retirement
13 System. In the event that the application for disability leave/retirement is ultimately denied by the
14 local disability board or the State Retirement System, SLLB hours equivalent to the cash value of the
15 allowance paid while awaiting such ultimate disposition will be deducted from the SLLB balance
16 then in effect.

17 b. If the local disability board denies disability benefits or retirement benefits, the
18 King County Sheriff's Office will reinstate the employee on the day the decision of the LEOFF Board
19 is received by the Department.

20 c. SLLB hours shall not be used as and shall not constitute a return to active service
21 for purposes of increasing or renewing the amount of disability leave to the employee.

22 **Section 3. SLLB payoff:** Upon service retirement, death after at least five (5) years of
23 continuous King County service, or separation in good standing after completion of twenty (20) years

7 care leave may be requested by management. This verification will include: 1) nature and severity of
8 illness or injury; 2) relationship of immediate family member; and 3) a statement indicating that no
9 other person is available and/or capable of providing care for the ill or injured family member. In
10 addition, family care leave shall be approved for accompanying or transporting immediate family
11 members to and from a hospital or to medical or dental appointments, providing the immediate family
12 member is a minor child, is infirm, or cannot reasonably get to and from the appointment without the
13 employee’s aid. Up to one day’s leave may be authorized for an employee to be at the hospital on the
14 day of the birth of his/her child in addition to the six (6) days mentioned above.

15 c. In cases of family care where no paid leave benefit exists, the employee will be
16 granted leave under the King County Code, King County Family Medical Leave (KCFML), Federal
17 Family Medical Leave (FMLA) or Washington State Family Care Act, as appropriate. This includes
18 health benefits continuation as required by King County, State, or Federal law.

7 effort to notify an employee prior to his/her return to work that a doctor's certificate will be required.

8 **Section 4. Separation from Employment:** Separation from King County employment,
9 except by retirement or layoff due to lack of work or funds or efficiency reasons, shall cancel all sick
10 leave currently accrued to the employee. Should the employee resign in good standing or be laid off
11 and return to the County within two years, accrued sick leave shall be restored.

19 Title 11, as applicable, an amount equal to thirty-five (35) percent of their unused, accumulated sick
20 leave multiplied by the employee's rate of pay in effect upon the date of leaving county employment
21 less mandatory withholdings. All payments shall be made based on the employee's base rate as set
22 forth herein, and there shall be no deferred sick leave reimbursement. This sick-leave cash-out is
23 subject to any determination by bargaining unit members to have their funds placed in Voluntary

26 bargaining unit.

13 the search, arrest or detention of any person/place, or during the attempt to search, arrest or detain any
14 person/place or occurring when an officer is involved in an emergency response to a request for
15 service.

16 The Special Worker's Compensation Supplement will provide for the difference between an
17 employee's base salary and any other compensation which the employee is receiving during the
18 period of injury-related absence. Other compensation shall include special sick leave, Worker's
19 Compensation, social security and/or unemployment compensation. The supplement shall be limited
20 to six months during any consecutive twelve-month period.

21 The Special Worker's Compensation Supplement shall be reduced by the amount of any State
22 legislatively mandated increase in benefits for LEOFF II employees which occur during the term of
23 this contract. The contract provision for Special Worker's Compensation Supplement shall
24 automatically cease to be in effect on the expiration date of this contract, regardless of whether a
25 successor agreement has been negotiated or is in the process of being negotiated, mediated and/or

16 related evidence which he/she may deem pertinent to the grievance. He/she shall make his/her
17 written decision available within twenty (20) working days. If the grievance is not pursued to the
18 next higher level within five (5) working days, it shall be presumed resolved.

19 **Step 3 - Office of Labor Relations:** If the decision of the Sheriff-Director has not
20 resolved the grievance the grievance may be presented to the Office of Labor Relations, which shall
21 render a decision on the grievance within twenty (20) working days.

22 **Step 4 - Request for Arbitration:** Either the County or the Association may request
23 arbitration within thirty (30) days of conclusion of Step 3, and must specify the exact question which
24 it wishes arbitrated except that written reprimands are not subject to Step 4 of the grievance
25 procedure. The parties shall then select a third disinterested party to serve as an arbitrator. In the
26 event that the parties are unable to agree upon an arbitrator, then the arbitrator shall be selected from a
27 panel of 11 arbitrators furnished by the American Arbitration Association AAA Dispute Resolution
28 Panel. The arbitrator will be selected from the list by both the County representative and the

1 Association representative each alternately striking a name from the list until one name remains. The
2 arbitrator shall render a decision within 30 days and the decision of the arbitrator shall be final and
3 binding on both parties.

4 The arbitrator shall have no power to change, alter, detract from or add to, the provisions of
5 this Agreement, but shall have the power only to apply and interpret the provisions of this Agreement
6 in reaching a decision.

7 The arbitrator's fee and expenses shall be borne equally by both parties. Each party shall bear
8 the cost of any witnesses appearing on that party's behalf and their attorney's fees, if applicable.

11 Chapter 108, Extraordinary Session, 1967, Laws of the State of Washington.

12 There shall be no strikes, cessation of work, or lockout during such conferences or arbitration.

14 **Section 3. Multiple Procedures:** If employees have access to multiple procedures for
15 adjudicating grievances, the selection by the employee of one procedure will preclude access to other
16 procedures; selection is to be made no later than at the conclusion of Step 3 of this grievance
17 procedure.

19 directly from Step 2 to Step 4 within thirty (30) days of the Step 2 decision. In conducting
20 disciplinary investigations, the County will comply with all relevant ordinances and departmental
21 rules, and additionally will allow an employee who is the subject of a disciplinary interview or
22 hearing to privately confer with an Association representative during the interview or hearing. In
23 those instances where disciplinary action is based on reasonable evidence of the commission of a
24 crime, or the proposed discipline involves suspension or termination of the employee, Step 3 of the
25 Grievance Procedure will be initiated immediately, and the Office of Labor Relations shall render a
26 decision within twenty (20) working days of the date the employee is accused of the violation or is

5 probationary period of one year as defined in R.C.W. 41.14 and Civil Service Rules. Sheriff's Civil
6 Service Rules specify that the probationary period is an extension of the hiring process; therefore, the
7 provisions of this Article will not apply to employees if they are discharged during their initial
8 probationary period or are demoted during the promotional probationary period for not meeting the
9 requirements of the classification. Grievances brought by probationary employees involving issues
10 other than discharge or demotion may be processed in accordance with this Article.

