King County Council  
Attn: Marilyn Cope  
516 Third Avenue, Room 1200  
Seattle, WA 98104-3272

Dear King County Council:

Fire District 38, located in King County, has been working over the past several months to annex an area that is located outside of any organized Fire Protection District. The property owners located in the proposed annexation area and the Fire District both feel this annexation would be mutually beneficial. The Fire District currently has no pre-existing financial obligations or indebtedness to which the property owners of the newly annexed area would be obligated to assume.

If you have any further questions, please don't hesitate to contact me at (425) 831-7262.

Sincerely,

Steve Parsons  
Fire Commissioner  
Fire District 38
