Please explain why you feel you are the most qualified candidate for this appointment.

As a legal professional and educator, mother, and woman residing in King County I believe strongly in the strength of a citizen's voice and have a vested interest in promoting a thriving, efficient, and accessible county government that responds to the needs of all of its citizens. Women, now more than ever, deserve advocates willing to raise awareness of the need to end gender wage gaps, promote equality in hiring and promotional practices, develop family-friendly work practices, support family leave accessibility, and support child safety and well-being by promoting accessibility to childcare.

My professional background includes government grant writing, legal analysis, education, and advocacy skills. I possess a strong working knowledge of public policy analysis, and seek professional opportunities that allow me to perform my responsibilities in a responsive, well-researched, and thoughtful manner.

As a judge pro tem, practicing in King County District Court as well as other Puget Sound municipalities and counties, I am dedicated to public service and believe strongly in the government's ability to empower, educate, and improve the lives of its citizens. As a former prosecuting attorney, I understand the critical balance between government efficiency/public accountability and providing superior public services. As a practicing judge pro tem and attorney, I am knowledgeable and experienced in the practice of Washington State law and policy. I am also a published academic author and adjunct professor of criminal law.

My prior community service experience includes service on the City of Des Moines Municipal Court DUI Court Committee, work drafting jury instructions for the Washington Pattern Instruction Committee, volunteer service through the YMCA Youth Mock Trial Program and local church youth services. I am deeply committed to serving my community by promoting access to education and career development opportunities. It is my desire to implement this skill set in order to work collaboratively with the King County Women's Advisory Board to promote the best interests of a valuable community resource—it's citizens.

How did you learn of this opportunity?

Promoting accessibility to advancement opportunities, equality in the workplace and government, and ensuring healthy and happy families are interests that I am deeply committed to serving in my community. I was fortunate to encounter the King County Women’s Advisory Board webpage while researching opportunities to volunteer in my community in support of these valuable concerns. The previously published recommendations made by the committee, participation with county government, and advocacy for King County citizens are all service opportunities that I value and would be honored to participate in.

Do you hold any professional licenses, registrations or certificates in any field (Please type an “X” in the box)?

Yes No

If you hold any professional licenses, please list them here:

Hi Rick,

I apologize if we didn't send the letter! Yes, Councilmember Lambert supports Ms. Giner's reappointment!

Hi April,

Ms. Giner stated in the email below that CM Lambert indicated to her that she supports her reappointment to the WAB but I didn't receive a nomination memo/email requesting we reappoint her as the D3 representative on the WAB from the CM. It's possible CM Lambert sent a letter to the Executive but it didn't make it's way to me. So can you let me know if CM Lambert wishes to have Ms. Giner reappointed? Thanks.