14 **ARTICLE 13: ASSOCIATION USE OF BULLETIN BOARDS AND INTERNET**

15 The employer agrees to permit the Association to post on County bulletin boards, the
16 announcement of meetings, election of officers, and any other Association material. The employer
17 agrees to permit the Association the use of County e-mail to post the announcement of meetings,
18 election of officers, and collective bargaining materials. The Association agrees to follow the
19 County's e-mail policy as per Memorandum of Agreement (Document Code: 000U0108), "Internet
20 Technology Acceptable Use Policies" (Attached as Addendum B with MOA attachments; Document
21 Code: 181C0113_Addendum B_000U0108.pdf), to the extent that it does not conflict with this
22 Article.

23 **ARTICLE 14: SAVINGS CLAUSE**

24 Should any part hereof or any provision herein contained be rendered or declared invalid by
25 reason of any existing or subsequently enacted legislation or by any decree of a court of competent
26 jurisdiction, such invalidation of such part or portion of this Agreement shall not invalidate the
27 remaining portions hereof; provided, however, upon such invalidation the parties agree to meet and
28 negotiate such parts or provisions affected. The remaining parts or provisions shall remain in full

1 force and effect.

2 **ARTICLE 15: WORK AND STOPPAGE AND EMPLOYER PROTECTIONS**

3 *Section 1.* The parties agree that the public interest requires efficient and uninterrupted
4 performance of all County services, and to this end, pledge their best efforts to avoid or eliminate any
5 conduct contrary to this objective. Specifically, the Association shall not cause or condone any work
6 stoppage, including any strike, slowdown, or refusal to perform any customarily assigned duties, sick
7 leave absence which is not bonafide, or other interference with County functions by employees under
8 this Agreement and should same occur, the Association agrees to take appropriate steps to end such
9 interference. Any concerted action by any employees in any bargaining unit shall be deemed a work
10 stoppage if any of the above activities have occurred.

11 *Section 2.* Upon notification in writing by the County to the Association that any of its
12 members are engaged in a work stoppage, the Association shall immediately, in writing, order such
13 members to immediately cease engaging in such work stoppage and provide the County with a copy
14 of such order. In addition, if requested by the County, a responsible official of the Association shall
15 publicly order such Association employees to cease engaging in such a work stoppage.

16 *Section 3.* Any employee who commits any act prohibited in this article will be subject to the
17 following action or penalties:

- 18 1. Discharge.
- 19 2. Suspension or other disciplinary action as may be applicable to such employee.

20 **ARTICLE 16: WAIVER CLAUSE**

21 The parties acknowledge that each has had the unlimited right within the law and the
22 opportunity to make demands and proposals with respect to any matter deemed a proper subject for
23 collective bargaining. The results of the exercise of that right and opportunity are set forth in this
24 Agreement. Therefore, the County and the signatory organization, for the duration of this Agreement,
25 each agree to waive the right to oblige the other party to bargain with respect to any subject or matter
26 not specifically referred to or covered in this Agreement.

27 The parties agree that in the event they enter into memoranda of understanding during the life
28 of this agreement, such agreements are binding when signed by authorized representatives of the

1 parties. No ratification process is required.

2 **ARTICLE 17: REDUCTION-IN-FORCE**

3 Employees laid off as a result of a reduction in force shall be laid off according to seniority
4 within the classification, with the employee with the least time being the first to go. In the event there
5 are two or more employees eligible for layoff within the Department with the same classification and
6 seniority, the Department Director will determine the order of layoff based on employee performance.

7 Employees laid off in accordance with the provisions of this article will be eligible for rehire
8 into positions of the same classification in the inverse order of layoff.

9 **ARTICLE 18: TRANSFERS**

10 *Section 1. Request for Transfer:* Employees may submit written requests for transfer or
11 reassignment to another division, shift, squad, or unit and such requests shall be given full
12 consideration by the Department.

13 *Section 2. Involuntary Transfers:* When an employee is transferred or reassigned
14 involuntarily and such transfer or reassignment produces significant hardship on the employee or
15 his/her family due to excess travel time, expense, or other factors, the Department will give full
16 consideration to these factors and respond to viable alternatives proposed by the employee or the
17 Union with written justification for the transfer. Employees will be given 14 calendar days notice
18 prior to the actual permanent transfer. Transfers due to exigent circumstances may occur as soon as
19 necessary.

20 *Section 3. Disciplinary Transfers:* When a transfer is used as a disciplinary sanction, it shall
21 be subject to the grievance procedure and just cause provisions of Article 12.

22 **ARTICLE 19: BILL OF RIGHTS**

23 In criminal matters, an employee shall be afforded those constitutional rights available to any
24 citizen. In investigative matters relating to job performance, the following guidelines shall be
25 followed:

26 *Section 1.* "Interrogation" as used herein shall mean any questioning by an agent of the
27 County who is investigating conduct by the employee being interrogated which could result in
28 suspension, demotion, or discharge.

1 **Section 2.** Before interrogation, the employee shall be informed of the nature of the matter in
2 sufficient detail to reasonably apprise him of the matter. Nothing herein shall operate as a waiver of
3 the Association's right to request bargaining information.

4 **Section 3.** Any interrogation of an employee shall be at a reasonable hour, preferably when
5 the employee is on duty, unless the exigencies of the investigation dictate otherwise.

6 **Section 4.** Any interrogation (which shall not violate the employee's constitutional rights)
7 shall take place at the King County Sheriff's Office, except when impractical. The employee shall be
8 advised of their right to representation and afforded an opportunity and facilities to contact and
9 consult privately with an attorney of their own choosing and that person may be present during the
10 interrogation, but may not participate in the interrogation except to counsel the employee.
11 Additionally, an employee shall be advised of their right to and shall be allowed Association
12 representation to the extent allowed by law.

13 **Section 5.** The questioning shall not be overly long and the employee shall be entitled to such
14 reasonable intermissions as he/she shall request for personal necessities, meals, telephone calls and
15 rest periods.

16 **Section 6.** The employee shall not be subjected to any offensive language, nor shall he/she be
17 threatened with dismissal, transfer or other disciplinary punishment as a guise to attempt to obtain
18 his/her resignation nor shall he/she be intimidated in any other manner. No promises or rewards shall
19 be made as an inducement to answer questions.

20 **Section 7.** The Employer shall not require any employee covered by this Agreement to take or
21 be subjected to a lie detector test as a condition of continued employment. Nor shall polygraph
22 evidence of any kind be admissible in disciplinary proceedings except by stipulation of the parties.

23 **Section 8.** There shall be an Association representative present as an ex officio observer on
24 accident review boards, shooting review boards, or use of force review boards. The Employer will
25 provide the Association with copies of the findings of all review boards.

