

Department of Elections
Sherril Huff, Director

April 6, 2012

The Honorable Larry Gossett
Chair, King County Council
Room 1200
C O U R T H O U S E

Dear Councilmember Gossett:

Enclosed is a proposed ordinance that will approve changes to the electoral districts of the King County district court. The boundaries of these electoral districts are described by the precincts that are contained within them, with the outer precinct boundaries and district boundaries being coexistent. Whenever there are changes to the precinct boundaries which alter the description of the precincts within the electoral districts, it is necessary to re-describe the electoral districts, as provided in K.C.C. 1.12.010.F.

This proposed ordinance is a companion to the proposed 2012 precinct alteration ordinance.

There is no fiscal impact since the funding for these changes was included as part of the adopted Department of Elections budget.

I recommend Council approval of this ordinance.

If you have any questions regarding the proposed alterations, please give me a call at 296-1540.

Sincerely,

Sherril Huff, Director
