Subject: Requested County staff revisions to proposed Bothell Annexation Interlocal Agreement

Honorable Council Members:

On May 21, 2013, the Bothell City Council approved the proposed Bothell Annexation Interlocal Agreement (ILA). The boards of commissioners of King County Fire Districts 16 and 36 also approved the proposed ILA, on May 21 and May 22, respectively.

In preparing to bring the proposed ILA to the King County Council for consideration, King County staff have determined that a number of changes to the proposed ILA are warranted.

I have reviewed the proposed changes and find them to be very minor, and entirely consistent with the letter and intent of the proposed ILA as approved by the City Council in May.

Therefore, I concur in the proposed changes requested by County staff.

If you have any questions, please contact Bill Wiselogle, Bothell Community Development Director, via e-mail at bill.wiselogle@ci.bothell.wa.us, or via telephone at 425-486-8152.

Sincerely,

RE: Requested County staff revisions to proposed Bothell Annexation Interlocal Agreement

Honorable Council Members:

Woodinville Fire & Rescue has received changes proposed by King County staff to the Bothell Potential Annexation Areas Interlocal Agreement that we have already signed.

The Executive Committee of the Board of Fire Commissioners has reviewed the proposed changes, and since none of them involve the part of the agreement between the City of Bothell and Woodinville Fire & Rescue, we have no issues with these changes.

Please advise if you have any questions or concerns.

Respectfully,

Tim Osgood, Chair
Board of Fire Commissioners