26 **Section 9.** Administrative Investigations must be completed within 180 days of the matter
27 coming to the Internal Investigations Unit (IIU). In the event the Sheriff believes an extension
28 beyond 180 days is necessary, and the County establishes that it has acted with due diligence and the

1 investigation could not reasonably be completed, the Sheriff will contact the Association prior to the
2 expiration of the 180 days advising of the need for extra time. Any extension based on the
3 unavailability of witnesses shall include a showing that the witness is expected to become available in
4 a reasonable period of time, however the reasonableness of the timeframe will be gauged by assessing
5 the seriousness of the alleged conduct and the importance of the missing information.

6 a. The 180 day period shall be suspended when there is a decision by the Executive
7 requesting an inquest until the inquest is completed, and also when a complaint involving alleged
8 criminal conduct is being reviewed by a prosecuting authority, is being prosecuted at the local, state
9 or federal level, or if the alleged conduct occurred in another jurisdiction and is being criminally
10 investigated or prosecuted in that jurisdiction. In cases of an officer involved in a fatal incident, the
11 180 day period will commence when the completed criminal file is provided to the Prosecuting
12 Attorney.

13 (1) In the event an outside agency conducts a criminal investigation of a matter
14 within the jurisdiction of the County, and the Sheriff's Office receives the completed criminal file
15 with less than sixty (60) days remaining for the administrative investigation, the Sheriff's Office will
16 have up to an additional sixty (60) days to complete its administrative investigation.

17 (2) Compliance with this provision is required if findings are to be entered or
18 discipline is to be imposed. Issuance of a Loudermill notice of intent to discipline will constitute
19 conclusion of the administrative investigation for purposes of this section.

20 (3) Nothing in this article prohibits the County from disciplining (provided
21 just cause exists) an officer convicted of a crime.

22 **ARTICLE 20: EXECUTIVE LEAVE**

23 *Section 1.* Employees in the position of Employee work in a bona fide
24 executive/administrative capacity and as such, are exempt from the overtime provisions of the Fair
25 Labor Standards Act. Employees are expected to work the hours required to accomplish the duties of
26 their positions.

27 Based on their exemption from overtime pay, Employees shall be granted ten (10) days of
28 noncumulative paid Executive Leave each calendar year.

1 **Section 2.** An employee appointed to the rank of Employee after January 1st of any calendar
2 year shall, for the calendar year in which appointed, be granted a prorated share of the ten (10) days of
3 Executive Leave based upon the number of full pay periods remaining in that calendar year. Such
4 prorated share shall accrue immediately upon appointment.

5 **Section 3.** Executive Leave shall be administered in the same manner as vacation leave.
6 Such leave shall not accumulate from year to year. It must be used in the calendar year in which it is
7 granted, or it will be lost. There shall be no cash out of Executive Leave.

8 **ARTICLE 21: ALTERNATIVE WORK SCHEDULES**

9 Nothing in this agreement shall preclude employees from working an alternative work
10 schedule. Alternative work schedules shall be negotiated by the Association and must have
11 departmental and Human Resources Division of the Department of Executive Services approval.
12 Denial of an alternative work schedule by the Department shall not be subject to the grievance
13 procedure.

14 **ARTICLE 22: ON CALL DUTY OFFICER LEAVE**

15 **Section 1.** The assignment of Command Duty Officer (CDO) requires flexible work hours so
16 that the CDO is available on a 24 hour, 7 days per week basis. All personnel assigned as CDO are
17 expected to work at least four (4) hours graveyard shift (2200 to 0600 hours) during their assigned
18 CDO week days (Monday – Friday). An employee typically receives two weekly CDO assignments
19 per year. Recognizing that Employee’s core hours are primarily dayshift hours, effective January 1,
20 2011, Employees will receive two (2) days of On Call Duty Officer Leave for the CDO assignment.

21 **Section 2.** On Call Duty Officer Leave shall be administered in the same manner as
22 Executive Leave, and will be available to Employees on January 1st of each year. Should
23 Management change the CDO work hour’s requirement at any time during a calendar year, the CDO
24 Leave previously credited will remain in effect for that year. If in the subsequent year the CDO hours
25 requirement is changed so that no change in normal or core work hours is required, then no member
26 will be due the leave.

27 **ARTICLE 23: CIVILIAN REVIEW**

28 The King County Office of Law Enforcement Oversight (OLEO) will provide a professional

1 presence to help ensure a quality investigation in real time, and visible, independent oversight to
2 reassure the public.

3 **Section 1.** The OLEO will actively monitor all Sheriff's Office internal investigations. In
4 addition, OLEO may monitor any incidents involving an officer's use of force, and Critical Incidents.
5 Critical Incidents include the use of deadly force, officer-involved shootings, uses of force (including
6 intentional use of a vehicle) or vehicular pursuits resulting in death or injury requiring hospitalization,
7 and in-custody deaths.

8 Periodically, the King County Council may certify an issue outside the scope of authority
9 outlined above. The Council may certify such issue by majority vote if events or facts highlight the
10 issue as one of concern to the public.

11 **Section 2.** The OLEO may receive complaints from any complaining party, including,
12 without limitation, citizens or employees of the Sheriff's Office. The OLEO will forward all
13 complaints to the Internal Investigations Unit (IIU) within three business days for processing and,
14 when appropriate, investigation. The OLEO will not conduct independent disciplinary investigations,
15 but may participate in interviews as provided herein.

16 **Section 3.** OLEO staff shall be timely notified of and have the opportunity to attend scenes of
17 Critical Incidents requiring call out of the Criminal Investigations Division (CID) and the
18 administrative investigation team. OLEO staff shall be stationed at the Command Post and interact
19 with the administrative team as liaison with the CID. After the initial investigation is complete and
20 scene secured, a representative from the CID will escort the OLEO representative through the scene.

21 **Section 4.** OLEO staff shall have the opportunity to attend shooting review or use of force
22 review boards as a non-voting member. If a driving review board involves a Critical Incident, OLEO
23 staff may attend such review boards as a non-voting member.

24 **Section 5.** In addition to complaints received by the OLEO, IIU will provide copies of all
25 other complaints to the OLEO within three business days. Once the case is closed, the OLEO will
26 return all case file materials and any other records to IIU for retention, including copies. The OLEO
27 will have subsequent access to closed cases for up to two years solely for reporting purpose, unless
28 there is a legitimate business necessity to review older files.

1 **Section 6.** The OLEO will have the opportunity to make a recommendation for mediation to
2 the Sheriff, prior to investigation, except in cases of complaints of serious matters (complaints that
3 could lead to suspension, demotion or discharge). In the event the Sheriff's Office, the complainant
4 and the officer all agree to mediation, that process will be utilized rather than sending the matter on
5 for investigation. Assuming the officer participates in good faith during the mediation process, the
6 officer will not be subject to discipline and the complaint will be administratively dismissed. Good
7 faith means that the officer listens and considers the issues raised by the complainant, and acts and
8 responds appropriately. Agreement with either the complainant or the mediator is not a requirement
9 of good faith. In the event an agreement to mediate is reached and the complainant thereafter refuses
10 to participate, the officer will be considered to have participated in good faith. Moreover, any records
11 related to mediation (other than a mediation settlement agreement) shall not be admissible in any
12 proceeding except to enforce this section. The parties agree that "serious" matters are not eligible for
13 this mediation option.

