We, the undersigned

of a proposed public
hospital district, do here-
by respectfully petition

of King County, Wash-
ington, and represent as
follows:

I. There is a present
need to form a public

hospital district to be known as Public Hospital District No. 5, King County, Washington (the "District"), and the proposed territory hereinafter described should be formed into such a district to furnish health care facilities and services to adequately provide for the residents of such area and others as soon as reasonably possible.

The boundaries of the proposed District should encompass all lands of Vashon-Maury Island. The territory to be included in the proposed District is bounded from the point on Vashon Heights at the Northeast corner of Government Lot 1, Section 6, Township 25 North, Range 3 East W.M., by the meander line of the low water marks of Puget Sound, starting East, thence South around adjoining Maury Island, thence South around the Southern tip of Vashon Island, thence North to the original point of beginning, following the meander line of low water mark of Puget Sound at all times, and including all docks, wharves, and residences attached to said islands, which may protrude beyond the low water meander line. The boundaries of the proposed District follow existing precinct boundaries and do not divide any voting precinct, all as required by RCW 70.44.030.

The proposed District should be established with a Board of Commissioners composed of five commissioners, all of whom should be elected as at-large positions as authorized by RCW 70.44.040.

Pursuant to the laws of the State of Washington, after notice, hearing and consideration by the King County Council, a proposition of the formation of the District should be submitted to the voters within the territory of the proposed District for their approval or rejection at an election to be called for that purpose and to be held therein on November 5, 2019, in conjunction with the state general election. At such election, five commissioners for the District should be elected pursuant to the procedures specified in RCW 70.44.040.

WHEREFORE, your undersigned petitioners ask that the King County Council:
