Ordinance 19915

Proposed No. 2025-0117.1

Sponsors

1 AN ORDINANCE correcting an error in Ordinance 19909;
2 amending Ordinance 19909, Section 1, and establishing an
3 effective date; and declaring an emergency.

4 BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

5 **SECTION 1. Findings:**

6 A. King County and the Central Puget Sound Transit Authority worked
7 cooperatively on the development of the Downtown Redmond Link Extension, portions
8 of which are located on the northern edge of Marymoor park and near the East Lake
9 Sammamish trail. The Downtown Redmond Link Extension is expected to open for
10 service on May 10, 2025.

11 B. On April 1, 2025, the King County council adopted Ordinance 19909
12 authorizing the executive to enter into an operation and maintenance agreement for the
13 portion of the Downtown Redmond Link Extension that is within, or that impacts, King
14 County property. The operation and maintenance agreement describes the
15 responsibilities for operation, inspection, and maintenance of driveways, trails,
16 guideways, drainage infrastructure, ponds, and environmental mitigation in the East Lake
17 Sammamish trail corridor, Marymoor park, and other county facilities.

18 C. Ordinance 19909, Section 1 contains an error. The ordinance erroneously
19 identifies the parties to the operation and maintenance agreement as the King County
20 parks and recreation division of the department of natural resources and parks and the

Ordinance 19915

Washington state Department of Natural Resources rather than the correct parties which are King County parks and recreation division of the department of natural resources and parks and the Central Puget Sound Transit Authority.

D. This ordinance must be enacted as an emergency ordinance to ensure that the executive is authorized to execute the operation and maintenance agreement with the Central Puget Sound Regional Transit Authority before the Downtown Redmond Link Extension is open for service.

SECTION 2. Ordinance 19909, Section 1, is amended to read as follows:

The King County executive is hereby authorized to enter into an operation and maintenance agreement between the King County parks and recreation division of the department of natural resources and parks and the ~~((Washington state Department of Natural Resources))~~ Central Puget Sound Regional Transit Authority, substantially in the form of Attachment A to ~~((this-ø))~~ Ordinance 19909, for the operation and maintenance of the portion of the Downtown Redmond Link Extension that is within King County property.

SECTION 3. A. The county council finds as a fact and declares that an emergency exists and that this ordinance is necessary for the immediate preservation of public peace, health or safety or for the support of county government and its existing public institutions.

B. The council directs that this ordinance shall take effect immediately after

Ordinance 19915

- 40 Ordinance 19909 and before the executive enters into the operation and maintenance
- 41 agreement with the Central Puget Sound Regional Transit Authority.

Ordinance 19915 was introduced on 4/15/2025 and passed by the Metropolitan King County Council on 4/15/2025, by the following vote:

Yes: 9 - Balducci, Barón, Dembowski, Dunn, Mosqueda, Perry, Quinn, von Reichbauer and Zahilay

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, King County-Department of 02 (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