14 **Section 7.** Once any complaint is received by the IIU, it shall be submitted to the chain of
15 command for review pursuant to the King County General Orders Manual Policy. When either the
16 Sheriff or her/his designee determines that the allegations warrant investigation, such investigation
17 shall be approved, and IIU will initiate the investigative process.

18 **Section 8.** IIU will notify the OLEO of all administrative interviews on all complaints of a
19 serious matter (complaints that could lead to suspension, demotion or discharge) and all complaints
20 originating at the OLEO. A single OLEO representative from the OLEO may attend and observe
21 interviews, and will be given the opportunity to ask questions that are within the scope of permissible
22 investigative questioning after the completion of questioning by the Sheriff's Office. The OLEO will
23 not participate in criminal investigations of Sheriff's Office employees in any way, and will not be
24 notified of any part of the criminal investigation until the criminal investigation is concluded. At that
25 point, the file shall be provided to the OLEO.

26 **Section 9.** Upon completion of internal investigations, IIU will forward a complete copy of
27 the case file to the OLEO for review. The OLEO will determine, in writing, whether the investigation
28 was thorough and objective in the opinion of the Director of the OLEO.

1 **Section 10.** As a part of the review process, the Director of the OLEO may believe that
2 additional investigation is needed on issues he/she deems material to the outcome. If there is any
3 dispute between the assigned investigator(s) and the OLEO regarding the necessity, practicality or
4 materiality of the requested additional investigation, the IIU Commander will determine whether
5 additional investigation will be undertaken. If the OLEO is not satisfied with the determination of the
6 IIU Commander, the matter will be submitted to the King County Sheriff, for review. If the Director
7 of the OLEO is not satisfied with the determination of the Sheriff, the matter will be resolved by the
8 King County Executive, whose decision will be final. Once the matter has been referred to and
9 resolved by the Executive, the investigation will be completed consistent with the determination by
10 the Executive. After completion of the additional investigation, or the conclusion that no further
11 investigation will be undertaken, the OLEO will then certify whether or not, in the opinion of the
12 Director of the OLEO, the internal investigation was thorough and objective. This determination will
13 be made within five (5) business days. Once the above finding is entered in the investigation, the
14 OLEO will not be involved further in the processing of that case except as provided herein.

15 **Section 11.** All final disciplinary decisions will be made by the Sheriff.

16 **Section 12.** The OLEO will be provided a copy of any letter or other notification to an officer
17 informing them of actual discipline imposed as a result of an internal affairs investigation or the
18 Notice of Finding in the event that the complaint is not sustained.

19 **Section 13.** The OLEO will be notified by IIU within five (5) business days of case closure of
20 all complaints of a Serious Matter and all complaints originally filed with the OLEO. The OLEO, in
21 addition to the Sheriff's Office's written Notice of Finding letter to the complainant, may send a
22 closing letter to the complainant. The letter may summarize the case findings within the context of
23 this Article.

24 **Section 14.** Any complaining party who is not satisfied with the findings of the Sheriff's
25 Office concerning their complaint may contact the OLEO to discuss the matter further. However,
26 unless persuasive and probative new information is provided, the investigation will remain closed. In
27 accordance with established arbitral case law, employees may not be subject to discipline twice for
28 the same incident. In the event the investigation is re-opened and discipline imposed, the appropriate

1 burden of establishing compliance with this section rests with the County in any subsequent challenge
2 to the discipline. Moreover, this section is subject to the 180 day limitation contained in Article 19,
3 Section 9 of this Agreement.

4 **Section 15.** In addition to the investigative process, the OLEO will have unimpeded access to
5 all complaint and investigative files for auditing and reporting purposes. The OLEO shall not retain
6 investigative files beyond one year and will return the same to IIU for safekeeping. At all times and
7 including, without limitation, issuing written reports, no employee of the OLEO will release the
8 name(s) of employees or other individuals involved in incidents or investigations nor any other
9 personally identifying information. The OLEO may make statistical observations regarding the
10 disciplinary results of sustained internal investigations, but shall not take issue with discipline
11 imposed by the Sheriff in specific cases. The parties agree that this Agreement does not prohibit
12 OLEO from having access to previously reviewed records after one year should another complaint
13 involving the same employee be filed.

14 **Section 16.** The OLEO may recommend policies and procedures for the review and/or audit
15 of the complaint resolution process, and review and recommend changes in Sheriff's Office policies
16 to improve the quality of police investigations and practices. Nothing herein shall be construed as a
17 waiver of the Association's right to require the County to engage in collective bargaining as
18 authorized by law.

19 **ARTICLE 24: EARLY INTERVENTION SYSTEMS**

20 **Section 1.** The County shall implement an Early Intervention System. The Early Intervention
21 System will be designed as an integral component of the Department's performance appraisal
22 process. Any documentation of the application of the Early Intervention System to any member of
23 the bargaining unit will not be recorded in any manner in that employee's performance appraisal
24 forms. The parties recognize that, because Early Intervention is integrally related to the performance
25 review process, any documentation involving an officer's identification for or participation in the
26 program will be confidential and not subject to public disclosure.

27 **Section 2.** The Early Intervention System will be a data-based management tool designed to
28 identify employees whose performance exhibits potential problems. In response to identified issues,

1 the County shall provide interventions (usually counseling or training) to correct those concerns. The
2 Early Intervention System is only intended to identify performance problems that do not warrant
3 disciplinary action but suggest that an employee may be having problems dealing with workplace
4 issues. The “alerts” generated by the system shall not become permanent records themselves, and
5 will not be retained on the system longer than 90 days.

6 **Section 3.** The Early Intervention System shall be completely separate from the disciplinary
7 system. Neither IIU nor the King County Office of Law Enforcement Oversight (OLEO) shall have
8 access to early intervention records of any kind. An intervention is not discipline. It will be designed
9 to help employees improve performance through counseling, training or coaching. No record of
10 participation in an Early Intervention Program will be placed in the employee’s personnel file or
11 admitted by the County in any disciplinary proceeding for any purpose, unless the issue is initially
12 raised by the Association.

13 **Section 4.** An employee may have access to a read only version of the data related to that
14 employee. These data or indicators are usually already collected in other databases in the agency.
15 The Association will be provided thirty (30) days advance notification when the KCSO has selected
16 the list of indicators to be used by the KCSO, or in the event the KCSO modifies the list of factors.
17 The KCSO will meet to discuss the indicators with the Association upon request and discharge its
18 obligation to bargain, if any, that the law requires.

19 **ARTICLE 25: PERFORMANCE EVALUATIONS**

20 **Section 1.** An annual performance appraisal shall be conducted by the employee’s immediate
21 supervisor.

22 **Section 2.** The employee’s immediate supervisor shall meet with the employee for the
23 purpose of presenting feedback about job performance. Performance appraisals shall not include
24 references to acts of alleged misconduct that were investigated and unfounded, exonerated or not
25 sustained, or sustained and reversed on appeal. The employee shall be given an opportunity to
26 provide written comments on the final appraisal including, but not limited to, agreement or
27 disagreement with the information presented. The employee shall sign the appraisal to acknowledge
28 receipt. Signing the appraisal shall not infer agreement with the review.

1 **Section 3.** If an employee wishes to challenge an appraisal, the following steps shall be taken
2 in the following order:

3 **STEP 1**

4 Within fifteen (15) days of receiving the appraisal, the employee may request a meeting with
5 his/her supervisor to address and challenge the appraisal. This meeting shall be scheduled within 10
6 days. After the employee has provided the information associated with the challenge, the supervisor
7 shall advise the employee as part of the meeting of his/her determination to either modify the
8 appraisal or preserve it as written. The supervisor shall document the discussion with the employee.
9 If the employee is not satisfied with the supervisor's response, he/she may appeal to Step 2.

10 **STEP 2**

11 Within fifteen (15) days following the meeting with his/her supervisor, the employee may
12 request a meeting with the supervisor's commanding officer (or civilian equivalent) to address and
13 challenge the appraisal. This meeting shall be scheduled within 10 days. After the employee has
14 provided the information associated with the challenge, the commanding officer shall advise the
15 employee as part of the meeting of his/her determination to either modify the appraisal or preserve it
16 as written. The commanding officer shall document the discussion with the employee. If the
17 employee is not satisfied with the commanding officer's response, he/she may appeal to Step 3 only if
18 the employee alleges: (1) factual inaccuracy in the appraisal, including references to acts of
19 misconduct that were investigated and unfounded, exonerated or not sustained, or sustained and
20 reversed on appeal; and/ or (2) lack of prior notice of the conduct that the supervisor has identified as
21 part of the performance appraisal.

22 **STEP 3**

23 Within fifteen (15) days following the meeting with his/her commanding officer the employee
24 may request, through the Director of Human Resources, a hearing before the Performance Appraisal
25 System (PAS) Review Board to address concerns of factual inaccuracy and/or lack of prior notice.
26 The request must be submitted in writing and cite specific facts supporting the employee's
27 allegation(s). The Director of Human Resources will review the employee's request to determine if
28 the criteria for an appeal have been met within 10 days. This determination shall be appealable to the

1 PAS Review Board as a preliminary matter.

2 The appeal shall be considered by the PAS Review Board within 60 days. The PAS Review
3 board shall consist of a total of six (6) members, three (3) selected by the Association and three (3)
4 selected by the Department. Each Board member must agree to spend a minimum of at least one-year
5 on the Board. Any Board member who has been actively involved in conducting a performance
6 appraisal of an employee appealing to the Board shall recuse him or herself from hearing the appeal
7 of that employee.

8 The employee shall be solely responsible for presenting his/her perspective of the appraisal to
9 the Board. The supervisor or commanding officer responsible for evaluating the employee shall be
10 solely responsible for presenting his/her perspective of the appraisal to the Board.

11 The Board shall review the relevant evidence and vote to determine to either modify the
12 appraisal or preserve it as written in accordance with the following procedures:

13 1. Each member of the Board must agree that his or her vote, and the votes of others,
14 shall remain confidential. Unauthorized disclosure of such information shall be just cause for
15 removal from the Board.

16 2. At the conclusion of the hearing, the Board shall initially seek to reach a consensus
17 resolution. In the event no consensus can be reached, all six (6) members of the Board shall
18 anonymously cast their vote by placing their ballot in a box.

19 3. A member of the Board shall blindly remove and eliminate one ballot from the box.
20 Only the five (5) remaining ballots shall be considered in determining the outcome of the hearing.

21 The decision of the Board shall be final and not subject to the grievance process or appeal to
22 the Civil Service Commission. Together with the decision, the Board may provide recommendations
23 to the employee on how he/she can improve on weaknesses that are identified. The Board may also
24 provide recommendations to the employee's chain of command on how to assist the immediate
25 supervisor and employee in addressing any performance related or work relationship concerns.

26 **Section 4.** The Department may use performance appraisals (absent any record of early
27 interventions), along with other relevant information, in determining the appropriateness of
28 promotions and transfers, and as notice for the purpose of disciplinary actions. Employees may not

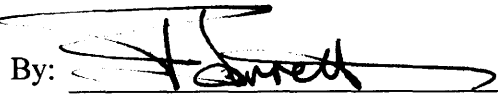

1 appeal a performance appraisal used in making such determinations unless they do so within the
2 timelines provided by Step 3 above, provided that employees may contest the use of portions of a
3 performance evaluation if they are admitted in a disciplinary proceeding and if those challenged
4 portions of the performance appraisal are not appealable pursuant to Section 3 above.

5130100	514101	Captain

Step 1 for 6 months	Step 2 for 12 months	Step 3 Top Step After 18 months
106%	112%	118%

Section 1:

a) Effective January 1, 2013, based upon the above step scale the Captain rates shall be adjusted as follows:

(1) Step 1 rates shall be one-hundred six percent (106%) of the top step Sergeant's base monthly pay referenced in the King County Police Officers Guild collective bargaining agreement for the same year.

(2) Step 2 rates shall be one-hundred twelve percent (112%) of the top step Sergeant's base monthly pay referenced in the King County Police Officers Guild collective bargaining agreement for the same year.

(3) Step 3 Top Step rate shall be one-hundred eighteen percent (118%) of the top step Sergeant's base monthly pay referenced in the King County Police Officers Guild collective bargaining agreement for the same year.

b) The monthly base pay rate will be adjusted upon any change in top step Sergeants base monthly pay referenced in the King County Police Officers Guild collective bargaining agreement. In the event any increase in top Sergeants base monthly pay is retroactive, the adjustment for the Captains' base upon such increases shall also be retroactive to the date of the increase for top step Sergeants.

c) The change to this pay format shall not work to the detriment of any

bargaining unit member; thus, if the change in pay step impacts a bargaining member negatively, their pay shall remain status quo until such time as their next pay step is greater than their current pay.

5.0 APPENDICES:

ADDENDUM B

Acknowledgement of Information Technology Security Responsibilities and Confidentiality Guidelines

- 5.1 Model: Acknowledgement of Information Security Responsibilities and Confidentiality (see next page).

Acceptable Use of King County Information Assets FAQs

1. Q: I have read that minimal use of information technology assets is allowed. What is a minimal use anyway?
- A: A minimal use is an infrequent or occasional use that is brief in duration and does not impact your ability to perform your work and results in no cost to the county.
2. Q: May I send a personal e-mail using my King County e-mail account?
- A: Yes, you may send and receive personal e-mail on the King County e-mail system provided your use meets the "minimal use" criteria and is not otherwise prohibited under the policy. Remember that any e-mail sent or received via the King County e-mail system may be subject to public disclosure under Washington State Law and/or disclosure due to legal action. All e-mail whether for business or personal purposes should be professional in nature.
3. Q: May I access and use my personal e-mail account under the Acceptable Use Policy?
- A: Yes, you may access your personal e-mail account provided such access fits in the definition of minimal personal use. Remember, accessing your own e-mail over the internet may expose the county to viruses; users should exercise extreme caution when accessing personal e-mail.
- Generally such access should be done during non-work times (i.e. breaks, lunch time, etc.) and must not impact workflows.
4. Q: Minimal personal use requires that there is little or no cost to the county. What costs are associated with the use of the internet and/or the County's e-mail system?
- A: The County's resources are for business use. Here are two examples of how use incurs costs beyond what is allowed under minimal personal use:
- Using the Internet for personal use during your regular work time costs the county your wages, which are paid to you for public services.
 - Sending or receiving chain e-mails to friends and storing them on the e-mail server, especially if they contain photographs, requires the county to use its resources for your personal use. E-mails with photographs occupy large amounts of storage space on County owned equipment which should be used to store County data.

ADDENDUM B

Acceptable Use of King County Information Assets FAQs

5. Q: Does the new policy mean that I can use my county-provided cell phone for (limited) personal use? If so, what (if any) are the limits on its use?
- A: Cell phones are not generally considered Information Assets even though smartphones and Blackberries have some computing capabilities. Therefore this policy does not directly address cell phone usage. Cell phone use would fall under the County's Employee Code of Ethics (KCC 3.04) and any department-specific policy. Consult your supervisor or the Ethics Help Line at 206-296-1586 for more information.
6. Q: Are my e-mail messages private?
- A: No, if you use county equipment do not expect a right to privacy for any of your e-mail communications. Email communications may be considered public records and could be subject to disclosure. Aside from disclosure, employees should consider that e-mail communications are subject to alteration by others and may be forwarded to unintended recipients. Avoid these potential problems by treating e-mail communications as another form of business correspondence.
7. Q: What happens if I receive a pornographic e-mail/offensive spam?
- A: First of all, you should not open an e-mail from anyone that you do not know. Messages of this type often contain malicious code that can compromise the network. That said, don't panic; this happens occasionally. Mistyped internet web site addresses can result in accessing inappropriate sites and e-mail recipients have little control over the spam they receive. If you receive any kind of spam (offensive or otherwise) simply delete it. If you inadvertently access an inappropriate web site, close your browser immediately.
8. Q: Is personal use of IT resources limited to breaks and lunch? If so, does that mean that I can't call my car-pool/doctor/childcare/etc. during working hours?
- A: Not necessarily. This question implies the use of the telephone, which is not addressed in this policy. The Employee Ethics Policy (KCC 3.04) does allow minimal personal use of telephones for personal business. Consult the Employee Ethics Policy and Ethics Board Advisory Opinions or contact the Ethics Help Line at 206-296-1586 for further information. The Employee Ethics Policy and Ethics Board Advisory opinions can be found at <http://www.metrokc.gov/ethics>.

The Acceptable Use Policy takes a similar position and allows you to respond to personal e-mails whether through your King County e-mail account or your personal e-mail account as long as it meets the requirements of minimal personal use.

ADDENDUM B

Acceptable Use of King County Information Assets FAQs

9. Q: May I use my county computer to check my bank balance online?
- A: **Yes, you may check your bank or deferred compensation account balances as long as such use meets the specifications of minimal use. However, you cannot engage in such transactions as online banking (paying your personal bills, transferring funds, etc.) on county computers. You also may not want to engage in such activities at the office for other reasons of security. Engaging in such activities in a public or semi-public place as the office exposes you to "shoulder surfing". Shoulder surfing is the concept of others looking over your shoulder and seeing what is on your screen and sometimes watching what you type on a keyboard. In this way others, whether they are coworkers or customers may be able to see your private information and possibly even obtain your login name and password for your account. In addition, many financial institutions now register information about the PC used to access account information. If you access the information on a King County computer it may complicate or make it impossible for you to access this same account from your home PC.**
10. Q: May I contact my union representative or shop steward over the County e-mail system?
- A: **Yes, you may use email to conduct official union business at a reasonable level and that does not interfere with County business. Remember, such email is not secure or private and is part of the public domain.**
11. Q: May I use my county computer to purchase items on the internet?
- A: **Employees may transact a limited amount of consumer purchasing activities on the Internet at work, as long as such use meets the specification of minimal, but may not conduct transactions for personal financial gain. For example, the purchase of a book through the Internet is acceptable, but the sale of a book is not. Buying or selling non-consumer items such as stocks or other securities trading is prohibited by both the King County Code of Ethics and the Acceptable Use Policy as activities that can result in private financial benefit or gain.**
12. Q: May I send an e-mail message to my child to make sure he/she arrived home safely from school?
- A: **Yes, such use is consistent with the policy provided the e-mail drafting is brief in duration and does not interfere with the performance of official duties. However, this may not be the most efficient method for checking on your children's welfare.**

ADDENDUM B

Acceptable Use of King County Information Assets FAQs

13. **Q:** Are there any uses that are prohibited, even if they are brief in nature?
- A:** Yes, the allowance for minimal use does not apply to the following uses:
- Conducting an outside business;
 - Political or campaign activities;
 - Commercial uses such as advertising or selling products (including selling products on e-bay, Craig's list, etc.);
 - Lobbying that is unrelated to official duties;
 - Engaging in illegal or inappropriate activities;
 - Distributing chain-e-mails. Sending bulk e-mail that is not related to official business is prohibited because it disrupts other county employees and may obligate them to make personal use of county resources.
14. **Q:** There is both a policy and a guideline with the title of "Acceptable Use". What is the difference?
- A:** A policy is defined as a high level statement of the organization's beliefs, goals and objectives and the general means for their attainment for a specified subject area.
- A guideline is a set of recommended "how-to" instructions that support some part of a policy or standard.
- There is also the concept of a standard, which is: A mandatory statement of minimum requirements that support some part of a policy.
15. **Q:** What are the guidelines on internet use?

ADDENDUM B

Acceptable Use of King County Information Assets FAQs

A: Just like the guidelines for e-mail use discussed above, any personal use of county provided Internet access must be both brief and infrequent. Extensive personal use of county provided Internet access is not permitted. In addition, your department or agency may have adopted a policy that prohibits all personal use of the Internet. Please check with your supervisor if you are unsure of your department's policies.

Example A: Several times over the course of a month an employee quickly uses the Internet to check her child's school website to determine if the school will end early that day. The transaction takes approximately three minutes. This use is considered minimal and permitted under the policy.

Example B: An employee routinely uses the Internet to manage her personal investment portfolio and communicate information to her broker. This use is not permitted under the policy. The King County Code of Ethics and the Acceptable Use Policy prohibit using county resources to engage in activities that can result in private financial benefit or gain.

Example C: An employee spends thirty to forty minutes of work time looking at various web sites related to a personal interest. This use is not permitted under the policy because it is not brief in duration and interferes with the employee's work.

16. Q: Can I watch streaming video and/or listen to internet radio through my computer at work?

A: Yes you may; however it is not recommended unless you are doing it for work purposes such as listening to council meetings. Such activities use an excessive amount of network resources called bandwidth. This use of network bandwidth for you to listen to internet radio can result in others not being able to access their files, print documents, or access e-mail efficiently. It slows down the entire network. These activities also may be disruptive to those around you, depending upon your work environment.

17. Q: My county computer can copy CDs. My computer at home cannot. Is it permitted for me to make copies of CDs using my county computer? If I provide the blank CDs there is no cost to the County, right?

A: You are correct relative to the cost of the CDs if you provide the blanks. However this would still be a violation of the policy because making copies of CDs is a time-consuming process and would violate the definition of minimal use in two areas:

- Not brief in duration;
- Would probably interfere with your ability to perform your work.

In addition, copying of CDs even for personal use is a violation of the Digital Millennium Copyright Act of 1998.

ADDENDUM B

Acceptable Use of King County Information Assets FAQs

18. Q: My county computer has a DVD player. May I bring a DVD movie in to the office to watch on my breaks and lunch?

A: **This would be permitted under the Acceptable Use Policy as long as you kept the activity to your breaks and lunch times; however you should consider other impacts. Is this activity likely to interfere with the ability of others to do their jobs? What would be the perception were a customer or constituent to observe you watching a DVD? You should consult your supervisor or manager. As a general rule if watching the DVD is for entertainment purposes and not work-related it is not recommended.**

19. Q: What are the Acceptable use guidelines and what happens if I fail to follow one of the guidelines?

A: **The guidelines are not part of the policy but rather are illustrations of best practices. The guidelines exist to inform county employees about how to use the public's information technology assets assigned to them responsibly and prudently. If the county experiences problems associated with continued use that is currently suggested as contrary to best practices under the guidelines, the county may seek to revise its policy to outright prohibit such use. All of us are responsible to ensure we use these assets appropriately.**

ADDENDUM C

MEMORANDUM OF AGREEMENT

Regarding Insured Benefits

January 1, 2014 through December 31, 2016

For Represented Benefits-Eligible Employees

By And Between King County

And

The Joint Labor Management Insurance Committee

WHEREAS, certain designated representatives of the County and the Unions signatory to this Memorandum of Agreement (“Agreement”) have agreed to participate in negotiations as members of the Joint Labor Management Insurance Committee (“JLMIC”) for the purposes of negotiating the plan provisions and funding of the County’s fully insured and self-insured medical, dental, vision and life insurance programs (“insured benefits”); and

WHEREAS, the County and the Unions signatory hereto have agreed to a format for funding and negotiating plan provisions to meet the anticipated cost increases associated with providing insured benefits to represented, benefits-eligible employees; and

WHEREAS, it is the policy objective of King County that a sustainable compensation package is achieved by reducing the year over year growth rate of King County’s overall employee compensation budget to align with the County’s population adjusted inflation rate.¹ The overall employee compensation budget includes adopted expenditures for all wages, compensation, leave, retirement contributions, and benefits for active employees. This includes all amounts accounted for in account class 51000 in the County’s accounting and budget system of record; and

WHEREAS, the County provides compensation (wages, compensation premiums, cost of living adjustments, paid leave, and insured benefits) in a manner that is sustainable and enables it to recruit and retain quality employees; and

WHEREAS, the County and the Unions agree that for the term of this Agreement, insured benefit plans will include the Healthy Incentives Program and existing differentials in employee cost between Group Health and KingCare and the parties agree to explore options that incent members to choose healthcare that is more effective and produces better health outcomes.

NOW THEREFORE, having bargained in good faith, the JLMIC hereby agrees to the following:

1. **Scope of Agreement.** This Agreement shall apply to all represented King County employees, except employees represented by the Amalgamated Transit Union, Local 587, and the King County Police Officers’ Guild, and shall apply to any non-represented County employees identified by Council to be treated in the same way as the represented employees covered by this Agreement. All employees that this Agreement applies to shall be referred to as “JLMIC-Eligible Employees.”

¹ The County’s inflation rate is defined as Seattle CPI-W as projected by the Office of Economic and Financial Analysis. Population growth is the expected growth in aggregate population as forecasted by the County’s Demographer.

ADDENDUM C

2. **Establishment of JLMIC Protected Fund Reserve.** There is hereby established a JLMIC Protected Fund Reserve ("PFR"). The PFR is established and maintained solely for the purpose of funding, providing and maintaining insured benefits, and providing a reserve fund to self-insure against unanticipated increases in the cost of those benefits, for JLMIC-Eligible Employees. It is expressly agreed that no funds from the PFR shall at any time be used for any other purpose, unless mutually agreed to by parties of this Agreement. It is further agreed that the County and organizations handling PFR funds have a responsibility to ensure that PFR funds are being used solely for the benefit of JLMIC-Eligible Employees.
3. **Initial Employer Funding of the Protected Fund Reserve.** No later than April 15, 2013, the County will provide initial funding for the PFR. The initial funding shall be twenty-five million dollars (\$25,000,000), plus the JLMIC portion of any 2012 Employee Benefits fund year-end balance in excess of \$60,071,104 (the ending fund balance based on the County's August 2012 actuarial report estimate). The JLMIC portion is calculated by multiplying 66% of the fund balance in excess of \$60,071,104.
4. **Employer Contributions to Covered Employees.**
 - A. **2013.** For the time period January 1, 2013 through December 31, 2013, as previously agreed, the County shall contribute the necessary funding to provide the current level of insured benefits, subject only to the provisions of the previously executed Memorandum of Agreement extending the 2010-2012 insured benefits through 2013.
 - B. **2014.** Commencing on January 1, 2014, the County shall contribute four (4) percent more than was contributed the prior year (i.e., \$1,355.00) per month on behalf of each JLMIC-Eligible Employee.
 - C. **2015.** Commencing on January 1, 2015, the County shall contribute four (4) percent more than was contributed the prior year (i.e., \$1,409.00) per month on behalf of each JLMIC-Eligible Employee.
 - D. **2016.** Commencing on January 1, 2016, the County shall contribute four (4) percent more than was contributed the prior year (i.e., \$1,465.00) per month on behalf of each JLMIC-Eligible employee, subject to the provisions in paragraph 7, below.
5. **Insufficient Employer Contributions.** To the extent that the employer's contributions identified in paragraph 4 and other yearly non-flex rate revenue (interest earnings, participant benefit access fees, and other plan participant contributions such as COBRA payments), attributed proportionally to employees covered under the terms of this Agreement, is at any time inadequate to fully fund the cost of providing insured benefits for JLMIC-Eligible employees, the parties agree that the PFR will be used to fund the difference until such time as the PFR is exhausted.
6. **Excess Employer Contributions.** To the extent that the employer contributions identified in paragraph 4, and other yearly non-flex rate revenue, attributed proportionally to employees covered under the terms of this Agreement, provides greater funding than is

ADDENDUM C

necessary to fully fund the cost of insured benefits for JLMIC-Eligible Employees, the parties agree that the excess shall be added to the PFR.

7. **Initial Health and Welfare Plan Provisions.** Insured benefits provisions for JLMIC-Eligible Employees during the term of this Agreement shall be identical to those benefit levels provided in 2013, including but not limited to the current out of pocket costs for KingCareSM and Group Health as described in Attachments A and B, unless otherwise modified by the parties or modified pursuant to the terms of this Agreement.
8. **Modification to Plan Provisions and Administration of Protected Fund Reserve.** The JLMIC is hereby empowered to negotiate and implement modifications to insured benefits for JLMIC-Eligible Employees during the term of this Agreement. The JLMIC will negotiate any changes to plan provisions and/or supplemental premium funding methodology to be effective on January 1 of the following calendar year.
9. **Scope and Purpose of the Annual Reconciliation Meeting.** The JLMIC will convene an "annual reconciliation meeting" no later than April 15th of each calendar year to review the insured benefits expenditures for the prior year, projected expenditures for the current and future year(s), plan provisions, and any other information or factors that the JLMIC deems relevant.
10. **Dispute Resolution.** If at any time during the term of this Agreement, the PFR is projected to fall below ten million dollars (\$10,000,000), the JLMIC must consider plan changes and may consider other funding options to be implemented by the following January 1. If the JLMIC is unable to reach agreement on such modifications by June 1 of any calendar year, the matter will be submitted to a Panel of three (3) subject matter experts for final and binding resolution, whose decision must be issued no later than August 15 of the same calendar year. The Panel shall be comprised of one expert selected by the County, one expert selected by the coalition of unions, and one expert selected jointly by the two selected partisan experts. The parties agree to cooperate to present relevant information to the Panel in sufficient time for the Panel to issue a decision by August 15. In 2014, for implementation January 1, 2015, the Panel shall be empowered to make plan design changes, but not employee premium share and/or employer contribution increases. In 2015, for implementation January 1, 2016, the Panel shall be empowered to make plan design changes and/or adding employee premium share and/or employer contribution increases. The costs of the Panel shall be shared equally by the parties.
11. **Subsequent Agreement.** The parties agree to commence negotiations for a successor JLMIC agreement (to be effective starting January 1, 2017) in January of 2016. If the parties are unable to reach agreement by June 1, 2016, on the terms of the successor agreement, the parties agree to use the Dispute Resolution procedure in paragraph 10 of this Agreement to resolve any outstanding issues including employer contribution rates, plan design changes, and any employee premium share. The Panel shall issue its decision by August 15, 2016.
12. **Total Agreement.** This Agreement constitutes the entire Agreement of the parties with respect to the matters covered herein, and no other agreement, statement or promise made by any party which is not included herein shall be binding or valid. This Agreement may be modified or amended only by a written agreement.

The Honorable Larry Gossett
Chair, King County Council
Room 1200
C O U R T H O U S E

Dear Councilmember Gossett:

This letter transmits an ordinance that will help enable the King County Sheriff's Office (KCSO) to provide law enforcement services to the people in King County.

The enclosed ordinance, if approved, will ratify the Puget Sound Police Managers Association (Captains and Lieutenants) collective bargaining agreement for the period of January 1, 2012, through December 31, 2015. This agreement covers 22 employees in the KCSO.

Captains are fully commissioned law enforcement officers who perform the full range of police work, including but not limited to operations and administrative work at precincts throughout King County. Captains also perform Contract City Chief duties, and command specialty units such as Communications Center, Metro, Sound Transit, Critical Incident Response, Internal Investigations, and Special Investigations.

This agreement furthers the goals of the County's Strategic Plan as it contains significant improvements in efficiency, accountability, and productivity for the County. Some of the improvements to the collective bargaining agreement are as follows:

- A serious compression problem exists between the captains and their subordinates, the sergeants. Currently, top-step sergeants earn more in base wages than an entry level captain, creating a recruitment and retention problem for this unit. There is no retroactive wage increase in 2012; however, to solve the compression problem, effective January 1, 2013, the Captain wage rates will be adjusted as follows: Wage steps will be compressed from six steps to three steps by eliminating the first three steps of the current salary schedule. Step one rates shall be 106% of the top-step Sergeant's base monthly pay. Step two rates shall be 112% of the top-step Sergeant's base monthly pay. Step three rates shall be 118% of the top step Sergeant's base monthly pay.

The Honorable Larry Gossett

- Language was changed related to the King County Office of Law Enforcement Oversight (“OLEO”), broadening the office’s scope of authority and allowing the King County Council to certify an issue that is outside the scope of authority outlined in the collective bargaining agreement if events or facts highlight the issue as one of concern to the public.
- Language related to vacation leave and sick leave was changed to comport with how those benefits have been historically administered, and because there is a need to change the language to comply with moving to a biweekly payroll system.
- Administrative investigations may now be completed within 180 days of the matter being brought to the Internal Investigations Unit. Previous language required that investigations be completed within 180 days of the matter being brought to the KCSO command staff.
- Language was eliminated that required the KCSO to immediately cease operation of the Early Intervention System, should a court determine that employee documents related to the system be produced pursuant to the Public Disclosure Act.

The settlement reached is a product of good faith collective bargaining between King County and the Association. The agreement compares favorably with other settlements and is within our capacity to finance. This agreement has been reviewed by the Office of the Prosecuting Attorney, Civil Division.

Thank you for your consideration of this ordinance. This important legislation will help ensure the safety and security of people in King County.
